Independent Auditors' Report

Plan Administrator
The Kenific Group Health & Welfare Plan
Leesburg, Virginia

Opinion

We have audited the accompanying financial statements of The Kenific Group Health & Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Benefit Obligations and Net Assets Available for Benefits as of December 31, 2024 and 2023, and the related Statement of Changes in Benefit Obligations and Net Assets Available for Benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of The Kenific Group Health & Welfare Plan as of December 31, 2024 and 2023, and the changes in its benefit obligations and net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of The Kenific Group Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Kenific Group Health & Welfare Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Independent Auditors' Report (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Kenific Group Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Kenific Group Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

Independent Auditors' Report (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

1. Description of the Plan

The following description of The Kenific Group Health & Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General: The Plan was established on January 1, 2022 and provides health and other benefits to full-time employees of The Kenific Group LLC (formerly The Kenific Group, Inc.) (the Company) who work an average of 30 or more hours per week and their covered dependents. The assets of the Plan are held in a trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Employees become eligible to participate in the various benefit programs upon satisfaction of any service and waiting period prescribed by the terms of the benefit program.

Benefits: The Plan provides health benefits (medical, vision, dental, and prescription drug), life insurance, short-term disability benefits, long-term disability benefits, critical illness, hospital indemnity, accident benefits, accidental death and dismemberment benefits, a variety of flexible spending accounts, legal, and employee assistance programs. The Plan also provides for participation in other tax-advantaged financial arrangements for certain participants. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured benefits: The Plan offers a variety of medical programs from which participants can choose. The Plan fully insures all benefits. Premiums are paid from the assets of the trust.

Contributions: Participants contribute specified amounts to the Plan based on applicable monthly premiums established for their respective benefit elections. The Company pays the full cost of basic life, short-term disability, and long-term disability benefits.

The Company makes contributions on behalf of employees in amounts required to satisfy the fringe benefit contribution obligations under different prevailing wage programs. The Company also makes contributions to the Plan as needed to fund premiums in excess of participant contributions and administrative expenses.

Participant accounts: A separate Premium Reserve Account is maintained for each participant. The account is credited monthly with the employee and employer contributions for the month and reduced by the premiums paid and administrative expenses incurred on behalf of each participant. Any net contribution in excess of a three month premium reserve is paid to the Company's qualified retirement plan on the participant's behalf.

2. Significant accounting policies

Basis of accounting: The accompanying financial statements have been prepared using the accrual basis of accounting.

Cash and cash equivalents: Cash and cash equivalents consist of highly liquid debt instruments with initial maturities of ninety days or less. The Plan maintains a cash balance at one commercial bank which can exceed the Federal Deposit Insurance Corporation (FDIC) insured deposit limit of \$250,000 per financial institution. At December 31, 2024 and 2023, the Plan's cash balance held at a commercial bank did not exceed the FDIC limit. The Plan has not experienced any losses through the date when the financial statements were available to be issued.

Contributions receivable: Contributions receivable represent amounts due from the participants for premiums and from the Company for premiums and prevailing wage contributions.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events: Management has evaluated subsequent events for disclosure in these financial statements through September 10, 2025, which is the date the financial statements were available to be issued.

3. Administrative expenses

The Plan pays administrative expenses that consist primarily of fees paid to third-party administrators, as well as other professional service fees to administrative service providers. These payments qualify as exempt party-in-interest transactions.

4. Tax status

The trust established to hold the Plan's assets has not applied for exemption from federal or state income taxes and is currently subject to income tax on its net investment income. No federal or state taxes are payable for 2024 or 2023, therefore there is no provision for income taxes in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Plan termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants or to pay expenses of administration of the Plan.
