Independent Auditor's Report

To the Plan Administrator
Ahtna SCA 401(k) Plan
Anchorage, Alaska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Ahtna SCA 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator
Ahtna SCA 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator
Ahtna SCA 401(k) Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator
Ahtna SCA 401(k) Plan

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Ahtna SCA 401(k) Plan
Notes to Financial Statements
December 31, 2024 and 2023

Note 1: Description of the Plan

The following description of the Ahtna SCA 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Ahtna, Inc. and Subsidiaries (the Company or Employer) which covers all eligible employees and consists of salary deferrals, employer prevailing wage contributions, and discretionary employer nonelective contributions. The Plan originated on February 1, 2008, and was most recently amended and restated in its entirety effective August 24, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC).

Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (Secure 2.0 Act)

On December 29, 2022, the SECURE 2.0 Act was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. Key provisions that may affect plan participants currently and/or in the future include increasing the age for Required Minimum Distributions and provisions relating to catch-up contributions. Applicable provisions outlined in the SECURE 2.0 Act will be adopted if elected and/or required. Plan amendments for these changes are not yet required. The deadline for adopting plan amendments has been extended, most recently to no later than December 31, 2026.

Custodian and Administration of the Plan

The custodian and trustee of the Plan is Empower Trust Company, LLC. The administrator of the Plan is the Company. The custodian holds all assets of the Plan in accordance with the service provider contract with the Company. The administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Eligibility begins on the date of hire without any age restrictions or service requirements with respect to employee and discretionary nonelective employer contributions. Employees are eligible to receive prevailing wage contributions made to the Plan on the date their employment is covered under an eligible prevailing wage contract.

Notes to Financial Statements (Continued)
December 31, 2024 and 2023

Note 1: Description of the Plan (Continued)

Employees of participating employers, excluding the following classes of employees, are eligible to participate in the Plan:

- Reclassified employees (an employee who was previously not treated as an employee of the employer but who is reclassified as being an employee);
- Part-time, temporary, or seasonal employees (employees whose regularly scheduled service is less than 1,000 hours of service per eligibility computation period). However, if a part-time employee has completed at least 1,000 hours of service during an eligibility computation period, they will enter the Plan on next regular entry date;
- Employees who are residents of Puerto Rico; and
- Employees of the employer or related employer who do not satisfy one of the following: (1) the employee performs service under a public contract subject to the prevailing wage requirements of the McNamara-O’Hara Service Contract Act, the Davis-Bacon Act, or any other federal, state or municipal prevailing wage law, (2) the employee is not described in (1) but is subject to a fringe rate outlined in a federal or a state contract that is subject to the McNamara-O’Hara Service Contract Act, the Davis-Bacon Act, or any other federal, state or municipal prevailing wage law, or (3) the employee is covered under a collective bargaining agreement with certain unions (as outlined in the Plan document).

Contributions

Each year, eligible employees may defer 1% to 75% of pretax annual compensation, as defined in the Plan. In addition, participants may elect to designate all or part of elective contributions as Roth deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The employer contributions consist of the contributions made by the employer to satisfy the fringe benefit requirements of the prevailing wage laws. Total prevailing wage contributions were \$91,494 for the year ended December 31, 2024. The employer may also make a discretionary nonelective contribution. No employer discretionary nonelective contributions were made during the year ended December 31, 2024.

All contributions are subject to annual Internal Revenue Service (IRS) limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

Note 1: Description of the Plan (Continued)

Participant Accounts

Each participant account is credited with the participant's contributions, employer contributions, and an allocation of plan earnings. Participant's accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specified participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their own contributions and the employer contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms do not extend over five years unless it is used to acquire a principal residence. The loans are secured by the balance in the participant's account. The interest is based on the prime interest rate plus 1%, determined at the time a loan is taken from the Plan. The Plan administrator periodically examines the rates such lenders are using. Once a loan is granted, the interest rate on that loan will not change. Principal and interest are paid through payroll deductions.

Payment of Benefits

Upon termination of service for any reason including due to death, disability, or retirement, the Plan permits the participant, or his or her beneficiary, to receive benefits under the Plan. Benefits may be distributed in a single lump sum or partial withdrawals. In the event the participant's vested account balance is less than \$5,000 and the participant makes no election, a single lump sum payment will be distributed or rolled over to an individual retirement account for the benefit of a participant, without the participant's consent. In service withdrawals upon attainment of age 59 ½ and financial hardship withdrawals are permitted, as defined in the Plan agreement.

Note 2: Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2: Summary of Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payments of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. Excess contributions are distributed in accordance with IRC sections 401(m) and 401(k)

Administrative Expenses

Administrative expenses of the Plan are paid by the Company, except for certain expenses that are charged to participant accounts including loan, withdrawal fees, Plan administrative fees, and investment management fees. Certain investment expenses which are charged within investments are presented net of the appreciation in fair value of investments. All other expenses of the Plan for the year ended December 31, 2024 were paid by the Company and are excluded from these financial statements.

Subsequent Events

Subsequent events have been evaluated through September 4, 2025, the date the financial statements were available to be issued.

Note 3: Information Certified by Empower Trust Company, LLC

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- (a) Investments, at fair value, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023;
- (b) Total investment income, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024; and
- (c) All information included in the Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, as shown in the ERISA-required supplemental schedule.

Note 4: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices from similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Ahtna SCA 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2024 and 2023

Note 4: Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) to transact at that price. The mutual funds held by the Plan are deemed actively traded.

Stable Value Fund: This investment is valued using the NAV, as a practical expedient for fair value, provided by the Plan's trustee. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. This investment is a direct filing entity.

The following tables, set forth by level within the fair value hierarchy, present the Plan's investments at fair value.

	Fair Value as of December 31, 2024			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ <u>7,312,426</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 7,312,426
Stable value fund*				<u>356,925</u>
Total investments at fair value				\$ <u>7,669,351</u>

	Fair Value as of December 31, 2023			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Stable value fund*				<u>307,959</u>
Total investments at fair value				\$ <u>7,823,539</u>

* Certain investments that are measured at fair value using the NAV per share (or its equivalent), as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented on these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments that Calculate Net Asset Value

The following tables present the Stable Value Fund measured at fair value based on NAV per share as of December 31, 2024 and 2023, respectively.

	<u>2024</u>	<u>2023</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable value fund	\$ 356,925	\$ 307,959	N/A	Daily	Daily

Note 5: Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan sponsored by Empower Retirement, LLC which received a favorable opinion letter from the IRS dated November 14, 2022, which states that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been restated since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6: Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of investments managed by Empower Trust Company, LLC, the Custodian of the Plan. Therefore, investment transactions with the trustee qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all remaining assets in the affected participants' accounts will be 100% vested and distributed to the participants and beneficiaries of the Plan in the order provided by ERISA.

Ahtna SCA 401(k) Plan
Notes to Financial Statements (Continued)
December 31, 2024 and 2023

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Such investments are exposed to risks and uncertainties such as interest rate risk, credit risk, market risk, economic changes, political unrest, regulatory changes, and foreign currency risk. The Plan's exposure to a concentration of risk is dependent upon funds selected by participants. The following table shows details on investments that represent a concentration of greater than 10% of the Plan's investments in either year:

<u>Investments</u>	<u>December 31, 2024</u>		<u>December 31, 2023</u>	
	<u>Balance</u>	<u>% of Investments</u>	<u>Balance</u>	<u>% of Investments</u>
BlackRock LifePath Index 2045 Fund	\$ 1,172,059	15%	\$ 1,113,998	14%
BlackRock LifePath Index 2040 Fund	1,043,720	14%	935,091	11%
BlackRock LifePath Index 2050 Fund	1,008,473	13%	772,404	10%
BlackRock LifePath Index 2035 Fund	951,768	12%	1,093,062	14%
BlackRock LifePath Index 2030 Fund	876,597	11%	868,282	12%
BlackRock LifePath Index Retirement Fund	846,092	11%	*	*
BlackRock LifePath Index 2025 Fund	*	*	817,142	10%

Due to the concentration of investments denoted above, in addition to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the value of the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits

* Balance did not represent a concentration of 10% or greater of the Plan's net assets at December 31, 2024 or 2023, respectively.

Notes to Financial Statements (Continued)
December 31, 2024 and 2023

Note 9: Delinquent Participant Contributions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets. During the year ended December 31, 2023, the Plan had \$87 of contributions that were not remitted in a timely manner. Lost earnings are paid by the Employer, not from Plan assets. Lost earnings related to these untimely remittances were made in 2024. These transactions constitute prohibited transactions as defined by ERISA.

Note 10: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	<u>2024</u>	<u>2023</u>
