INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Bloomberg L.P. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bloomberg L.P. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLOOMBERG L.P. 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE A - DESCRIPTION OF THE PLAN

Effective August 15, 1995, Bloomberg L.P. (the "Company") established the Bloomberg L.P. 401(k) Plan (the "Plan"), which covers eligible employees of the Company and certain affiliated entities who elect to participate in the Plan.

The Plan administrator is the Retirement Plan Committee (the "Committee") of the Company. Information concerning the Plan and its provisions can be found in the Plan agreement, a copy of which can be obtained from the Plan administrator at Bloomberg L.P., 731 Lexington Avenue, New York, New York 10022. Empower Trust Company, LLC ("Empower Trust"), serves as the Plan's trustee.

The Plan provides that all employees are eligible to participate in the Plan as of the first day after the completion of an hour of service, provided such individual qualifies as an employee on such date. Employees paid on an hourly basis, as determined by their employment categorization with the Company, and nonresident aliens who receive no U.S. income from the Company are not eligible to participate.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of presentation:

The financial statements of the Plan are prepared under the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America. Investments held by a defined-contribution plan are reported at fair value.

[2] Investment valuation and income:

The value of the account balance of each active participant is determined on each valuation date. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value mutual fund and self-directed brokerage account investments, and shares of common/collective trust funds are based on the net asset value ("NAV") of shares held by the Plan at year end.

Collective trust funds:

The fair value of the collective trust funds utilizes the funds' NAV, as provided by the trustees, as a practical expedient. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The redemption frequency for participant transactions is daily upon receipt of an authorized request on or prior to the valuation date of the fund. The Plan invests in the following collective trust funds for which there are no unfunded commitments:

BlackRock Short-Term Investment W Fund ("WFund") is managed by BlackRock Institutional Trust Company, N.A. ("BTC"). The fund is invested in one or more other collective investment funds to meet investment objectives.

BlackRock Life Path Non-Lendable M Funds ("MFunds") are managed by BTC and are invested in one or more other collective investment funds. The MFunds are invested in underlying BTC collective trust funds.

BLOOMBERG L.P. 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[2] Investment valuation and income: (continued)

Collective trust funds: (continued)

For the WFund and MFunds, were the Plan to initiate a full redemption of the collective trusts, the investment advisor reserves the right, subject to applicable laws, to suspend or delay withdrawals in order to ensure that securities liquidations are not seriously prejudicial to the collective funds. The collective trust funds contain several redemption restrictions including a notice of intention three business days before the valuation date. The trustee can accept a lesser number of days for such notice, as well as suspend withdrawals for varying or different periods of time at its sole discretion.

Galliard Managed Income Fund Core MC is a collective trust fund trusted by SEI Trust Company as advised by Galliard Capital Management, Inc. The Galliard fund invests in investment contracts including guaranteed investment contracts ("GICs") and security-backed contracts and seeks to provide a moderate level of stable income without principal volatility. The collective trust fund contains several redemption restrictions to withdraw, including the right to require a 12-month advance notice period for fund withdrawals initiated by the Plan sponsor. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in circumstances where such withdrawal would make securities liquidation not reasonably practicable.

State Street Global All Cap Equity Ex-U.S. Index Non-Lending Series Fund Class K is managed by State Street Global Advisors Trust Company ("SSGA"). The fund is invested in other collective investment funds with the objective of approximating the MSCI ACWI ex USA IMI Index over the long-term.

State Street Russell Small/Mid Cap Index Securities Non-Lending Series Fund Class K is managed by SSGA. The fund is invested in common stocks with the objective of approximating the Russell Small Cap Completeness Index over the long term.

State Street S&P 500 Index Non-Lending Series Fund Class K is managed by SSGA. The fund is invested in common stocks with the objective of approximating the S&P 500 Index over the long term.

State Street U.S. Bond Index Non-Lending Series Fund Class M is managed by SSGA. The fund seeks an investment return that approximates the performance of the Bloomberg Barclays U.S. Aggregate Bond Index over the long term. Effective in October 2024, the Class M fund replaced the Class K fund.

State Street Real Asset NL CI C is managed by SSGA. The fund seeks an investment return that approximates as closely as practicable, before expenses, the performance of a custom index (the "Index") over the long term. The Index the fund seeks to approximate is comprised of 10% Dow Jones U.S. Select REIT Index, 25% Bloomberg Roll Select Commodity Index, 25% S&P Global Large MidCap Commodity and Resources Index, 20% Bloomberg US Government Inflation-Linked 1-10 Year Bond Index, and 20% S&P Global Infrastructure Index.

TS&W International Large Cap Equity Trust Class M ("TSW") is managed by Thompson, Siegel & Walmsley LLC. The fund is invested in common stocks with the objective of outperforming the Morgan Stanley Capital International Index of Europe, Australia and the Far East over multiple years. Effective June 2024, the Class M fund replaced the Class 2 fund. The Class 2 fund was fully redeemed in June 2024.

AB US Small & Mid Cap Value P-2 Class ("AB") is managed by AllianceBernstein, L.P. The fund invests primarily in a diversified portfolio of equity securities, including depositary receipts and securities of non-U.S. issuers listed or traded on U.S. exchanges, of small- to mid-capitalization U.S. companies.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[2] Investment valuation and income: (continued)

Collective trust funds: (continued)

Loomis Small/Mid Cap Growth Trust ("Loomis") is managed by Loomis Sayles Company, LLC. The fund is invested in common stocks or equity securities of small- to mid-capitalization U.S. companies with the objective of long-term growth of capital and to outperform the Russell 2500 Growth Index over a full market cycle.

Prudential Core Plus Bond Fund 5 ("PCP") is managed by The Prudential Insurance Company of America. The fund is invested in privately placed corporate debt securities with credit qualities ranging from AAA to CCC.

Fidelity Contrafund Commingled Pool ("Fidelity") is managed by The Fidelity Management Trust Company. The fund seeks to provide capital appreciation over a market cycle relative to the S&P 500 Index, through the active management of equities with a focus on companies having strong long-term growth prospects.

Harbor Capital Appreciation CIT Class R ("Harbor") is managed by the Harbor Trust Company. The fund invests primarily in equity securities, principally common and preferred stocks, of U.S. companies with a large-cap growth strategy that seeks long-term growth of capital.

Parnassus Sustainable Core Equity CIT 1 ("Parnassus") is managed by SEI Trust Company. The fund seeks to provide long-term capital appreciation through investing a majority of its assets into U.S. large-cap companies that pay dividends. The Fund's investment strategy is considered primarily a U.S. large-cap equity strategy.

The State Street funds, TSW, AB, Loomis, PCP, Fidelity, Harbor and Parnassus may be subject to several redemption restrictions to withdraw including 5- to 30-day notice. Redemptions can be suspended or delayed if deemed in the best interest of the fund, including a suspension of valuations, or a 1-year notice may be required if holdings are not in readily marketable assets.

[3] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the dates of the financial statements and changes therein during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[4] Payment of benefits:

Benefits are recorded when paid.

NOTE C - FUNDING POLICY

The Company forwards to the Plan contributions withheld from the compensation of participants. Pre-tax contributions are voluntary and are limited to 75% of the cash compensation of participants, subject to certain limitations imposed by the Internal Revenue Code ("IRC"). The total amount of a participant's elective contribution, including Roth contributions, shall not exceed 75% of compensation, as defined, for the Plan year.

BLOOMBERG L.P. 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE D - PARTICIPANTS' ACCOUNTS AND VESTING

Each participant's account is credited with the participant's contributions, an allocation of Plan earnings or losses, and charged with participant loan fees, Qualified Domestic Relations Order ("QDRO") fees, if applicable, and an allocation of administrative expenses. Allocations are based on the participant's respective pro-rata share in each investment. Participants may designate part or all of their elective contributions as Roth contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All participant contributions and earnings or losses thereon are 100% vested and not forfeitable at all times. Upon retirement at age 65, in the event of disability as defined in the Plan, or other termination of employment, distributions may be made in whole or in part, generally at the election of the participant. In-service withdrawals of vested balances are permitted at age 59-1/2 and for reasons of hardship, as defined in the Plan. Upon death, distributions may be made in whole or in part at the election of the participant's beneficiary.

Distributions upon retirement or death are to be made in a single lump sum if the value of the participant's account does not exceed \$1,000. Upon disability, as defined in the Plan, or termination of employment, a participant can elect to receive distributions in a single lump sum or request distributions, no more than once during the Plan year, with the balance that remains at the retirement age to be paid in a single lump sum.

The employer has agreed to make a matching contribution of every dollar contributed by a participant not to exceed 15% of the participant's compensation, as defined in the Plan, at a rate of 50%, not to exceed a maximum of \$7,750 per year. Vesting in the employer's contribution, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 1 year	0%
1 year but less than 2 years	34%
2 years but less than 3 years	67%
3 years or more	100%

NOTE E - NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. A participant may be eligible to borrow from the Plan, depending on the participant's ability to repay the loan and certain other factors. However, the total participant's outstanding loans may never be more than the lesser of:

- \$50,000 (reduced by a participant's highest outstanding loan balance during the previous 12-month period); or
- 50% of the balance of a participant's vested account (calculated as of the valuation date of the loan request).

The interest rate charged is commensurate with the prevailing interest rate charged by institutions in the business of lending money under similar circumstances. Payments of principal and interest are credited directly to the borrowing participant's account. A participant must repay the loan within five years through monthly payroll deductions or within ten years if the loan proceeds are used to acquire a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime + 1%. Interest rates on outstanding loan balances ranged from 4.25% to 9.50% at December 31, 2024 and 2023, respectively. Loans can be prepaid at any time. Loans may be paid outside of payroll deductions for active employees or on a fixed schedule after termination of employment. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

BLOOMBERG L.P. 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE F - FORFEITED ACCOUNTS

Non-vested employer contributions are maintained in the forfeiture account. During the year ended December 31, 2024, forfeitures of \$3,081,844 were utilized to reduce the employer's matching contributions. As of December 31, 2024 and 2023, \$2,199,180 and \$1,643,458, respectively, are in the forfeiture account, and reflected in investments at fair value on the statements of net assets available for plan benefits.

During the year ended December 31, 2024, additions to the forfeited non-vested accounts totaled \$3,637,566, including forfeiture additions of \$3,239,026, and investment income and other miscellaneous items aggregating \$398,540.

NOTE G - ADMINISTRATIVE EXPENSES

Plan administrative expenses paid by the Plan include maintenance fees and administrative expenses paid by terminated participants. All other administrative expenses, including trustee fees, are paid by the Company.

NOTE H - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Empower Trust, the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for plan benefits as of December 31, 2024 and 2023, the accompanying statement of changes in net assets available for plan benefits for the year ended December 31, 2024 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE I - INVESTMENTS

The Plan currently offers various investment options. Upon enrollment in the Plan, a participant may direct contributions to any available investment option. Life Path funds are target date funds made up of multiple asset classes (stocks, bonds and cash alternatives) and offer a professionally managed, diversified asset mix. The date in the Life Path fund's name corresponds to an anticipated year of retirement at age 65 and the assumed date the investors plan to start withdrawing their money. Self-directed brokerage accounts ("Empower SDB") provide investment options that allow participants to select investments outside the Plan's core options. Empower SDB primarily consist of mutual funds that are valued on the basis of readily determinable market prices. The investments as of December 31, 2024 and 2023 are presented, at fair value, in the following table:

BLOOMBERG L.P. 401(k) PLAN

Notes to Financial Statements December 31, 2024 and 2023

NOTE J - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board's Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methodologies used for assets measured at fair value are described in Note B[2]. There have been no changes in methodologies used as of December 31, 2024 and 2023.

The methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The following tables summarize the Plan's investments measured at fair value:

	December 31, 2024	
	Fair Value	Level 1
Mutual funds	\$ 399,059,078	\$ 399,059,078
Self-directed brokerage accounts	25,446,500	25,466,500
Total investments in the fair value hierarchy	424,505,578	\$ 424,505,578
Common/collective trusts measured at NAV *	5,283,132,336	
Total investments, at fair value	\$ 5,707,637,914

NOTE J - FAIR VALUE MEASUREMENTS (CONTINUED)

	December 31, 2023	
	<u>Fair Value</u>	<u>Level 1</u>
Mutual funds	\$ 373,837,841	\$ 373,837,841
Self-directed brokerage accounts	<u>15,131,145</u>	<u>15,131,145</u>
Total investments in the fair value hierarchy	388,968,986	<u>\$ 388,968,986</u>
Common/collective trusts measured at NAV *	<u>4,358,396,029</u>	
Total investments, at fair value	<u>\$ 4,747,365,015</u>	

* In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for plan benefits.

NOTE K - INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated July 19, 2016 that the Plan is qualified under the IRC and, consequently, its related trust is exempt from taxation. The Plan has been amended and restated since receiving the tax determination letter, and was most recently restated January 1, 2022 to incorporate all previous amendments. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to periodic examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE L - TERMINATION

The Company reserves the right, at any time, to amend or terminate the Plan subject to the provisions of ERISA. The Company has not expressed any intent to discontinue or terminate the Plan. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes to Financial Statements December 31, 2024 and 2023

NOTE M - RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2024 may not necessarily be indicative of amounts that could be realized in a current market exchange.

NOTE N - RELATED PARTY TRANSACTIONS

Fees paid by the Plan for the services of Empower Trust amounted to \$242,654 for the year ended December 31, 2024. This amount is included in administrative expenses in the statement of changes in net assets available for plan benefits.

NOTE O - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 17, 2025, the date the financial statements were available to be issued. The Plan has not identified any events or transactions which require disclosure in or adjustments to the financial statements.
