INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Trustees

Gooding Group, LLC Group Medical Plan

Ephrata, Pennsylvania

Opinion

We have audited the accompanying financial statements of Gooding Group, LLC Group Medical Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Gooding Group, LLC Group Medical Plan as of December 31, 2024 and 2023, and changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gooding Group, LLC Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gooding Group, LLC Group Medical Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gooding Group, LLC Medical Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gooding Group, LLC Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GOODING GROUP, LLC GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Gooding Group, LLC Group Medical Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan provides certain medical and prescription drug benefits covering substantially all full-time employees of the Gooding Group, LLC ("Plan Sponsor") and affiliated companies ("Companies"). The Plan and related trust were established in 2021. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides certain medical and prescription drug benefits to regular full-time employees on the first day of the month following the completion of 60 days of active service and election to participate in the Plan with either single, employee plus child, employee plus spouse, employee plus children or family coverage. The waiting period may be waived for temporary employees hired by the Companies and for employees re-hired within 90 days of their termination date.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in its effort to limit its exposure for self-insured benefits.

Continuation of Coverage

An individual covered by the Plan immediately prior to a qualifying event within the meaning of Internal Revenue Code Section 4980B may elect to continue coverage under the Plan. This continuation of coverage may only be for a specified period of time as outlined in the Plan document. The cost for this continuation of coverage is the responsibility of the covered individual.

Contributions

The Plan Sponsor has established a separate trust for all of its employee benefit programs. The Plan receives funding from this trust from time to time as it deems appropriate in order to enable the third-party administrator to pay the benefits and other costs of the Plan.

Plan Amendments

The Plan Sponsor may modify or amend the Plan at any time. The effective date of the modification or amendment will be the date of approval unless the Plan Sponsor specifies an earlier or later date.

YEAR ENDED DECEMBER 31, 2024

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan presents its financial statements using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Stop-Loss Provision

The Plan's sponsor has a stop-loss provision for certain medical benefits that are self-funded. The provision calls for an insurer to provide for Plan benefits in excess of \$125,000 and \$120,000 per person per year for the Plan years ending December 31, 2024 and 2023, respectively. During the years ended December 31, 2024 and 2023, the Plan received \$440,778 and \$225,795 in reimbursements, respectively, from the stop-loss reinsurance carrier related to claims paid under its specific stop-loss policy.

The Plan's sponsor also has an aggregate stop-loss policy in the event that aggregate claims net of specific stop loss reimbursements exceed actuarially expected claims. During the years ended December 31, 2024 and 2023, the Plan received \$283,902 and \$30,183, respectively, in reimbursements from the stop-loss reinsurance carrier related to aggregate claims paid.

Effective for the Plan year ending December 31, 2025, the specific stop loss provision has increased for an insurer to provide for Plan benefits in excess of \$150,000 per person per year.

Management's Evaluation of Subsequent Events

Events that occurred subsequent to December 31, 2024, have been evaluated by the Plan's management through, September 17, 2025, which is the date the financial statements were available to be issued.

NOTE 3: TAX STATUS

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4: TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Plan sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Companies or be used for purposes other than for the exclusive benefit of the Plan's participants.

GOODING GROUP, LLC GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2024

NOTE 5: BENEFIT OBLIGATIONS

Plan obligations at December 31 for claims incurred but not reported are estimated by the Plan's management based upon claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

The Plan had the following benefit obligations at December 31, 2024 and 2023:

	2024	2023
Claims currently payable	\$ 215,764	\$ 324,977
Estimated claims incurred but not reported to the Plan	290,148	242,460
Total Benefit Obligations	\$ 505,912	\$ 567,437

These obligations do not include the present value of claims incurred after December 31, 2024 and 2023.

The Plan does not offer postretirement benefits. Therefore, there is no provision included in the benefit obligations for postretirement benefits.

The following is a reconciliation of the change in claims currently payable and claims incurred but not reported for the Plan's benefit obligations:

	2024	2023
Balance, beginning	\$ 567,437	\$ 189,032
Claims reported and approved for payment	3,369,408	2,813,576
Estimated claims incurred but not reported to the Plan	290,148	242,460
Claims paid	(3,721,081)	(2,677,631)
Balance at December 31	\$ 505,912	\$ 567,437

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

The Plan engages in various transactions with parties in interest. The Plan maintains stop-loss insurance as disclosed in Note 2. Premiums paid to the stop-loss carrier for the years ended December 31, 2024 and 2023, were \$530,369 and \$486,846, respectively. The Plan has an administrative services only agreement with a claims administrator. Fees paid to the claims administrator under this agreement for the years ended December 31, 2024 and 2023, were \$108,431 and \$58,714, respectively. The Plan pays a party in interest for co-op management fees related to the Plan. Total fees charged under this arrangement for the years ended December 31, 2024 and 2023, were \$72,376 and \$75,714, respectively.

NOTE 7: CONCENTRATION

Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. At December 31, 2024 and 2023, there were no balances in excess of FDIC insured limits.
