## Independent Auditors' Report

Plan Administrator and Participants  
Task Force Tips, LLC 401(k) & Profit Sharing Plan  
Valparaiso, Indiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the financial statements of Task Force Tips, LLC 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution.)

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2024 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the accompanying 2024 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared by and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

## **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2024 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - 2024 Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Other Matter - Auditors' Report on the 2023 Financial Statements**

Predecessor auditors performed an audit of the 2023 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report, dated September 4, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of the Plan

The following brief description of the Task Force Tips, LLC 401(k) & Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

#### *General*

The Plan was adopted by Task Force Tips, LLC (the Company) effective January 1, 1983, and amended and restated effective May 15, 2022. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### *Eligibility*

All active employees of the Company (which include all employees of Task Force Tips, LLC) are eligible to participate upon attainment of age 18 and 3 months of service; however, employees covered by a collective bargaining agreement, leased employees, and nonresident aliens are excluded from participating. The entry date is as soon as administratively feasible following satisfaction of the eligibility requirements.

#### *Contributions*

Eligible employees may contribute through a salary deferral election up to 60% of his/her annual wages as pre-tax 401(k) or Roth contributions to the Plan, subject to limitations imposed by the IRC. The Plan also provides automatic enrollment for eligible employees. Participants, who do not elect otherwise, will automatically have 6% of his/her compensation contributed to the Plan. Automatic enrollment contributions will begin on the participant's entry date, or the later of 30 days from date of rehire or entry date for previously hired employees. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Company makes a safe harbor matching contribution of 100% of the first 1% of the eligible participant's compensation contributed to the Plan and 50% of the next 5% of the eligible participant's compensation contributed to the Plan.

In addition, the Company, at its discretion, may make an annual nonelective profit sharing contribution to the Plan, as determined by the Company's Board of Directors. For the year ended December 31, 2024, the profit-sharing contribution totaled \$324,111 and was funded in 2025.

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions, Company safe harbor matching contributions, Company nonelective profit-sharing contributions, and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Vesting*

Participants are immediately vested in the value of their salary deferrals, and rollovers, plus related investment earnings. Participants vest in the Company safe harbor matching contributions after two years of service. Company discretionary nonelective contributions and discretionary additional matching contributions, if any, and actual earnings thereon become vested based on the following schedule:

2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

#### *Forfeitures*

At December 31, 2024 and 2023, forfeited balances totaled \$34,747 and \$46,320, respectively. Forfeited balances are used to reduce future Company contributions and/or to offset Plan expenses. During the year ended December 31, 2024, \$9,527 of forfeited funds were used to pay Plan expenses and \$28,158 of forfeited funds were used to reduce prior year Company match true-up and \$30,823 profit-sharing contributions. Subsequent to year-end, forfeitures of \$47,886 were used to reduce the Company match true-up for the year ended December 31, 2024.

#### *Revenue Sharing*

The Plan receives revenue credits from the funds managed by Fidelity Management Trust Company (Fidelity) quarterly. The revenue credit account can be used to pay plan expenses or can be allocated to eligible Plan participants as defined in the agreement. The Plan received approximately \$6,200 of revenue credits for the year ended December 31, 2024. As of December 31, 2024 and 2023, \$14,075 and \$7,360, respectively, remains in the revenue credit account.

#### *Payment of Benefits*

Participant accounts may be withdrawn upon retirement, death, disability, attainment of age 59½, or termination of employment as a lump-sum. If a terminated participant's vested balance is less than or equal to \$1,000, the Plan administrator may cash out the participant's account. Participant accounts of \$1,000 or less are paid as a lump sum and do not require the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$7,000, the Plan administrator may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. The Plan allows for hardship distributions if certain criteria are met.

#### *Notes Receivable from Participants*

The Plan provides that loans are available to all Plan participants on a nondiscriminatory basis. A participant may borrow the lesser of \$50,000 or 50% of his or her vested account balance. Loans are repayable through payroll deductions and are secured by the participant's account balance. The interest rate is based on the prevailing market rate and determined by the Plan Administrator and is fixed over the life of the note. Loans are repaid over a period not to exceed five years, unless for the purchase of a primary residence, in which case the repayment period may not exceed ten years.

#### *Reclassifications*

Certain prior year amounts within the footnotes have been reclassified for consistency with the current year presentation. This reclassification had no effect on the financial statements.

### 2. Summary of Significant Accounting Policies

#### *Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

#### *Accounting Estimates*

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### *Investment Valuation and Income (Loss) Recognition*

The investments of the Plan are reported at fair value, including the stable value fund held in the common collective trust, which holds indirect investments in fully benefit-responsive investment contracts. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of the fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

#### *Contributions*

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

#### *Administrative Expenses*

Plan provisions allow for administrative expenses, including, but not limited to, audit fees, custodial and trustee fees, investment manager fees, and recordkeeping fees to be paid by the Plan and allocated to participant accounts. Any expenses not borne by the Plan are paid by the Company.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

#### *Payment of Benefits*

Benefit payments to participants are recorded upon distribution.

### 3. Certified Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2024 and 2023. Accordingly, Fidelity, the Custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024. Such information was obtained by management and agreed to or derived from information certified as complete and accurate by a qualified institution.

### 4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements).

#### *Basis of Fair Value Measurement*

*Level 1* - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

*Level 2* - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

*Level 3* - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Fund* - Valued at cost, which approximates fair value.

*Common Collective Trusts* - Valued at the net asset value using NAV as the practical expedient based on the last reported sales price of the underlying investments held. The Plan's interest in the common collective trusts is based on information reported using the audited financial statements of the collective trust funds at year-end.

## Notes to Financial Statements

### 4. Fair Value Measurement (cont.)

#### *Basis of Fair Value Measurement (cont.)*

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

<i>December 31, 2024</i>	Level 1	Level 2	Level 3	Total
<b>Mutual funds</b>	\$ 16,177,696	\$ -	\$ -	\$ 16,177,696
<b>Money market fund</b>	\$ 14,075	\$ -	\$ -	\$ 14,075
	<u>\$ 16,191,771</u>	<u>\$ -</u>	<u>\$ -</u>	<u>16,191,771</u>
<b>Common collective trusts measured at NAV*</b>				<u>16,285,087</u>
<b>Total investments at fair value</b>				<u>\$ 32,476,858</u>
<i>December 31, 2023</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,298,739	\$ -	\$ -	\$ 30,298,739
Money market fund	\$ 7,360	\$ -	\$ -	\$ 7,360
	<u>\$ 30,306,099</u>	<u>\$ -</u>	<u>\$ -</u>	<u>30,306,099</u>
Common collective trust measured at NAV*				<u>929,618</u>
<b>Total investments at fair value</b>				<u>\$ 31,235,717</u>

\*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investment	Fair value at December 31, 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trusts	\$ 16,285,087	None	Daily	N/A
Investment	Fair value at December 31, 2023	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust	\$ 929,618	None	Daily	N/A

### 5. Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (Pre-Approved Plan) sponsored by FMR LLC, doing business as Fidelity Institutional Asset Management (FMR). The Internal Revenue Service (IRS) has opined and informed FMR by a letter dated June 30, 2020, stating that the form of the Pre-Approved Plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the Pre-Approved Plan document, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 6. Party-In-Interest Transactions

Fidelity and FMR perform services, sells products and maintains certain investments of the Plan for which fees are charged to the Plan. Party-in-interest transactions also include notes receivable from participants. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions.

### 7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

### 8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

### 9. SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management continues to evaluate the impact of the adoption and implementation of this legislation on the Plan.

## Independent Auditors' Report

Plan Administrator and Participants  
Task Force Tips, LLC 401(k) & Profit Sharing Plan  
Valparaiso, Indiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the financial statements of Task Force Tips, LLC 401(k) & Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution.)

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2024 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the accompanying 2024 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared by and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

## **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2024 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - 2024 Supplemental Schedule Required by ERISA**

The supplemental schedule, Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Other Matter - Auditors' Report on the 2023 Financial Statements**

Predecessor auditors performed an audit of the 2023 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report, dated September 4, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

---

### 1. Description of the Plan

The following brief description of the Task Force Tips, LLC 401(k) & Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

#### *General*

The Plan was adopted by Task Force Tips, LLC (the Company) effective January 1, 1983, and amended and restated effective May 15, 2022. The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### *Eligibility*

All active employees of the Company (which include all employees of Task Force Tips, LLC) are eligible to participate upon attainment of age 18 and 3 months of service; however, employees covered by a collective bargaining agreement, leased employees, and nonresident aliens are excluded from participating. The entry date is as soon as administratively feasible following satisfaction of the eligibility requirements.

#### *Contributions*

Eligible employees may contribute through a salary deferral election up to 60% of his/her annual wages as pre-tax 401(k) or Roth contributions to the Plan, subject to limitations imposed by the IRC. The Plan also provides automatic enrollment for eligible employees. Participants, who do not elect otherwise, will automatically have 6% of his/her compensation contributed to the Plan. Automatic enrollment contributions will begin on the participant's entry date, or the later of 30 days from date of rehire or entry date for previously hired employees. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

The Company makes a safe harbor matching contribution of 100% of the first 1% of the eligible participant's compensation contributed to the Plan and 50% of the next 5% of the eligible participant's compensation contributed to the Plan.

In addition, the Company, at its discretion, may make an annual nonelective profit sharing contribution to the Plan, as determined by the Company's Board of Directors. For the year ended December 31, 2024, the profit-sharing contribution totaled \$324,111 and was funded in 2025.

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions, Company safe harbor matching contributions, Company nonelective profit-sharing contributions, and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Vesting*

Participants are immediately vested in the value of their salary deferrals, and rollovers, plus related investment earnings. Participants vest in the Company safe harbor matching contributions after two years of service. Company discretionary nonelective contributions and discretionary additional matching contributions, if any, and actual earnings thereon become vested based on the following schedule:

### 1. Description of the Plan (cont.)

#### *Vesting (cont.)*

<u>Years of Vesting Service</u>	<u>Percent Vested</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

#### *Forfeitures*

At December 31, 2024 and 2023, forfeited balances totaled \$34,747 and \$46,320, respectively. Forfeited balances are used to reduce future Company contributions and/or to offset Plan expenses. During the year ended December 31, 2024, \$9,527 of forfeited funds were used to pay Plan expenses and \$28,158 of forfeited funds were used to reduce prior year Company match true-up and \$30,823 profit-sharing contributions. Subsequent to year-end, forfeitures of \$47,886 were used to reduce the Company match true-up for the year ended December 31, 2024.

#### *Revenue Sharing*

The Plan receives revenue credits from the funds managed by Fidelity Management Trust Company (Fidelity) quarterly. The revenue credit account can be used to pay plan expenses or can be allocated to eligible Plan participants as defined in the agreement. The Plan received approximately \$6,200 of revenue credits for the year ended December 31, 2024. As of December 31, 2024 and 2023, \$14,075 and \$7,360, respectively, remains in the revenue credit account.

#### *Payment of Benefits*

Participant accounts may be withdrawn upon retirement, death, disability, attainment of age 59½, or termination of employment as a lump-sum. If a terminated participant's vested balance is less than or equal to \$1,000, the Plan administrator may cash out the participant's account. Participant accounts of \$1,000 or less are paid as a lump sum and do not require the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$7,000, the Plan administrator may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. The Plan allows for hardship distributions if certain criteria are met.

#### *Notes Receivable from Participants*

The Plan provides that loans are available to all Plan participants on a nondiscriminatory basis. A participant may borrow the lesser of \$50,000 or 50% of his or her vested account balance. Loans are repayable through payroll deductions and are secured by the participant's account balance. The interest rate is based on the prevailing market rate and determined by the Plan Administrator and is fixed over the life of the note. Loans are repaid over a period not to exceed five years, unless for the purchase of a primary residence, in which case the repayment period may not exceed ten years.

#### *Reclassifications*

Certain prior year amounts within the footnotes have been reclassified for consistency with the current year presentation. This reclassification had no effect on the financial statements.

### 2. Summary of Significant Accounting Policies

#### *Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

#### *Accounting Estimates*

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### *Investment Valuation and Income (Loss) Recognition*

The investments of the Plan are reported at fair value, including the stable value fund held in the common collective trust, which holds indirect investments in fully benefit-responsive investment contracts. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of the fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

#### *Contributions*

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

#### *Administrative Expenses*

Plan provisions allow for administrative expenses, including, but not limited to, audit fees, custodial and trustee fees, investment manager fees, and recordkeeping fees to be paid by the Plan and allocated to participant accounts. Any expenses not borne by the Plan are paid by the Company.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

#### *Payment of Benefits*

Benefit payments to participants are recorded upon distribution.

### 3. Certified Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2024 and 2023. Accordingly, Fidelity, the Custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024, and the related investment activity and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024. Such information was obtained by management and agreed to or derived from information certified as complete and accurate by a qualified institution.

### 4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements).

#### *Basis of Fair Value Measurement*

*Level 1* - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

*Level 2* - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

*Level 3* - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Money Market Fund* - Valued at cost, which approximates fair value.

*Common Collective Trusts* - Valued at the net asset value using NAV as the practical expedient based on the last reported sales price of the underlying investments held. The Plan's interest in the common collective trusts is based on information reported using the audited financial statements of the collective trust funds at year-end.

### 4. Fair Value Measurement (cont.)

#### *Basis of Fair Value Measurement (cont.)*

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

<i>December 31, 2024</i>	Level 1	Level 2	Level 3	Total
<b>Mutual funds</b>	\$ 16,177,696	\$ -	\$ -	\$ 16,177,696
<b>Money market fund</b>	\$ 14,075	\$ -	\$ -	\$ 14,075
	<u>\$ 16,191,771</u>	<u>\$ -</u>	<u>\$ -</u>	<u>16,191,771</u>
<b>Common collective trusts measured at NAV*</b>				<u>16,285,087</u>
<b>Total investments at fair value</b>				<u>\$ 32,476,858</u>
<i>December 31, 2023</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,298,739	\$ -	\$ -	\$ 30,298,739
Money market fund	\$ 7,360	\$ -	\$ -	\$ 7,360
	<u>\$ 30,306,099</u>	<u>\$ -</u>	<u>\$ -</u>	<u>30,306,099</u>
Common collective trust measured at NAV*				<u>929,618</u>
<b>Total investments at fair value</b>				<u>\$ 31,235,717</u>

\*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investment	Fair value at December 31, 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trusts	\$ 16,285,087	None	Daily	N/A
Investment	Fair value at December 31, 2023	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective trust	\$ 929,618	None	Daily	N/A

### 5. Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (Pre-Approved Plan) sponsored by FMR LLC, doing business as Fidelity Institutional Asset Management (FMR). The Internal Revenue Service (IRS) has opined and informed FMR by a letter dated June 30, 2020, stating that the form of the Pre-Approved Plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the Pre-Approved Plan document, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 6. Party-In-Interest Transactions

Fidelity and FMR perform services, sells products and maintains certain investments of the Plan for which fees are charged to the Plan. Party-in-interest transactions also include notes receivable from participants. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions.

### 7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

### 8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

### 9. SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management continues to evaluate the impact of the adoption and implementation of this legislation on the Plan.
