## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
the Restated Penrelco Employees  
Savings Incentive Plan and Trust  
Hopkinsville, Kentucky 42240

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Restated Penrelco Employees Savings Incentive Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Restated Penrelco Employees Savings Incentive Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Restated Penrelco Employees Savings Incentive Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Basis of Accounting**

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Restated Penrelco Employees Savings Incentive Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Restated Penrelco Employees Savings Incentive Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Restated Penrelco Employees Savings Incentive Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) (modified cash basis) for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Restated Penrelco Employees Savings Incentive Plan and Trust (Plan) provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (the Plan Agreement).

General

The Plan is a defined contribution plan covering all full-time employees of Pennyriple Rural Electric Cooperative Corporation who have one month of service and are age twenty-one or older. After completion of at least twelve months of service, the Company will make a matching contribution to the participant's contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 21 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty-seven investment options for participants. The Company contributes 50 percent of the first 9 percent of base compensation that a participant contributes to the Plan. The matching Company contribution is invested directly in the participant's investment options. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings (losses) and charges with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

Financial Hardship

Participants may withdraw all or part of their vested account (not interest earnings) if they can prove financial hardship. The Plan defines hardship as an "immediate and severe financial need" and includes medical expenses, purchase of principal residence and prevention of eviction or foreclosure on principal residence, college tuition, certain burial expenses and repairs to principal residence that would qualify as a casualty loss. Salary deferral contributions will be suspended for six months after a participant's withdrawal.

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 1 – DESCRIPTION OF PLAN, continued**

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest equal to prime rate plus one percent. Principal and interest are paid ratably through monthly payroll deductions. As of December 31, 2024, and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

The Participant's vested account will be used to provide benefits. Benefits will be provided at retirement, early retirement, age 59 ½ and still working, death, disability or termination of employment. The Plan offers several optional forms of benefit from which the participant may choose. The amount of benefits will depend on the amount of the participant's vested account, the participant's age, the age of the participant's survivor and the optional form chosen.

Forfeited Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$10,860 and \$12,740, respectively. These accounts will be used to reduce future employer contributions.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions among investment choices in increments of one percent. Participants may change their investment options at any time on future funding and once every three months on prior contributions.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting – Special Purpose Framework

The financial statements of the Plan have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Consequently, investment income is recognized when received rather than when earned, except that securities investments are reflected at fair value and expenses are recognized when paid rather than when the obligation is incurred. Consequently, the Plan has not recognized receivables and payables and their related effect on net assets and changes in net assets. Accordingly, the financial statements are not intended to present the net assets and changes in net assets of the Plan in conformity with accounting principles generally accepted in the United States of America.

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment of contracts with no adjustment of the fully benefit-responsive investment contracts from fair value to contract value, since contract value and fair value in essence is the same. The Statement of Changes in Net Assets Available for Benefits (modified cash basis) is prepared using the contract value basis for fully benefit-responsive investment contracts. See Note 6 for discussion of investment contract.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect the reported amounts of plan assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. Participant loans are valued at their outstanding balances, which approximate fair value. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements, such as certain legal, accounting, auditing and related overhead expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 24, 2025, the date the financial statements were available to be issued.

**NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company and Empower Retirement, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

**NOTE 4 – INVESTMENTS IN COMMON/ COLLECTIVE TRUSTS**

The Plan invests in various investment vehicles, including common/ collective trusts. The fair values of the Plan's investments in common/collective trusts are based on the net asset value ("NAV") per unit as reported by the trustee of the respective trust funds. The NAV is used as a practical expedient to estimate fair value, as permitted by FASB ASC 820-10-35.

As of December 31, 2024, the Plan's investments in common/ collective trusts consist of the following:

<u>Investment Type</u>	<u>Fair Value at 12/31/2024</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust funds	14,658	None	Daily	None

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 4 – INVESTMENTS IN COMMON/ COLLECTIVE TRUSTS, continued**

The common/ collective trusts are comprised of diversified portfolios of equity and fixed income securities. The fair value of the Plan's interest in each trust is based on the plans proportionate share of the net assets of the trust as of the reporting date. There are no significant restrictions on the ability to redeem these investments at NAV.

Investment income and net appreciation(depreciation) in fair value of investments for the year ended December 31, 2024, included the Plan's proportionate share of income and gains(losses) from the common/ collective trusts.

Valuation Policies

Investment in common/ collective trusts are valued at fair value as determined by the trustee, based on the NAV of the units held by the Plan at year-end. The NAC is determined by the trustee based on the fair value of the underlying assets of the trust, less its liabilities, divided by the number of units outstanding.

Risks and Uncertainties

The common/ collective trusts in which the Plan invests may invest in various types of securities and are exposed to interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**NOTE 5 – INVESTMENT IN POOLED SEPARATE ACCOUNT**

The Plan holds an interest in a pooled separate account managed by Empower Retirement Services. The pooled separate account is a commingled investment vehicle that invests in a diversified portfolio of assets including equity securities, fixed income securities, and other investments, for the benefit of multiple unrelated employee benefit plans. The Plan's interest in the pooled separate account is based on the fair value of its units of participation, which are valued daily by the insurance company based on the underlying assets of the account.

At December 31, 2024, the Plans investment in the pooled separate account was \$6,431, representing 0.02% of the plans net assets available for the benefits. The underlying investments of the pooled separate account at December 31, 2024, consisted of the following general types, measured at fair value:

Variable annuities	\$	6,431
--------------------	----	-------

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 5 – INVESTMENT IN POOLED SEPARATE ACCOUNT, continued**

The pooled separate account is not registered with the Securities and Exchange Commission and is valued at fair value as reported by the insurance company, which is based on the fair value of the underlying assets. The plan may redeem its investment in the pooled separate account at net asset value on a daily basis, subject to any applicable notice requirements or restriction specified in the contract.

No unfunded commitments or significant redemption restrictions existed at December 31, 2024.

**NOTE 6 – FAIR VALUE MEASUREMENTS**

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The following table presents information about the plan's assets measured at fair value on a recurring basis as of December 31, 2024 and 2023, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

**NOTE 6 – FAIR VALUE MEASUREMENTS, continued**

	Fair value measurements at the end of the reporting period using:			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2024</u>				
Mutual funds	\$ 23,705,886	\$ 23,705,886	\$ -	\$ -
Total assets at fair value	<u>\$ 23,705,886</u>	<u>\$ 23,705,886</u>	<u>\$ -</u>	<u>\$ -</u>
<u>December 31, 2023</u>				
Mutual funds	\$ 20,932,464	\$ 20,932,464	\$ -	\$ -
Total assets at fair value	<u>\$ 20,932,464</u>	<u>\$ 20,932,464</u>	<u>\$ -</u>	<u>\$ -</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2024, there were no significant transfers between Level 1 and Level 3 and no transfers into or out of Level 2.

**NOTE 7 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (UNAUDITED)**

The Plan entered into a traditional benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company prior to December 31, 2008. Great-West Life & Annuity Insurance Company maintains the contributions in a general account and mutual funds. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 7 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (UNAUDITED),  
continued**

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statement of Net Assets Available For Benefits at fair value with no adjustment to contract value in arriving at net assets available for benefits since contract value and fair value in essence are the same. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2024 and 2023 was \$2,373,131 and \$2,215,215 respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0 percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (1) an uncured breach of the Plan's investment guidelines, (2) a material amendment to the contract without the issuer's consent, (3) a violation of a material obligation under the contract or (4) a material misrepresentation. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are likely to occur.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**RESTATED PENRELCO EMPLOYEES  
SAVINGS INCENTIVE PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023**

**NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by Empower Retirement Services. Empower Retirement Services is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made a direct payment to the third-party administrator of \$28,470, which was not covered by revenue sharing. The Plan Sponsor pays directly any other fees related to the Plan's operations. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

**NOTE 9 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

**NOTE 10 – TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**NOTE 11 – RISKS AND UNCERTANTIES**

Investment Securities

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
