INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Redland Company, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Redland Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Redland Company, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Redland Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Redland Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Redland Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Redland Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 - Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following description of The Redland Company, Inc. 401(k) Plan (the Plan) provides only general information. For more complete information, participants should refer to the Plan instrument, a copy of which is on file in the office of the Plan sponsor.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan covering all eligible employees of The Redland Company, Inc. (the Company and Plan sponsor). The Plan commenced on January 1, 2009. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

In order to be eligible to participate in the Plan, an employee must be at least 18 years old and have worked for the Company for a minimum of three consecutive months. Entry dates are on the first day of each month of the Plan year. To be eligible to receive employer matching contributions, participants must have completed at least one year of service (1,000 hours).

Funding

Participant contributions are limited to the lesser of 75% of the participant's annual compensation or the statutory maximum of \$23,000 in 2024 and \$22,500 in 2023. Those who have reached at least age 50 may contribute an additional \$7,500 in 2024 and in 2023. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. The employer shall match this contribution at a discretionary amount established at the beginning of the Plan's year. The employer's contribution policy established for the year ended December 31, 2024, was the lower of 50% of the employee's contribution for the year or 50% of 1.75% of the employee's wages for the year.

Participant Accounts

Each participant's account is credited with 1) participant contributions, 2) the employer's matching contribution and 3) a ratable portion of investment gain or loss, net of Plan expenses. Each participant's account is charged with any distributions made to that participant.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's matching and discretionary contribution portion of their accounts plus actual earnings thereon is on a 6-year graded vesting schedule as follows:

Number of Years	
<u>Employed</u>	<u>Vested %</u>
Less than 1	0%
After 2 years	20%
After 3 years	40%
After 4 years	60%
After 5 years	80%
After 6 years	100%

Investment Options

Upon enrollment in the Plan, and any time subsequently, a participant may direct contributions to be allocated among a selection of securities provided by the Plan (see Note 3).

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or beneficiary may receive a lump-sum amount equal to the value of the participant's vested interest in their account or partial payments thereon. Upon retirement or separation of service with an account balance less than \$1,000, the Plan administrator will distribute payment in the form of a lump-sum. Upon retirement or separation of service with an account balance of more than \$1,000 but not exceeding \$5,000, if the participant does not choose a lump-sum distribution the Plan administration will roll over the distribution to an individual retirement account. If the vested portion of the account balance exceeds \$5,000 (disregarding any rollover contributions), the Plan permits the participant to elect distribution as a lump-sum installment for required minimum distributions only. In-service distributions are available to participants who have reached age 59½ and are 100% vested in their account balances.

Forfeitures

Forfeitures may first be used for restoration of participant forfeitures, then to offset Plan expenses, or to reduce employer's matching contributions. The forfeiture balances available for use were \$2,674 and \$12,531 as of December 31, 2024 and 2023, respectively. During the year ended December 31, 2024, \$10,726 in forfeitures were used to reduce employer's matching contributions.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts for the lesser of 50% of their vested account balance, or \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans on the date the loan is made. Loan terms range from 1 - 5 years unless the loan was for the purchase of a primary residence, the maximum loan term for a primary residence is 15 years. The loans would be secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates provided by lending institutions. The interest will be the Prime Rate as reflected in the Wall Street Journal on the date of loan plus 1%. Principal and interest would be paid ratably through monthly payroll deductions. Participant loans had an outstanding balance for the years ended December 31, 2024 and 2023 of \$128,274 and \$121,891, respectively, with interest rates ranging between 4.25% and 9.50%, and various maturities through 2030.

Termination

Although there is no intent to do so, the Plan document provides for termination of the Plan subject to the provisions of the Plan agreement and ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Concentration of Credit Risk

Financial instruments which potentially expose the Plan to concentrations of credit risks, as defined by GAAP, consist primarily of cash, investments, contributions receivable and notes receivable from participants. The Plan invests in marketable securities which, inherent in the fair market value determination, include the risk factor of credit worthiness for each individual debt security.

THE REDLAND COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 3. INVESTMENTS

The Plan had a recordkeeping services agreement with John Hancock Life Insurance Company for the years ended December 31, 2024 and 2023. They maintained the contributions in separate accounts that are defined as funds sub-advised by third parties, or which invest in funds managed by John Hancock. Each account is credited with earnings on the underlying investments and charged for Plan investment and distribution fees. The investments are included in the financial statements at fair value, as reported to the Plan by John Hancock.

During the year ended on December 31, 2024, the Plan's underlying mutual fund and pooled separate account investments appreciated in value by \$460,595, (which includes investment income plus gains and losses on investments bought and sold, as well as held during the year). This was reported as net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

GAAP provides a framework for measuring fair value, expands disclosures about fair value measurements, and establishes a fair value hierarchy, which prioritizes the inputs used in measuring fair value summarized as follows:

Level 1: Inputs using the valuation methodology are unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methods used for assets measured at fair value. There have been no changes in methodologies used to measure fair value as of December 31, 2024 and 2023.

THE REDLAND COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled-separate account (PSA): The fair value of investments in the pooled separate account is determined by the fund custodian based on the fair value of the underlying securities within the fund, which represents the net asset value of the shares held by the Plan at year-end.

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds/PSA	\$ 4,626,340	\$ -	\$ -	\$ 4,626,340

The following table presents the Plan's fair value hierarchy for investments measured at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds/PSA	\$ 4,015,806	\$ -	\$ -	\$ 4,015,806

NOTE 5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 6. TAX STATUS

The Plan is exempt from Federal income taxes under the Internal Revenue Code (IRC) and, therefore, no provision for Federal income taxes has been made. In addition, the Plan is required to operate in conformity with the IRC to maintain its tax-exempt status. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is tax-exempt. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management believes no such positions have been taken.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to examinations by tax authorities for years prior to 2021.

THE REDLAND COMPANY, INC.
401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2024

NOTE 7. RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Some of the Plan's investments are shares of funds managed by John Hancock. Fees incurred by the Plan for investment management services are considered party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Contract administration fees paid to John Hancock for the year ended December 31, 2024 was \$32,590 and was included as administrative expenses in the accompanying statement of changes in net assets available for benefits. Additionally, the Plan's sponsor and participating employer absorbs virtually all of the Plan's administrative expenses.

NOTE 8. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for the Plan through September 8, 2025, the date the financial statements were available to be issued.
