INDEPENDENT AUDITOR'S REPORT

To the 401(k) Committee of Salesforce, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Salesforce 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Salesforce 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Salesforce 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Salesforce 401(k) Plan
Notes to Financial Statements
December 31, 2024

1. Description of Plan

The following description of the Salesforce 401(k) Plan (the Plan) provides general information about the Plan's provisions. Salesforce, Inc. (the Company) is the plan sponsor. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is a defined contribution plan that was established in 2000 by the Company to provide benefits to eligible employees, as defined in the plan document. The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The 401(k) Plan Committee (the Committee) is responsible for the general administration of the Plan. The Company has contracted with Fidelity Management Trust Company (Fidelity) to act as the trustee and the qualified institution for the plan, and an affiliate of Fidelity to act as the recordkeeper to process and maintain the records of participant data. Substantially all expenses incurred for administering the Plan, other than participant-initiated transaction fees, are paid by the Company or from the excess revenue sharing account.

Eligibility

Employees may become a participant of the Plan when they have reached age eighteen or older. An eligible employee may enter the Plan immediately after the entry requirement is met.

Contributions

Participant contributions - Participants may elect to have the Company contribute their eligible pre-tax, after-tax or Roth after-tax compensation to the Plan, up to the amount allowable under the plan document and current income tax regulations. Unless the employee affirmatively elected otherwise, the Plan permits automatic enrollment of eligible employees in the Plan with an initial contribution of 6 percent increased annually by one percent to 15 percent. Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable or taxed compensation. Contributions withheld are invested in accordance with the participant's direction.

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. Participants who are automatically enrolled have their contributions invested in the applicable target date fund based on their age until they change their election. The Company's contributions are invested in the same manner as that of the participant's elective contributions.

Employer contributions - The Company is allowed to make discretionary matching and nonelective contributions as defined in the plan document and as approved by the Committee. The Company matches 100 percent of each eligible participant's contributions up to the lesser of six percent of eligible annual compensation or \$5,000 per calendar year.

During the year ended December 31, 2024, the Company made a one-time discretionary non-elective contribution of approximately \$40 million to the Plan. This contribution was in addition to the regular matching contributions made during the year.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary contributions, and Plan earnings or losses, and is charged with an allocation of administrative expenses. Allocation of the Company's discretionary contributions are based on participant contributions or eligible employee compensation, as defined in the plan document. Plan

earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and in the Company's discretionary matching contributions allocated to their account. Participants are fully vested in the Company's discretionary nonelective contributions after five years of credited service.

Payment of Benefits

Upon termination, the participants or beneficiaries may elect to leave their vested account balance in the Plan or receive their total benefits in a lump sum amount or installments equal to the value of the participant's vested interest in their account. The Plan allows for the automatic distribution of participant vested account balances that do not exceed \$5,000.

Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50 percent of their vested account balance. The participant notes are secured by the participant's vested balance. Such notes receivable from participants bear interest at the available market financing rates and must be repaid to the Plan within a five-year period, unless the proceeds are used for the purchase of a principal residence in which case the maximum repayment period may be longer. The specific terms and conditions of such notes receivable from participants are established by the Committee. Principal and interest are paid ratably through payroll deductions. If a participant terminates employment with the Company, they may continue to make note payments through a pre-authorized ACH or check agreement. Notes due from a terminated participant must be repaid in accordance with the original promissory note.

Forfeited Accounts

Forfeited nonvested accounts will be first used to pay administrative expenses and then to reduce future employer contributions. Unallocated forfeited balances as of December 31, 2024 and 2023 were approximately \$129,000 and \$207,000, respectively, and forfeitures used to offset the Company's contributions for 2024 were approximately \$105,000.

Plan Termination

The Company intends to continue the Plan indefinitely for the benefit of its participants; however, it reserves the right to terminate or modify the Plan at any time by resolution of its Board of Directors and subject to the provisions of ERISA. In the event the Plan terminates, participants will become fully vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant notes that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income from participants is recorded when it is earned. Delinquent notes receivable from participants are reclassified as distributions upon occurrence of a distributable event based upon the terms of the plan document.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Investments

Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments held and note receivable from participants at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest, dividends, and interest income on note receivable from participants for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity, the trustee, and the qualified institution of the Plan.

4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described below:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Significant other inputs that are directly or indirectly observable in the marketplace.

Level 3 - Significant unobservable inputs which are supported by little or no market activity.

The following tables set forth by fair value hierarchy level the Plan's assets carried at fair value (in thousands):

Investments at Fair Value as of December 31, 2024

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
|---|----------------|----------------|----------------|---------------------|
| Money market fund | \$ 110,146 | \$ 0 | \$ 0 | \$ 110,146 |

| Total Investments at fair value | 1,146,738 | 0 | 0 | 1,146,738 |
| Investments measured at net asset value (1) | | | | 7,871,429 |
| Total Investments | | | | <u>\$ 9,018,167</u> |

Investments at Fair Value as of December 31, 2023

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
|---|----------------|----------------|----------------|---------------------|
| Money market fund | \$ 101,872 | \$ 0 | \$ 0 | \$ 101,872 |

| Investments measured at net asset value (1) | | | | 5,779,651 |
| Total Investments | | | | <u>\$ 7,264,958</u> |

(1) These investments measured at net asset value are primarily made up of Common/collective trust funds, which are created and managed by banks or trust companies to pool the assets of multiple investors and invest them collectively. As of December 31, 2024 and 2023, the Plan had no unfunded commitments related to the common/collective trust funds. There are no participant redemption restrictions for these investments. Participant transactions (purchases and sales) may occur daily.

The self directed Brokerage Account contains common stock, exchange traded funds, money market funds and cash.

Following is a description of the valuation methodologies used for assets measured at fair value:

Money market fund - Valued at amortized cost, which approximates fair value.

BrokerageLink Account - Valued at net asset value ("NAV") or quoted market prices on the last day of the Plan year.

Mutual funds - Valued at quoted market prices on the last business day of the Plan year, which is equivalent to NAV.

5. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to the Form 5500 (in thousands):

| | December 31, | |
|--|---------------------|---------------------|
| | <u>2024</u> | <u>2023</u> |

| Net assets available for benefits per the Form 5500 | <u>\$ 9,072,466</u> | <u>\$ 7,317,484</u> |

The following is a reconciliation of the contributions per the financial statements to the Form 5500 for the year ended December 31, 2024 (in thousands):

| | |
|--|---------------------|
| Total contributions per the financial statements | \$ 1,134,252 |
| Add: Prior year's receivable | 2,461 |
| Less: Current year's receivable | (42,007) |
| Total contributions per the Form 5500 | <u>\$ 1,094,706</u> |

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Party-in-Interest Transactions

The Plan holds units of common/collective trust funds managed by an affiliate of Fidelity, the trustee of the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

The Plan receives revenue credits from Fidelity on a quarterly basis. The revenue credit account can be used to pay Plan expenses or can be allocated to eligible Plan participants as defined in the service agreements with Fidelity and its affiliates. Revenue credits earned from this agreement are recorded as investment income in the statement of changes of net assets available for benefits. As of December 31, 2024, and 2023 the account balance was \$2.6 million and \$1.6 million, respectively. During 2024, the Plan received revenue credits of \$1.1 million and the Plan utilized \$21,000 to pay plan expenses and allocated \$138,000 to participants.

8. Tax Status

The underlying volume submitter plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the plan is qualified under Section 401 of the Code and therefore, the related trust is tax-exempt. The plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Subsequent Events

The Plan monitors significant events occurring after the balance sheet date and prior to the issuance of the financial statements to determine the impacts, if any, of events on the financial statements to be issued. The Plan has evaluated subsequent events through September 12, 2025, the date the financial statements were available to be issued.
