## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Buff Enterprises dba Supplement Superstores Group Health  
Benefit Plan

### **Opinion**

We have audited the accompanying financial statements of Buff Enterprises dba Supplement Superstores Group Health Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Buff Enterprises dba Supplement Superstores Group Health Benefit Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Buff Enterprises dba Supplement Superstores Group Health Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buff Enterprises dba Supplement Superstores Group Health Benefit Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buff Enterprises dba Supplement Superstores Group Health Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buff Enterprises dba Supplement Superstores Group Health Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Other Matter - Supplemental Schedule Required by ERISA**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Buff Enterprises dba Supplement Superstores Group Health Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined benefit health and welfare benefit plan established on January 1, 2023, to provide medical and prescription drug coverage to eligible employees (and their eligible dependents) of Buff Enterprises dba Supplement Superstores (the "Company" or the "Employer"). Benefits are generally paid through a trust established to hold contributions, however, a portion of the benefits may be paid from the general assets of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") as amended.

Plan administration

The Plan is administered by the Company. The Plan Administrator has the full and sole discretionary authority to interpret all Plan documents and make all interpretive and factual determinations as to whether any individual is entitled to receive any benefit under the terms of this Plan.

Employee contributions toward coverage under the Plan are held in the Buff Enterprises LLC Health Benefit Trust (the "Trust") for which certain employees of the Company have been designated as trustees. UMR, a United HealthCare Company ("UMR"), administers the review, processing, and payment of claims. The Plan's pharmacy benefit manager is Optum Rx.

Benefits

The Plan provides medical and prescription drug coverage for employees and their qualified dependents. Coverage is provided to employees who meet eligibility requirements and pay applicable premiums. Full-time hourly employees are eligible 60 days after their start date and full-time salaried employees are eligible 30 days after their start date. Full-time status is based on an employee working at least 30 hours per week. The Plan excludes leased employees, independent contractors, consultants who are not classified as employees, and officers/board members/owners, etc. who are not active in the management of the business.

The Plan provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Reconciliation Act ("COBRA").

For the year ended December 31, 2023, the Plan provided medical benefits through the UMR network. In-network benefits are paid at 100% after the deductible and coinsurance while out-of-network benefits are paid at 50% after the deductible and coinsurance. Office visits are paid at 100% after an office visit co-pay.

1. DESCRIPTION OF THE PLAN (continued)

Benefits (continued)

The prescription drug coverage covers prescription drugs with predetermined co-pays based on the type of drug filled. The coverage also allows for coverage of specialty drugs. Drugs may be filled at local retail pharmacies or via the mail order program.

Coverage under the medical and prescription drug plan is continued until a qualifying event such as termination, death, reduction in hours, divorce from covered employee, change in dependent's status, etc.

Stop loss coverage

The Plan has entered into a stop-loss insurance arrangement with Unimerica Insurance Company ("Unimerica") in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount of \$75,000, as well as its aggregate exposure for all claims of \$1,000,000).

Self-insured benefits

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only ("ASO") arrangements. The claims processor (UMR) pays claims directly to or on behalf of participants and is then reimbursed by the Plan's trust. Despite the Plan's utilization of a third-party claim's processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager ("PBM") which periodically makes refunds to the Plan based on Plan's actual utilization pattern of specific drugs.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Company pays the full cost of the Plan's stop loss insurance. The costs of the welfare benefit plan are shared by the Company and the employees. The Company makes contributions to the Plan as needed to fund claims in excess of participant's contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported, claims payable, and disclosure of contingent liabilities. Actual amounts could differ from those estimates.

Cash and cash equivalents

Cash and cash equivalents consist of highly liquid investments, including a money market checking account and an interest-bearing cash account.

Payment of benefits

Premiums paid by either the Company or the Trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claims processor that have yet to be reimbursed are recorded as accrued expenses in the accompanying statements of net assets available for benefits.

Stop loss premiums

The Plan has a stop loss insurance arrangement with Unimerica. Premiums for the Plan's stop loss insurance with Unimerica are included in the accompanying statements of changes in net assets available for benefits. Stop loss premiums totaling \$290,678 have been included with claims paid in the accompanying 2023 statement of changes in net assets.

Claims incurred but not reported

The Plan's liability for incurred but unreported claims is estimated using actuarial methods that use historical trend information. Plan obligations as of December 31 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based upon claims data provided by the Plan's third party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment. While Plan management believes the amount to be fairly stated, the ultimate liabilities may be in excess of, or less than, the amounts provided.

The Plan's benefit obligations at December 31, 2023 included:

Claims payable and claims incurred but not reported	<u>\$ 91,531</u>

Subsequent events

The Plan has evaluated subsequent events for potential recognition and disclosure through August 28, 2025, the date the financial statements were available to be issued.

3. PLAN TERMINATION

The Company fully intends to maintain this Plan indefinitely; however, the Company reserves the right to terminate, suspend, or amend this Plan at any time, in whole or in part, including making modifications to the benefits under this Plan. The Plan Administrator will provide written notice to Covered Persons within 60 days following the adopted formal action that makes material reduction of benefits to the Plan, or may, alternatively, furnish such notification through communications maintained by the Plan Administrator at regular intervals of no greater than 90 days.

If this Plan is amended, a Covered Person's rights are limited to Plan benefits in force at the time expenses are Incurred, whether or not the Covered Person has received written notification from the Plan Administrator that the Plan has been amended.

If this Plan is terminated, the rights of a Covered Person are limited to Covered Expenses Incurred before the Covered Person receives notice of termination. All claims Incurred prior to termination, but not submitted to either the Plan Sponsor or the third-party administrator within 75 days of the Effective Date of termination of this Plan due to bankruptcy, will be excluded from any benefit consideration.

4. TAX STATUS

The Trust established under the Plan to hold the Plan's assets is not a tax-exempt trust and has not applied to qualify as such pursuant to Section 501(c)(9) of the Internal Revenue Code. Accordingly, the Trust is required to pay tax on any income earned by the Trust. However, the Plan has no taxable income; therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the state and federal taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

5. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Company and related Trust are related parties to the Plan. Certain professional and administrative costs of the Plan have been paid by the Company. Personnel and facilities of the Company have been used by the Plan for accounting and other activities at no charge to the Plan.
