## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator, Plan Management and Participants  
Haven Residential 401(k) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of Haven Residential 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of January 6, 2025, and December 31, 2024, and the related statement of changes in net assets available for benefits for the six days ended January 6, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Haven Residential 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of January 6, 2025, and December 31, 2024, and for the six days ended January 6, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Haven Residential 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Haven Residential 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Haven Residential 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Haven Residential 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedule: Schedule H, line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Plan termination***

Effective January 1, 2025, the plan sponsor adopted a resolution to terminate the Plan and become a participating employer of the Wealth Wise Retirement Plan PEP. No liabilities were recognized in connection with the termination. All of the assets of the Plan were transferred to the Wealth Wise Retirement Plan PEP during January of 2025.

### Notes to Financial Statements

#### 1. Description of Plan

The following description of the Haven Residential 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

##### *General.*

The Plan was a defined contribution plan covering eligible employees of 29<sup>th</sup> Street Property Management LLC (the “Company”), who had completed 60 days of service and were age 21 or older. Entry dates were the first day of each calendar month. The Plan was established on January 1, 2020 and was subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA) as amended.

Effective January 1, 2022, the Plan merged with Alltrade Service Solutions, LLC 401(k) Retirement Savings Plan and the assets were transferred on January 11, 2022, into this Plan.

Effective June 1, 2023, the Company name changed from 29th Street Capitol, LLC to 29th Street Property Management, LLC.

##### *Contributions.*

Each year eligible participants could make pre-tax or Roth contributions from their eligible compensation, as defined by the Plan adoption agreement, subject to applicable limits established by law. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions).

The Plan did not include an auto-enrollment provision. Eligible employees had to enroll if they wished to participate in the Plan.

The Company provided a safe harbor contribution equal to 100% of the first 4% of a participant’s deferrals during 2024.

The Company could also make a discretionary matching or profit-sharing contribution as determined each year. The Company did not make any such discretionary contributions in 2025 or 2024.

Participant and Company contributions were invested as directed by the participant in investment options offered by the Plan.

##### *Plan termination.*

Effective January 1, 2025, the plan sponsor adopted a resolution to terminate the Plan and become a participating employer of the Wealth Wise Retirement Plan PEP. No liabilities were recognized in connection with the termination. All of the assets of the Plan were transferred to the Wealth Wise Retirement Plan PEP during January of 2025.

## HAVEN RESIDENTIAL 401(K) PLAN

### Notes to Financial Statements

#### 1. Description of Plan (continued...)

##### *Participant accounts.*

Participants directed their account balance into various investment options offered by the Plan. Participant accounts were credited with the participant's contributions, the Participating Employer's contributions, if any, and investment earnings and/or losses and charged with the participant's benefit payments and applicable transactions charges, which were considered administrative expenses. Allocations were based on participant compensation, deferrals, or the earnings and losses of the participant's account balances, as defined. Income was allocated daily based on the number of shares or units in the participant's account. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

##### *Vesting.*

Participants were immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings on the contributions. Participants who merged in from the Alltrade Solution Services LLC Retirement Savings Plan on January 1, 2022, continued to be subject to a four-year graded vesting schedule. All other participants were subject to a three-year cliff vesting schedule. Effective June 1, 2023, all participants in the Plan were subject to a four-year graded vesting schedule. Participants were 100% vested in all their accounts in the event of death or disability.

##### *Notes receivable from participants.*

Participants could borrow from the vested portion of their account balance a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50 percent of their account balance. Loan terms were fixed up to five years, except in the case of a loan used to acquire a principal residence, in which case the loan term could exceed five years. The loans were secured by the vested balance in the participant's account and bore interest at a reasonable rate at the time of the loan, generally 1% above the prime rate. Principal and interest were paid ratably through payroll deductions.

##### *Payment of benefits.*

On termination of service, death, disability, or retirement, a participant, or their beneficiary, could elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or installment payments as provided in the plan document. Participant consent was required only if the distribution is over \$5,000. In-service withdrawals could be taken after attaining age 59-1/2. Withdrawals could also be made in conjunction with IRS hardship distribution regulations.

##### *Forfeited accounts.*

Forfeited nonvested accounts could be used to reduce future employer contributions or to pay Plan administrative expenses. Forfeited account balances were \$0 and \$11,543 as of January 6, 2025, and December 31, 2024, respectively.

## HAVEN RESIDENTIAL 401(K) PLAN

### Notes to Financial Statements

#### 2. Summary of Accounting Policies

*Basis of Accounting and Use of Estimates.*

The financial statements of the Plan are prepared on the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition.*

Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments purchased and sold as well as held during the year.

*Notes Receivable from Participants.*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of January 6, 2025, or December 31, 2024. Delinquent participant loans are recorded as distributions based upon the terms of the Plan documents.

*Payment Benefits.*

Benefits are recorded when paid, except for material corrective distributions which are accrued during the year in which the originating contributions were made. The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan.

*Expenses.*

Plan expenses paid directly by the Company are excluded from these financial statements. Fees charged directly to participant accounts are included in administrative expenses. Investment-related expenses are included in net appreciation of the fair value of investments.

*Subsequent Events.*

Plan management has evaluated events and transactions that occurred between January 6, 2025, and August 25, 2025, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements. Effective January 1, 2025, the plan sponsor adopted a resolution to terminate the Plan and become a participating employer of the Wealth Wise Retirement Plan PEP. No liabilities were recognized in connection with the termination. All of the assets of the Plan were transferred to the Wealth Wise Retirement Plan PEP during January of 2025.

## HAVEN RESIDENTIAL 401(K) PLAN

### Notes to Financial Statements

#### 3. Information Certified by the Plan Custodian

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of January 6, 2025, and December 31, 2024, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of January 6, 2025, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the six days ended January 6, 2025 has been reported to the Plan and certified as complete and accurate by the Plan's custodian, John Hancock Life Insurance Company.

#### 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## HAVEN RESIDENTIAL 401(K) PLAN

### Notes to Financial Statements

#### 4. Fair Value Measurements (continued...)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 6, 2025, and December 31, 2024.

Cash and cash equivalents: The carrying amounts for cash reflect the assets' fair value. The fair values for cash equivalent are determined based on quoted market prices. These assets are included in Level 1.

Pooled separate accounts. Investments in pooled separate accounts are valued using the unadjusted NAV as of the reporting date, which is the basis for current transactions. The NAV is used as a practical expedient to estimate fair value. Pooled separate accounts are valued based on the underlying investments (i.e., common stock, mutual funds, and short-term securities) in the separate account as reported by Principal Financial Group. While the majority of the underlying assets values are based on quoted prices, NAV of the pooled separate accounts are not publicly quoted.

Collective Trust Funds: Valued at the NAV of the units held by the Plan at year-end. The NAV, as provided by the trustee/custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (issuances and redemptions) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require advance notification to ensure that securities liquidations will be carried out in an orderly business manner as discussed below.

John Hancock Stable Value Fund. A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### 4. Fair Value Measurements (continued...)

The fair value of the Plan's participant-directed investments as of January 6, 2025, and December 31, 2024 are set forth by level within the fair value hierarchy in the table below. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

<u>1/6/2025</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value	None			
<hr/>				
<u>12/31/2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled Separate Accts	-	3,668,518		3,668,518
Total assets in the fair value hierarchy	-	3,668,518	-	3,668,518
Investments measured at net asset value*				5,248
Investments at fair value	-	3,668,518	-	3,673,766

Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of January 6, 2025.

<u>Fund</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
John Hancock Stable Value Fund	0	N/A	Daily	N/A

There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

### Notes to Financial Statements

#### 5. Investments Recorded at Contract Value

The Plan did not hold any investments recorded at contract value as of January 6, 2025, and December 31, 2024.

#### 6. Rollover Contributions

The Plan accepted a rollover, provided the rollover did not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Employer. The amounts rolled over were separately accounted for in a "Participant's Rollover Account." For purposes of this Section, the term Participant shall include any Eligible Employee who is not yet a Participant.

#### 7. Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments were shares of pooled separate accounts or collective trust funds managed by John Hancock Life Insurance Company, the custodian as defined by the Plan. Fees incurred within these investments qualify as party-in-interest transactions. Investment fees paid to parties-in-interest were netted against investment returns.

No other fees were incurred during 2025.

#### 8. Tax Status

Although the Plan has not received a determination letter from the Internal Revenue Service, it has adopted a pre-approved Prototype Plan. The Plan has been amended and, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS/DOL. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 6, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

### Notes to Financial Statements

#### 9. Risks and Uncertainties

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities could have occurred and that such changes could have materially affected participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### 10. Reconciliation of Financial Statements to Form 5500

Certain differences may exist between the recording of accruals for financial reporting purposes and IRS/Department of Labor's (DOL) Form 5500 purposes. There were no such differences as of January 6, 2025, and December 31, 2024.

#### 11. Subsequent Events — Plan Termination

Effective January 1, 2025, the plan sponsor adopted a resolution to terminate the Plan and become a participating employer of the Wealth Wise Retirement Plan PEP. No liabilities were recognized in connection with the termination. All of the assets of the Plan were transferred to the Wealth Wise Retirement Plan PEP during January of 2025.

#### 12. Transfers to/from other plans

No assets were transferred in to or out of the Plan during 2024. All of the assets of the Plan were transferred to the Wealth Wise Retirement Plan PEP during January of 2025.
