### INDEPENDENT AUDITOR'S REPORT

To the Participants and Management of  
Wallace Distribution Company Profit Sharing Plan  
5050 S Davy Crockett Parkway  
Morristown, TN 37813

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Wallace Distribution Company Profit Sharing Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Wallace Distribution Company Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(c)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103.5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statement section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wallace Distribution Company Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wallace Distribution Company Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wallace Distribution Company Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wallace Distribution Company Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules of assets held at end of year as of December 31, 2024 and 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Wallace Distribution Company Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

*General.* As of January 1, 1973, Wallace Hardware Company, Inc. DBA Wallace Distribution Company (the "Plan sponsor" or the "Company") implemented a defined contribution profit sharing plan covering substantially all employees of Wallace Distribution Company who have completed one year of employment with at least 1,000 or more hours of service and are age 21 or older. The Plan was amended in 2022 to comply with current regulations and to add additional Plan features which took effect subsequent to the amendment.

*Plan Trustee and Custodian.* Meridian Trust & Investment Company serves as Trustee of the trust created under the Plan, and also serves as the named Plan Administrator. Charles Schwab Bank serves as custodian and certifies the Plan investments as to completeness and accuracy.

*Contributions.* The Plan provides for participant elective deferrals including catch-up contributions subject to maximums as defined in the Internal Revenue Code. Effective January 1, 2022, the Plan implemented a safe harbor match on deferrals. In addition, the Plan sponsor may provide discretionary matching contributions and non-elective contributions.

*Participant Accounts.* Each participant's account is credited with the participant's contribution and allocations of (a) the Company's match and non-elective contributions and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Payment of Benefits.* On termination of service, the vested balance is paid in a single sum if the participant's vested account totals \$5,000 or less. If the participant's vested balance exceeds \$5,000 he or she may elect to have the vested account paid in either a single payment or in a series of payments over a period of time based on options chosen by the participant. Additional guidelines may apply based on the participant's age, vested balance and current or prior marital status.

*Forfeited Accounts.* Forfeitures of participant non-vested accounts may first be used to pay Plan expenses, and then to reduce future employer contributions. Forfeited non-vested accounts for years ended December 31, 2024, and 2023 totaled \$4,815 and \$6,968 respectively.

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

*Vesting.* The employee's deferral and safe harbor match is fully vested at all times. The employer discretionary match and non-elective contributions are vested on a six-year graded schedule, as follows:

<u>Years of Service</u>	<u>%</u>
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Date of Management's Review*

Subsequent events were evaluated through August 29, 2025 which is the date the financial statements were available to be issued.

*Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Refer to Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Payment of Benefits*

Benefits are recorded when paid.

*Contributions*

Participants direct the investment of their contributions into various investment options offered by the Plan. Employee and employer contributions are recorded when due from the Sponsor.

*Operating Expenses*

The Employee Retirement Income Security Act of 1974 (ERISA) allows certain expenses directly related to operating the plan to be paid from all participant accounts. Participants may also incur individual fees related to withdrawals, distributions, qualified domestic relations orders, and various other types of distributions. Other expenses of operating and maintaining the plan may be borne by the Plan sponsor.

*Excess Contributions*

There were no excess contributions by participants for the plan years ended December 31, 2024 and 2023.

**NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)**

The following information included in the accompanying financial statements and supplemental schedule were obtained from data that has been prepared and certified to as complete and accurate by the trustees at December 31, 2024 and 2023, and for the year ended December 31, 2023.

	<u>2024</u>	<u>2023</u>
Investments, at fair value	\$ 9,428,391	\$ 8,337,489
Investment gain (loss)	974,478	969,728

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 4 – FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 values are based on quoted prices in active markets for identical securities; Level 2 values are based on significant observable market inputs corroborated by market data but not quoted on active markets; Level 3 values are based on significant unobservable inputs and include situations where there is little, if any, market activity for the securities.

Pooled separate accounts are redeemable at net asset value (NAV), or its equivalent, based on the fair value of the underlying securities in the account as of the reporting date or in the near term and are therefore categorized within level 2 of the fair value hierarchy.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

**Assets Fair Values as of December 31, 2024**

<u>Assets</u>	<u>Fair Value Hierarchy Level</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money Market	\$ 215,783	\$ 215,783		
Mutual Funds	9,212,608	9,212,608		
<b>Total invested assets</b>	<b>\$ 9,428,391</b>	<b>\$ 9,428,391</b>	<b>\$ -</b>	<b>\$ -</b>

**Assets Fair Values as of December 31, 2023**

<u>Assets</u>	<u>Fair Value Hierarchy Level</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money Market	\$ 162,045	\$ 162,045		
Mutual Funds	8,175,444	8,175,444		
<b>Total invested assets</b>	<b>\$ 8,337,489</b>	<b>\$ 8,337,489</b>	<b>\$ -</b>	<b>\$ -</b>

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 5 – INCOME TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The (prototype) Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified. Thus, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 – PARTIES IN INTEREST**

As the Plan sponsor, the Company is a party-in-interest with respect to the Plan. The Company's employer contributions to the Plan qualify as exempt party-in-interest transactions because a fiduciary does not cause the Plan to participate in the transactions. In addition, there were no reimbursements of direct expenses paid by the Plan to the Company for Plan operations and administration in 2024.

Administrative expenses totaling \$71,484 and \$56,895 for the years ended December 31, 2024 and 2023, respectively, were paid from plan assets to Meridian Trust & Investment Company for accounting, investment management, trustee and discretionary trustee services, contract administration, direct payments from the plan, recordkeeping fees and various related services. In addition, the plan paid \$12,060 and \$10,924 to Epic Advisors, Inc., in 2024 and 2023, respectively, for distribution and recordkeeping services.

All party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

**NOTE 8 – RISKS & UNCERTAINTIES**

In February 2022, Russian forces invaded the country of Ukraine causing a sharp escalation of the Russo-Ukrainian War. The invasion caused global economic uncertainty due to numerous economic sanctions placed on Russia by the United States, European Union, and members of the NATO alliance. Additionally, during 2022, the U.S. Federal Reserve began raising interest rates in efforts to combat rising inflation. These events have led to volatility in financial markets and has affected, and may continue to affect, the fair value of Plan assets. The potential economic impact brought by, and the duration of, these events is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted. The impact on the Plan Sponsor and the Plan could be material.

**NOTE 9 - SUBSEQUENT EVENTS**

The Plan administrator evaluated events and transactions subsequent to December 31, 2024, through the date of the independent auditor's report (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. The Plan Administrator has not identified any other items requiring recognition or disclosure.
