The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bering Home Center, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bering Home Center, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bering Home Center, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bering Home Center, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and

disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BERING HOME CENTER, INC. RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Bering Home Center, Inc. Retirement Savings Plan (the “Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan covering all employees of Bering Home Center, Inc. (the “Company”). Employees, other than independent contractors or non-employees, who have attained the age of 18 and have completed six consecutive months of service are eligible to participate in the Plan. Employees are eligible to participate in the Plan on the first day of the month after satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Administration of the Plan**

Ascensus, LLC is the recordkeeper for the Plan, as agent for Ascensus Trust Company, the trustee of the Plan.

**Contributions**

Participants may elect to make pre-tax salary deferral contributions up to the maximum allowed under the appropriate sections of the Internal Revenue Code (IRC). Eligible employees are automatically enrolled in the Plan at a pre-tax salary deferral rate of 1% unless the employee opts out or elects a different percentage. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows rollover contributions from other qualified retirement plans.

The Company may make a discretionary employer matching contribution to the Plan. For 2024, the Company elected to make a discretionary employer matching contribution for each payroll period equal to 25% of the first 6% of participant contributions. The Company may also make a profit-sharing contribution to the Plan to participants who are employed on the last day of the plan year and have completed 12 months of service during the plan year unless the participant has died, retired, or terminated employment due to disability. The Company did not make a profit-sharing contribution for 2024.

The Plan is participant directed. Participants may change their contribution rates each pay period and investment options daily.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions and Company contributions as well as allocations of earnings, including realized and unrealized gains and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are at all times fully vested in their contributions, rollover contributions, and the appreciation or depreciation thereon. Vesting in the Company's discretionary employer matching and profit-sharing contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants vest 20% per year after two years of service and are 100% vested after six years of service. A participant shall be immediately vested upon death, retirement, or termination of employment due to disability.

**Forfeitures**

Forfeitures are to be used to reduce employer contributions or pay Plan administrative expenses. There was no forfeitures balance at December 31, 2024. The forfeitures balance at December 31, 2023 was \$68. During 2024, forfeitures of \$2,650 were used to pay Plan administrative expenses.

**Payment of Benefits**

Normal retirement age under the Plan is 65. Early retirement age under the Plan is 55. Upon a participant's retirement, disability, death, or termination of employment, the vested funds in the participant's account may be distributed in a lump-sum or partial payment. Participants who terminate with an account balance of \$7,000 (\$5,000 prior to January 1, 2024) or less will be cashed out of the Plan as soon as administratively feasible. The Plan also allows in-service withdrawals at age 59½ and hardship withdrawals from a participant's pre-tax salary deferral account.

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would receive benefits based on their account balances accumulated to the date of termination of the Plan, becoming 100% vested in all amounts credited to their accounts.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

**Contributions**

Contributions from Plan participants and contributions from the employer are recorded in the plan year in which the participant contributions are withheld from compensation.

**Investments**

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefit payments to participants are recorded when distributed.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to recordkeeping and withdrawals are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

**BERING HOME CENTER, INC. RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)**

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Level 2* - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*Level 3* - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The collective trust fund is valued at NAV of shares held by the Plan. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is determined by the trustee of the fund and is used as a practical expedient to estimate fair value. The fund seeks to provide safety of principal, adequate liquidity, and a competitive yield with low return volatility. There are no restrictions on redemption of these investments. The Plan has no unfunded commitments and no contractual obligations to further invest in the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2024 or 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

<u>Description</u>	<u>2024</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$5,563,832</u>			\$5,563,832
Investments measured at net asset value*				<u>266,228</u>
Total investments at fair value				<u>\$5,830,060</u>

**NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)**

<u>Description</u>	<u>2023</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual Funds	<u>\$5,013,489</u>			\$5,013,489
Investments measured at net asset value*				<u>338,061</u>
Total investments at fair value				<u>\$5,351,550</u>

\*Certain investments that were measured at NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**NOTE 4 - INFORMATION CERTIFIED**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, LLC as agent for Ascensus Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, and the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2024.

**NOTE 5 - TAX STATUS**

The Plan has adopted a non-standardized pre-approved plan, which obtained its latest opinion letter dated June 30, 2020 in which the Internal Revenue Service (IRS) stated that the document satisfies the applicable provisions of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, contributions to the Plan and earnings from its assets are not currently taxable to the Plan or its participants.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2024 and 2023**

**NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 7 - PROHIBITED TRANSACTIONS**

During 2023, there were unintentional delays by the Company in submitting contributions in the amount of \$90. The Company corrected the \$90 in late contributions in August 2024.

**NOTE 8 - SUBSEQUENT EVENTS**

The Plan was amended and restated in February 2025 to allow participants to make Roth contributions.

Management has evaluated subsequent events through September 4, 2025, the date the financial statements were available to be issued.
