## INDEPENDENT AUDITOR'S REPORT

To the Participants in and Administrator of  
Neurological Associates of Tucson Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Neurological Associates of Tucson Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Neurological Associates of Tucson Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Neurological Associates of Tucson Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Neurological Associates of Tucson Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neurological Associates of Tucson Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Neurological Associates of Tucson Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4a Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not required parts of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE A – DESCRIPTION OF PLAN**

The following description of the Neurological Associates of Tucson Retirement Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

*General* – The Plan became effective January 1, 1992 with approval of the Board of Directors of Neurological Associates of Tucson, P.C. (“Company”). The Plan is a defined contribution plan covering all eligible employees of the Company that have completed at least one year of service during the eligibility computation period and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions* – The Plan provides that each participant, who has met eligibility requirements, as defined, may contribute to the Plan and elect to defer a percentage or an amount of their eligible compensation, as defined, on a pre-tax basis or after-tax basis not to exceed the maximum allowable under the Internal Revenue Code for any plan year (\$23,000 for 2024). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions (\$7,500 for 2024). The Company may contribute a discretionary matching amount based on a percentage of the amount the participant contributes or may make a discretionary non-elective contribution. Contributions are subject to certain limitations as defined by the Plan. For the Plan year ended December 31, 2024, the Company’s matching and profit sharing contributions amounted \$165,327 and \$1,107,518, respectively.

*Participant Accounts* – Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and (b) Plan earnings (losses), and charged with an allocation of administrative expenses, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

*Vesting* – Participants are immediately vested in their own contributions plus actual earnings thereon. Employer matching and profit sharing contributions are based on the following vesting schedule:

<u>Years</u>	<u>Employer Contributions</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

*Payment of Benefits* – On termination of service due to reasons other than death, vested interest may be received by the participant as a lump distribution as soon as administratively feasible after employment is terminated. If vested interest is \$7,000 or more the participant may elect installment payments over a specific period of time. Distributions upon death can be elected, by the beneficiary, as lump sum or equal installment payments. The joint and survivor annuity option is required for participants with balances in the Money Purchase Pension source.

*Notes Receivable from Participant* – On December 31, 2018 the Plan was amended to allow participant loans. Subject to certain limitations in the plan document, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. As of December 31, 2024, participant loans have interest rates ranging from 4.25% to 9.50%.

**NEUROLOGICAL ASSOCIATES OF TUCSON RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**NOTE A – DESCRIPTION OF PLAN (continued)**

*Forfeited Accounts* – Any accumulated benefits forfeited during a Plan year due to participant withdrawal prior to full vesting may be applied to reduce employer contributions or to pay administrative expenses which would otherwise be paid by the Plan. Forfeited non-vested accounts totaled \$52,346 and \$13,980 at December 31, 2024 and 2023, respectively. For the year ended December 31, 2024, forfeitures from terminated non-vested account balances totaling \$12,467 and \$10,750 were used to offset employer contribution expenses and pay plan fees, respectively..

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

*Notes Receivable from Participants* – Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

*Estimates* – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Investment Valuation and Income Recognition* – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See “Note G Fair Value Measurements” for discussion of Fair Value Measurements. In accordance with the policy of stating investments at fair value, the Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Purchase and sales of securities are recorded on a trade-date basis.

*Excess Contributions Payable* – As of December 31, 2024, amounts payable to participants totaling \$26,552 for contributions in excess of amounts allowed by the IRS are recorded as a liability and are included in benefits paid to participants. The Plan distributed the 2024 excess contributions prior to March 15, 2024. Excess contributions payable as of December 31, 2023 amounted to \$11,376.

*Payment of Benefits* – Benefits are recorded when paid.

*Administrative Expenses* – Certain administrative expenses of maintaining the Plan are paid by the Company. Fees related to distribution and administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**NOTE C – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan's sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of whole or partial plan termination; participants become fully vested as to the amount credited to their accounts after deductions for estimated liquidation and distribution expenses.

**NEUROLOGICAL ASSOCIATES OF TUCSON RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**NOTE D – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE E – TAX STATUS**

The Plan uses a non-standardized pre-approved profit sharing plan with CODA sponsored by Great-West Trust Company, LLC and has received an opinion letter dated June 30, 2020 from the Internal Revenue Service which states that the pre-approved plan's form satisfies the applicable provisions of the Internal Revenue Code. The pre-approved plan's letter has been relied upon by the Plan. The Plan administrator believes the Plan is being operated in compliance with the applicable requirement of the Internal Revenue Code. The Internal Revenue Service has also determined and informed the Company by a letter dated August 16, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods in progress.

**NOTE F – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29-CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company LLC, the trustees of the Plan, have certified as being complete and accurate the investments and notes receivable from participants on the statements of net assets available for benefits as of December 31, 2024 and 2023, the investment and interest activity reflected in the statement of changes in net assets available for benefits, and the investment information included in the supplemental schedules of the financial statements as of and for the year December 31, 2024. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate.

**NOTE G – FAIR VALUE MEASUREMENTS**

Accounting Standards Codification (ASC) 820 *Fair Value Measurements and Disclosures* (ASC 820), provides the framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

**NEUROLOGICAL ASSOCIATES OF TUCSON RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**NOTE G – FAIR VALUE MEASUREMENTS (continued)**

*Level 1 Fair Value Measurements*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2 Fair Value Measurements*

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3 Fair Value Measurements*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Share Prices/Net Asset Values (NAVs) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC). Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Self Directed Brokerage Accounts* – Accounts primarily consist of money markets, mutual funds, and common stock that are valued on the basis of daily readily determinable market prices.

*Guaranteed Investment Contract* – The guaranteed investment contract is fully benefit-responsive, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	<b>Assets at Fair Value as of December 31, 2024</b>		
	<b>Level 1</b>	<b>Level 2</b>	<b>Total</b>
Mutual funds	\$ 18,920,418	\$ -	\$ 18,920,418
Self directed brokerage accounts	6,292,625	-	6,292,625
Guaranteed investment contract	-	278,344	278,344
<b>Total investments at fair value</b>	<b>\$ 25,213,043</b>	<b>\$ 278,344</b>	<b>\$ 25,491,387</b>

**NEUROLOGICAL ASSOCIATES OF TUCSON RETIREMENT PLAN**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**NOTE G – FAIR VALUE MEASUREMENTS (continued)**

	<b>Assets at Fair Value as of December 31, 2023</b>		
	<b>Level 1</b>	<b>Level 2</b>	<b>Total</b>
Mutual funds	\$ 16,583,031	\$ -	\$ 16,583,031
Self directed brokerage accounts	2,766,694	-	2,766,694
Guaranteed investment contract	-	298,481	298,481
Total investments at fair value	<u>\$ 19,349,725</u>	<u>\$ 298,481</u>	<u>\$ 19,648,206</u>

*Transfers between Levels* – The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances the transfer is reported at the beginning of the reporting period.

**NOTE H – GUARANTEED INVESTMENT CONTRACT**

The Plan entered into a benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (in relation to the Key Guaranteed Portfolio Fund). Empower Annuity Insurance Company of America maintains the respective participant-directed contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit-responsive, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2024 and 2023 was \$278,344 and \$298,481, respectively. The crediting interest rate are determined in accordance with contract terms and are net of investment-related costs permitted by the contract, generally issuer fees and, for synthetic investment contracts, custody charges for underlying assets.

Certain events limit the Plan's ability to transact at contract value with Empower Annuity Insurance Company of America. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit Empower Annuity Insurance Company of America to terminate the agreement prior to the scheduled maturity date.

**December 31, 2024 and 2023**

**NOTE I – EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, which are the trustees, as defined by the Plan. These transactions are considered exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each respective fund. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts.

**NOTE J – PARTICIPANT CONTRIBUTIONS TRANSFERRED LATE TO THE PLAN**

For the year ended December 31, 2023, the Company has remitted certain participant contributions totaling \$17,261, to the Plan later than the time frame required by DOL Regulations 2510.3-102, which have been corrected in 2024.
