The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of High Mark Construction, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of High Mark Construction, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about High Mark Construction, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of High Mark Construction, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about High Mark Construction, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

**Auditors' Responsibilities for the Audit of the Financial Statements - Continued**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter — Supplemental Schedules Required by ERISA**

The supplemental schedules of delinquent participant contributions and assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## High Mark Construction, LLC 401(k) Profit Sharing Plan

### NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

#### NOTE A - DESCRIPTION OF PLAN

The following description of High Mark Construction, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan's provisions.

**1. General**

The Plan is a defined contribution plan established January 1, 2008, and amended most recently in July 2023. The Plan is available to all employees of High Mark Construction, LLC who have completed 30 days of service and have attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

High Mark Construction, LLC (the "Company") administers the Plan and Brad Lynch, sole shareholder of the Company, serves as Trustee. National Benefit Services, LLC manages Plan assets and maintains the Plan's records. National Benefit Services, LLC offers Plan participants a variety of investment options through John Hancock Life Insurance Company U.S.A. Individual participant accounts are invested in the various investment options at the direction of the participants.

**2. Contributions**

Participants may make before-tax and after-tax contributions of up to 100% of their annual compensation. The maximum percentage could be reduced by the Plan administrator in certain circumstances. The deferral limits per IRS regulations were \$23,000 and \$22,500 for 2024 and 2023, respectively, with an additional \$7,500 catch-up allowance for both 2024 and 2023 for individuals over 50 years of age. The Plan also permits rollover contributions from other qualified retirement plans. Employee contributions to the Plan are made through regular payroll deductions. The Company makes contributions to a Matching Contribution Account in an amount and allocation formula as determined by the Company.

The Company has the right to make a Profit Sharing Contribution to the Plan for employees that have completed 1,000 hours of service during the Plan Year and were employed by the Company on the last day of the Plan Year based on an allocation percentage determined by the Company. In addition, the Company has the right to make additional Qualified Nonelective Contributions to Non-highly Compensated Employees based on a uniform percentage of compensation or a uniform dollar amount.

**3. Participant Accounts**

Each participant's account is credited with the participant's contribution, the employer's contribution, and Plan earnings and losses. Allocations of Plan earnings or losses are based on the participant's account balance during the Plan year as defined. The benefit to which a participant is entitled is the vested portion of the participant's account.

**4. Vesting**

Participants are immediately vested in their voluntary contributions, rollover contributions, and special non-elective contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account and the profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN - CONTINUED

5. **Participant Loans**

Participants are not allowed to borrow funds from their accounts in the form of participant loans.

6. **Payment of Benefits**

Upon death, disability, retirement, or termination of services, a participant will receive a lump-sum payment in the amount equal to the participant's vested account balance within a reasonable period of time after termination of employment. Participants may not make withdrawals from their accounts prior to retirement at age 65, except in the event of disability, death, termination of employment, or notice of hardship, without being subject to certain restrictions and penalties. Benefits are recorded when paid.

7. **Forfeitures**

If, at the time of termination of employment, the participant is not 100% vested, the non-vested portion (forfeitures) of the participant's account will be placed in a separate account and will be utilized to reduce future employer contributions payable under the Plan. Forfeitures may also be used to offset Plan and recordkeeping expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$32,659 and \$50,130, respectively. During the years ended December 31, 2024 and 2023, forfeited amounts were used to pay Plan recordkeeping expenses in the amounts of \$23,200 and \$21,500, respectively. During 2024 and 2023, employer matching contributions were reduced by \$88,842 and \$0, respectively, from forfeited non-vested accounts.

8. **Expenses of the Plan**

All reasonable expenses of administration may be paid out of the Plan assets unless paid by the Employer. Currently, the Employer has elected to pay expenses from its forfeiture account if funds are available. Such expenses shall include any expenses incident to the functioning of the Administrator, or any person or persons retained or appointed by any named Fiduciary incident to the exercise of their duties under the Plan, including, but not limited to, fees of accountants, counsel, Investment Managers, and other costs of administering the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. **Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting.

2. **Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

3. Investment Valuation and Income Recognition

The assets of the Plan are comprised of shares of cash funds, guaranteed interest accounts and mutual funds. Plan investments in cash funds and mutual funds are reported at the last reported sales price at the end of the respective periods using quoted market values. Quoted market price is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements. Guaranteed interest accounts are reported at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Payment of Benefits

Benefits are recorded when paid.

5. Risks and Uncertainties

The Plan provides for various investments, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Additionally, some investments held by the Plan are invested in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

NOTE C - FAIR VALUE MEASUREMENTS

The Plan's investments at fair value are reported in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

High Mark Construction, LLC 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

NOTE C - FAIR VALUE MEASUREMENTS - CONTINUED

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024, and 2023:

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Level 1</u>
Cash funds	\$ 32,659	\$ 32,659

Mutual funds	6,164,317	5,718,221
Net appreciation (depreciation)	774,370	748,218

**NOTE E - GUARANTEED INTEREST ACCOUNTS WITH JOHN HANCOCK**

In 2016, a Plan participant entered into a traditional fully benefit-responsive guaranteed investment contract with John Hancock totaling \$980 for 2024 and \$972 for 2023. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the participant. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by John Hancock, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

**NOTE E - GUARANTEED INTEREST ACCOUNTS WITH JOHN HANCOCK - CONTINUED**

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

**NOTE F - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF IRS FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>

Net assets available for benefits per the Form 5500	<u>\$ 6,198,124</u>	<u>\$ 5,861,905</u>

**NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Associated Pension Consultants is the current Third-Party Administrator as defined by the Plan, and National Benefit Services, LLC was the Third-Party Administrator until March 2024. Fees paid by the Plan for these administrative services qualify as party-in-interest transactions and amounted to \$6,887 and \$7,300 for the years ended December 31, 2024 and 2023, respectively.

Certain Plan investments are shares of mutual funds held by John Hancock. John Hancock is the Asset Custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administrative services amounted to \$3,250 and \$2,725 for the years ended December 31, 2024 and 2023, respectively. **NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS - CONTINUED**

In addition, sales and base commissions were paid to Morgan Stanley, the Investment Advisor for the Plan. These transactions qualify as party-in-interest transactions. Total sales and base commissions paid are not material and are included in the net appreciation (depreciation) in fair value of investments.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE H - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated for any reason, all participants become 100% vested, and the Plan administrator is to distribute each participant's interest to the participant or their beneficiary.

**NOTE I - TAX STATUS**

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The Plan is a prototype 401(k), which has obtained a favorable tax determination letter from the Internal Revenue Service. The Plan sponsor believes that the Plan continues to qualify and to operate as designed.

The Plan administrator believes the Plan is no longer subject to income tax examinations prior to 2021.
