Savings Plan
2000 Avenue of the Stars, 11th Floor

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Canyon Partners, L.L.C. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all

Savings Plan

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CANYON PARTNERS, L.L.C. 401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Canyon Partners, L.L.C. 401(k) Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan covering all employees who are employed by Canyon Partners, L.L.C., ICE Canyon, L.L.C., CanAir, LLC and Canyon CLO Advisors, LLC (collectively, the "Company", the "Employer", and the "Plan Sponsor") to provide retirement benefits for eligible employees, as defined in the Plan document. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Administration and Expenses

The Company appointed its Managing Director and Head of Human Resources and Administration as the plan administrator. The plan administrator has sole responsibility for the administration of the Plan.

Investment fund management, record keeping and trust fees and certain operating expenses are charged directly to investment funds and are thereby factored into each fund as a reduction in investment return. Certain administrative expenses incidental to the administration of the Plan may be paid by the Company. Expenses not paid by the Company are paid by the Plan.

C. Eligibility

All Company employees who have attained age 21 are eligible to participate in the Plan. Plan entry is the first day of the month after hire date. Company employees who have attained age 21 and have completed one year of service are eligible for Company contributions, if offered.

D. Participant Contributions

Participants may elect to defer up to 75% of their eligible compensation in voluntary employee contributions, pre-tax and/or Roth after-tax contributions subject to applicable Code limits. Participants of age 50 or older may make additional catch-up contributions of up to \$7,500 annually in 2024.

Eligible employees who do not make an affirmative election to defer compensation to the Plan, including an election not to defer, are auto-enrolled at a pre-tax contribution rate of 6% of eligible compensation. The automatic enrollment deferral contribution percentage is increased by 2% each year, until 15% is automatically withheld.

Participants are allowed to make rollover contributions of amounts received from other tax-qualified retirement plans subject to approval of the plan administrator. Such contributions are deposited in the appropriate investment funds in accordance with the participant's investment directions.

CANYON PARTNERS, L.L.C. 401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

E. Company Contributions

The Company is allowed to make discretionary matching contributions, qualified non-elective contributions and discretionary profit sharing contributions, as defined in the Plan. The Company made a discretionary profit sharing contribution of \$2,553,318 for 2024.

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company matching and profit sharing contributions and an allocation of Plan earnings or losses and expenses. Plan assets are invested based solely on instructions received from participants.

G. Vesting and Forfeitures

Participants are immediately 100% vested in their accounts attributable to pay deferrals, rollovers and related earnings. Participants hired prior to January 1, 2017 vest at the rate of 0% after the first year of service, 20% after the second year of service, and are fully vested upon completion of 3 years of service in profit sharing contributions. Participants hired on or after January 1, 2017 vest at the rate of 0% annually in profit sharing contributions and become fully vested upon completion of three years of service. Forfeitures of terminated participant's non-vested accounts may be used to pay administrative expenses or used to reduce Company matching or profit sharing contributions. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$117,483 and \$3,387, respectively. Forfeitures for the year ended December 31, 2024 totaled \$118,701. Forfeitures totaling \$117,045 were used to offset 2024 contributions paid in 2025. Forfeitures totaling \$7,911 were used to offset 2023 contributions paid in 2024.

H. Payment of Benefits

Normal retirement age under the Plan is age 65. Upon termination of service, death, disability, retirement or attainment of age 59½, a participant or beneficiary may choose to maintain his or her account in the Plan or receive benefits in a lump sum payment equal to the value of the participant's account balance. If a terminated participant's account balance is between \$1,000 and \$5,000 and no distribution election has been received from the participant or beneficiary of the account, the account may be rolled over to an individual retirement account at the direction of the plan administrator. If such account does not exceed \$5,000, the balance may be paid in a lump sum distribution. Under limited circumstances, the plan administrator may approve hardship withdrawals. Benefits are recorded when paid.

I. Notes Receivable from Participants

The Plan allows a participant to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of his or her vested account balance. A loan is secured by a participant's vested account balance, bears interest at a fixed rate as determined at loan inception, and must be repaid to the Plan within a five-year period unless a loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended up to 10 years. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2024 carry interest rates ranging from 3.25% to 8.50%.

Notes receivable are measured at their unpaid principal balances plus any accrued unpaid interest. Delinquent notes are recorded as distributions based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 7).

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend income. Net appreciation of investments includes gains and losses on investments bought and sold as well as held during the year.

D. Risks and Uncertainties

The Plan holds a variety of investments that are exposed to various risks such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - RELATED PARTY TRANSACTIONS

Certain Plan investments may be issued by an affiliate of the trustee. Purchases and sales of these investments are considered party-in-interest transactions under ERISA regulations, but such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2024 and 2023 and investment income for the year ended December 31, 2024 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan.

NOTE 5 - INCOME TAX STATUS

The Company adopted a volume submitter plan that has received an opinion letter from the Internal Revenue Service on September 21, 2020 stating that the form of the plan qualifies under applicable

CANYON PARTNERS, L.L.C. 401(k) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 5 - INCOME TAX STATUS (Continued)

provisions of the code for tax-exempt status. The Plan has since been amended. However, the Company believes that the Plan is operated in accordance with, and qualifies under, the applicable requirements of the Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The following tables summarize Plan investments at December 31 based on the inputs used to value them:

	Level 1	
	December 31,	
	2024	2023
Self-Directed Brokerage Accounts:		
Mutual Funds, Exchange Traded Funds and Common Stock	\$ 3,471,562	\$ 3,156,310
Money Market Fund	5,671,358	6,744,594
Mutual Funds	83,074,989	68,787,692
	\$ 92,217,909	\$ 78,688,596

Level 1 investments are a money market fund, mutual funds, exchange traded funds and common stock valued at quoted market prices.

Although the plan administrator believes these valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 12, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in the financial statements.
