INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Participants
Bluestone Bank 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Bluestone Bank 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

The Plan Administrator and Participants
Bluestone Bank 401(k) Plan

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan

The following description of the Bluestone Bank 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering substantially all employees of Bluestone Bank (the Bank or Employer) who have completed three months of service and have attained the age of twenty-one. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). The trustee and recordkeeper of the Plan is John Hancock Trust Company, LLC (John Hancock).

The Board of Directors is responsible for oversight of the Plan. The 401(k) Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

On December 29, 2022, the *Setting Every Community Up for Retirement Enhancement Act of 2022* (SECURE Act 2.0) was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. Applicable provisions outlined in the SECURE Act 2.0 will be adopted if elected and/or required. Plan amendments for these changes are not yet required.

Participant Contributions

Participants may contribute to the Plan a percentage of pretax annual compensation, as defined in the Plan, up to the maximum amount allowable under the provisions of the Internal Revenue Code (IRC). Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts (rollovers). Participants direct the investment of their contributions to various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation, increased annually by 1% up to the maximum percentage of 15%.

Employer Safe Harbor Matching Contribution

The Bank's contributions to the Plan are determined by the Bank's Board of Directors, but the amounts contributed cannot exceed the maximum amounts allowable under the provisions of the IRC. The Bank matches 100% of each participant's salary-deferred contributions up to 5% of the participant's compensation. During the years ended December 31, 2024 and 2023, the Bank made safe harbor matching contributions of \$696,437 and \$661,327, respectively.

1. Description of Plan (Continued)

Employer Non-elective Contributions

The Bank may also make discretionary non-elective contributions to the Plan. Employees are required to be 21 years old, completed 90 days of service, employed by the Bank on the last day of the Plan year end, and to have completed at least 1,000 hours of service in order to be eligible for a discretionary non-elective contribution. During the years ended December 31, 2024 and 2023, the Bank made discretionary non-elective contributions to the Plan totaling \$424,548 and \$401,199, respectively.

Discretionary non-elective contributions are allocated on a pro-rata basis as a percentage of participant compensation. Participants direct the investment of the Bank's matching and discretionary non-elective contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and Bank safe harbor matching contributions, as well as allocations of the Bank's discretionary non-elective contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary-deferred contributions and Bank safe harbor matching contributions plus actual earnings thereon. Vesting in the Bank's discretionary non-elective contributions, and earnings thereon, is based on continuous service. A participant is 100 percent vested after three years of service, as defined in the Plan, or upon permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The terms of participant loans may not exceed five years unless the loan is for the purchase of the participant's principal residence, in which case, a repayment term of up to ten years is permitted. The loans are secured by the balance in the participant's account and bear interest at rates 1% over the prime interest rate. Interest rates at December 31, 2024 ranged from 2.8% – 9.5%. Principal and interest is paid ratably through payroll deductions. If any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter that the missed payment was due, the loan is considered to be in default and will be deemed a distribution from the Plan.

1. **Description of Plan (Continued)**

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or periodic installments. If a participant terminates employment for any reason and their vested account balance does not exceed \$5,000, the Plan Administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant.

The Plan also provides for in-service withdrawals, with certain limitations set by the Plan, for participants who have attained the age of 59 ½. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Hardship Withdrawals

The Plan allows participants to make hardship withdrawals, provided certain conditions are met, as defined in the Plan agreement.

Forfeited Accounts

At December 31, 2023, forfeited non-vested accounts amounted to \$1,268. There were no forfeited non-vested accounts at December 31, 2024. These amounts may be used to reduce future Bank non-elective discretionary contributions or pay administrative expenses. For the years ended December 31, 2024 and 2023, the Bank's contributions and administrative expenses reduced by forfeitures were not material.

2. **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of investment securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses relating to the Plan are paid by the Bank and are excluded from these financial statements. However, certain expenses, including benefits paid processing fees, are paid for by the individual participant and are included as administrative expenses.

Merrill Lynch, Pierce, Fenner and Smith Incorporated (MLPF&S) provides certain non-fiduciary services to the Plan. MLPF&S receives revenue from mutual fund service providers for services MLPF&S provides to the funds. The revenue is used to offset certain amounts owed to MLPF&S for its administrative services to the Plan. Excess amounts are remitted to the Plan and amounts due are included as administrative expenses.

Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included as administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated subsequent events through September 22, 2025, which is the date the financial statements were available to be issued.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

3. **Information Certified by the Trustee**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified by John Hancock Trust Company, LLC, as of and for the years ended December 31, 2024 and 2023, except for comparing the information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest income on notes receivable from participants and dividend income for the years ended December 31, 2024 and 2023, as well as investment and loan transactions, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by John Hancock.

4. **Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets that are measured at fair value using the net asset value per share practical expedient (NAV) have not been classified in the fair value hierarchy.

There have been no changes in the methodologies used at December 31, 2024 and 2023.

Following is a description of the valuation methodologies used for assets measured at fair value (there are no liabilities):

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in these funds can be redeemed daily upon request.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
|--------------|---------------------|----------------|----------------|---------------------|
| <u>2024</u> | | | | |
| Mutual funds | <u>\$32,105,450</u> | <u>\$ —</u> | <u>\$ —</u> | <u>\$32,105,450</u> |
| Total | <u>\$32,105,450</u> | <u>\$ —</u> | <u>\$ —</u> | <u>\$32,105,450</u> |

| Total | <u>\$28,280,818</u> | <u>\$ —</u> | <u>\$ —</u> | <u>\$28,280,818</u> |

5. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds which are managed by John Hancock, the current trustee. Transactions with this entity qualify as party-in-interest transactions. Fees paid to the trustee for services in connection with the Plan amounted to \$46,174 and \$42,130 for the years ended December 31, 2024 and 2023, respectively.

MLPF&S provides certain non-fiduciary services to the Plan, pursuant to a Written Services Agreement (WSA) between the Bank and MLPF&S. MLPF&S receives revenue from mutual fund service providers for services MLPF&S provides to the funds.

If the revenue received by MLPF&S from such mutual fund service providers exceeds the amount owed under the WSA, MLPF&S remits the excess to the Plan's trust. During 2024 and 2023, there were no excess amounts. During the years ended December 31, 2024 and 2023, direct administrative expenses charged to the Plan and paid to MLPF&S totaled \$58,365 and \$51,642, respectively.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

5. Related Party Transactions and Party-In-Interest Transactions (Continued)

Additionally, the Plan extends loans to participants who are considered parties in interest and are also exempt from the prohibited transaction rules.

6. Termination of the Plan

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their discretionary Bank contributions.

7. Tax Status of the Plan

Effective January 1, 2022, the Plan adopted a non-standardized pre-approved profit sharing Plan sponsored by John Hancock Retirement Plan Services, LLC and the Bank was informed by a letter dated June 30, 2020 from the IRS that the form of the Plan was acceptable under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the financial statements to Form 5500 as of and for the years ended December 31:

| | <u>2024</u> | <u>2023</u> |

8. Reconciliation of Financial Statements to Form 5500 (Continued)

Notes receivable from participants are reflected as a receivable on the statements of net assets available for benefits which differs from the Form 5500 presentation. On the Form 5500, notes receivable from participants are classified as investments under the caption “participant loans.”

INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Participants
Bluestone Bank 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Bluestone Bank 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

The Plan Administrator and Participants
Bluestone Bank 401(k) Plan

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. **Description of Plan**

The following description of the Bluestone Bank 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering substantially all employees of Bluestone Bank (the Bank or Employer) who have completed three months of service and have attained the age of twenty-one. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). The trustee and recordkeeper of the Plan is John Hancock Trust Company, LLC (John Hancock).

The Board of Directors is responsible for oversight of the Plan. The 401(k) Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

On December 29, 2022, the *Setting Every Community Up for Retirement Enhancement Act of 2022* (SECURE Act 2.0) was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. Applicable provisions outlined in the SECURE Act 2.0 will be adopted if elected and/or required. Plan amendments for these changes are not yet required.

Participant Contributions

Participants may contribute to the Plan a percentage of pretax annual compensation, as defined in the Plan, up to the maximum amount allowable under the provisions of the Internal Revenue Code (IRC). Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts (rollovers). Participants direct the investment of their contributions to various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation, increased annually by 1% up to the maximum percentage of 15%.

Employer Safe Harbor Matching Contribution

The Bank's contributions to the Plan are determined by the Bank's Board of Directors, but the amounts contributed cannot exceed the maximum amounts allowable under the provisions of the IRC. The Bank matches 100% of each participant's salary-deferred contributions up to 5% of the participant's compensation. During the years ended December 31, 2024 and 2023, the Bank made safe harbor matching contributions of \$696,437 and \$661,327, respectively.

1. Description of Plan (Continued)

Employer Non-elective Contributions

The Bank may also make discretionary non-elective contributions to the Plan. Employees are required to be 21 years old, completed 90 days of service, employed by the Bank on the last day of the Plan year end, and to have completed at least 1,000 hours of service in order to be eligible for a discretionary non-elective contribution. During the years ended December 31, 2024 and 2023, the Bank made discretionary non-elective contributions to the Plan totaling \$424,548 and \$401,199, respectively.

Discretionary non-elective contributions are allocated on a pro-rata basis as a percentage of participant compensation. Participants direct the investment of the Bank's matching and discretionary non-elective contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and Bank safe harbor matching contributions, as well as allocations of the Bank's discretionary non-elective contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary-deferred contributions and Bank safe harbor matching contributions plus actual earnings thereon. Vesting in the Bank's discretionary non-elective contributions, and earnings thereon, is based on continuous service. A participant is 100 percent vested after three years of service, as defined in the Plan, or upon permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The terms of participant loans may not exceed five years unless the loan is for the purchase of the participant's principal residence, in which case, a repayment term of up to ten years is permitted. The loans are secured by the balance in the participant's account and bear interest at rates 1% over the prime interest rate. Interest rates at December 31, 2024 ranged from 2.8% – 9.5%. Principal and interest is paid ratably through payroll deductions. If any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter that the missed payment was due, the loan is considered to be in default and will be deemed a distribution from the Plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. **Description of Plan (Continued)**

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or periodic installments. If a participant terminates employment for any reason and their vested account balance does not exceed \$5,000, the Plan Administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant.

The Plan also provides for in-service withdrawals, with certain limitations set by the Plan, for participants who have attained the age of 59 ½. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

Hardship Withdrawals

The Plan allows participants to make hardship withdrawals, provided certain conditions are met, as defined in the Plan agreement.

Forfeited Accounts

At December 31, 2023, forfeited non-vested accounts amounted to \$1,268. There were no forfeited non-vested accounts at December 31, 2024. These amounts may be used to reduce future Bank non-elective discretionary contributions or pay administrative expenses. For the years ended December 31, 2024 and 2023, the Bank's contributions and administrative expenses reduced by forfeitures were not material.

2. **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of investment securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses relating to the Plan are paid by the Bank and are excluded from these financial statements. However, certain expenses, including benefits paid processing fees, are paid for by the individual participant and are included as administrative expenses.

Merrill Lynch, Pierce, Fenner and Smith Incorporated (MLPF&S) provides certain non-fiduciary services to the Plan. MLPF&S receives revenue from mutual fund service providers for services MLPF&S provides to the funds. The revenue is used to offset certain amounts owed to MLPF&S for its administrative services to the Plan. Excess amounts are remitted to the Plan and amounts due are included as administrative expenses.

Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included as administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated subsequent events through September 22, 2025, which is the date the financial statements were available to be issued.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

3. **Information Certified by the Trustee**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified by John Hancock Trust Company, LLC, as of and for the years ended December 31, 2024 and 2023, except for comparing the information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest income on notes receivable from participants and dividend income for the years ended December 31, 2024 and 2023, as well as investment and loan transactions, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by John Hancock.

4. **Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets that are measured at fair value using the net asset value per share practical expedient (NAV) have not been classified in the fair value hierarchy.

There have been no changes in the methodologies used at December 31, 2024 and 2023.

Following is a description of the valuation methodologies used for assets measured at fair value (there are no liabilities):

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in these funds can be redeemed daily upon request.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

| | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u> |
|--------------|---------------------|----------------|----------------|---------------------|
| <u>2024</u> | | | | |
| Mutual funds | <u>\$32,105,450</u> | <u>\$ —</u> | <u>\$ —</u> | <u>\$32,105,450</u> |
| Total | <u>\$32,105,450</u> | <u>\$ —</u> | <u>\$ —</u> | <u>\$32,105,450</u> |
| <u>2023</u> | | | | |
| Mutual funds | <u>\$28,280,818</u> | <u>\$ —</u> | <u>\$ —</u> | <u>\$28,280,818</u> |
| Total | <u>\$28,280,818</u> | <u>\$ —</u> | <u>\$ —</u> | <u>\$28,280,818</u> |

5. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds which are managed by John Hancock, the current trustee. Transactions with this entity qualify as party-in-interest transactions. Fees paid to the trustee for services in connection with the Plan amounted to \$46,174 and \$42,130 for the years ended December 31, 2024 and 2023, respectively.

MLPF&S provides certain non-fiduciary services to the Plan, pursuant to a Written Services Agreement (WSA) between the Bank and MLPF&S. MLPF&S receives revenue from mutual fund service providers for services MLPF&S provides to the funds.

If the revenue received by MLPF&S from such mutual fund service providers exceeds the amount owed under the WSA, MLPF&S remits the excess to the Plan's trust. During 2024 and 2023, there were no excess amounts. During the years ended December 31, 2024 and 2023, direct administrative expenses charged to the Plan and paid to MLPF&S totaled \$58,365 and \$51,642, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

5. Related Party Transactions and Party-In-Interest Transactions (Continued)

Additionally, the Plan extends loans to participants who are considered parties in interest and are also exempt from the prohibited transaction rules.

6. Termination of the Plan

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their discretionary Bank contributions.

7. Tax Status of the Plan

Effective January 1, 2022, the Plan adopted a non-standardized pre-approved profit sharing Plan sponsored by John Hancock Retirement Plan Services, LLC and the Bank was informed by a letter dated June 30, 2020 from the IRS that the form of the Plan was acceptable under Section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the financial statements to Form 5500 as of and for the years ended December 31:

| | <u>2024</u> | <u>2023</u> |
