## Independent Auditor's Report

To the Plan Administrator and Participants  
Natural Retreats 401(k) Plan  
Charlottesville, Virginia

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Natural Retreats 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements ("financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Description of Plan

The following description of the Natural Retreats 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan available to eligible employees of Natural Retreats (the “Company” or “Employer”). To be eligible to participate in the Plan, an employee must have completed one month of service and attained age 21. Employees may begin participation the first day of the month coinciding with or following the date on which they meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

#### **Contributions**

Eligible employees are automatically enrolled at a 3% pre-tax deferral percentage, which will increase by increments of 1% annually up to 6% unless they elect an alternative percentage or decline participation. Participants may otherwise elect to contribute a percentage of their pre-tax and/or after-tax (“Roth”) eligible compensation, as defined by the Plan, not to exceed the limits set by the Internal Revenue Service (“IRS”). Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“rollovers”). The Company makes a safe harbor matching contribution of 100% of the first 1%, plus 50% of the next 5% of each participant’s eligible compensation contributed to the Plan. The Company may also make additional discretionary matching contributions and/or profit-sharing contributions to be determined annually. However, there were no discretionary contributions in 2024.

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options offered through the Plan. Participants may change their investment options and deferral percentages quarterly.

#### **Participant Accounts**

Each participant’s account is credited with the participant’s and the Company’s contributions and an allocation of the Plan’s net earnings and administrative expenses. Allocations are based on participant contributions, earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

#### **Vesting**

Participants are immediately vested in their own voluntary contributions, plus any income or loss thereon. Safe harbor matching contributions will vest on a two-year cliff schedule. Vesting on other Company discretionary contributions, plus any income or loss thereon, will be based on the following schedule:

<b>Years of Continuous Service</b>	<b>Vesting Percentage</b>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

### 1. Description of Plan (Concluded)

#### ***Payment of Benefits***

Upon termination of service due to death, disability, retirement, or separation, a participant may elect to receive a lump-sum payment or installment payments over a period not to exceed the joint life expectancy of the participant and the designated beneficiary. In-service distributions may be made to participants who have reached age 59½. Withdrawals may also be made upon circumstances of financial hardship, as specified by the Plan.

#### ***Forfeitures***

Forfeitures from non-vested participant accounts may be used to offset administrative expenses and reduce future Company contributions. During 2024, forfeitures of approximately \$10,000 were used to offset administrative expenses. Available forfeited non-vested accounts totaled approximately \$131,000 and \$73,000 at December 31, 2024 and 2023.

#### ***Notes Receivable from Participants***

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Terms are generally up to five years. Participants may only have one outstanding loan at a time. The notes are secured by the participant's vested account balance and bear interest at the prime rate plus 1% at the date of the application. Principal and interest are paid ratably through payroll deductions.

#### ***Administrative Expenses***

The Company absorbs certain expenses incidental to the administration of the Plan, including internal administrative costs. Other fees, including custodian and recordkeeping, may be paid by the Plan. Loan and distribution fees are paid from the affected participant's account.

### 2. Summary of Significant Accounting Policies

#### ***Basis of Accounting***

The accompanying financial statements have been prepared under the accrual basis of accounting.

#### ***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

#### ***Payment of Benefits***

Benefits are recorded when paid.

### 2. Summary of Significant Accounting Policies (Concluded)

#### **Subsequent Events**

Management has evaluated events occurring subsequent to the date of the financial statements through September 2, 2025, the date the financial statements were available to be issued, and has determined that no events have occurred that require adjustments to or additional disclosure in the financial statements.

### 3. Certified Investment Information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (“John Hancock”) and Empower Trust Company, the respective trustees of the Plan.

### 4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

### 5. Income Tax Status

The Plan has adopted a non-standardized pre-approved plan document sponsored by Empower Retirement LLC (“Empower”). The IRS has determined and informed Empower by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since the date of the determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

### 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants’ accounts will become fully vested and nonforfeitable.

### 7. Party-in-Interest Transactions

Fees paid by the Plan to John Hancock and Empower Annuity Insurance Company for recordkeeping services, were approximately \$15,000 and \$13,000 in 2024.

Fees paid to MMA Securities, LLC for investment advisory services were approximately \$20,000 in 2024.

### 8. Fair Value Measurements

The Plan has adopted Accounting Standards Codification 820, “Fair Value Measurements and Disclosures” (“ASC 820”), which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under ASC 820 are as follows:

#### ***Basis of Fair Value Measurement***

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual and money market funds:* Valued at the net asset value (“NAV”) of shares held by the Plan at year-end. The NAV for these investments is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

*Common collective trust funds:* Valued at NAV as determined by the issuer based on the fair market value of the underlying investments, minus liabilities, which are valued primarily through the use of directly and indirectly observable inputs. As the value of these investments is readily determinable, these funds are classified within Level 2 of the valuation hierarchy.

*Registered separate accounts:* These investments are based on the market value of the underlying investments minus its liabilities, and then divided by the number of shares outstanding, which represents the net asset value (“NAV”) provided by the administrator of the fund. As the value of these investments is readily determinable, these funds are classified within Level 2 of the valuation hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes the investments by level as defined within the fair value hierarchy as of December 31, 2024.

	Investment Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual and money market funds	\$ 1,355,638	\$ -	\$ -	\$ 1,355,638
Common collective trust funds	-	6,983,149	-	6,983,149
	\$ 1,355,638	\$ 6,983,149	\$ -	\$ 8,338,787
