FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Plan Administrator of the
ScreenBeam Inc. 401(k) Savings Plan

Opinion

We have audited the accompanying financial statements of ScreenBeam Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provision, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator of the
ScreenBeam Inc. 401(k) Savings Plan

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SCREENBEAM INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the ScreenBeam Inc. 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan established on January 1, 1998 by Actiontec Electronics, Inc. to provide benefits to eligible employees of the Company and its affiliates, Actiontec Electronics (Sales), Inc. and ScreenBeam Inc. Effective November 1, 2021, the sole contributing employer to the Plan was ScreenBeam Inc. (the "Company").

Effective November 1, 2021, the plan was amended to change the Employer name from Actiontec Electronics, Inc. 401(k) Savings Plan to ScreenBeam Inc. 401(k) Savings Plan.

The plan administrator believes the Plan is designed and operated in compliance with applicable provisions of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Administration

The Company designated Empower Trust Company, LLC ("Empower") as trustee and its affiliate, Empower Retirement Services as third-party administrator.

C. Eligibility

Employees are eligible to begin participation in the Plan on attainment of age 21 and completion of 90 days of service. Plan entry is the first day of the quarter coinciding with or next following the date eligibility requirements are met.

D. Participant Contributions

Participants may elect to have the Company contribute their eligible pre-tax and/or Roth after-tax compensation to the Plan up to the maximum amount permitted under the Plan document and Code regulations. Participants of age 50 or older may make additional catch-up contributions subject to Code regulations. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are invested in accordance with the participant's direction and Plan provisions.

E. Employer Contributions

The Company may make discretionary matching contributions as defined in the Plan and approved by the Board of Directors. In 2024, the Company matched 50% of each eligible participant's salary deferral up to 3% of eligible compensation each pay period. The Plan also allows for a discretionary profit sharing contribution. No discretionary profit sharing contribution was made for the year ended December 31, 2024.

SCREENBEAM INC. 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, Plan earnings or losses and expenses and an allocation of the Company's contributions. Allocations of Company matching contributions are based on participant contributions. Profit sharing contributions, if any, are allocated pro rata as a uniform percentage of compensation.

G. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions and related earnings. The portion of each participant's account attributable to employer matching contributions vests 25% annually, over four years. Participants' vested percentage in accounts attributable to employer profit sharing contributions is determined under a schedule that provides for full vesting after six years of credited service.

H. Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to pay Plan administrative expenses or to reduce Company contributions. The forfeiture balance was approximately \$3,100 and \$500 as of December 31, 2024 and 2023, respectively.

I. Payment of Benefits

Normal retirement age under the Plan is age 65. Participants are eligible for benefits upon retirement, disability or termination of service. Participants may elect to receive benefits in the form of a joint and survivor annuity, lump sum or installments. Hardship withdrawals are permitted from participants' elective deferral and rollover accounts under limited circumstances as approved by the plan administrator. Benefits are recorded when paid.

J. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by the participant's vested account balance. Such loans bear interest at market financing rates and must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. The plan administrator establishes the specific terms and conditions of participant loans. Notes receivable from participants at December 31, 2024 carry an interest rate ranging from 5.75% to 9.50%, with various maturities through December 2029. Notes receivables are measured at their unpaid principal balance plus any accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

K. Administrative Expenses

The Plan recordkeeper receives revenue sharing payments from certain Plan investments. These payments may be used to offset costs for record keeping, audit and certain trust services. The Plan pays brokerage commissions based on a percentage of assets held in the group annuity contract. Certain other fees for participant elective transactions, primarily withdrawal and participant loan administration fees, are charged directly to participants.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend and interest income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Any transactions between the Plan and its trustee or their affiliates qualify as party-in-interest transactions and all such transactions are considered exempted transactions. Purchases and sales of these funds and payments of direct and indirect administrative fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - INCOME TAX STATUS

The Company adopted a prototype plan that has received an opinion letter from the Internal Revenue Service. The Company believes that the Plan is operated in accordance with, and qualifies under, the applicable requirements of the Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

SCREENBEAM INC. 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 5 - INCOME TAX STATUS (Continued)

United States generally accepted accounting principles require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual fund investments are valued based on closing prices in active markets. The following tables summarize the Plan's investments at December 31 based on the inputs used to value them:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 18,004,069	\$ -	\$ -	\$ 18,004,069
Total Assets in the Fair Value Hierarchy				18,004,069
Investments Measured at Net Asset Value ^A				8,101,345
				<u>\$ 26,105,414</u>

	2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 25,140,664	\$ -	\$ -	\$ 25,140,664
Total Assets in the Fair Value Hierarchy				25,140,664
Investments Measured at Net Asset Value ^A				1,654,770
				<u>\$ 26,795,434</u>

^A In accordance with ASC 820, the Plan's investment in pooled separate accounts and common/collective trusts are measured at net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 7 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes the investment for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2024 and 2023, respectively. The funds below file U.S. Department of Labor Form 5500 as a direct filing entities. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Opinion

We have audited the accompanying financial statements of ScreenBeam Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

SCREENBEAM INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the ScreenBeam Inc. 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan established on January 1, 1998 by Actiontec Electronics, Inc. to provide benefits to eligible employees of the Company and its affiliates, Actiontec Electronics (Sales), Inc. and ScreenBeam Inc. Effective November 1, 2021, the sole contributing employer to the Plan was ScreenBeam Inc. (the "Company").

Effective November 1, 2021, the plan was amended to change the Employer name from Actiontec Electronics, Inc. 401(k) Savings Plan to ScreenBeam Inc. 401(k) Savings Plan.

The plan administrator believes the Plan is designed and operated in compliance with applicable provisions of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Administration

The Company designated Empower Trust Company, LLC ("Empower") as trustee and its affiliate, Empower Retirement Services as third-party administrator.

C. Eligibility

Employees are eligible to begin participation in the Plan on attainment of age 21 and completion of 90 days of service. Plan entry is the first day of the quarter coinciding with or next following the date eligibility requirements are met.

D. Participant Contributions

Participants may elect to have the Company contribute their eligible pre-tax and/or Roth after-tax compensation to the Plan up to the maximum amount permitted under the Plan document and Code regulations. Participants of age 50 or older may make additional catch-up contributions subject to Code regulations. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are invested in accordance with the participant's direction and Plan provisions.

E. Employer Contributions

The Company may make discretionary matching contributions as defined in the Plan and approved by the Board of Directors. In 2024, the Company matched 50% of each eligible participant's salary deferral up to 3% of eligible compensation each pay period. The Plan also allows for a discretionary profit sharing contribution. No discretionary profit sharing contribution was made for the year ended December 31, 2024.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, Plan earnings or losses and expenses and an allocation of the Company's contributions. Allocations of Company matching contributions are based on participant contributions. Profit sharing contributions, if any, are allocated pro rata as a uniform percentage of compensation.

G. Vesting

A participant is fully vested immediately as to voluntary contributions, rollover contributions and related earnings. The portion of each participant's account attributable to employer matching contributions vests 25% annually, over four years. Participants' vested percentage in accounts attributable to employer profit sharing contributions is determined under a schedule that provides for full vesting after six years of credited service.

H. Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to pay Plan administrative expenses or to reduce Company contributions. The forfeiture balance was approximately \$3,100 and \$500 as of December 31, 2024 and 2023, respectively.

I. Payment of Benefits

Normal retirement age under the Plan is age 65. Participants are eligible for benefits upon retirement, disability or termination of service. Participants may elect to receive benefits in the form of a joint and survivor annuity, lump sum or installments. Hardship withdrawals are permitted from participants' elective deferral and rollover accounts under limited circumstances as approved by the plan administrator. Benefits are recorded when paid.

J. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by the participant's vested account balance. Such loans bear interest at market financing rates and must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. The plan administrator establishes the specific terms and conditions of participant loans. Notes receivable from participants at December 31, 2024 carry an interest rate ranging from 5.75% to 9.50%, with various maturities through December 2029. Notes receivables are measured at their unpaid principal balance plus any accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

K. Administrative Expenses

The Plan recordkeeper receives revenue sharing payments from certain Plan investments. These payments may be used to offset costs for record keeping, audit and certain trust services. The Plan pays brokerage commissions based on a percentage of assets held in the group annuity contract. Certain other fees for participant elective transactions, primarily withdrawal and participant loan administration fees, are charged directly to participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual fund capital gains distributions are included in dividend and interest income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Any transactions between the Plan and its trustee or their affiliates qualify as party-in-interest transactions and all such transactions are considered exempted transactions. Purchases and sales of these funds and payments of direct and indirect administrative fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - INCOME TAX STATUS

The Company adopted a prototype plan that has received an opinion letter from the Internal Revenue Service. The Company believes that the Plan is operated in accordance with, and qualifies under, the applicable requirements of the Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

NOTE 5 - INCOME TAX STATUS (Continued)

United States generally accepted accounting principles require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance on measuring fair value establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Mutual fund investments are valued based on closing prices in active markets. The following tables summarize the Plan's investments at December 31 based on the inputs used to value them:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 18,004,069	\$ -	\$ -	\$ 18,004,069
Total Assets in the Fair Value Hierarchy				18,004,069
Investments Measured at Net Asset Value ^A				8,101,345
				<u>\$ 26,105,414</u>

	2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 25,140,664	\$ -	\$ -	\$ 25,140,664
Total Assets in the Fair Value Hierarchy				25,140,664
Investments Measured at Net Asset Value ^A				1,654,770
				<u>\$ 26,795,434</u>

^A In accordance with ASC 820, the Plan's investment in pooled separate accounts and common/collective trusts are measured at net asset value per share (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 7 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes the investment for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2024 and 2023, respectively. The funds below file U.S. Department of Labor Form 5500 as a direct filing entities. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.
