Good morning Brendan,

I apologize for the delay, I've been waiting on an answer from ADP, but not receiving a response.

However, when I login on my side to try and look at the plan, it is not showing on the firm's list of plans. Have the assets already transferred? Do you know the exact date? If so, that may be why I'm not getting a response from ADP as we would not be authorized to get information anymore if we are not showing as the broker of record.

I would agree that the plan should not be subject to an audit. This could be a default line item for ADP even if the plan is not requiring an audit. Is it possible to put something like N/a on there and get it submitted?

Thank you!

Good Afternoon Amanda,

I went to process the 5500 in the ADP system and am getting this message about the accountant. I thought we did not need to have the plan audited by an accountant?
