| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

## Report of Independent Auditors

The Administrative Committee  
The Tax Sheltered Annuity Plan of The Methodist Hospital

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of The Tax Sheltered Annuity Plan of The Methodist Hospital (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Shape the future  
with confidence**

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

**Shape the future  
with confidence**

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

**Shape the future  
with confidence**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter**

#### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2024 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**Shape the future  
with confidence**

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# The Tax Sheltered Annuity Plan of The Methodist Hospital

## Notes to Financial Statements

December 31, 2024

### 1. Description of the Plan

The following description of The Tax Sheltered Annuity Plan of The Methodist Hospital (the Plan) is provided for general information purposes only. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

#### General

The Plan is a contributory, defined contribution plan covering substantially all employees of The Methodist Hospital (Methodist) and is designed to comply with the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and as applicable to plans that are established under Section 403(b) of the Internal Revenue Code (IRC). Employees are immediately eligible to participate in the Plan. Fidelity Management Trust Company (Fidelity) is the Plan's custodian. A committee of Methodist employees controls and manages the operation and administration of the Plan.

#### Contributions

Each pay period, participants may contribute up to 60% of their pretax eligible compensation, as defined in the Plan. Methodist contributes an employer matching contribution of 50% of the first 4% of base compensation that a participant contributes to the Plan. The Plan provides for the automatic enrollment and payroll deferral of certain eligible employees. Participants are deemed to have elected to contribute 6% of their compensation to the Plan, unless the participant elected a different percentage or elected not to participate. The automatic deferral is directed to the appropriate target-date fund based on the participant's age. The Plan also includes an automatic escalation deferral amount of 1% annually up to a maximum of 10% of the participant's compensation unless they elect to opt out of this increase. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up and Roth catch-up contributions; these additional contributions are ineligible for the Methodist matching contributions. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants have the option to make Roth elective salary reduction contributions to the Plan. All contributions are subject to certain IRC limitations.

Participants may direct the investment of all contributions into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. The Plan offers a variety of mutual funds, and a money market fund, as investment options for participants. The Plan includes a feature in which participants may also direct their investments through a trustee

### 1. Description of the Plan (continued)

sponsored brokerage account, which offers the option to invest in a variety of mutual funds, cash, and cash equivalents investments. Methodist's contributions are invested in the same manner as that of the participant's elective contributions.

#### Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, Methodist's matching contribution, and allocations of plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions to the Plan, as well as any earnings on those contributions.

Matching contributions and earnings become 100% vested after completion of three years of vesting service, with no vesting prior to the completion of three years.

#### Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. However, if a participant is reemployed and fulfills certain requirements, as defined in the plan document, the participant's forfeited amount will be reinstated. Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer matching contributions or pay plan administrative expenses. Unallocated forfeited balances as of December 31, 2024 and 2023, were \$278,044 and \$232,073, respectively, and forfeitures used to reduce employer matching contributions for 2024 were \$3,154,674.

#### Payment of Benefits

A participant who has attained age 59½ may withdraw from their vested account balance. Participants may withdraw all or part of their rollover contribution balance, with the exception of in-Plan Roth rollover monies. The benefit to which a participant is entitled is equivalent to the

### **1. Description of the Plan (continued)**

funds accumulated in the participant's vested account. Benefits are generally paid to the participant upon retirement or other termination of service. Participants may elect to receive a lump-sum amount or installment or periodic payments.

Participants are also eligible to make hardship withdrawals from their deferral contributions in the event of certain financial hardships.

### **Participant Loans**

Participants may generally borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum amount permitted is \$1,000. Loan terms generally range from one to five years. The loan is secured by the balance in the participant's account and bears interest at a rate commensurate with prime plus 1%. Principal and interest are paid ratably through biweekly payroll deductions.

### **Administrative Expenses**

Administrative expenses are paid by the Plan or by Methodist, as provided in the plan document. Administrative expenses related to participant-initiated transactions are paid by the participant. A quarterly administrative fee of \$8.75 is assessed to each unique Social Security number. The fee is deducted from The Defined Contribution Plan of The Methodist Hospital (DCP) if the participant has balances in both the DCP and the Plan. The fee is deducted from the Plan if the DCP account balance is insufficient or if the participant does not have a DCP balance. Participants earning less than \$20.75 hourly and with account balances of less than \$5,000 are not subject to the quarterly fee.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

### **Plan Termination**

Although it has not expressed any intent to do so, Methodist has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## Notes to Financial Statements (continued)

### **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Notes Receivable From Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. Delinquent participant loans are recorded as distributions, based on the terms of the plan document.

#### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

#### **Risks and Uncertainties**

The Plan provides various investment options to its participants. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

# The Tax Sheltered Annuity Plan of The Methodist Hospital

## Notes to Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

#### Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### 3. Investments

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity, the custodian of the Plan.

### 4. Fair Value Measurements

ASC 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs.

Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

# The Tax Sheltered Annuity Plan of The Methodist Hospital

## Notes to Financial Statements (continued)

### 4. Fair Value Measurements (continued)

#### Asset Valuation Techniques

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 or 2023.

*Money Market Fund:* The fund is an open-ended mutual fund that is registered with the Securities and Exchange Commission (SEC). The fund is valued at net asset value (NAV) and the goal is to maintain \$1 value of its shares. It invests in high-quality, short-term securities. The money market fund is deemed to be actively traded.

*Self-Directed Brokerage Accounts:* The accounts are composed of cash, cash equivalents, and mutual funds. Cash equivalents are held primarily in short-term money market commingled funds, which are valued at cost plus accrued interest.

*Mutual Funds:* Valued at the daily closing price as reported by the fund and are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by fair value hierarchy level the Plan's assets at fair value:

| Assets at Fair Value as of December 31, 2024 |                                                     |                                         |                                                 |                         |

### 5. Income Tax Status

The Plan has not received a determination letter from the Internal Revenue Service (IRS) stating that the Plan is qualified under Section 403(b) of the IRC. However, the plan administrator believes that the Plan has been designed to comply with, and is operating in accordance with, the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 6. Related-Party and Party-in-Interest Transactions

Certain plan investments are shares of mutual funds and self-directed brokerage accounts managed by Fidelity, which is the Plan's custodian. Fees paid for investment management services were included as a reduction of the return earned on each fund. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

### Notes to Financial Statements (continued)

#### **6. Related-Party and Party-in-Interest Transactions (continued)**

Administrative revenues accrue when investment managers return a portion of the investment fees to Fidelity to offset the administrative expenses. Any excess resulting from this revenue sharing may be used to pay plan expenses or allocate to eligible plan participants.

#### **7. Subsequent Events**

Subsequent events were evaluated through September 18, 2025, the date the accompanying financial statements were available to be issued. No events occurred that require additional disclosure or adjustments to the Plan's financial statements.

## Report of Independent Auditors

The Administrative Committee  
The Tax Sheltered Annuity Plan of The Methodist Hospital

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of The Tax Sheltered Annuity Plan of The Methodist Hospital (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Shape the future  
with confidence**

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

**Shape the future  
with confidence**

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

**Shape the future  
with confidence**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter**

#### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of December 31, 2024 (referred to as the “supplemental schedule”), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

**Shape the future  
with confidence**

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# The Tax Sheltered Annuity Plan of The Methodist Hospital

## Notes to Financial Statements

December 31, 2024

### 1. Description of the Plan

The following description of The Tax Sheltered Annuity Plan of The Methodist Hospital (the Plan) is provided for general information purposes only. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

#### General

The Plan is a contributory, defined contribution plan covering substantially all employees of The Methodist Hospital (Methodist) and is designed to comply with the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and as applicable to plans that are established under Section 403(b) of the Internal Revenue Code (IRC). Employees are immediately eligible to participate in the Plan. Fidelity Management Trust Company (Fidelity) is the Plan's custodian. A committee of Methodist employees controls and manages the operation and administration of the Plan.

#### Contributions

Each pay period, participants may contribute up to 60% of their pretax eligible compensation, as defined in the Plan. Methodist contributes an employer matching contribution of 50% of the first 4% of base compensation that a participant contributes to the Plan. The Plan provides for the automatic enrollment and payroll deferral of certain eligible employees. Participants are deemed to have elected to contribute 6% of their compensation to the Plan, unless the participant elected a different percentage or elected not to participate. The automatic deferral is directed to the appropriate target-date fund based on the participant's age. The Plan also includes an automatic escalation deferral amount of 1% annually up to a maximum of 10% of the participant's compensation unless they elect to opt out of this increase. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up and Roth catch-up contributions; these additional contributions are ineligible for the Methodist matching contributions. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants have the option to make Roth elective salary reduction contributions to the Plan. All contributions are subject to certain IRC limitations.

Participants may direct the investment of all contributions into various investment options offered by the Plan and may change investments and transfer amounts between funds daily. The Plan offers a variety of mutual funds, and a money market fund, as investment options for participants. The Plan includes a feature in which participants may also direct their investments through a trustee

### 1. Description of the Plan (continued)

sponsored brokerage account, which offers the option to invest in a variety of mutual funds, cash, and cash equivalents investments. Methodist's contributions are invested in the same manner as that of the participant's elective contributions.

#### Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, Methodist's matching contribution, and allocations of plan earnings, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Vesting

Participants are immediately vested in their contributions to the Plan, as well as any earnings on those contributions.

Matching contributions and earnings become 100% vested after completion of three years of vesting service, with no vesting prior to the completion of three years.

#### Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. However, if a participant is reemployed and fulfills certain requirements, as defined in the plan document, the participant's forfeited amount will be reinstated. Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer matching contributions or pay plan administrative expenses. Unallocated forfeited balances as of December 31, 2024 and 2023, were \$278,044 and \$232,073, respectively, and forfeitures used to reduce employer matching contributions for 2024 were \$3,154,674.

#### Payment of Benefits

A participant who has attained age 59½ may withdraw from their vested account balance. Participants may withdraw all or part of their rollover contribution balance, with the exception of in-Plan Roth rollover monies. The benefit to which a participant is entitled is equivalent to the

### 1. Description of the Plan (continued)

funds accumulated in the participant's vested account. Benefits are generally paid to the participant upon retirement or other termination of service. Participants may elect to receive a lump-sum amount or installment or periodic payments.

Participants are also eligible to make hardship withdrawals from their deferral contributions in the event of certain financial hardships.

### Participant Loans

Participants may generally borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum amount permitted is \$1,000. Loan terms generally range from one to five years. The loan is secured by the balance in the participant's account and bears interest at a rate commensurate with prime plus 1%. Principal and interest are paid ratably through biweekly payroll deductions.

### Administrative Expenses

Administrative expenses are paid by the Plan or by Methodist, as provided in the plan document. Administrative expenses related to participant-initiated transactions are paid by the participant. A quarterly administrative fee of \$8.75 is assessed to each unique Social Security number. The fee is deducted from The Defined Contribution Plan of The Methodist Hospital (DCP) if the participant has balances in both the DCP and the Plan. The fee is deducted from the Plan if the DCP account balance is insufficient or if the participant does not have a DCP balance. Participants earning less than \$20.75 hourly and with account balances of less than \$5,000 are not subject to the quarterly fee.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

### Plan Termination

Although it has not expressed any intent to do so, Methodist has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## Notes to Financial Statements (continued)

### **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Notes Receivable From Participants**

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. Delinquent participant loans are recorded as distributions, based on the terms of the plan document.

#### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

#### **Risks and Uncertainties**

The Plan provides various investment options to its participants. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

# The Tax Sheltered Annuity Plan of The Methodist Hospital

## Notes to Financial Statements (continued)

### 2. Summary of Significant Accounting Policies (continued)

#### Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### 3. Investments

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity, the custodian of the Plan.

### 4. Fair Value Measurements

ASC 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs.

Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

# The Tax Sheltered Annuity Plan of The Methodist Hospital

## Notes to Financial Statements (continued)

### 4. Fair Value Measurements (continued)

#### Asset Valuation Techniques

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 or 2023.

*Money Market Fund:* The fund is an open-ended mutual fund that is registered with the Securities and Exchange Commission (SEC). The fund is valued at net asset value (NAV) and the goal is to maintain \$1 value of its shares. It invests in high-quality, short-term securities. The money market fund is deemed to be actively traded.

*Self-Directed Brokerage Accounts:* The accounts are composed of cash, cash equivalents, and mutual funds. Cash equivalents are held primarily in short-term money market commingled funds, which are valued at cost plus accrued interest.

*Mutual Funds:* Valued at the daily closing price as reported by the fund and are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by fair value hierarchy level the Plan's assets at fair value:

| Assets at Fair Value as of December 31, 2024 |                                                     |                                         |                                                 |                         |

### 5. Income Tax Status

The Plan has not received a determination letter from the Internal Revenue Service (IRS) stating that the Plan is qualified under Section 403(b) of the IRC. However, the plan administrator believes that the Plan has been designed to comply with, and is operating in accordance with, the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### 6. Related-Party and Party-in-Interest Transactions

Certain plan investments are shares of mutual funds and self-directed brokerage accounts managed by Fidelity, which is the Plan's custodian. Fees paid for investment management services were included as a reduction of the return earned on each fund. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

### Notes to Financial Statements (continued)

#### **6. Related-Party and Party-in-Interest Transactions (continued)**

Administrative revenues accrue when investment managers return a portion of the investment fees to Fidelity to offset the administrative expenses. Any excess resulting from this revenue sharing may be used to pay plan expenses or allocate to eligible plan participants.

#### **7. Subsequent Events**

Subsequent events were evaluated through September 18, 2025, the date the accompanying financial statements were available to be issued. No events occurred that require additional disclosure or adjustments to the Plan's financial statements.
