---------------	--------------------------------------

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the  
Montgomery County MH/MR Emergency Services Retirement Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Montgomery County MH/MR Emergency Services Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Montgomery County MH/MR Emergency Services Retirement Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan Empower Retirement LLC that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA Empower Retirement LLC.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Montgomery County MH/MR Emergency Service Retirement Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Montgomery County MH/MR Emergency Service Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Montgomery County MH/MR Emergency Service Retirement Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Montgomery County MH/MR Emergency Service Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets (Held at End of the Year), Schedule of Assets (Acquired and Disposed Within Year) and Schedule of Reportable Transactions for the year ended December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that we agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Montgomery County MH/MR Emergency Service Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering all eligible employees of Montgomery County MH/MR Emergency Service Inc., (the "Plan Sponsor" or "the Hospital"). Eligible employees enter the Plan on January 1<sup>st</sup> or July 1<sup>st</sup> of each plan year. Employees who work less than 20 hours per week are not eligible to participate in the Plan. Employees must be age 21 or older to receive any discretionary matching contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Directors is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investments offerings, monitors the Plan's investment performance and reports to the Plan's management.

**Contributions**

Each year, participants may contribute up to 100% pretax annual of their compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. The Hospital may elect to make matching contributions to eligible participants at its discretion. An additional profit-sharing contribution may be made at the option of the Hospital's Board of Directors. The discretionary contribution is available to all employees who have completed 2 years of service as of their entry date to the Plan. Contributions are subject to certain limitations. During the years ended December 31, 2024 and 2023, the Hospital made matching contributions to the Plan totaling \$310,643 and \$247,624, respectively.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and an allocation of a) the Hospital's discretionary matching contribution and discretionary profit-sharing contribution and b) Plan earnings/losses. Allocations are based on participant earnings account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are vested immediately in the contribution to their accounts plus actual earnings thereon. Full vesting in the Hospital's profit-sharing and discretionary contributions to participant accounts is based on two years of continuous service.

**MONTGOMERY COUNTY MH/MR EMERGENCY SERVICE  
RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023**

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

**Notes Receivable from Participants**

Participants may borrow from their fund accounts up to a maximum of 50% of their vested account balance, not to exceed \$50,000. The loans are secured by the balance in the participant's account. The loan interest rate is determined by Empower Retirement, LLC. and is based on the U.S. Treasury prime rate at the date the loan is originated. Principal and interest are paid ratably through biweekly payroll deductions. The loans cannot exceed a five-year term.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The amounts due to participants for contributions in excess of amounts allowed by the IRS for the Plan years ended December 31, 2024 and 2023 was \$48,186 and \$38,618, respectively.

**Payment of Benefits**

Benefits are recorded when paid. On termination of service as a result of retirement or employment termination, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account, to rollover their account to another qualified plan or to defer payment of their account to a later date. If termination of service is due to death, the participant's beneficiary will receive a lump-sum payment for the entire vested amount of the account balance. On termination of service due to disability, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

**Forfeited Accounts**

For the years ended December 31, 2024 and 2022, there were forfeited non-vested accounts of \$3,053 and \$1,571, respectively. To the extent that forfeitures exist, they would be used to reduce the Hospital discretionary matching contribution and discretionary profit-sharing contribution.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**MONTGOMERY COUNTY MH/MR EMERGENCY SERVICE  
RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023**

NOTE 2- **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value, see Note 10). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note 6 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade date basis. Interest Income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plans gains and losses on investments bought and sold as well as held during in the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are paid by the Hospital when incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

**Operating Expenses**

All Plan administrative expenses are paid by the Hospital. Expenses paid by the Hospital were \$53,068 and \$31,730 for the plan years ended December 31, 2024 and 2023. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

**Subsequent Events**

Management has evaluated subsequent events through September 4, 2025, the date the financial statements were available to be issued.

NOTE 3 - **TAX STATUS**

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the Code). The plan administrator believes that the Plan is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the Code and therefore, believes the plan is qualified and the related accounts are tax-exempt. The Plan has obtained a favorable determination letter from the Internal Revenue Service.

**MONTGOMERY COUNTY MH/MR EMERGENCY SERVICE  
RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023**

**NOTE 3 - TAX STATUS (CONTINUED)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan takes an uncertain position that more likely than not would not be sustained upon examination by regulatory authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods.

**NOTE 4 - RISKS AND UNCERTAINTIES**

The Plan invests in various self-directed investment securities. The self-directed Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 5 - CERTIFIED INVESTMENTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, net appreciation/depreciation in fair value of investments and interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Retirement, LLC, The Custodian of the Plan.

**NOTE 6 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**MONTGOMERY COUNTY MH/MR EMERGENCY SERVICE  
RETIREMENT PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 and 2023**

**NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Registered Investment Companies (Mutual funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023, respectively:

NOTE 7 - **RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Certain administrative functions of the Plan are performed by officers or employees of the Hospital. No such officer or employee receives compensation from the Plan. Empower Retirement LLC is the custodian and recordkeeper for the Plan and, therefore, investment transactions qualify as party in interest transactions. Heffler, Radetich and Saitta is the Auditor for the Plan, and therefore, the payment of the audit fees qualify as a party in interest transactions. Notes receivable from participants also qualify as party in interest transactions.

NOTE 8 - **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - **ROLLOVERS CONTRIBUTIONS**

The Plan had direct rollovers from 401(k) plans. An aggregate of \$94,468 and \$32,351 was rolled into the Plan during the Plan years ended December 31, 2024 and 2023, respectively, and is included in rollovers on the statement of changes in net assets available for benefits.

NOTE 10 - **FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS**

The Plan holds a portfolio of investment contracts that comprises a traditional investment contract. These contracts meet the fully benefit responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

NOTE 10 - **FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (CONTINUED)**

The Empower Investments Fixed Account (EIFA) is a general account product of Empower Annuity Insurance Company of America (EAICA). Because the EIFA is a general account product offered through the group annuity contract, principal and interest for participant-initiated benefit payments are fully guaranteed by the entire general account assets of EAICA.

The EIFA credits interest daily to the group contract holder on a portfolio basis. The crediting interest rate may change or stay the same annually. The annual crediting rate applies to all money deposited in the group contract holder's EIFA account regardless of when it was deposited.

A participant may transfer their account balance in the EIFA to any other investment option offered under the plan at any time with no restrictions or penalties because the EIFA is designed to be a plan's only capital preservation option. Participant transfers may be restricted for up to 30 days in the event of excessive participant trading.

Upon termination of the contract, the plan sponsor may choose the following options:

- Receive the payout of the fixed account in a lump sum at book value.
- Receive the payout of the fixed account in 20 quarterly book value installment payments.
- Mutually agree in writing to any other payout option allowable under applicable law.

Total investment contracts for the plan were \$629,544 and \$643,292 for the plan years ended December 31, 2024 and 2023
