Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Helm Bank USA 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Helm Bank USA 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Helm Bank USA 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Helm Bank USA 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) – Delinquent Participant Contributions and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Helm Bank USA 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A) GENERAL

The Plan was established on January 1, 1995, by Helm Bank USA (the "Bank") under the provisions of Section 401(a) of the Internal Revenue Code (the "Code"), as amended, which includes qualified cash or deferred arrangements as described in Section 401(k) of the Code, for the benefit of eligible employees of the Bank and certain affiliates. Eligible employees are those who have attained age 21 and have completed twelve months of eligible service, as defined. The Plan is subject to and conforms with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

B) CONTRIBUTIONS

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Effective January 1, 2024, participants are also permitted to elect after-tax (Roth) deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contribution). The Plan is designed as a safe harbor 401(k) plan, as such, the Plan makes safe harbor matching contributions equal to 100% of a participant's elective deferrals for each Plan year limited to 5% of eligible compensation. The Bank matched approximately \$1,018,000 for the year ended December 31, 2024. The maximum allowable contributions per participant to the Plan directly from the participant was \$23,000 for the year ended December 31, 2024, not including additional catch-up contributions allowed for participants over the age of 50, which were \$7,500.

C) VESTING

On January 1, 2009, the Plan qualified as a safe harbor 401(k) plan. Under the safe harbor 401(k) plan, participants are always 100% vested in their own contributions, rollover contributions, and safe harbor matching contributions on all salary deferrals made to the Plan up to 5% of compensation.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

C) VESTING (CONTINUED)

The Bank's discretionary non-safe harbor matching contributions are vested in accordance with the following schedule:

<u>Years of service</u>	<u>Percent Vested</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants automatically become 100% vested in the Bank's discretionary non-safe harbor matching contributions:

- Upon retirement at age 65 or later;
- Upon becoming permanently disabled;
- Upon death; or
- Upon Plan termination.

A participant whose employment is terminated prior to retirement is entitled to receive benefits equal to the participant's contributions plus or minus any earnings/losses thereon, plus the vested amount of the Bank's contributions plus or minus any earnings/losses thereon.

D) FORFEITED ACCOUNTS

Pursuant to the Plan, forfeited non-vested accounts may be used to offset expenses or reduce future employer contributions. There were no available forfeitures at December 31, 2024. At December 31, 2023, the Plan had approximately \$5,000 in forfeitures available, which were used to offset matching contributions during the year ended December 31, 2024.

E) PAYMENT OF BENEFITS

Any participant who attains (a) normal retirement age of 65; (b) age 59-1/2; or (c) who separates from service may request a distribution from the Plan. Participants or their beneficiaries may elect to receive a lump-sum distribution, as defined in the Plan document.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

F) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's salary deferral contribution, the Bank's matching and non-elective contributions, if any, and an allocation of the investment earnings, based upon each participant's election, and charged with an allocation of administrative expenses not paid by the Bank. The benefit to which a participant is entitled upon withdrawal from the Plan, as defined above, is the vested benefit in the participant's account.

G) INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions as well as their portion of employer discretionary contributions and any related earnings in the investment options offered by the Plan. John Hancock Life Insurance Company ("John Hancock") is the appointed custodian of the Plan's assets at December 31, 2024 and 2023. Participants may change their investment options at their discretion.

H) NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not permit participants to take loans from the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

A) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting for defined contribution plans in accordance with accounting principles generally accepted in the United States of America for employee benefit plans.

B) INVESTMENT VALUATION AND INCOME RECOGNITION

Investment of the Plan are reflected in the accompanying statements at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments are valued at market value based on published quotations. Quotations for marketable securities that are not published are obtained from brokerage firms by the plan custodian.

Purchases and sales of securities are recorded on a trade date basis. Dividend and interest income are recorded by the custodian in the period earned. Net realized and unrealized appreciation or depreciation in fair value of investments consists of the change in unrealized appreciation or depreciation and the realized gain or loss on the sales of investments during the year. Acquisition costs are included in the cost of investments purchased and sales are recorded net of selling expenses. Investments are self-directed by the individual Plan participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts during the period. Accordingly, actual results could differ from those estimates.

D) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

E) PAYMENT OF BENEFITS

Benefits are recorded when paid.

F) PLAN ADMINISTRATION EXPENSES

Expenses of maintaining the Plan are charged directly to the participants' accounts. For the year ended December 31, 2024, administration expenses paid by the Plan totaled approximately \$121,000.

G) RECENT ACCOUNTING PRONOUNCEMENTS

The Bank evaluates new accounting pronouncements for relevance and impact on the Plan's financial statements. Management does not expect that timely adoption of new pronouncements will have a material impact on the Plan's net assets available for benefits.

H) MANAGEMENT REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 18, 2025, the date when the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of other than quoted prices included within Level 1 that are observable such as quoted prices for similar assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. During 2024 and 2023, Level 1 inputs were available and therefore used. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Mutual funds - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Guaranteed interest accounts - The guaranteed interest accounts are not actively traded. The guaranteed interest accounts have an estimated fair value based on the amount plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity (liquidation value).

The input levels used by investment category are as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2024				
Mutual funds	\$ 29,658,367	\$ -	\$ -	\$ 29,658,367
Guaranteed interest accounts	<u>-</u>	<u>-</u>	<u>85,899</u>	<u>85,899</u>
Total assets in the fair value hierarchy	<u>\$ 29,658,367</u>	<u>\$ -</u>	<u>\$ 85,899</u>	<u>\$ 29,744,266</u>
December 31, 2023				
Mutual funds	\$ 23,540,101	\$ -	\$ -	\$ 23,540,101
Guaranteed interest accounts	<u>-</u>	<u>-</u>	<u>82,699</u>	<u>82,699</u>
Total assets in the fair value hierarchy	<u>\$ 23,540,101</u>	<u>\$ -</u>	<u>\$ 82,699</u>	<u>\$ 23,622,800</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2024 is reported in net appreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table provides further details of the Level 3 fair value measurement:

	<u>2024</u>	<u>2023</u>
Guaranteed interest accounts		
Beginning balance	\$ 82,699	\$ 85,032
Total gains (losses) included		
in changes in net assets	1,015	(4,121)
Purchases, issues, settlements and sales		
Purchases	2,594	2,186
Issues	-	-
Settlements	-	-
Sales	<u>(409)</u>	<u>(398)</u>
Ending Balance	<u>\$ 85,899</u>	<u>\$ 82,699</u>

NOTE 4 - GUARANTEED INTEREST ACCOUNTS

The guaranteed interest accounts are an investment option offered by the plan custodian and are not, by definition, an investment contract. Guaranteed interest accounts guarantee the return of principal plus compound interest earned over a defined 3, 5, or 10 year term, less any applicable contract or participant-level fees. Interest rates are established on the first day of each calendar month and apply to any regular ongoing contributions made to the guaranteed account that month. The guaranteed interest accounts are included in the financial statements at fair value (which represents contributions made under the contract plus earnings, less withdrawals and expenses) as they are not fully benefit responsive.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event the Plan terminates, participants in the Plan become fully vested in the Bank's discretionary non-safe harbor contributions. Participants' contributions and Bank safe harbor contributions are always 100% vested.

NOTE 6 - TAX STATUS

The Plan has adopted a non-standardized pre-approved profit-sharing plan, which has obtained a favorable Internal Revenue Service ("IRS") opinion letter on June 30, 2020, in which the IRS stated that the form of the Plan was acceptable under Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and therefore believe that the Plan is qualified and the related trust is tax-exempt. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

NOTE 6 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - INFORMATION PREPARED AND CERTIFIED BY THE PLAN CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the custodian and qualified institution, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

	<u>2024</u>	<u>2023</u>
Investments at fair value (Notes 3 and 4)	<u>\$ 29,744,266</u>	<u>\$ 23,622,800</u>
Total investment income	<u>\$ 4,508,059</u>	

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and guaranteed interest accounts managed by John Hancock. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation or depreciation in fair value of the investments, as they are paid through revenue sharing, rather than direct payment.

NOTE 9 - FIDELITY BONDING

The Bank maintains a fidelity bond of \$5,000,000 for Plan fiduciaries and individuals who handle the funds of the Plan, pursuant to the requirements of ERISA.

NOTE 10 - RELATED PARTY TRANSACTIONS – PROHIBITED TRANSACTION

During 2024 and 2023, the plan sponsor did not remit certain employees’ contributions in accordance with guidelines set forth by the United States Department of Labor (“DOL”) and Employee Benefits Security Administration (“EBSA”). However, the contributions were remitted soon thereafter. The DOL considers these prohibited transactions and may impose penalties on the plan sponsor as a result of these transactions. These financial statements do not include any adjustments that may be necessary as a result of these transactions.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
