## Independent Auditors' Report

To the Retirement Plan Administrative Committee and Plan Administrator of  
**The ODP Corporation Retirement Savings Plan**

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements*

We have performed an audit of the financial statements of The ODP Corporation Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2024 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of The ODP Corporation Retirement Savings Plan's 2024 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 3 to the 2024 Financial Statements, is complete and accurate.

### *Opinion on the 2024 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the accompanying 2024 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2024 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of The ODP Corporation Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the 2024 Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the 2024 Financial Statements.

In preparing the 2024 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The ODP Corporation Retirement Savings Plan’s ability to continue as a going concern for at least one year following the date that the 2024 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the 2024 Financial Statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors’ Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2024 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2024 Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2024 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2024 Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The ODP Corporation Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2024 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The ODP Corporation Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2024 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matter – 2024 Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the 2024 Financial Statements but is supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2024 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2024 Financial Statements or to the 2024 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Other Matter – Auditor’s Report on the 2023 Financial Statements***

The 2023 financial statements of the Plan were audited by Marcum LLP. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 17, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed

to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2024**

---

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following description of The ODP Corporation Retirement Savings Plan (formerly known as The Office Depot Retirement Savings Plan) (collectively, the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

***GENERAL***

The Plan is a defined contribution profit sharing plan, established in 1990. Its Plan Document was restated effective January 1, 2024. The Plan benefits all covered employees of ODP International, LLC, its subsidiaries and certain related companies (collectively, the “Company”, “Plan Sponsor” or “Employer”) who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

From time to time, the Plan receives transfers from other plans of which the Company is the Plan Sponsor.

The Company’s Employee Benefits Committee and Plan Administrator are responsible for the oversight of the Plan and collectively determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

Effective December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changes in auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while other begin in a future year. Subsequently, the Plan adopted certain provisions of the SECURE 2.0 Act and is in the process of formally amending the Plan.

***CONTRIBUTIONS***

Each year, participants may elect to make pre-tax contributions or after-tax contributions to the Plan’s Roth investment option, as defined in the Plan Document. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated lifecycle fund until changed by the participant.

RETIREMENT SAVINGS PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED DECEMBER 31, 2024**

---

**NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)**

***CONTRIBUTIONS (CONTINUED)***

The Plan Document requires automatic enrolled Plan participants to enter the Plan's Automatic Increase Program ("AIP") under the base contribution level of 3% (subject to an annual 1% increase), unless otherwise specified by the Plan participant. The AIP contribution level is capped at 6% for plan participants and 10% for highly compensated employees.

For any calendar year, a participant's elective deferrals may not exceed the lesser of a specific amount (\$23,000 in 2024) as determined by the Internal Revenue Service ("IRS"), or 50% of the participant's eligible annual compensation. For participants fifty years of age or older as of December 31, 2024, an additional \$7,500 contribution is allowed in 2024. Participants may also contribute amounts representing distributions from other qualified plans ("Rollovers").

All eligible participants of the Plan who have also completed 1,000 hours of service are entitled to receive a Company matching contribution in an amount equal to 50% of the participant's elective deferrals and Roth deferrals up to the first 6% of eligible compensation. Additionally, the Plan allows the Company to make discretionary profit sharing contributions at the discretion of the Company's Board of Directors. The Company did not elect to make discretionary profit sharing contributions for the year ended December 31, 2024.

***INVESTMENT OPTIONS***

Upon enrollment in the Plan, a participant may direct their contributions plus actual earnings thereon to be invested in any of the investment options offered by the Plan. Participants may change their investment options daily. If the participant decides not to direct their contributions, they are automatically directed into a Qualified Default Investment Alternative ("QDIA").

***PARTICIPANT ACCOUNTS***

Each participant's account is credited with the participant's contributions, Rollovers, and the Company's matching contributions, as well as allocations of the Company's discretionary profit sharing contributions, if any, Plan earnings and administrative expenses. Participant accounts are reduced by any withdrawal or distribution associated directly with the participant. Allocations are based on the participant's earnings, account balances, or specific participant transactions, as defined by the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)**

***VESTING***

Participants are immediately vested in their contributions, including Rollovers, plus actual earnings therein. Participants vest in Company contributions plus actual earnings therein based upon the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	50%
3	100%

Upon termination of employment, participant’s nonvested amounts are forfeited in accordance with the Plan Document.

***NOTES RECEIVABLE FROM PARTICIPANTS***

Participants may borrow from their Plan accounts, for any purpose, an amount from a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to a maximum of one loan outstanding at any time. Note terms range from one to five years, except for the purchase of a primary residence for which the term may be longer. Notes are secured by the participant’s account balance and bear a reasonable rate of interest commensurate with the prevailing rates charged by individuals in the business of originating loans under similar circumstances. As of December 31, 2024, interest rates on outstanding notes receivable from participants range from 4.25% to 9.50%. Principal and interest is paid by the participants ratably through bi-weekly payroll deductions.

As of December 31, 2024 and 2023, approximately \$639,000 and \$576,000, respectively, in outstanding notes receivable from participants have defaulted, which are included in notes receivable from participants in the accompanying Statements of Net Assets Available for Benefits. For financial statement presentation purposes, an outstanding defaulted note balance is considered a deemed distribution once a distributable event occurs, such as employment termination, death, or disability.

**NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)**

***PAYMENT OF BENEFITS***

Upon termination of service due to death, disability or retirement at normal retirement age as stipulated in the Plan Document, a participant becomes 100% vested in Company contributions and may elect to receive an amount equal to the value of the participant's interest in his or her account in either a lump-sum amount or installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The minimum distributions age from when distributions must begin is 72.

***HARDSHIP WITHDRAWALS***

A participant who is experiencing a financial hardship, as defined in the Plan Document, may request a withdrawal of all or any portion of such participant's salary deferral contributions and Rollovers, excluding earnings, if any.

For the year ended December 31, 2024, hardship withdrawals amounted to approximately \$5,837,000, which are included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Benefits.

***FORFEITURES***

Forfeitures of non-vested account balances are used to restore amounts to re-employed participants meeting the break-in service limitations, to pay administrative expenses, and/or to offset Company contributions. During the year ended December 31, 2024, forfeitures of approximately \$1,002,000 and \$302,000 were used to offset Company contributions and to pay administrative expenses, respectively. The Plan's forfeiture account balances as of December 31, 2024 and 2023 were approximately \$761,000 and \$504,000, respectively.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***BASIS OF ACCOUNTING***

The financial statements of the Plan have been presented on the accrual basis of accounting.

***USE OF ESTIMATES***

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires the Plan’s management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***INVESTMENT VALUATION AND INCOME RECOGNITION***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Employee Benefits Committee and the Plan Administrator determine the Plan’s valuation policies utilizing information provided by the investment advisors, trustee, and custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s net gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

***NOTES RECEIVABLE FROM PARTICIPANTS***

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses have been recorded as of December 31, 2024 or 2023.

***PAYMENT OF BENEFITS***

Benefits are recorded when paid.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*PLAN EXPENSES*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

*SUBSEQUENT EVENTS*

The Plan Administrator has evaluated subsequent events through September 17, 2025, the date the financial statements were available to be issued.

**NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (“Fidelity”), the trustee of the Plan. This information has not been audited by the Plan’s independent auditor.

**NOTE 4 – RISKS AND UNCERTAINTIES**

The Plan has investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The Company’s Employee Benefit Committee and the Plan Administrator, through its investment advisors, monitors the Plan’s investments and the risks associated therewith on a regular basis, which the Plan Administrator believes minimizes these risks.

**NOTE 5 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

***Level 1***

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

***Level 2***

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

***Level 3***

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**FOR THE YEAR ENDED DECEMBER 31, 2024**

**NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)**

***Mutual Funds (including money market fund)***

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Self-Directed Brokerage Accounts (“SDBA”)***

The SDBA includes investments principally in mutual funds and common stocks. The mutual funds and common stocks are valued at quoted prices in actively traded markets.

***Collective and Investment Trusts/Commingled Pool/Stable Value Fund***

Valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of the common collective trust/commingled pool. The underlying assets are valued based on the NAV as provided by the investment account manager. The NAV is used as a practical expedient to estimate fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024

**NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)**

\* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent), used as the practical expedient to estimate fair value, have not been classified in the fair value hierarchy. The Galliard Stable Value Fund E, the Fidelity Growth Company Commingled Pool, and the T. Rowe Price Target Date Investment Trust meet this criteria. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying Statements of Net Assets Available for Benefits.

***FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE (PRACTICAL EXPEDIENT)***

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investments that Calculate NAV (Practical Expedient)	Fair Value as of December 31,		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2024	2023		(if currently eligible)	
T. Rowe Price Target Date Investment Trust <sup>(a)</sup>	\$ 668,180,467	\$ 643,825,372	N/A	Daily	1 Day
Fidelity Growth Company Commingled Pool	140,427,800	113,491,464	N/A	Daily	1 Day
Galliard Stable Value Fund E	<u>43,161,926</u>	<u>49,382,046</u>	N/A	Daily	12 Months
<b>Total</b>	<u>\$ 851,770,193</u>	<u>\$ 806,698,882</u>			

<sup>(a)</sup> Trust is comprised of various target date funds (between and through years 2005 and 2065, and a balanced fund).

**NOTE 6 – TAX STATUS**

The IRS has determined and informed the Company by a determination letter dated September 21, 2021, that the Plan and related trust, as then designed, were in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended and certain provisions have been adopted since receiving the determination letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

**NOTE 6 – TAX STATUS (CONTINUED)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

The Plan investments include mutual funds, common collective trusts, and self-directed brokerage accounts that are managed by Fidelity, the trustee of the Plan. For the year ended December 31, 2024, fees charged to the Plan by Fidelity for administrative services amounted to approximately \$1,181,000. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

**NOTE 8 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company's contributions.
