INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Codilis & Associates, P.C. 401(k) Profit Sharing Plan
Burr Ridge, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Codilis & Associates, P.C. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Codilis & Associates, P.C. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year then ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Codilis & Associates, P.C. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Codilis & Associates, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Codilis & Associates, P.C. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Codilis & Associates, P.C. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Codilis & Associates, P.C. 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 1 - Description of the Plan

The following description of the Codilis & Associates, P.C. 401(k) Profit Sharing Plan ("The Plan") provides only general information. Participants should refer to the Plan's adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering the employees of Codilis & Associates, P.C.; CSM Foreclosure Trustee Corporation; Arch Title Corporation; Codilis, Moody & Circelli, P.C.; Codilis Law, LLC; Codilis & Moody, P.C.; and Texas Star Title, LLC (collectively referred to as the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Effective January 1, 2022, the Plan was amended and restated to incorporate prior amendments and law changes. All provisions of the plan remained substantially the same.

Eligibility

Employees of the Company are eligible to participate in the Plan on the first day of the quarter following or coinciding with completion of three months of service and the attainment of age 21.

Contributions

The Plan provides for eligible employees to make salary deferral contributions of their compensation, as defined by the Plan, subject to maximum deferral limitations established by the Internal Revenue Code. Participants can choose for their salary deferral contributions to be either before-tax contributions or Roth after-tax contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan and catchup contributions in accordance with Internal Revenue Service Regulations. The Plan provides that the Company may make annual discretionary matching contributions to eligible participants. Eligible participants are those actively employed on the last day of the Plan year and have completed more than 500 hours of service. The Company elected to make matching contributions of \$294,190 for the year ended December 31, 2024.

The Plan provides that the Company may make annual discretionary profit sharing contributions to eligible participants allocated to their accounts based on their compensation as a percentage of total compensation of all participants in the Plan. The Company did not make any discretionary profit sharing contributions for the year ended December 31, 2024.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Employer contributions and Plan earnings (net of administrative expenses). Allocations are based on the participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Codilis & Associates, P.C. 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 1 - Description of the Plan (cont.)

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the Plan, are considered 100% vested. Company matching contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

Vesting Years of Service	<u>Percentage Vested</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or greater	100%

Forfeited Accounts

Forfeited accounts may be used to reduce administrative expenses or Employer contributions. For the year ended December 31, 2024, forfeitures of \$4,176 were applied to Employer contributions. As of December 31, 2024 and 2023, there was \$0 of forfeited non-vested amounts.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in a variety of investment choices. Investment choices are more fully described in the Plan's literature. Participants may change their investment options at any time.

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the participant's vested interest in the plan or \$50,000. The notes are collateralized by the participant's account balance and bear interest at rates ranging from 3.25% to 8.50%, which are commensurate with local prevailing rates as determined by the plan administrator. The Plan allows participants to have only one loan outstanding at any given time. Principal and interest are paid ratably through payroll deductions.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2024 excess contributions to the applicable participants prior to March 15, 2025.

Codilis & Associates, P.C. 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 1 - Description of the Plan (cont.)

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement, or termination of employment, as defined in the Plan. The Plan provides for normal retirement at age 65 with at least 5 years of plan participation. The total vested portion of a participant's account balance may be distributed in the form of a lump-sum payment.

In addition, the Plan allows for hardship withdrawals for specific situations, as defined by the Plan, from a participant's salary deferral contributions and earnings thereon. The Plan also allows for in-service withdrawals by participants who have attained the normal retirement age of 65 with at least 5 years of plan participation and made from accounts which are fully vested.

NOTE 2 -Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with generally accepted accounting principles in the United States of America (GAAP).

Use of Estimates

The preparation of the financial statements in accordance with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Management fees charged to the Plan for investments are deducted from income earned on a daily basis and, therefore, are reflected as a corresponding reduction of investment return for such investments. Administrative fees charged to the Plan by third party administrators for distributions and /or loans are allocated to the account of the individual participant. All other administrative fees charged to the plan by third party administrators are allocated as a flat charge to each participant as provided in the administrative service agreement with the amount in excess of the flat charge allocation, if any, paid by the Company. Substantially all other expenses incurred in connection with the administration of the Plan are paid by the Company.

Codilis & Associates, P.C. 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS
As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 3 - Information Prepared and Certified by Custodian - Unaudited

The following information, included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Nationwide Trust Company, FSB, the Custodians of the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024:

Investments

Investment income

Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - Investments at fair value

Schedule H, Line 4i - Schedule of Assets (Held at End of Year) - Guaranteed Investment Contract

NOTE 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- > quoted prices for similar assets or liabilities in active markets;
- > quoted prices for identical or similar assets or liabilities in inactive markets;
- > inputs other than quoted prices that are observable for the asset or liability;
- > inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Codilis & Associates, P.C. 401(k) Profit Sharing Plan
 NOTES TO FINANCIAL STATEMENTS
 As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 4 - Fair Value Measurements (cont.)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered investment companies - The fair value of registered investment companies, are valued using quoted market prices in active markets.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The tables below present the balances of assets measured at fair value on a recurring basis by level within the hierarchy.

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 36,405,337	\$ -	\$ -	\$ 36,405,337
Investments at fair value	\$ 36,405,337	\$ -	\$ -	\$ 36,405,337

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 29,884,033	\$ -	\$ -	\$ 29,884,033
Investments at fair value	\$ 29,884,033	\$ -	\$ -	\$ 29,884,033

NOTE 5 - Guaranteed Investment Contract

The Plan has entered into a fully benefit-responsive guaranteed investment contract with Nationwide Life Insurance Company ("Nationwide") which is maintained in a general account of Nationwide. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Nationwide, as contract issuer, is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by Nationwide. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit Nationwide to terminate the agreement prior to the scheduled maturity date.

Codilis & Associates, P.C. 401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 5 - Guaranteed Investment Contract (cont.)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 - Parties-In-Interest

Certain of the Plan's investments are managed by the Custodian, and therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in the fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Codilis & Associates, P.C. 401(k) Profit Sharing Plan
 NOTES TO FINANCIAL STATEMENTS
 As of December 31, 2024 and 2023 and for the Year Ended December 31, 2024

NOTE 7 - Tax Status

The Plan has adopted a Volume Submitter Profit Sharing Plan with CODA, sponsored by FIS Business Systems LLC. The volume submitter plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since then, however, the Plan's management believes that the Plan is currently designed and operating in accordance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes had been included in the accompanying financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - Reconciliation of Financial Statements to Schedule H Form 5500

The following is a reconciliation of net assets available for benefits on the financial statements to Form 5500 at December 31, 2024 and 2023:

The following is a reconciliation of the increase in net assets available for benefits on the financial statements to Form 5500 for the year ended December 31, 2024:

NOTE 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 10 - Subsequent Events

The Plan has evaluated subsequent events through August 13, 2025, which is the date that the financial statements were approved and available to be issued.
