*Independent Auditor's Report*

To the Plan Administrator  
GRID Alternatives, Inc. 403(b) Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audits***

We have performed audits of the accompanying financial statements of GRID Alternatives, Inc. 403(b) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by Ascensus Trust Company, a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Ascensus, LLC, as an authorized representative of Ascensus Trust Company and Newport Trust Company, LLC, as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator  
GRID Alternatives, Inc. 403(b) Plan

- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator  
GRID Alternatives, Inc. 403(b) Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by the trustees, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the

To the Plan Administrator  
GRID Alternatives, Inc. 403(b) Plan

financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**GRID ALTERNATIVES, INC. 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1: DESCRIPTION OF PLAN**

The following description of the Grid Alternatives, Inc. 403(b) Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan which provides eligible employees of GRID Alternatives, Inc. (Company and plan administrator) and any adopting controlled group members the opportunity to accumulate savings that provide benefits in the event of retirement, disability, or death. Eligible employees do not include non-resident aliens. There is no age or service requirement to participate in the Plan and eligible employees will immediately enter the Plan. The Plan is structured to comply with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions** - Participants may contribute a percentage of their eligible pretax compensation, up to 100% of compensation, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Eligible employees must complete 18 months of service to become eligible for non-elective contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Upon enrollment, participants may direct their contributions to the various investment options offered by the Plan. Individuals who are in a SolarCorps Fellowship funded by AmericCorps and paid interns are excluded from non-elective contributions. For the years ended December 31, 2024 and 2023, the Company contributed a non-elective contribution equal to 1% of eligible compensation.

**Participant Accounts** - Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, if any, investment results, and charged with an allocation of administrative expenses, as provided by the Plan. Other allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All accounts are self-directed by the participants.

**Vesting** - Participants are immediately vested in their contributions and the Company's contribution portion of their accounts and actual earnings thereon.

**Forfeitures** - Amounts forfeited from a participant's account shall be used to pay Plan expenses, restore forfeitures, reduce Company contributions, or reallocated as Company contributions.

**Payment of Benefits** - Distributions from the Plan are permitted upon termination of employment, death, disability, retirement (age 59½), or hardship. In-service withdrawals are also permitted for participants who have reached age 59½. Distributions from the Plan after severance from employment for reasons other than death will be made in the form of a lump-sum payment.

**GRID ALTERNATIVES, INC. 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1: DESCRIPTION OF PLAN - CONTINUED**

***Payment of Benefits - Continued***

As required under Section 401(a)(9) of the Internal Revenue Code (IRC), a participant must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (i) the year in which the participant reaches age 73, or (ii) the calendar year in which the participant retires.

***Hardship Withdrawals*** - Participants may withdraw their account balance in the form of a hardship withdrawal to satisfy an immediate and heavy financial need as defined by the Plan. The participant must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal. The hardship distribution cannot be in excess of the need.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting*** - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

***Use of Estimates*** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition*** - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as, held during the year.

***Payment of Benefits*** - Benefit payments to participants, or their beneficiaries, are recorded when paid.

***Administrative Expenses*** - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees associated with participant-initiated transactions are charged directly to participants' accounts and are included in administrative expenses. Some administrative expenses are paid from the annual operating expenses of the Plan's designated investment alternatives.

**GRID ALTERNATIVES, INC. 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

*Subsequent Events* - The Company's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The Company has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

**NOTE 3: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements*, are described below:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**GRID ALTERNATIVES, INC. 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED**

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used as of December 31, 2024 and 2023.

*Registered Investment Companies (Mutual Funds)* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1 within the fair value hierarchy.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2024			Total
	Level 1	Level 2	Level 3	
Registered Investment Companies	\$ 12,756,646	\$ -	\$ -	\$ 12,756,646

**NOTE 4: INFORMATION CERTIFIED BY ASCENSUS TRUST COMPANY**

As of December 31, 2024 and 2023, the Plan's investments were held by Ascensus Trust Company. The plan administrator elected the method of annual reporting compliance permitted by Department of Labor (DOL) Regulation Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus, LLC, as an authorized representative of Ascensus Trust Company and Newport Trust Company, LLC, as of and for the year ended December 31, 2024 and 2023, have certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

**NOTE 5: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

The Company has not considered normal plan operations such as participant and employer contributions or benefits paid to participants as party-in-interest transactions that require separate disclosure. Certain plan investments are shares and units of registered investment companies (mutual funds). These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

**NOTE 6: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their accounts. Any unallocated assets would be allocated to participant accounts and distributed in such a manner as the Company may determine.

**NOTE 7: TAX STATUS**

The Plan has adopted a volume submitter 403(b) plan, which obtained an advisory letter dated March 31, 2017, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRS and, therefore, the related trust was tax exempt. Although there are certain amendments applicable to the Plan, the Plan Sponsor believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and that the related trust is tax exempt.

**GRID ALTERNATIVES, INC. 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 7: TAX STATUS - CONTINUED**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it was filed.

**NOTE 8: RISKS AND UNCERTAINTIES**

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investments, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the financial statements.

**NOTE 9: COMMITMENTS AND CONTINGENCIES**

In the normal course of business, there may be various commitments and contingencies outstanding, which are not reflected in these financial statements. In the opinion of the plan administrator, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.
