To the Plan Administrator of the  
Retirement Savings Plan for Employees of Datacolor Inc.

We audited the financial statements of the Retirement Savings Plan for Employees of Datacolor Inc. (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2024, and we issued our report thereon dated August 12, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the Trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency and prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of Generally Accepted Accounting Principles (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. Professional standards require that we communicate to you the following information related to our audit.

## **OUR RESPONSIBILITY UNDER U.S. GENERALLY ACCEPTED AUDITING STANDARDS**

As stated in our engagement letter, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. GAAP. Our audit of the financial statements does not relieve you or management of your responsibilities related to the preparation and fair presentation of the financial statements.

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the ERISA-required supplemental schedule in relation to the financial statements as a whole and to report on whether the ERISA-required supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

As part of our audit, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

**PLANNED SCOPE AND TIMING OF THE AUDIT**

---

We performed the audit according to the planned scope and timing previously communicated to you.

**SIGNIFICANT AUDIT FINDINGS**

---

*Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2024. We noted no transactions entered into by the Plan during the year for which there was a lack of authoritative guidance or consensus. There were no significant transactions recognized in the financial statements in a different period than when the transactions occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

*Form 5500 Procedures*

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

*Difficulties Encountered in Performing the Audit*

We encountered no difficulties in dealing with management in performing and completing our audit.

*Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no such misstatements.

*Disagreements With Management*

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

## *Management Representations*

We requested certain representations from management that are included in the management representation letter dated August 12, 2025.

## *Management Consultations With Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

## *Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

## *Other Matter*

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, are presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of the Retirement Savings Plan for Employees of Datacolor Inc.

**SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT**

We performed audits of the accompanying financial statements of the Retirement Savings Plan for Employees of Datacolor Inc. (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023, the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the years then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**OPINION**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **BASIS FOR OPINION**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

## **AUDITORS' RESPONSIBILITIES FOR THE AUDITS OF THE FINANCIAL STATEMENTS**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

## **SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1**    **DESCRIPTION OF PLAN**

The following description of the Retirement Savings Plan for Employees of Datacolor Inc. (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**GENERAL**

The Plan provides benefits to the eligible employees of Datacolor Inc. (Company), as defined. The Company is a wholly owned subsidiary of Datacolor Holding AG (Parent) headquartered in Lucerne, Switzerland. The Company enters into transactions with its Parent and affiliates in the normal course of business.

The Plan is a participant-directed, defined contribution plan covering all employees who complete a one-month period of service and who are at least 21 years old. The Plan provides for retirement, disability, and death benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**CONTRIBUTIONS**

Participants in the Plan may elect to contribute, on a tax-deferred basis, a sum not to exceed the lesser of 60% of a participant's compensation, as defined, or \$23,000 as specified under Section 402(g) of the Internal Revenue Code (Code); therefore, such contributions are exempt from federal income taxes. Participants may also elect to contribute Roth and after-tax contributions following the same Code limitations. Participants who turn 50 years old before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. All eligible participants are automatically enrolled to make a 6% deferral unless the participant requests otherwise. Effective in 2021, participant contributions were matched by the Company on a dollar-for-dollar basis up to 6% of the participant's compensation, as defined, and those amounts are contributed to each participant's account upon meeting certain service requirements. Effective in November 2023, Company matching contributions are discretionary.

**PARTICIPANT ACCOUNTS**

Each participant's account is adjusted to reflect any appreciation or depreciation in the fair value of the participant's share of each fund's investments and related share of investment income or loss. Company contributions are credited to each participant's account in accordance with the Plan's contribution policy, and administrative expenses, if not paid by the Company, are allocated in proportion to each participant's account balance, except for

*(See Independent Auditors' Report)*

loan maintenance fees. The benefit to which each participant is entitled is the value that can be derived from the participant's vested account.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Participants may borrow against the balance in their accounts, up to the lesser of 50% of their vested balance or \$50,000 with a minimum borrowing amount of \$1,000. Loan terms require amortization of principal and interest over a period not to exceed five years. Loans used to acquire a principal residence may extend beyond a five-year term. Loans bear interest at a rate comparable to rates charged by commercial lending institutions for loans of similar terms. Loans are repaid through payroll deductions and may be repaid in full at any time.

**VESTING**

Participants are fully vested in their voluntary contributions. Effective in November 2023, all participants are fully vested immediately in Company matching contributions once they begin working. Prior to November 2023, vesting was based upon years of service with full vesting being attained after three years or turning 65 years old, whichever was earlier. Full vesting also occurred previously upon a participant's death or total disability.

In the event the Plan is terminated, participants will become 100% vested in their accounts.

**FORFEITURES**

At December 31, 2024 and 2023, forfeited accounts totaled \$136 and \$832, respectively. These accounts will be used to reduce future Company matching contributions and payment of administrative expenses in accordance with the Plan agreement. In 2024 and 2023, Company contributions were reduced by approximately \$31,000 and \$19,500, respectively, from forfeited non-vested accounts.

**PAYMENT OF BENEFITS**

Upon reaching the age of 59½ or termination of employment, a participant will be paid in a lump-sum amount equal to the participant's vested account balance on any date selected through age 70½. Upon termination of service due to death or disability, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in the participant's account in a lump-sum amount, installments, or as a life annuity as defined by the Plan agreement.

*(See Independent Auditors' Report)*

**NOTE 2**    **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**ACCOUNTING STANDARDS CODIFICATION**

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

**BASIS OF ACCOUNTING**

The financial statements of the Plan are prepared in accordance with the accrual basis of accounting.

**USE OF ESTIMATES**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**VALUATION OF INVESTMENTS AND INCOME RECOGNITION**

The Plan's investments are stated at fair value. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on an accrual basis, and dividends are recorded on the ex-dividend date.

**PAYMENTS OF BENEFITS**

Benefits are recorded when paid.

**PLAN EXPENSES**

The Company pays the majority of expenses associated with administering the Plan. Expenses paid by the Plan include recordkeeping and Trustee fees.

**NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

*(See Independent Auditors' Report)*

**RISK AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

**SUBSEQUENT EVENTS**

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through August 12, 2025, the date the financial statements were available to be issued.

**NOTE 3 INFORMATION CERTIFIED BY THE PLAN TRUSTEE**

Fidelity Management Trust Company, the Trustee of the Plan as of December 31, 2024 and 2023, certified the completeness and accuracy of all investments reflected in the accompanying financial statements. The information was not audited by the Plan's independent auditors. As of December 31, 2024 and 2023, certified investment information consisted of the following:

	<b>2024</b>	<b>2023</b>
Money Market Fund	\$ 48,708	\$ 36,704
Mutual Funds	39,607,059	38,459,568
Collective Trust	2,202,032	2,827,778
Total Investments	\$ 41,857,799	\$ 41,324,050

During the years ended December 31, 2024 and 2023, certified investment income consisted of the following:

	<b>2024</b>	<b>2023</b>
Net Appreciation in Fair Value of Investments	\$ 7,127,889	\$ 8,289,332
Dividends	2,037,448	1,238,183
	\$ 9,165,337	\$ 9,527,515

*(See Independent Auditors' Report)*

**NOTE 4 VALUATION OF INVESTMENTS**

Investments are recorded at fair value in accordance with the provisions of the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below are descriptions of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2024 and 2023.

Money Market and Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market.

Collective Trust: Valued using NAV per unit. The NAV is based on the value of the underlying investments owned by each fund, minus its liabilities, and then divided by the number of units outstanding. Participant-initiated transactions may occur daily at NAV.

*(See Independent Auditors' Report)*

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<b>2024</b>		
	<b>Level 1</b>	<b>Level 2</b>	<b>Total</b>
Money Market Fund	\$ 48,708	\$ -	\$ 48,708
Collective Trust	-	2,202,032	2,202,032
Mutual Funds	39,607,059	-	39,607,059
Total	<u>\$ 39,655,767</u>	<u>\$ 2,202,032</u>	<u>\$ 41,857,799</u>
	<b>2023</b>		
	<b>Level 1</b>	<b>Level 2</b>	<b>Total</b>
Money Market Fund	\$ 36,704	\$ -	\$ 36,704
Collective Trust	-	2,827,778	2,827,778
Mutual Funds	38,459,568	-	\$ 38,459,568
Total	<u>\$ 38,496,272</u>	<u>\$ 2,827,778</u>	<u>\$ 41,324,050</u>

**NOTE 5 TAX STATUS**

The Plan adopted a non-standardized pre-approved defined contribution plan, and the Internal Revenue Service (IRS) stated the Plan, as then designed, was in compliance with the applicable requirements of the IRS. The Plan relied upon the IRS opinion letter specifying the Plan's qualified status. The Plan since was amended and restated. The Plan Administrator believes the Plan is designed and operating in compliance with the applicable provisions of the Code. Therefore, no provision for income taxes was included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrator concluded that there were no uncertain tax positions taken as of December 31, 2024.

*(See Independent Auditors' Report)*

**NOTE 6 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time in whole or part. In the event of Plan termination, the accrued benefits of all participants affected shall become fully vested and nonforfeitable, and the Trustee shall distribute to the participants, their beneficiaries, or estates all assets remaining in the Plan after payment of any expenses properly chargeable to the Plan. Such distribution shall be equal to the value of the accounts of the participants as of the date of the termination of the Plan, adjusted to reflect any increments or decrements occurring between such termination date and the date of distribution.

**NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits to Form 5500 as of December 31, 2024 and 2023:

	<b>2024</b>	<b>2023</b>
Net Assets Available for Benefits	\$ 41,978,629	\$ 41,429,390
Plus: Adjustment for Valuation of Investments in Collective Trust	(132,439)	(160,980)
Net Assets Available for Benefits per Form 5500	\$ 41,846,190	\$ 41,268,410

The following is a reconciliation of the net change in assets available for benefits to Form 5500 for the years ended December 31, 2024 and 2023:

	<b>2024</b>	<b>2023</b>
Change in Net Assets Available for Benefits	\$ 549,239	\$ 3,224,747
Plus: Adjustment for Valuation of Investments in Collective Trust at December 31, 2024 and 2023, Respectively	(132,439)	(160,980)
Less: Adjustment for Valuation of Investments in Collective Trust at December 31, 2023 and 2022, Respectively	160,980	325,932
Change in Net Assets Available for Benefits per Form 5500	\$ 577,780	\$ 3,389,699

*(See Independent Auditors' Report)*

**NOTE 8**    **RELATED-PARTY TRANSACTIONS**

Certain Plan investments are managed by the Trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan pays investment management and recordkeeping fees to parties in interest. The Plan paid approximately \$7,000 to parties in interest during each of the years ended December 31, 2024 and 2023. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the net appreciation in fair value of investments.
