INDEPENDENT AUDITORS' REPORT  
DECEMBER 31, 2024 AND 2023

## INDEPENDENT AUDITORS' REPORT

Board of Directors and Participants of Andrews McMeel Universal Profit Sharing and 401(k) Plan  
Kansas City, Missouri

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Andrews McMeel Universal Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# ANDREWS MCMEEL UNIVERSAL PROFIT SHARING AND 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### 1. DESCRIPTION OF THE PLAN

The following description of the Andrews McMeel Universal Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

**General** – The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") for employees of Andrews McMeel Universal and its domestic affiliates (the "Company"). The Plan became effective January 1, 1981. Effective January 1, 2021, the Plan was amended and restated to adopt the Third Cycle Restatement to bring the Plan into compliance with legislative and regulatory changes set forth in IRS Notice 2017-37. The restatement included the required amendment for the CARES Act provisions. There were no significant changes to the primary provisions of the Plan.

Fidelity Management Trust Company serves as the Plan's trustee, and Fidelity Retirement Services serves as the participant recordkeeper.

**Eligibility** – Employees become a participant in the Plan for the purpose of making elective deferrals immediately upon employment and reaching age 21. Participants enter the Plan on the first day of each payroll period. The Plan excludes temporary employees and interns. Employees become eligible to receive employer contributions after one year of service with 1,000 hours.

**Contributions** – Employees are automatically enrolled in the Plan at a deferral rate of 6% of compensation, unless the employee affirmatively make a different election. The Plan also includes an automatic increase provision, whereby participant elections increase by 1% at the beginning of each Plan year. Participants may elect to defer up to a maximum of 60% of their compensation, subject to certain Internal Revenue Code ("IRC") provisions.

The Company makes a matching contribution equal to 50% of the participant's contributions up to 6% of a participant's compensation.

The Company may make discretionary non-elective contributions to the Plan. To receive an allocation of the non-elective contribution, a participant must be employed on the last day of the Plan year and have worked 1,000 hours. No non-elective contributions were declared for 2024.

**Participant Accounts** – Each participant's account is credited with the participant's and Company's contributions, investment earnings and losses, and is charged with the participant's withdrawals and distributions and an allocation of Plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Investment Options** – Participants direct their investments into a variety of mutual funds, a money market fund and common collective trust funds offered by the Plan. The Plan also allows individually directed brokerage accounts as an investment option.

**Vesting** – Participants' contributions are fully vested at all times. Company contributions vest in 25% increments, with 25% vested after two years and 100% vested after 5 years of service. In the event of death, reaching normal retirement age, or termination of the Plan, the Company contributions will become fully vested. An employee must work 1,000 hours in a year to earn a year of service.

**Forfeitures** – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeitures may be used to pay the administrative expenses of the Plan and/or to reduce future Company contributions to the Plan. As of December 31, 2024 and 2023, there was \$30,509 and \$23,390 in forfeitures, respectively. In 2024, \$21,704 was used to reduce the Company matching contribution.

**Payment of Benefits** – Upon termination of employment, the participant, or in the case of death, the participant's beneficiary receives the participant's account balance in a single lump-sum or installments. In the event of termination by a participant, account balances under \$7,000 will be subject to automatic distribution. Vested balances between \$1,000 and \$7,000 will be automatically rolled over to an IRA account in the participant's name, unless otherwise instructed by the participant.

**In-Service Withdrawals** – The Plan allows in-service withdrawals for participants who are at least 59½ years old. The Plan also allows for hardship withdrawals to Plan participants meeting specific conditions, as defined in the Plan Document. Hardship withdrawals are limited to the participant's elective deferral account.

**Notes Receivable from Participants** – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their employee account balance. The maximum loan term is 5 years, unless the loan is for the purchase of the participant's primary residence, in which case the maximum loan term is 10 years. The loans are secured by the balance in the participant's account and bear interest at the *Wall Street Journal* prime rate, plus 2%. Principal and interest is paid ratably through payroll deductions. A participant may only have one loan outstanding at a time.

**Administrative Expenses** – Administrative expenses incurred by the Plan may be paid by the Plan or by the Company. Expenses paid by the Plan were \$40,476.

**Other Income** – During 2024, the Plan received \$29,264 in revenue sharing payments generated by the Plan's mutual fund investments. The revenue sharing payments received are reallocated to the participants which are holding the related investments. As of December 31, 2024 and 2023, the revenue sharing account had a balance of \$3,353 and \$2,368 respectively.

**Termination of the Plan** – Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan is terminated, participants' accounts would become fully vested at that time.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** – The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

**Contributions** – Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

**Investment Valuation and Income Recognition** – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is accrued when earned.

Management fees and operating expenses charged to the Plan for investments in the mutual funds, money market funds, common collective trusts and the brokerage accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance is considered necessary.

**Payment of Benefits** – Benefit payments are reported in the year paid.

**Date of Management's Review** – Subsequent events have been evaluated through September 24, 2025, which is the date the financial statements were available to be issued, and there were no material events requiring recognition or disclosure.

### 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual Funds and Money Market Funds – Valued at the closing price reported on the active market on which the individual securities are traded.

Common Collective Trusts (“CCT”) – Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held in the fund less its liabilities.

Individually Directed Brokerage Accounts – Investments include mutual funds and money market accounts, all of which are valued as described above.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows at December 31, 2024 and 2023:

	<b>Fair Value Measurements Using:</b>			<b>Fair Value</b>
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	
<b>December 31, 2024:</b>				
Mutual Funds	\$ 49,974,372			\$ 49,974,372
Money Market Funds	580,292			580,292
Individually Directed Brokerage Accounts	<u>885,312</u>			<u>885,312</u>
Total assets in the fair value heirarchy	<u>\$ 51,439,976</u>	<u>\$ -</u>	<u>\$ -</u>	51,439,976
Common Collective trusts measured at net asset value (a)				<u>1,691,947</u>
Total investments measured at fair value				<u>\$ 53,131,923</u>
<b>December 31, 2023:</b>				
Mutual Funds	\$ 44,348,716			\$ 44,348,716
Money Market Funds	417,602			417,602
Individually Directed Brokerage Accounts	<u>642,340</u>			<u>642,340</u>
Total assets in the fair value heirarchy	<u>\$ 45,408,658</u>	<u>\$ -</u>	<u>\$ -</u>	45,408,658
Common Collective trusts measured at net asset value (a)				<u>1,560,571</u>
Total investments measured at fair value				<u>\$ 46,969,229</u>

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. It is valued daily, can be redeemed daily with no restrictions, and without prior notice. There are no unfunded commitments.

#### 4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

## **5. INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate with respect to investments as of December 31, 2024 and 2023, and for the year ended December 31, 2024:

- Investments, at fair value
- Notes receivable from participants and related interest income
- Net appreciation in fair value of investments
- Interest and dividend income
- Schedules of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

## **6. TAX STATUS**

The Company adopted a Non-standardized Pre-approved Profit Sharing Plan with CODA which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has since been amended. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2024. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments consist of mutual funds, a money market fund, and a common collective trust managed by Fidelity. Fidelity is the Trustee of the Plan and, therefore, these transactions qualify as party-in-interest. The Plan pays certain fees to Fidelity to administer the Plan. These transactions qualify as party-in-interest. Notes receivable from participants are party-in-interest transactions.

**8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for plan benefits per the financial statements to Form 5500 at December 31:

	<b>2024</b>	<b>2023</b>
Net assets available for benefits per the financial statements	\$ 53,223,543	\$ 47,056,126
Adjustment from NAV to Form 5500 fair value for Fidelity Managed Income Portfolio	<u>(5,331)</u>	<u>(13,522)</u>
Net assets available for benefits per Form 5500	<u>\$ 53,218,212</u>	<u>\$ 47,042,604</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the net income per Form 5500 for the year ended December 31, 2024:

Change in net assets per the financial statements	\$ 6,167,417
Adjustment from NAV to Form 5500 Fair Value for Fidelity Managed Income Portfolio	<u>8,191</u>
Net income per the Form 5500	<u>\$ 6,175,608</u>
