## **Report of Independent Auditors**

To the Administrator of Pacific Maritime Association Paid Holiday Plan

### ***Opinion***

We have audited the accompanying financial statements of Pacific Maritime Association Paid Holiday Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of June 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, including the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of June 30, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# Pacific Maritime Association Paid Holiday Plan

## Notes to Financial Statements

### June 30, 2025 and 2024

---

#### 1. Description of the Plan

The following description of the Pacific Maritime Association (“PMA”) Paid Holiday Plan (the “Plan”) provides only general information. Eligibility and benefits are defined in collective bargaining agreements (the “Agreements”) between the International Longshore and Warehouse Union (“ILWU”) and PMA. PMA negotiates the Agreements with the ILWU on behalf of its member companies (“PMA member companies”). Participants should refer to the Agreements and the Summary Plan Description for more complete descriptions of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

##### **General and Eligibility**

The Plan provides a paid holiday wage supplement to eligible longshore workers, clerks, walking bosses, foremen, and watchmen as defined in the Agreements. The paid holiday wage supplement is determined using a straight time hourly rate of a registered worker for an eligible eight-hour holiday. The Plan does not provide any post-employment or post-retirement benefits to employees.

##### **Contributions**

Funding of the Plan is provided through ILWU labor employers’ contributions as needed to pay Plan benefits and expenses.

##### **Administrative Expenses and Related Party Transactions**

The Plan is administered by trustees appointed by PMA. PMA provides accounting services and office space at no charge to the Plan. Other administrative costs, including audit expenses, are paid by the Plan in accordance with the Plan agreement. These transactions are party in interest transactions under ERISA.

##### **Plan Termination**

In the event the Plan is terminated, the remaining Plan assets will first be distributed to satisfy all contractual obligations under the terms of the Agreements in existence as of the termination date. Once these obligations are settled, any remaining assets of the Plan will be transferred to the ILWU-PMA Welfare Plan.

#### 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

##### **Basis of Accounting**

The Plan’s financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

##### **Use of Estimates**

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein and disclosure of contingent assets and liabilities. While Plan management uses its best estimates and judgments, actual results could differ from those estimates as future events occur.

## Notes to Financial Statements

### June 30, 2025 and 2024

---

#### Refunds due to the Plan and Other Income

Refunds due to the Plan and other income are tax overpayments due to the Plan from the Internal Revenue Service.

#### Benefits Paid

Benefits are recorded when paid.

### 3. Plan Tax Status

The Trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c) (9) of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. PMA, the Plan sponsor, has obtained a favorable tax determination letter from the Internal Revenue Service and believes that the Trust, as amended, continues to qualify and to operate as designed. No federal or state income taxes have been recorded for unrelated business taxable income.

As required by GAAP, Plan management has evaluated the tax positions taken by the Plan. Plan management believes there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements of the Plan or that would not be sustained upon examination by the Internal Revenue Service. As of June 30, 2025, Plan management believes the Plan is no longer subject to income tax examinations for the years prior to 2021. There are currently no audits for any tax periods in progress.

### 4. Benefit Obligations – Currently Payable

Benefit obligations are benefits that have been earned but have not been paid. They are based on the second payday following the payroll week in which the paid holiday falls. An individual must have a registration status on the date of the paid holiday and have worked the required number of hours available to receive holiday pay throughout the fiscal year. PMA and the Union will review the timely submission of availability to process payment of holiday pay. When this process is completed holiday pay will be paid the week following the holiday. \$94,085,759 and \$100,354,501 of holiday pay was disbursed for the years ended June 30, 2025 and 2024, respectively.

### 5. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and total liabilities per the financial statements at June 30, 2025 and 2024, to Form 5500:

	<u>2025</u>	<u>2024</u>
