**FINANCIAL STATEMENTS,
SUPPLEMENTAL SCHEDULE AND
INDEPENDENT AUDITORS' REPORT**

DECEMBER 31, 2024

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 1 DESCRIPTION OF THE PLAN

Organization

H. Lee Moffitt Cancer Center and Research Institute, Inc. Retirement Plan (the "Plan") is a defined contribution plan covering all eligible employees of H. Lee Moffitt Cancer Center and Research Institute, Inc. (the "Cancer Center" or the "Employer"). The Plan was originally established effective January 1, 2000 and has since been amended and restated. The Plan was amended and restated effective January 1, 2013. Amendments were subsequently made to the restated Plan, the last of which was effective in March 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The following brief description of the Plan provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General

The Plan covers substantially all eligible employees of the Cancer Center as defined by the Plan Document. To participate in the Plan, for purposes of receiving matching contributions, employees must complete one year of service if hired on or after January 1, 2013, or one hour of service if hired prior to January 1, 2013. To participate in the Plan, for purposes of receiving discretionary non-elective employer contributions, employees must be a member of a certain classification of employee, be 21 years of age, and complete one year of service. Specific employees, defined by the Plan Document, will have exceptions to the process of admittance to the Plan.

Contributions

Each year, the Employer may make three types of contributions to the Plan: (1) a discretionary matching contribution for the elective deferral amount made by participants to the H. Lee Moffitt Cancer Center and Research Institute 403(b) Retirement Plan (the "403(b) Plan"), (2) a discretionary non-elective contribution and (3) a discretionary qualified non-elective contribution. A discretionary qualified non-elective contribution has not been made since the inception of the Plan.

For the year ended December 31, 2024, eligible participants received a matching contribution equal to the sum of (1) 100% of the amount of elective contribution made to the 403(b) Plan on behalf of the participant for each payroll period which does not exceed 3% of the participant's compensation and (2) 50% of the amount of elective contribution made to the 403(b) Plan that is more than 3%, but does not exceed 10% of the participant's compensation, as defined by the Plan, for such applicable payroll period. Eligible participants, who are members of a certain classification of employee, will receive a non-elective contribution based on annual compensation as defined by the Plan in the middle of the following year, after the Plan's nondiscrimination test results have been reviewed and confirmed. Historically, the non-elective contribution has ranged from 1.5% to 3.95%, depending on the position held by the participant. Compensation is limited to the

RESEARCH INSTITUTE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

Internal Revenue Service's annual salary limit outlined in Section 415(d) of the Internal Revenue Code.

Employee Contributions and Loans

There are no provisions for employee contributions, voluntary or otherwise, and there are no provisions for employee loans.

Investment Options

Upon enrollment, a participant may direct Employer contributions to any of the Plan's fund options. Participants may also redirect their contributions or exchange their existing fund account balances on any business day.

Participant Accounts

Each participant's account is credited with an allocation of Employer contributions and Plan investment results. Each participant's account is reduced by withdrawals or distributions and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the Employer's contributions plus actual earnings thereon is based on years of service. For participants who were active as of January 1, 2013, employer contributions vest as follows:

Years of Employment	Percent Vested
Less than 2	0%
2	20%
3 or more	100%

For participants terminated prior to January 1, 2013, employer contributions vest as follows:

Years of Employment	Percent Vested
Less than 2	0%
2	20%
3	40%
4	67%
5 or more	100%

Upon the event of disability, death, or attainment of normal retirement age (65) while employed by the Employer, amounts derived from employer contributions will be fully vested.

**H. LEE MOFFITT CANCER CENTER AND
RESEARCH INSTITUTE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

Payment of Benefits

Upon death, disability, retirement, or termination of service, participants or their designated beneficiaries may receive a lump-sum payment amount equal to the vested amount of their account.

In service distributions are allowed upon attainment of age 65.

Plan Termination

Although it has not expressed any intent to do so, the Cancer Center has the right to discontinue the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, the account of each participant will be 100% vested.

NOTE 2 SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting and in conformity with generally accepted accounting principles in the United States ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments, comprised of participant-directed brokerage accounts, mutual funds, and a group annuity investment contract, are stated at the value as reported by the custodians of the Plan, which approximates fair value.

Mutual funds are valued at quoted market prices, which represent the net asset values (the "NAV") of shares held by the Plan at year-end.

Participant-directed brokerage accounts are comprised of mutual funds and cash and cash equivalents. Mutual funds are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end.

The fully benefit-responsive group annuity contract is stated at contract value in the accompanying financial statements. See group annuity contract footnote at Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Gain or loss on sales of securities is based on average cost. Dividend income is recorded on the ex-dividend date. Interest income is recognized as earned on the accrual basis.

In the statement of changes in net assets available for benefits, the Plan presents the net appreciation/depreciation in the fair value of its investments. This consists of

**H. LEE MOFFITT CANCER CENTER AND
RESEARCH INSTITUTE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Benefit Payments

Benefits are recorded when paid.

Forfeitures

Forfeitures of terminated non-vested accounts are used to reduce Employer contributions and pay plan expenses.

Forfeited amounts approximated \$576,000 for the year ended December 31, 2024. Approximately \$580,000 from the forfeiture account was used to reduce the amount of employer contributions, and on expenses for the year ended December 31, 2024.

Administrative Expenses and Revenue Sharing

Record-keeping fees and audit fees are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

The goal is to offer participants the lowest net expense ratio. The core of the investment lineup includes low-cost index funds, which generally do not pay revenue sharing. In this case the gross and net expense ratio are the same, and the plan uses the lowest costing expense ratio for which they qualify. Occasionally, the plan will offer a fund that pays revenue sharing. Revenue sharing is returned to participants invested in that fund on a routine basis. Revenue sharing is not maintained by the vendors or used to offset administrative fees. In some cases, the plan may move into a fund that has a higher gross expense ratio but once revenue sharing is applied and returned to participants, the resulting net expense ratio is lower.

Subsequent Events

In accordance with Financial Accounting Standards Board Accounting Standards Codification "FASB ASC" Topic 855, *Subsequent Events*, the Plan evaluated subsequent events through September 8, 2025; the date the financial statements were available for issue.

NOTE 3 INVESTMENTS

Unaudited Information Certified by the Plan Custodians

All investment information disclosed in the accompanying financial statements and supplemental schedule of assets held at December 31, 2024 and 2023, and net realized and unrealized appreciation/(depreciation) in fair value of investments and interest for the year ended December 31, 2024, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan's custodians.

**H. LEE MOFFITT CANCER CENTER AND
RESEARCH INSTITUTE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

NOTE 4 GROUP ANNUITY CONTRACTS

At December 31, 2024 and 2023, one of the Plan's investments was in a Guaranteed Income Fund (the "Fund"), which is a fully-benefit responsive group annuity contract with Empower Annuity Insurance Company ("EAIC"). The Fund invests in a group annuity insurance contract with EAIC with the purpose to fund the guaranteed benefits for the Plan. The group annuity contract is fully benefit-responsive. Therefore, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Plan. Contract value, which estimates fair value, as reported to the Plan by EAIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The concept of a value other than contract value does not apply to this insurance company issued general account backed evergreen (no maturity date) group annuity spread product. Even upon a discontinuance of the contract, contract value would be paid no later than 90 days from the date at which notice of discontinuance is provided. This contract's operation does not have provisions to contract at a value other than contract value. The fund is not backed by specific securities but instead backed by EAIC's general account. As a result of the contract terms, contract value approximates fair value.

EAIC maintains the contributions in a general account. The crediting interest rate is based on many factors, including current economic and market conditions, the general interest rate environment and both the expected and actual experience of the reference portfolio within EAIC's general account. Such interest rates are reviewed on a semi-annual basis for resetting. There are no reserves against contract value for credit risk of the contract issuers or otherwise.

The Plan's management has concluded that the Group Annuity Fund is a fully-benefit responsive investment contract and has reported the contract at contract value on the statement of net assets available for benefits.

NOTE 5 FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, Fair Value Measurement, provides a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Quoted prices for identical instruments in active markets. |
| Level 2 | Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not |

**H. LEE MOFFITT CANCER CENTER AND
RESEARCH INSTITUTE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

active; and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets.

Level 3 Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable.

This hierarchy requires the Plan’s management to use observable market data, when available, and to minimize the use of unobservable inputs when determining fair value. As required by ASC 820, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The methods described above may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan’s investments measured at fair value on a recurring basis were as follows as of December 31, 2024 and 2023:

	December 31, 2024			
	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 476,975,443	\$ -	\$ -	\$ 476,975,443

Mutual funds	389,492	-	-	389,492
Cash and cash equivalents	176,338	-	-	176,338
	\$ 477,541,273	\$ -	\$ -	\$ 477,541,273

	December 31, 2023			
	Fair Value Measurements			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 399,510,878	\$ -	\$ -	\$ 399,510,878
Participant-directed brokerage accounts				
Mutual funds	143,768	-	-	143,768
Cash and cash equivalents	24,411	-	-	24,411
	\$ 399,679,057	\$ -	\$ -	\$ 399,679,057

There were no significant transfers between levels for December 31, 2024 or 2023.

NOTE 6 INCOME TAX STATUS

The Internal Revenue Service (the “IRS”) has determined and informed the Cancer Center by letter dated June 10, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (the “Code”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being

**H. LEE MOFFITT CANCER CENTER AND
RESEARCH INSTITUTE, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024**

operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The Plan administrator has elected the method of compliance as permitted by Section 29 CFR 2520.109(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, Empower Annuity Insurance Company, The Variable Annuity Life Insurance Company, and VALIC Trust Company, the custodians of certain Plan assets, have certified to the completeness and accuracy of the funds held by them reflected in the statements of net assets available for benefits for the years ended December 31, 2024 and 2023.

NOTE 9 PARTIES IN INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are funds managed by the custodians. Transactions involving these investments are considered to be party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to approximately \$270,000 for the year ended December 31, 2024.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
