Statement by Enrolled Actuary
 To the best of my knowledge, the information supplied in this schedule and accompanying schedules, statements and attachments, if any, is complete and accurate. Each prescribed assumption was applied in accordance with applicable law and regulations. In my opinion, each other assumption is reasonable (taking into account the experience of the plan and reasonable expectations) and such other assumptions, in combination, offer my best estimate of anticipated experience under the plan.

Contract Flooring and Design, Inc. Cash Balance Plan

Plan Year: 1/1/2024 to 12/31/2024

Pursuant to Internal Revenue Code Section 401(b)(3)

An amendment was adopted effective for the plan year-ended 12/31/2024 and was adopted on 9/3/2025.

(i) The employer amended the plan to increase benefits accrued as of the plan year preceding the plan year in which it was adopted.

(ii) The amendment does not otherwise cause the plan to fail to meet any of the requirements of this subchapter.

(iii) The amendment was adopted before the time prescribed by law for filing the return of the employer for the taxable year (including extensions thereof) during which the amendment is effective.

The employer elects to treat such amendment as having been adopted as of the last day of the plan year in which the amendment is effective.

Change in Method

Plan Year: 1/1/2024 to 12/31/2024

Effective for the Plan Year ended December 31, 2024, there has been a change in the valuation software. In accordance with Revenue Procedure 2017-56, the following conditions have been met:

1. The enrolled actuary for the plan is the same as the enrolled actuary for the plan for the prior plan year or the business organization providing actuarial services to the plan is the same as the business organization that provided actuarial services to the plan for the prior plan year.
2. The new method is substantially the same as the method used for the prior plan year.
3. The new valuation software is generally used by the enrolled actuary for the single-employer plans to which the enrolled actuary provides actuarial services.
4. For either the prior plan year or the current plan year, the funding target, target normal cost (without regard to any adjustment for employee contributions and plan-related expenses), and actuarial value of plan assets determined under the new valuation software are each within 2% of the respective values under the valuation software used for the prior plan year (all other factors being held constant).
5. The modifications to the computations in the valuation software or the use of a different valuation software system are designed to produce results that are no less accurate than the results produced prior to the modifications or change.
