Members of the Committee:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Directors Guild of America - Producer Pension & Health Plans Staff 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of the Directors Guild of America - Producer Pension & Health Plans Staff 401(k) Plan (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the Plan document and any amendments.

General

The Plan was adopted on June 1, 1998. It is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Employees of the Directors Guild of America - Producer Pension & Health Plans (the "Sponsor"), except temporary employees, are eligible to participate in the Plan upon one half-year of service and attainment of age 21. Eligibility begins on an employee's six month anniversary of his/her date of hire.

Contributions

Participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan, subject to Internal Revenue Code (the "Code") limitations. The Plan allows after-tax Roth contributions. Participants may also rollover amounts representing distributions from other qualified plans. Catch-up contributions are permitted. The Plan provides for automatic enrollment at 3% of compensation, unless the employee elects not to participate.

Vesting

Participants are immediately vested as to their contributions, rollovers, and actual earnings thereon.

Payment of Benefits

Benefit distributions under the Plan may be made in the form of a single lump sum payment or installment payments, and are recorded when paid. Normal retirement age is 59½; no early retirement is allowed in this Plan. Benefits may also be paid upon death, disability, termination of employment or termination of the Plan. Hardship withdrawals are permitted.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, and Plan earnings. Allocations are based on participant earnings or account balances.

Notes Receivable from Participants

A participant may secure a loan from his or her account in an amount, not to exceed the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance during the previous 12 months. Repayments are applied to the borrower's account. The Plan administrator established specific terms and conditions of loans to participants. Notes receivable from participants at December 31, 2024 carry interest rates of 4.25% to 9.50%.

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)**

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Administrative Expenses

A majority of administrative expenses are paid by the Sponsor.

Investment Options

The Plan's investments are held by Fidelity Management Trust Company, trustee of the Plan. Participants elect to invest in one or all of the investment options offered by the Plan.

Risks and Uncertainties

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Income Tax Status

The Plan adopted the Fidelity Volume Submitter Defined Contribution Plan, which has received an opinion letter from the Internal Revenue Service stating the Plan is exempt from federal income taxes under the Code. The Plan has been amended since receiving the determination letter, however, plan management believes that the Plan is operating in accordance with regulations for plans exempt from income taxes and that the Plan is exempt from taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Plan Termination

Although it has not expressed any intent to do so, Plan management has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. If the Plan is terminated, all participants will be 100% vested in their account balances.

NOTE 2 - FAIR VALUE MEASUREMENTS

ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring the fair value of assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan’s investments based on the inputs used to value them:

	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Money Market Fund	\$ 1,027,329	\$ -	\$ -	\$ 1,027,329
Mutual Funds	7,732,024	-	-	7,732,024
	<u>\$ 8,759,353</u>	<u>\$ -</u>	<u>\$ -</u>	8,759,353
Common/Collective Trust Measured at NAV ^A				416,846
				<u>\$ 9,176,199</u>
	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 1,060,848	\$ -	\$ -	\$ 1,060,848
Mutual Funds	7,476,852	-	-	7,476,852
	<u>\$ 8,537,700</u>	<u>\$ -</u>	<u>\$ -</u>	8,537,700
Common/Collective Trust Measured at NAV ^A				416,979
				<u>\$ 8,954,679</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of a money market fund and mutual funds valued at their quoted market price.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 - FAIR VALUE MEASUREMENTS (Continued)

Investment income from the common/collective trust ("CCT") is not distributed but rather reinvested and reflected in the net asset value of the fund. Shares of the CCT are issued and redeemed at net asset value. Daily redemption frequency is permitted and there are no unfunded commitments on the CCT. Interest and dividend income are recorded on the accrual basis.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2024 and 2023 and investment income for the year ended December 31, 2024 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the trustee or an affiliate. Any purchases and sales of these investments are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibitions of party-in-interest transactions under ERISA.

NOTE 5 - STABLE RETURN FUND REPORTED AT NET ASSET VALUE

The Galliard Stable Return Fund seeks to offer a higher yield than money market instruments while providing safety of principal. The average yield earned, after fees, by the fund was 2.98% and 2.65% for 2024 and 2023. Units of investment are redeemable at contract value (purchase price plus accrued interest), which approximates fair value. There are no funding commitments or limits on participants' ability to redeem units at contract value. Redemption restrictions and/or market value adjustments may apply to Plan level redemptions. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 6 - PLAN AMENDMENT AND CHANGES

On August 2, 2023, the Plan was amended to offer self-certification for hardship withdrawals in compliance with provisions of the Secure Act 2.0.

On August 22, 2024, the Plan was updated to accept various additional provisions of the Secure Act 2.0 including allowing for additional catch-up contributions for participants aged 60 to 63, allow participants to self-certify eligibility for withdrawals in certain situations and update its disclosure requirements for eligible unenrolled participants.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 17, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
