INDEPENDENT AUDITORS' REPORT

Benefits and Retirement Plans Administrative Committee
VVS, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of VVS, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of VVS, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the VVS, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VVS, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of those financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VVS, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the VVS, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of the year ended December 31, 2024, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the VVS, Inc. Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all eligible employees of VVS, Inc. (the Sponsor) who have six months of qualifying service, as defined by the Plan, and are 18 years of age. It is subject to and complies with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Each year eligible employees may defer a percentage of compensation, as defined by the Plan. For 2024 and 2023, the Sponsor matched 50% of employee deferrals up to 5% of total employee compensation. For participants electing to contribute a greater percentage, the Sponsor's contribution will be limited to 2.5% of the participant's gross wages. Additional profit sharing amounts could be contributed at the option of the Sponsor's board of directors. Contributions are subject to certain regulatory limitations.

3. Participant Accounts

Each participant's account is credited with the contributions of the participant and Sponsor. Participants may allocate their funds amongst an array of investment choices provided to them by the Plan Administrator. Investment earnings accumulate within each participant's account according to the allocation of funds selected by the participant and the rate of return thereon. The benefit to which a participant is entitled is the vested portion of the accumulated balance of participant and Sponsor contributions and investment earnings accumulated thereon.

4. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the portion of the participant's account balance contributed by the Sponsor, plus earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance.

NOTES TO FINANCIAL STATEMENTS – Continued

December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN – Continued

5. Notes Receivable from Participants – Continued

The loans are secured by the balance in the participant's account and bear interest rates at 2% above the prime rate at origination. Principal and interest is paid ratably through bi-weekly payroll deductions.

6. Payment of Benefits

Distributions from the participants' accounts are not permitted before age 59½ except in the event of death, disability, termination of employment or reasons of proven financial hardship. Benefits may be paid under one or more of the optional forms available under the Plan. However, if the participant's vested balance is less than \$1,000, the benefits will be paid in a single sum.

7. Forfeited Accounts

The non-vested portion of participant withdrawals is placed into a separate account by the Trustee. These accounts are used to reduce future employer contributions. In 2024 and 2023, employer contributions were reduced by \$4,036 and \$14,527, respectively, for payments made out of the forfeited non-vested account. At December 31, 2024 and 2023, forfeited non-vested accounts both totaled \$0.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting and present the net assets available for VVS, Inc. Retirement Savings Plan benefits and changes in those assets.

2. Administrative Expenses

The majority of administrative expenses (investment management, audit, etc.) are paid by the Sponsor of the Plan. For the years ending December 31, 2024 and 2023, \$9,295 and \$8,850 was paid, respectively, by the Sponsor on behalf of the Plan.

3. Income Tax Status

The Plan is based on the Non-Standardized Pre-Approved Profit Sharing Plan with CODA of FMR LLC, which received an opinion letter from the IRS, dated June 30, 2020, which stated that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and,

VVS, INC.
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS – Continued

December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

therefore, believe that the Plan is qualified, and the related trust is tax-exempt. For the years ended December 31, 2024 and 2023, the Plan had no tax liability on unrelated business activity. The Plan believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan's Federal Return for December 31, 2024, 2023, and 2022 are subject to examination by the IRS, generally for three years after they were filed.

4. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

5. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

6. Payment of Benefits

Benefits are recorded when paid.

7. Notes Receivable from Participants

Notes receivable from participants are measured at unpaid principal balance. The Plan is required by generally accepted accounting principles to estimate and recognize an allowance for expected credit losses over the lifetime of the notes receivable. The Plan considers participant notes receivable to be collateralized by the participant's account balance in the Plan. The Plan evaluates collectability based on historical defaults, current economic conditions, and reasonable and supportable forecasts. Based on this evaluation, the Plan has determined that the expected credit losses on notes receivable from participants are not material, and therefore no allowance for credit losses is recorded. Delinquent participant loans are reclassified as distributions in accordance with the terms of the Plan document and applicable regulations.

VVS, INC.
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS – Continued

December 31, 2024 and 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE C – INSURER TRANSACTIONS (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Fidelity Management Trust Company (Trustee) that all information relating to the Plan's investments and related investment income is complete and accurate. Information as to the value of the investments in the trust fund managed by the Trustee, investment income, and all information in the supplemental schedule is presented in reliance solely upon those certifications.

NOTE D – PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Six employees of the Sponsor serve on the Administrative Committee of the Plan. During 2024, all of those employees were participants in the Plan but were not compensated for their service.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

VVS, INC.
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS – Continued

December 31, 2024 and 2023

NOTE F – FAIR VALUE MEASUREMENTS – Continued

The fair value of money market and mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with SEC. The funds must publish their daily net asset value and transact at that price. The money market and mutual funds held by the Plan are considered to be actively traded.

Beginning in the year ending December 31, 2024, the common/collective trust is valued at the Plan’s proportional shares of the trust’s underlying investments. Previously the common/collective trust was valued at the net asset value (NAV) of its units. The NAV, as provided by the trustee, was used as a practical expedient to estimate fair value. The Plan changed the valuation in 2024, to more closely align its financial reporting and Form 5500 reporting for the benefit of financial statement users.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31,:

	2024		
	Level 1	Level 2	Total
Money market funds	\$ 205,112	\$ -	\$ 205,112
Mutual funds	7,900,633	-	7,900,633
Common/collective trust	-	109,251	109,251
Total assets measured at fair value	\$ 8,105,745	\$ 109,251	\$ 8,214,996
	2023		
	Level 1	Level 2	Total
Money market funds	\$ 146,836	\$ -	\$ 146,836
Mutual funds	7,201,765	-	7,201,765
Assets measured in fair value hierarchy	7,348,601	-	7,348,601
Common/collective trust measured at net asset value			121,465
Total assets measured at fair value			\$ 7,470,066

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation in fair value of investments. For the year ended December 31, 2024, there were no plan assets reported at fair value other than those traded in an active market.

VVS, INC.
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS – Continued

December 31, 2024 and 2023

NOTE F – FAIR VALUE MEASUREMENTS – Continued

The Plan previously used the net asset value (NAV) of units of the common/collective trust fund. The following table summarizes investments measured at fair value as of December 31, 2023:

	<u>Unfunded Commitments</u>	<u>Net Asset Value</u>	<u>Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trust	None	121,465	114,355	Daily	12 months

The Plan may transact with the common/collective trust fund at NAV daily for bona fide benefit payment to participants. However, if the Plan were to initiate a full redemption of the common collective trust, the fund agreement may require the balance being placed in an investment only account for up to twelve months.

NOTE G – DIFFERENCES IN FINANCIAL STATEMENTS AND FEDERAL FORM 5500

The following is a reconciliation of net assets available for benefits per the Plan’s financial statements to Form 5500 at December 31, 2023:

Net assets available for benefits per financial statements	\$ 7,583,200
Common/collective trust fair value adjustment	<u>(7,110)</u>
Net assets available for benefits of year per Form 5500	<u>\$ 7,576,090</u>

The following is a reconciliation of the net increase in net assets per the Plan’s financial statements to Form 5500 for the years ended December 31, 2023:

Net increase per financial statements	\$ 936,558
Change in unrealized gain/loss common/collective trust	<u>9,062</u>
Net increase per Form 5500	<u>\$ 945,620</u>

NOTE H – PRIOR PERIOD ADJUSTMENT

As discussed in Note F, the methodology used for presenting the Fidelity Advisors Stable Value common/collective trust was changed from net asset value as a practical expedient to fair value. Both values have been included in the certification described in Note C. This change resulted in the recognition of previously unrealized losses on the fund of \$7,110 which was the difference of the net asset value and the fair value as of December 31, 2023 (see also Note F).

NOTE I – SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 9, 2025, the date the financial statements were available to be issued. No events or transactions were noted to that date which requires further disclosure.

INDEPENDENT AUDITORS' REPORT

Benefits and Retirement Plans Administrative Committee
VVS, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of VVS, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of VVS, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the VVS, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about VVS, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of those financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of VVS, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the VVS, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of the year ended December 31, 2024, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the VVS, Inc. Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all eligible employees of VVS, Inc. (the Sponsor) who have six months of qualifying service, as defined by the Plan, and are 18 years of age. It is subject to and complies with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Each year eligible employees may defer a percentage of compensation, as defined by the Plan. For 2024 and 2023, the Sponsor matched 50% of employee deferrals up to 5% of total employee compensation. For participants electing to contribute a greater percentage, the Sponsor's contribution will be limited to 2.5% of the participant's gross wages. Additional profit sharing amounts could be contributed at the option of the Sponsor's board of directors. Contributions are subject to certain regulatory limitations.

3. Participant Accounts

Each participant's account is credited with the contributions of the participant and Sponsor. Participants may allocate their funds amongst an array of investment choices provided to them by the Plan Administrator. Investment earnings accumulate within each participant's account according to the allocation of funds selected by the participant and the rate of return thereon. The benefit to which a participant is entitled is the vested portion of the accumulated balance of participant and Sponsor contributions and investment earnings accumulated thereon.

4. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the portion of the participant's account balance contributed by the Sponsor, plus earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service.

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance.

NOTE A – DESCRIPTION OF PLAN – Continued

5. Notes Receivable from Participants – Continued

The loans are secured by the balance in the participant's account and bear interest rates at 2% above the prime rate at origination. Principal and interest is paid ratably through bi-weekly payroll deductions.

6. Payment of Benefits

Distributions from the participants' accounts are not permitted before age 59½ except in the event of death, disability, termination of employment or reasons of proven financial hardship. Benefits may be paid under one or more of the optional forms available under the Plan. However, if the participant's vested balance is less than \$1,000, the benefits will be paid in a single sum.

7. Forfeited Accounts

The non-vested portion of participant withdrawals is placed into a separate account by the Trustee. These accounts are used to reduce future employer contributions. In 2024 and 2023, employer contributions were reduced by \$4,036 and \$14,527, respectively, for payments made out of the forfeited non-vested account. At December 31, 2024 and 2023, forfeited non-vested accounts both totaled \$0.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting and present the net assets available for VVS, Inc. Retirement Savings Plan benefits and changes in those assets.

2. Administrative Expenses

The majority of administrative expenses (investment management, audit, etc.) are paid by the Sponsor of the Plan. For the years ending December 31, 2024 and 2023, \$9,295 and \$8,850 was paid, respectively, by the Sponsor on behalf of the Plan.

3. Income Tax Status

The Plan is based on the Non-Standardized Pre-Approved Profit Sharing Plan with CODA of FMR LLC, which received an opinion letter from the IRS, dated June 30, 2020, which stated that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and,

therefore, believe that the Plan is qualified, and the related trust is tax-exempt. For the years ended December 31, 2024 and 2023, the Plan had no tax liability on unrelated business activity. The Plan believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan's Federal Return for December 31, 2024, 2023, and 2022 are subject to examination by the IRS, generally for three years after they were filed.

4. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

5. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

6. Payment of Benefits

Benefits are recorded when paid.

7. Notes Receivable from Participants

Notes receivable from participants are measured at unpaid principal balance. The Plan is required by generally accepted accounting principles to estimate and recognize an allowance for expected credit losses over the lifetime of the notes receivable. The Plan considers participant notes receivable to be collateralized by the participant's account balance in the Plan. The Plan evaluates collectability based on historical defaults, current economic conditions, and reasonable and supportable forecasts. Based on this evaluation, the Plan has determined that the expected credit losses on notes receivable from participants are not material, and therefore no allowance for credit losses is recorded. Delinquent participant loans are reclassified as distributions in accordance with the terms of the Plan document and applicable regulations.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE C – INSURER TRANSACTIONS (UNAUDITED)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Fidelity Management Trust Company (Trustee) that all information relating to the Plan's investments and related investment income is complete and accurate. Information as to the value of the investments in the trust fund managed by the Trustee, investment income, and all information in the supplemental schedule is presented in reliance solely upon those certifications.

NOTE D – PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Six employees of the Sponsor serve on the Administrative Committee of the Plan. During 2024, all of those employees were participants in the Plan but were not compensated for their service.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE F – FAIR VALUE MEASUREMENTS – Continued

The fair value of money market and mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with SEC. The funds must publish their daily net asset value and transact at that price. The money market and mutual funds held by the Plan are considered to be actively traded.

Beginning in the year ending December 31, 2024, the common/collective trust is valued at the Plan’s proportional shares of the trust’s underlying investments. Previously the common/collective trust was valued at the net asset value (NAV) of its units. The NAV, as provided by the trustee, was used as a practical expedient to estimate fair value. The Plan changed the valuation in 2024, to more closely align its financial reporting and Form 5500 reporting for the benefit of financial statement users.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31,:

	2024		
	Level 1	Level 2	Total
Money market funds	\$ 205,112	\$ -	\$ 205,112
Mutual funds	7,900,633	-	7,900,633
Common/collective trust	<u>-</u>	<u>109,251</u>	<u>109,251</u>
Total assets measured at fair value	<u>\$ 8,105,745</u>	<u>\$ 109,251</u>	<u>\$ 8,214,996</u>
	2023		
	Level 1	Level 2	Total
Money market funds	\$ 146,836	\$ -	\$ 146,836
Mutual funds	<u>7,201,765</u>	<u>-</u>	<u>7,201,765</u>
Assets measured in fair value hierarchy	<u>7,348,601</u>	<u>-</u>	<u>7,348,601</u>
Common/collective trust measured at net asset value			<u>121,465</u>
Total assets measured at fair value			<u>\$ 7,470,066</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation in fair value of investments. For the year ended December 31, 2024, there were no plan assets reported at fair value other than those traded in an active market.

December 31, 2024 and 2023

NOTE F – FAIR VALUE MEASUREMENTS – Continued

The Plan previously used the net asset value (NAV) of units of the common/collective trust fund. The following table summarizes investments measured at fair value as of December 31, 2023:

	<u>Unfunded Commitments</u>	<u>Net Asset Value</u>	<u>Fair Value</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common/collective trust	None	121,465	114,355	Daily	12 months

The Plan may transact with the common/collective trust fund at NAV daily for bona fide benefit payment to participants. However, if the Plan were to initiate a full redemption of the common collective trust, the fund agreement may require the balance being placed in an investment only account for up to twelve months.

NOTE G – DIFFERENCES IN FINANCIAL STATEMENTS AND FEDERAL FORM 5500

The following is a reconciliation of net assets available for benefits per the Plan’s financial statements to Form 5500 at December 31, 2023:

Net assets available for benefits per financial statements	\$ 7,583,200
Common/collective trust fair value adjustment	<u>(7,110)</u>
Net assets available for benefits of year per Form 5500	<u>\$ 7,576,090</u>

The following is a reconciliation of the net increase in net assets per the Plan’s financial statements to Form 5500 for the years ended December 31, 2023:

Net increase per financial statements	\$ 936,558
Change in unrealized gain/loss common/collective trust	<u>9,062</u>
Net increase per Form 5500	<u>\$ 945,620</u>

NOTE H – PRIOR PERIOD ADJUSTMENT

As discussed in Note F, the methodology used for presenting the Fidelity Advisors Stable Value common/collective trust was changed from net asset value as a practical expedient to fair value. Both values have been included in the certification described in Note C. This change resulted in the recognition of previously unrealized losses on the fund of \$7,110 which was the difference of the net asset value and the fair value as of December 31, 2023 (see also Note F).
