**Part III Accountant's Opinion**

**3** Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

**a** The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1)  Unmodified (2)  Qualified (3)  Disclaimer (4)  Adverse

**b** Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1)  DOL Regulation 2520.103-8 (2)  DOL Regulation 2520.103-12(d) (3)  neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

**c** Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **SNYDER COHN, PC**

(2) EIN: **52-1022232**

**d** The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1)  This form is filed for a CCT, PSA, DCG or MTIA. (2)  It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

**4** CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
<b>a</b> Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
<b>b</b> Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
<b>c</b> Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
<b>d</b> Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
<b>e</b> Was this plan covered by a fidelity bond?	X		20000000
<b>f</b> Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
<b>g</b> Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
<b>h</b> Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
<b>i</b> Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
<b>j</b> Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
<b>k</b> Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
<b>l</b> Has the plan failed to provide any benefit when due under the plan?		X

## Independent Auditor's Report

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of EagleBank 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of EagleBank 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EagleBank 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EagleBank 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EagleBank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EagleBank 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Notes to Financial Statements

---

**December 31, 2024 and 2023**

---

**Note 1: The Plan and its significant accounting policies:**

The following description of the EagleBank (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established by the Company on October 1, 1998 to provide benefits to eligible employees. The Plan covers all employees of EagleBank, Eagle Commercial Ventures, Eagle Insurance Services, Eagle Bancorp, Inc. and Bethesda Leasing, LLC, with the exception of residents from Puerto Rico, non-resident aliens with no United States source income, temporary employees and employees covered by a collective bargaining agreement, who have at least one month of service and are age 18 years or older. Effective November 1, 2014, the Plan covers all employees of Virginia Heritage Bank (VHB) as the Company acquired VHB. Participants may enter the Plan on January 1<sup>st</sup>, April 1<sup>st</sup>, July 1<sup>st</sup> and October 1<sup>st</sup>. The Plan is subject to the provisions of ERISA.

**Basis of accounting** - The accompanying financial statements are prepared on the accrual basis of accounting.

**Administration** - Under the terms of the Plan, Fidelity Management Trust Company (Fidelity) acts as trustee, recordkeeper, and custodian. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and interest charges related to the use of Repurchase Agreements (REPO's) are charged directly to the participant's account and are included in administrative expenses. Also, beginning in 2016, a quarterly investment advisor fee is charged directly to participants' accounts on a pro-rata basis and is included in administrative expenses. Investment related expenses are also charged directly to the participant's account and included in administrative expenses.

**Investment valuation and income recognition** - Investments in the Plan are held by Fidelity and invested based solely upon instructions received from participants. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## Notes to Financial Statements

---

**December 31, 2024 and 2023**

---

**Note 1: The Plan and its significant accounting policies:** (continued)

**Notes receivable from participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. As of December 31, 2024 and 2023, the Plan administrator believes all notes receivable from participants are collectible.

**Payment of benefits** - Benefits are recorded when paid.

**Income taxes** - The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Use of estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Risks and uncertainties** - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, currency fluctuation, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Plan assets may have decreased in value since December 31, 2024 due to normal market fluctuations.

## Notes to Financial Statements

**December 31, 2024 and 2023**

---

**Note 1: The Plan and its significant accounting policies:** (continued)

**Plan amendments** - In August 2023, the Plan approved an amendment to its service agreement with Fidelity effective as of October 2023. Under the terms of this amendment, the Company is no longer required to separately approve participants' hardship withdrawal requests. As allowed by the SECURE 2.0 Act, participants are permitted to self-certify the reason for their hardship withdrawal request and that the amount of the request does not exceed their financial need.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act includes a series of temporary provisions that plan sponsors may choose to adopt relating to participant loans and distributions. After the passing of the CARES Act, the Plan chose to adopt the following temporary provisions: (1) providing participants with the option to skip required minimum distributions due in 2020, (2) allowing for a one-year deferral of loan repayments due between March 27, 2020 and December 31, 2020, and (3) allowing for qualified individuals to take coronavirus-related distributions, as defined in the CARES Act, of up to \$100,000 during 2020. Plan management intends to formally amend the Plan in order to reflect these changes.

Per the terms of the SECURE 2.0 Act, the threshold for automatic lump-sum cash distributions of participant vested account balances upon termination, retirement, disability, or death was raised from \$5,000 to \$7,000 in January 2024. The Plan intends to formally amend the Plan to incorporate this provision, as well as any other provisions adopted with respect to the SECURE and SECURE 2.0 Acts.

**Credit losses** - On January 1, 2024, the Plan adopted ASU 2016-13 Financial Instruments – Credit Losses (topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under CECL methodology is applicable to financial assets measured at amortized costs, including loan receivables and held-to-maturity debt securities. Notes receivable from participants under defined contribution plans are exempt from this new standard. The Plan adopted ASC 326 using the modified method for all financial assets measured at amortized costs. The Plan has analyzed its financial assets and deemed that no adjustment is necessary. Therefore, net assets available for benefits and changes in net assets available for benefits are unchanged due to the adoption of this new standard. The Plan will continue to analyze their financial assets for expected credit loss under this new standard.

**December 31, 2024 and 2023**

---

**Note 2: Participation and benefits:**

**Participant contributions** - Participants may elect to have the Company contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. If a participant was automatically enrolled in the Plan, the participant's deferral percentage will automatically increase 1% each year until it reaches a maximum of 10% of the participant's compensation, unless the participant elects otherwise.

Effective January 1, 2016, the Plan was amended to provide participants the option to make Roth elective deferrals. Roth elective deferrals are made after taxes have been withheld. Participants may contribute a combination of pre-tax elective deferrals and Roth elective deferrals. Participants who have attained age 50 during a calendar year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant's direction. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

**Employer contributions** - The Company may make a discretionary matching contribution. The Company provides a matching contribution of 100% of each eligible participant's contribution up to a maximum of 4% of the participant's compensation. The Plan also allows for a discretionary profit sharing contribution. No discretionary profit sharing contribution was made for the years ended December 31, 2024 and 2023.

**Participant accounts** - Each participant's account is credited with the participant's contributions, Plan earnings or losses, administrative expenses and an allocation of the Company's contribution, if any. Allocation of the Company's matching contributions is based on participant contributions. Allocation of the Company's discretionary profit sharing contribution is based on participants' compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**December 31, 2024 and 2023**

---

**Note 2: Participation and benefits:** (continued)

**Vesting** - Participants are immediately vested in their salary deferral, rollover contributions and related earnings. Participants vest in their discretionary matching and profit sharing contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	40%
3	60%
4	80%
5	100%

**Forfeited accounts** - At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$43,847 and \$62,481, respectively. These accounts will be used to reduce future employer contributions. Also, for the years ended December 31, 2024 and 2023, employer contributions were reduced by \$213,036 and \$207,871 from forfeited nonvested accounts, respectively.

**Payment of benefits** - Upon termination, retirement, disability, or death, the participant or beneficiary may receive the benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account or may elect to have the participant's vested balance rolled into an individual retirement account or new employer's retirement plan. The Plan allows for automatic lump-sum cash distributions of participant vested account balances which do not exceed \$7,000. The Plan allows for automatic distributions of participant vested account balances which are greater than \$1,000 but do not exceed \$7,000 to be rolled over to an individual retirement account designated by the Plan administrator.

**Notes receivable from participants** - The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at the available market financing rates. The loans must be repaid to the Plan within a five year period, unless the loan is used for the purchase of a primary residence. The specific terms and conditions of such loans are established by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

**Note 3: Certified information:**

Certain information related to the investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2024 and 2023, was obtained and derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity, the trustee of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule. In addition, the information in the Form 5500 Supplemental Attachment to Schedule H has been certified by Fidelity as of December 31, 2024.

**Note 4: Fair value measurements:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See Independent Auditor's Report

**EagleBank 401(k) Plan**  
**Notes to Financial Statements**

---

**December 31, 2024 and 2023**

---

**Note 4: Fair value measurements:** (continued)

Level 3 (continued) - The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2024 and 2023.

*Mutual funds* - valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective investment trusts* - valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The Plan's collective investment trusts seek to provide long-term investors with an asset allocation strategy designed to maximize assets for retirement consistent with the risk level and projected retirement date associated with each fund. They are designed to automatically adjust their risk over time, gradually shifting from a focus on capital appreciation to one of capital preservation. Investments in collective investment trusts are redeemable daily. Collective investment trusts have not been classified in the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 13,691,634	\$ -	\$ -	\$ 13,691,634

Total investments at fair value	<u>\$ 15,518,497</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 60,084,362</u>

**Note 5: Related party transactions and party in interest transactions:**

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are deducted from the participant's account and included in administrative expenses. Additionally, the Plan issues loans to participants, which are secured by the participants' accounts. These transactions are considered party-in-interest transactions.

**Note 6: Reconciliation of financial statements to Schedule H of Form 5500:**

The differences between the information reported in the financial statements and the information reported in the Form 5500 are due to classification differences in investment income.

**Note 7: Plan termination and/or modification:**

The Company intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Plan committee and subject to the provisions of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

**Note 8: Subsequent events:**

Subsequent events have been evaluated through August 14, 2025, which is the date the financial statements were available to be issued.

## Independent Auditor's Report

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of EagleBank 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of EagleBank 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of EagleBank 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about EagleBank 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of EagleBank 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about EagleBank 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**To the Participants and Plan Administrator of the  
EagleBank 401(k) Plan**  
Silver Spring, Maryland

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Note 1: The Plan and its significant accounting policies:**

The following description of the EagleBank (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established by the Company on October 1, 1998 to provide benefits to eligible employees. The Plan covers all employees of EagleBank, Eagle Commercial Ventures, Eagle Insurance Services, Eagle Bancorp, Inc. and Bethesda Leasing, LLC, with the exception of residents from Puerto Rico, non-resident aliens with no United States source income, temporary employees and employees covered by a collective bargaining agreement, who have at least one month of service and are age 18 years or older. Effective November 1, 2014, the Plan covers all employees of Virginia Heritage Bank (VHB) as the Company acquired VHB. Participants may enter the Plan on January 1<sup>st</sup>, April 1<sup>st</sup>, July 1<sup>st</sup> and October 1<sup>st</sup>. The Plan is subject to the provisions of ERISA.

**Basis of accounting** - The accompanying financial statements are prepared on the accrual basis of accounting.

**Administration** - Under the terms of the Plan, Fidelity Management Trust Company (Fidelity) acts as trustee, recordkeeper, and custodian. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and interest charges related to the use of Repurchase Agreements (REPO's) are charged directly to the participant's account and are included in administrative expenses. Also, beginning in 2016, a quarterly investment advisor fee is charged directly to participants' accounts on a pro-rata basis and is included in administrative expenses. Investment related expenses are also charged directly to the participant's account and included in administrative expenses.

**Investment valuation and income recognition** - Investments in the Plan are held by Fidelity and invested based solely upon instructions received from participants. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Note 1: The Plan and its significant accounting policies:** (continued)

**Notes receivable from participants** - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. As of December 31, 2024 and 2023, the Plan administrator believes all notes receivable from participants are collectible.

**Payment of benefits** - Benefits are recorded when paid.

**Income taxes** - The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Use of estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Risks and uncertainties** - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, currency fluctuation, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Plan assets may have decreased in value since December 31, 2024 due to normal market fluctuations.

**Note 1: The Plan and its significant accounting policies:** (continued)

**Plan amendments** - In August 2023, the Plan approved an amendment to its service agreement with Fidelity effective as of October 2023. Under the terms of this amendment, the Company is no longer required to separately approve participants' hardship withdrawal requests. As allowed by the SECURE 2.0 Act, participants are permitted to self-certify the reason for their hardship withdrawal request and that the amount of the request does not exceed their financial need.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act includes a series of temporary provisions that plan sponsors may choose to adopt relating to participant loans and distributions. After the passing of the CARES Act, the Plan chose to adopt the following temporary provisions: (1) providing participants with the option to skip required minimum distributions due in 2020, (2) allowing for a one-year deferral of loan repayments due between March 27, 2020 and December 31, 2020, and (3) allowing for qualified individuals to take coronavirus-related distributions, as defined in the CARES Act, of up to \$100,000 during 2020. Plan management intends to formally amend the Plan in order to reflect these changes.

Per the terms of the SECURE 2.0 Act, the threshold for automatic lump-sum cash distributions of participant vested account balances upon termination, retirement, disability, or death was raised from \$5,000 to \$7,000 in January 2024. The Plan intends to formally amend the Plan to incorporate this provision, as well as any other provisions adopted with respect to the SECURE and SECURE 2.0 Acts.

**Credit losses** - On January 1, 2024, the Plan adopted ASU 2016-13 Financial Instruments – Credit Losses (topic 326): Measurement of Credit Losses on Financial Instruments, as amended, which replaces the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The measurement of expected credit losses under CECL methodology is applicable to financial assets measured at amortized costs, including loan receivables and held-to-maturity debt securities. Notes receivable from participants under defined contribution plans are exempt from this new standard. The Plan adopted ASC 326 using the modified method for all financial assets measured at amortized costs. The Plan has analyzed its financial assets and deemed that no adjustment is necessary. Therefore, net assets available for benefits and changes in net assets available for benefits are unchanged due to the adoption of this new standard. The Plan will continue to analyze their financial assets for expected credit loss under this new standard.

**Note 2: Participation and benefits:**

**Participant contributions** - Participants may elect to have the Company contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. If a participant was automatically enrolled in the Plan, the participant's deferral percentage will automatically increase 1% each year until it reaches a maximum of 10% of the participant's compensation, unless the participant elects otherwise.

Effective January 1, 2016, the Plan was amended to provide participants the option to make Roth elective deferrals. Roth elective deferrals are made after taxes have been withheld. Participants may contribute a combination of pre-tax elective deferrals and Roth elective deferrals. Participants who have attained age 50 during a calendar year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant's direction. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

**Employer contributions** - The Company may make a discretionary matching contribution. The Company provides a matching contribution of 100% of each eligible participant's contribution up to a maximum of 4% of the participant's compensation. The Plan also allows for a discretionary profit sharing contribution. No discretionary profit sharing contribution was made for the years ended December 31, 2024 and 2023.

**Participant accounts** - Each participant's account is credited with the participant's contributions, Plan earnings or losses, administrative expenses and an allocation of the Company's contribution, if any. Allocation of the Company's matching contributions is based on participant contributions. Allocation of the Company's discretionary profit sharing contribution is based on participants' compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Note 2: Participation and benefits:** (continued)

**Vesting** - Participants are immediately vested in their salary deferral, rollover contributions and related earnings. Participants vest in their discretionary matching and profit sharing contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	40%
3	60%
4	80%
5	100%

**Forfeited accounts** - At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$43,847 and \$62,481, respectively. These accounts will be used to reduce future employer contributions. Also, for the years ended December 31, 2024 and 2023, employer contributions were reduced by \$213,036 and \$207,871 from forfeited nonvested accounts, respectively.

**Payment of benefits** - Upon termination, retirement, disability, or death, the participant or beneficiary may receive the benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account or may elect to have the participant's vested balance rolled into an individual retirement account or new employer's retirement plan. The Plan allows for automatic lump-sum cash distributions of participant vested account balances which do not exceed \$7,000. The Plan allows for automatic distributions of participant vested account balances which are greater than \$1,000 but do not exceed \$7,000 to be rolled over to an individual retirement account designated by the Plan administrator.

**Notes receivable from participants** - The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at the available market financing rates. The loans must be repaid to the Plan within a five year period, unless the loan is used for the purchase of a primary residence. The specific terms and conditions of such loans are established by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

**Note 3: Certified information:**

Certain information related to the investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, net appreciation in fair value of investments, and interest and dividends for the years ended December 31, 2024 and 2023, was obtained and derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity, the trustee of the Plan.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule. In addition, the information in the Form 5500 Supplemental Attachment to Schedule H has been certified by Fidelity as of December 31, 2024.

**Note 4: Fair value measurements:**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See Independent Auditor's Report

**Notes to Financial Statements**

**December 31, 2024 and 2023**

---

**Note 4: Fair value measurements:** (continued)

Level 3 (continued) - The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2024 and 2023.

*Mutual funds* - valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective investment trusts* - valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The Plan's collective investment trusts seek to provide long-term investors with an asset allocation strategy designed to maximize assets for retirement consistent with the risk level and projected retirement date associated with each fund. They are designed to automatically adjust their risk over time, gradually shifting from a focus on capital appreciation to one of capital preservation. Investments in collective investment trusts are redeemable daily. Collective investment trusts have not been classified in the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 13,691,634	\$ -	\$ -	\$ 13,691,634
Collective investment trusts (measured at NAV)	<u>-</u>	<u>-</u>	<u>-</u>	<u>50,717,988</u>

Total investments at fair value	<u>\$ 15,518,497</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 60,084,362</u>

**Note 5: Related party transactions and party in interest transactions:**

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are deducted from the participant's account and included in administrative expenses. Additionally, the Plan issues loans to participants, which are secured by the participants' accounts. These transactions are considered party-in-interest transactions.

**Note 6: Reconciliation of financial statements to Schedule H of Form 5500:**

The differences between the information reported in the financial statements and the information reported in the Form 5500 are due to classification differences in investment income.

**Note 7: Plan termination and/or modification:**

The Company intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Plan committee and subject to the provisions of ERISA. In the event the Plan is terminated in the future, participants would become fully vested in their accounts.

**Note 8: Subsequent events:**

Subsequent events have been evaluated through August 14, 2025, which is the date the financial statements were available to be issued.
