## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of  
Midwest Laboratories, Inc. Profit Sharing Plan and Trust

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Midwest Laboratories, Inc. Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Ascensus Trust Company (Ascensus) as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institution or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITORS' REPORT (Continued)**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

## **INDEPENDENT AUDITORS' REPORT (Continued)**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters – Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule H, line 4i – Schedule of Assets Held (At End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. **MIDWEST LABORATORIES, INC. PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended December 31, 2024 and 2023**

**NOTE A – DESCRIPTION OF PLAN**

The following description of the Midwest Laboratories, Inc. Profit Sharing Plan and Trust (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan sponsored by Midwest Laboratories, Inc. (Company) for the benefit of its employees who attain the age of 18 and 750 hours of service within a 12-month period. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

**Contributions**

The Company may make annual discretionary profit-sharing contributions to the Plan as directed by the Trustee, and that amount must not be in excess of that allowed by the Internal Revenue Service (IRS). Participants may make rollover contributions permitted under this Plan. Contributions are allocated to participants based on a uniform percentage of the participant's compensation to total compensation. Employees must be employed on the last day of the Plan year to be allocated profit-sharing contributions.

**Participant Investment Account Options**

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily.

**Participants' Accounts**

Each participant's account is credited with an allocation of the Company's discretionary contribution, the plan's investment income or loss, and administrative expenses. The benefit to which a participant is entitled is the benefit provided from the participant's vested account.

**Vesting**

Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. Participants' profit sharing contributions are fully vested after 6 years of continuous service. If a participant dies, becomes disabled, or if retirement conditions are satisfied, the participant's entire account will become fully vested.

**MIDWEST LABORATORIES, INC. PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**Years Ended December 31, 2024 and 2023**

**NOTE A – DESCRIPTION OF PLAN (Continued)**

**Notes Receivable from Participants**

Participants may borrow a minimum of \$1,000 up to a maximum range equal to fifty percent of their vested balance of \$50,000, whichever is less. Loan terms range from one to five years, unless the loan qualifies as a home loan, in which the term is determined by the Plan Administrator. The balance in the participant's account secures the loans. Principal and interest are paid ratably through payroll deductions and bear interest ranging from 4.25% to 9.50%, which is determined by the Plan Administrator.

**Payment of Benefits**

On termination of service, a participant may elect to receive a single lump sum equal to the value of the participant's vested account or a series of monthly installment payments over a specific period.

**Forfeited Accounts**

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$237,140 and \$129,249 (prior to the forfeitures used for the 2024 and 2023 contribution), respectively. Forfeited nonvested accounts are used to reduce future employer contributions, or to reduce plan expenses. In 2024, the employer profit sharing contributions were reduced by \$190,830 from forfeited nonvested accounts. In 2023, the employer profit sharing contributions were reduced by \$414,316 from forfeited nonvested accounts. Approximately \$333,830 of this amount was used to reduce the 2022 employer contribution funded in 2023 and \$80,486 of this amount was used to reduce the 2023 employer contribution funded in 2024.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

**Use of Estimates**

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported additions to and reductions from net assets. Actual results could vary from estimates used.

**MIDWEST LABORATORIES, INC. PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**Years Ended December 31, 2024 and 2023**

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Administrative fees and expenses of operating and maintaining the Plan may be paid out of the Plan's assets unless paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements.

**Subsequent Events**

The Plan Administrator has evaluated subsequent events through September 8, 2025, which is the date the financial statements were available to be issued.

**NOTE C – INFORMATION CERTIFIED BY ASCENSUS TRUST COMPANY**

The following is a summary of the investment information as of and for the years ended December 31, 2024 and 2023, respectively, included throughout the Plan's financial statements and supplemental schedules that were prepared by or derived from information provided by Ascensus Trust Company (Ascensus), the custodian, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Ascensus that information provided to the Plan Administrator by Ascensus related to the following investments is complete and accurate.

**MIDWEST LABORATORIES, INC. PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**Years Ended December 31, 2024 and 2023**

**NOTE C – INFORMATION CERTIFIED BY ASCENSUS TRUST COMPANY (Continued)**

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets as of December 31, 2024 and 2023:

	December 31,	
	2024	2023
Investments	\$ 45,231,761	\$ 37,772,635
Notes Receivable	377,053	98,156
Total	\$ 45,608,814	\$ 37,870,791

Ascensus also certified to the completeness and accuracy of \$5,181,197 and \$5,294,128 of net appreciation in the fair value of investments, \$796,731 and \$744,907 of interest and dividends related to the aforementioned investments, and \$21,828 and \$4,814 in interest on notes receivable from participants for the years ended December 31, 2024 and 2023, respectively.

**NOTE D – FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

**MIDWEST LABORATORIES, INC. PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**Years Ended December 31, 2024 and 2023**

**NOTE D – FAIR VALUE MEASUREMENTS (Continued)**

Level 2	<p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> <li>• Quoted prices for similar assets or liabilities in active markets;</li> <li>• Quoted prices for identical or similar assets or liabilities in inactive markets;</li> <li>• Inputs other than quoted prices that are observable for the asset or liability;</li> <li>• Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li> </ul> <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds and Money Market Mutual Funds:* Based on quoted net asset values (NAV) of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**MIDWEST LABORATORIES, INC. PROFIT SHARING PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**Years Ended December 31, 2024 and 2023**

**NOTE D – FAIR VALUE MEASUREMENTS (Continued)**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 42,855,855	\$ -	\$ -	\$ 42,855,855

Total assets at fair value	<u>\$ 45,231,761</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 45,231,761</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 36,061,819	\$ -	\$ -	\$ 36,061,819

Total assets at fair value	<u>\$ 37,772,635</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 37,772,635</u>

**NOTE E – TAX STATUS**

The Plan operates under a pre-approved plan agreement sponsored by Ascensus LLC. The pre-approved plan document received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 as to the pre-approved plan document's qualified status. The pre-approved plan document's opinion letter has been relied upon by this Plan. Although the Plan has amended the plan document, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for periods prior to December 31, 2020.

**NOTE F – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**Years Ended December 31, 2024 and 2023**

**NOTE G – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE H – RELATED PARTY TRANSACTIONS**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are shares of mutual funds managed by Vanguard, Inc. (partnership with Ascensus Trust Company). Ascensus Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan sponsor pays directly any other fees related to the Plan's operations.

The Plan paid \$98,220 and \$75,635 of fees to related parties and service providers during the years ended December 31, 2024 and 2023, respectively. The Company provides certain administrative services at no cost to the Plan.
