Independent Auditor's Report

Plan Administrator
Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2008. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established for the benefit of the employees of Hadassah, The Women's Zionist Organization of America, Inc. (the Organization, Employer or Plan Sponsor). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: All employees of the Organization are eligible for the Plan pursuant to the Universal Availability Rule (the Rule). The Rule states that if an organization permits one employee to defer salary into a 403(b) plan, the Organization must extend this offer to all employees of the Organization. Certain employees, as defined by the Plan, are not eligible, which includes employees who normally work less than 20 hours per week, those eligible to participate in certain other plans, nonresident aliens or employees who are students performing services.

Contributions: Each year, participants may make salary deferral contributions at any percentage or dollar amount of pretax annual compensation, as defined by the Plan. Effective October 1, 2022, the Plan also allows participants to make roth elective deferrals to the Plan. The Organization also matches an employee's contribution into the Plan. The Organization will match at a rate of 75%, the first 6% of each participant's base compensation that is contributed by the participant to the Plan for both union and nonunion employees. Contributions are subject to certain limitations imposed by the IRC.

Effective October 1, 2022, the Plan has an automatic enrollment provision that consists of a pretax salary deferral of 3% for all newly eligible employees, excluding union employees.

Rollovers: The Plan permits employees to rollover eligible retirement plan funds to their participant accounts.

Payment of benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various installments as outlined in the Plan agreement. Participants may also make withdrawals prior to termination of employment upon attainment of age 59½. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participant accounts: Each participant's account is credited with an allocation of: (a) the participant's contributions, (b) the Employer's contributions and (c) Plan earnings and charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Participants' investment options: Participants must direct the amounts contributed to selected investments as made available and determined by the Plan Administrator as directed by its Pension Committee. Participants may change their investment options at any time throughout the year via direct phone or Internet access to Transamerica.

Vesting: Vesting is based on years of service. Participants with more than one year of service vest 20% each year and are fully vested after five years of service. After termination of employment, the nonvested portion of the account is forfeited at the time of distribution.

Forfeitures: Upon termination of service and distribution, any unvested interest of the employer contribution account will be forfeited. Forfeitures are retained in the Plan and are eligible to be used to reduce employer contributions. In 2024, employer contributions were reduced by \$14,182 from forfeited nonvested accounts. The Plan has \$207,795 and \$14,233 in the forfeiture account as of December 31, 2024 and 2023, respectively.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable from participants are secured by the balance in the participant's account and bear interest at 4.25% to 9.50%, which are commensurate with local prevailing rates. Notes receivable from participants terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through monthly payroll deductions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions: Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which participant compensation is earned.

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Pension Committee determines the Plan's valuation policies utilizing information provided by investment advisers, custodians and an insurance company. See Note 4 for discussion of fair value measurements.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan has evaluated subsequent events through September 19, 2025, the date the financial statements were available for issuance.

Note 3. Information Certified by State Street Bank and Trust Company and Transamerica Financial Life Insurance Company Inc.

The following is a summary of the Plan's asset information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified as complete and accurate to the best of their knowledge and belief by State Street Bank and Trust Company (SSBT) and Transamerica Financial Life Insurance Company Inc. (TFLIC), qualified institutions:

	2024	2023
TFLIC		
Guaranteed investment contract, at contract value	\$ 207,795	\$ 14,233
SSBT		
Shares of registered investment companies, at fair value	\$ 33,183,585	\$ 27,913,133
Notes receivable from participants	224,867	279,274

SSBT also certified to the completeness and accuracy of \$3,913,915 of net appreciation in fair value of investments, \$624,638 of interest and dividends and \$18,495 of interest income on notes receivable from participants for the year ended December 31, 2024.

TFLIC also certified to the completeness and accuracy of \$1,001 of interest and dividends for the year ended December 31, 2024.

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for Level 1 investment assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 33,183,585	\$ -	\$ -	\$ 33,183,585
Total investments at fair value	\$ 33,183,585	\$ -	\$ -	\$ 33,183,585

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 5. Fully Benefit-responsive Investment Contracts

The Plan holds investment contracts with TFLIC and Prudential Retirement Insurance and Annuity Company (PRIAC), and maintains participant contributions in general accounts. Empower Annuity Insurance Company of America, a subsidiary of Empower Holdings LLC, acquired the Prudential Financial retirement business in 2022 and is the current legal counter party of the original contract with Prudential. The guaranteed funds are investment options under the Plan and are provided under annuity group contracts issued by TFLIC and PRIAC. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by TFLIC and PRIAC. The insurance general accounts and the guaranteed funds are reported at contract value. The contracts are included in the financial statements at contract value, as reported to the Plan by TFLIC and PRIAC (which represents contributions made under the contract, less withdrawals and administrative expenses) because these investments have fully benefit-responsive features. There are no reserves against contract values for credit risk of contract issues or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Such events include the following: (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation or (d) a material amendment to the agreements without the consent of the issuer. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 6. Tax Status

The Plan has adopted a preapproved plan document that has received an opinion letter from the IRS dated March 31, 2017, stating that the form of the preapproved plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since adopting the preapproved plan document. However, the Plan Administrator believes the Plan is designed, and is being operated, in conformity with the applicable requirements of the IRC and therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Related Party and Party-in-Interest Transactions

The Plan's Insurance Company/General Account is an investment contract with insurance company issued by TFLIC. TFLIC is an affiliate of Transamerica, the third-party administrator, and therefore, these transactions qualify as exempt party-in-interest transactions as defined by ERISA. Certain administration expenses charged to the Plan for investments in the mutual funds are deducted from income earned and are not separately reflected. Consequently, certain administration expenses are reflected as a reduction of investment return for such investments.

Hadassah, The Women's Zionist Organization of America, Inc. 403(b) Plan

Notes to Financial Statements

Note 7. Related Party and Party-in-Interest Transactions (continued)

These party-in-interest transactions are not deemed prohibited because they are covered by statutory and administrative exemptions from the IRC and the rules of prohibited transactions of ERISA.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to net assets per the Form 5500 at December 31, 2024 and 2023:
