### **Independent Auditor's Report**

To the Administrative Committee of  
the Xtiva, Inc. 401(k) Profit Sharing Plan and Trust  
Edison, NJ

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of the Xtiva, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements  
December 31, 2024 and 2023

**Note 1 – Description of Plan**

The following description of the Xtivia, Inc. 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. A more complete description of the Plan and its provisions can be found in the plan agreement and summary plan description.

General and Plan Merger: The Plan is a defined contribution plan with both 401(k) and profit-sharing features. The Plan is sponsored by Xtivia, Inc. (the “Company”). All Company employees who have completed two months of service, except union employees whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, certain nonresident aliens who have no earned income from sources within the United States, and hourly contract employees, are eligible to become active participants of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was amended and restated effective April 16, 2019 merging the Pleasant Valley Business Solutions 401(k) Profit Sharing Plan and Trust into the Plan.

The Plan was most recently amended and restated effective February 7, 2023.

Effective February 7, 2023, the RightStar, Inc. 401(k) Profit Sharing Plan merged into the Plan. The transferred net assets have been recognized in the accounts of the Plan on or about February 7, 2023 at their balances previously carried in the accounts of the RightStar, Inc. 401(k) Profit Sharing Plan. A summary of the transferred net assets follows:

Investments, at fair value	\$ 7,976,790
Notes receivable from participants	69,106
	<u>\$ 8,045,896</u>

On March 4, 2024, the Plan received \$470,910 in additional investments, at fair value, related to the RightStar, Inc. 401(k) Profit Sharing Plan merger.

Contributions: Participants may elect to contribute a portion of their annual gross compensation, as a pre-tax or after-tax (Roth) contribution, subject to limitations as provided in the Internal Revenue Code (the “IRC”) (\$23,000 and \$22,500 in 2024 and 2023, respectively). Participants who have attained age 50 before the end of the Plan year are eligible to make “catch-up” contributions of an additional \$7,500 in both 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make a discretionary matching contribution equal to a uniform percentage or dollar amount of participant elective deferrals each Plan year. The Company may also make a discretionary nonelective contribution. If contributed, the nonelective contribution is allocated in a manner that is in accordance with permitted disparity requirements.

Xtivia, Inc. 401(k) Profit Sharing Plan and Trust  
Notes to Financial Statements  
December 31, 2024 and 2023

**Note 1 – Description of Plan (continued)**

This permits a greater allocation in proportion to compensation in excess of the social security taxable wage base. Total contributions to participant accounts are subject to a maximum amount of \$69,000 (\$76,500 including catch-up contributions) in 2024 and \$66,000 (\$73,500 including catch-up contributions) in 2023.

Participant Accounts: Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of the Company’s nonelective contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SECURE Act and CARES Act: On August 3, 2022, the IRS released Notice 2022-33, which extends the deadline for adopting any SECURE Act plan amendments until December 31, 2025, to provide relief for plan sponsors waiting for final IRS guidance on many of the SECURE Act’s provisions. The Notice also extends the deadline for the 2020 waiver in the CARES Act of required minimum distributions until December 31, 2025. These amendments can be retroactively adopted; therefore, the Plan can implement the amendments prior to amending the plan instrument. Similarly, plans may have voluntarily adopted provisions under the CARES Act by placing them in operation without amending the plan as long as the plan management makes the required amendments to plan documents by December 31, 2025.

SECURE 2.0 Act of 2022: The SECURE 2.0 Act of 2022 (“SECURE 2.0 Act”) was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the SECURE 2.0 Act generally need not be made until the end of the first plan year beginning on or after January 1, 2025; however, plans must be operated in accordance with the effective date of each new provision. There is no current impact to the Plan and these provisions did not have an impact on the financial statements. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

Vesting: Participants are immediately vested in their contributions and earnings thereon. Effective January 1, 2022, vesting in the Company’s nonelective and matching contributions, plus actual earnings thereon was based on years of continuous service, as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 1 year	0%
At least 1 year but less than 2	25%
At least 2 years but less than 3	50%
At least 3 years but less than 4	75%
4 years or more	100%

Xtivia, Inc. 401(k) Profit Sharing Plan and Trust  
Notes to Financial Statements  
December 31, 2024 and 2023

**Note 1 – Description of Plan (continued)**

Participants are also fully vested upon their death, disability, or retirement.

Notes Receivable From Participants: Participants may borrow from their fund accounts a minimum of \$1,000 and a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as transfers between the mutual fund investments and the participant loans. Generally, loans are to be repaid within 5 years. Loans used to acquire a principal residence may be repaid within a longer period of time. The loans are collateralized by the balance in the participant's account and bear interest at reasonable rates.

Payment of Benefits: When a participant terminates for any reason, a lump-sum distribution equal to the value of the vested interest in his or her account may be made if the participant's vested interest does not exceed \$5,000. If the participant's vested interest exceeds \$5,000, the participant, or his or her beneficiary may elect a lump-sum or installment form of distribution payable over not more than the participant's assumed life expectancy.

Forfeitures: The portion of a former participant's account, which is not distributed because of the vesting provision, can be used to reduce the amount of the employer's next matching contribution or to pay plan expenses. The balance in the forfeiture account as of December 31, 2024 and 2023 was \$73 and \$1,887, respectively.

**Note 2 – Summary of Accounting Policies**

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note 4 for discussion of fair value measurements.

Xtivia, Inc. 401(k) Profit Sharing Plan and Trust  
Notes to Financial Statements  
December 31, 2024 and 2023

**Note 2 – Summary of Accounting Policies (continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**Note 3 – Investments and Information Certified by the Trustees**

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, plan management instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustees of the Plan, as complete and accurate, except for comparing such information certified by the trustees with information included in the Plan's financial statements and supplemental schedule:

Investments held and participant loans receivable certified by the trustees:

	<i>As of December 31,</i>	
	<u>2024</u>	<u>2023</u>
Investments	\$ 32,331,246	\$ 27,250,945

Interest and dividend income	1,014,158	727,363
Interest on participant loans	18,852	14,294

The following presents select investments, with approximate percentage of the Plan’s net assets, as of December 31, 2024 and 2023.

	<i>December 31,</i>			
	<u>2024</u>		<u>2023</u>	
Vanguard Growth Index Admiral Fund	\$ 4,454,089	14%	\$ 3,153,484	11%
Vanguard Target Retirement 2025 INV	3,142,003	10%	3,253,676	12%

During the years ended December 31, 2024 and 2023, the Plan’s investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,226,337 and \$3,029,053, respectively.

**Note 4 - Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1    Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
  
- Level 2    Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;

Xtivia, Inc. 401(k) Profit Sharing Plan and Trust  
Notes to Financial Statements  
December 31, 2024 and 2023

**Note 4 - Fair Value Measurements (continued)**

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Fixed Annuities:* The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

The categorization of an investment within the fair value hierarchy is based upon the pricing transparency of the investment and does not necessarily correspond to Plan management's perceived risk of that investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. While Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 5 – Related-Party Transactions and Party-In-Interest Transactions**

Certain Plan investments are mutual funds managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC. Empower Annuity Insurance Company of America and Empower Trust Company, LLC are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Management believes that fees paid during the year for administrative, managerial, and recordkeeping services rendered by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, and Empower Inc., the recordkeeper as defined by the Plan, were based on customary and reasonable rates for such services. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Notes receivable from participants are also considered exempt party-in-interest transactions.

**Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Xtivia, Inc. 401(k) Profit Sharing Plan and Trust  
Notes to Financial Statements  
December 31, 2024 and 2023

**Note 7 – Tax Status**

The Plan uses a Non-Standardized Pre-Approved Profit Sharing Plan with CODA plan document sponsored by Great-West Trust Company, LLC. Great-West Trust Company, LLC obtained an opinion letter on June 30, 2020, in which the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA plan document adopted by the Plan, as then designed, qualifies under Internal Revenue Code (“IRC”) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**Note 8 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include risks related to pandemics and international conflicts. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

**Note 9 – Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023 to Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 32,826,194	\$ 27,821,652
Less: Employer contribution receivable	(316,621)	(300,485)
Net assets available for benefits per the Form 5500	<u>\$ 32,509,573</u>	<u>\$ 27,521,167</u>

Notes to Financial Statements  
December 31, 2024 and 2023

**Note 9 – Reconciliation of Financial Statements to Form 5500 (continued)**

The following is a reconciliation of the net increase in net assets available for benefits before transfers per the financial statements for the year ended December 31, 2024 to Form 5500:

Net increase in net assets available for benefits before transfers per the financial statements	\$ 4,533,632
Add: employer contribution receivable at beginning of year	300,485
Less: employer contribution receivable at end of year	<u>(316,621)</u>
Net increase in net assets available for benefits before transfers per the Form 5500	<u>\$ 4,517,496</u>

**Note 10 – Subsequent Events**

Effective January 1, 2025, the Plan's involuntary cash-out threshold increased to \$7,000.

The Plan has evaluated subsequent events through September 16, 2025, the date which the financial statements were available to be issued.
