INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Northeast Scottsdale Auto Group 401(k) Plan
Scottsdale, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Northeast Scottsdale Auto Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)[ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for Plan benefits as of March 5, 2025 and December 31, 2024, and the related statement of changes in net assets available for Plan benefits for the period and year then ended and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of Northeast Scottsdale Auto Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certificate from John Hancock Life Insurance Company, a qualified institution as of and for the year end March 5, 2025 and December 31, 2024, stating that the certified information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- The information in the financial statements referred to above related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with accounting standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Northeast Scottsdale Auto Group 401(k) Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter-Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 of the financial statements, the Plan was terminated on March 5, 2025, and as a result the Plan used the liquidation basis used in presenting the 2025 and 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Scottsdale Auto Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial Statements as a whole are free from material misstatement, whether due to error or fraud, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore it is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northeast Scottsdale Auto Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Scottsdale Auto Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Northeast Scottsdale Auto Group Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective June 1, 2019, Northeast Scottsdale Auto Group (the "Company" or "Employer") established and adopted the Plan for its employees. The Plan is a defined contribution savings Plan covering substantially all employees who have completed 60 days of service and have reached the age of 21 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by trustees consisting of one or more people appointed by the Board of Directors of the Company. Management decided to terminate the Plan during 2024 with an effective termination date of March 5, 2025.

Contributions

Under the terms of the Plan, participants may elect to defer a percentage of their regular earnings from the Company to the Plan. Such salary reduction contributions on a pre-tax basis shall not exceed the maximum Internal Revenue Service ("IRS") dollar limit of \$23,500 in 2025 and \$23,000 in 2024, respectively. Additionally, participants who will be at least age 50 by the end of the tax year may make an additional "catch up" contribution of \$7,500 in 2025 and 2024. Participants may also contribute rollover distributions from other qualified plans.

The Company may make discretionary matching contributions equal to a percentage determined each year by the Company of Employee Elective Deferral Contributions. For the period ended March 5, 2025 and the year ended December 31, 2024 the Company made matching contributions of \$0 and \$116,249, respectively, to the Plan. The Company may also make a discretionary contribution each year as well as qualified non-elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer matching contributions and an allocation of (a) the Company's contribution, and (b) the Plan's earnings or losses. Allocations are based on participant earnings or losses on account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are applied at the end of the plan year in which they occur to reduce Employer contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment into the Plan, a participant may direct their employee contributions in various percentage increments among any of the various investment options. Participants may change their investment options at any time via internet access.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Vesting

Participants are immediately vested in their elective deferral and earnings thereon. Participants become vested in any employer discretionary matching and profit-sharing contributions based on years of continuous service. A participant becomes fully vested after six years of continuous service. Any amount net vested upon a participant's separation from service is forfeited and used to reduce the profit-sharing contribution or pay Plan expenses. A participant becomes fully vested in the entire balance of their account upon retirement, disability, death or termination of the Plan.

The discretionary matching and profit-sharing contributions of a participant shall be subjected to the following vesting schedule:

<u>Vesting Years Of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their funds a minimum of \$1,000 and a maximum equal to 50% of their vested account or \$50,000, reduced by any outstanding loan balance. Loan transactions are treated as segregated investments of the individual participant. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest payments are paid ratably through payroll deductions. On March 5, 2025, there were no notes receivable from participants.

Termination or Modification of the Plan

The Company has the right to terminate the Plan at any time by delivering to the Trustee and Administrator written notice. The sponsor may amend any or all provisions of this Plan without obtaining the approval or consent of the Employer providing the amendment does not permit any part of the corpus or income of the Plan to be used for any purpose other than for the benefit of the participants and their beneficiaries. In the event the Plan is terminated, all participants will become 100% vested in their accounts. The Company decided to terminate the Plan with a termination date of March 5, 2025.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Payment of Benefits

Upon termination of service for any reason a participant is entitled to the vested value of their accounts. If the vested value is below \$5,000 the participant may receive either a lump sum or have the funds transferred to an IRA or other plan. If the vested value is more than \$5,000 the participant in addition to the options above may also defer benefits to Normal Retirement Age or age 65.

Forfeitures

Any accumulated benefits forfeited during a Plan year due to participant withdrawal prior to full vesting may be applied to reduce employer contributions or to pay administrative expenses which would otherwise be paid by the Plan. Forfeited non-vested accounts totaled \$0 and \$0 on March 5, 2025 and December 31, 2024, respectively. Forfeitures used to reduce Plan expenses and Employer contributions for the period ended March 5, 2025 and the year ended December 31, 2024 totaled \$0 and \$23,448, respectively.

Administrative Expenses

The employer is authorized to reimburse the Plan for all expenses and fees incurred in the administration of the Plan and paid out of the assets of the fund. During 2025 and 2024, the Plan expenses were \$12,319 and \$35,395, respectively. In addition, investment related expenses are included in net appreciation of fair value of investments.

Date of Management Evaluation

Management has evaluated subsequent events through September 12, 2025, the date on which the financial statements were available to be issued.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the liquidation basis of accounting and present the net assets available for Plan benefits on March 5, 2025 and December 31, 2024 and changes in net assets available for Plan benefits for the period ended March 5, 2025 and the year ended December 31, 2024.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES(Cont.)

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Participant loan receivables are valued at cost which approximate current value. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. For the period ended March 5, 2025 and the year ended December 31, 2024 the Plan reported distributions of \$4,913,745 and \$325,552.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance will be reduced, and the delinquent participant note receivable is recorded as a benefit payment (deemed distribution) based on the terms in the Plan document. Deemed distributions of \$25,997 and \$27,254 were reported for the Plan years ending March 5, 2025 and December 31, 2024, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and charges therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 3 - INCOME TAX STATUS

The Internal Revenue Service has determined the Plan, and related trust is designed in accordance with applicable sections of the Internal Revenue Code. Although the plan has been amended since receiving the determination letter, the plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of March 5, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 4 - ADMINISTRATION OF PLAN ASSETS

The Plan's assets were held by the trustees of the Plan consisting of one or more people appointed by the Board of Directors of the Company. On March 5, 2025 and December 31, 2024 the assets of the Plan were administered under a Custodian agreement with John Hancock Life Insurance Company. The Custodian agreement requires that the Custodian holds, administers and distributes the funds of the Plan in accordance with the text of the Plan and instructions of the trustees.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 5 – FAIR VALUE MEASUREMENTS(Cont.)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: Valued at the net asset value (NAV) of shares held by the plan at year end.

Registered investment companies (Mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded and therefore classified at Level one.

Notes receivable from participants: Valued at amortized cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 5 – FAIR VALUE MEASUREMENTS(Cont.)

As required by FASB ASC 820-10, on December 31, 2024, the Plan's portfolio investments were classified as follows, based on fair values:

		<u>December 31, 2024</u>		
<u>Input levels by investment category:</u>				
<u>Investment category</u>	<u>Fair Value</u>	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>
Registered investment companies:	\$ 4,739,785	\$ 4,739,785	\$ 0	\$ 0
Total	\$ 4,739,785	\$ 4,739,785	\$ 0	\$ 0

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the custodian.

	<u>2025</u>	<u>2024</u>
Investments, at fair value:		
Pooled Separate Accounts	\$ -	\$ 4,739,785

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Northeast Scottsdale Auto Group 401(k) Plan
Scottsdale, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Northeast Scottsdale Auto Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)[ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for Plan benefits as of March 5, 2025 and December 31, 2024, and the related statement of changes in net assets available for Plan benefits for the period and year then ended and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of Northeast Scottsdale Auto Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certificate from John Hancock Life Insurance Company, a qualified institution as of and for the year end March 5, 2025 and December 31, 2024, stating that the certified information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- The information in the financial statements referred to above related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with accounting standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Northeast Scottsdale Auto Group 401(k) Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter-Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 of the financial statements, the Plan was terminated on March 5, 2025, and as a result the Plan used the liquidation basis used in presenting the 2025 and 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Scottsdale Auto Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial Statements as a whole are free from material misstatement, whether due to error or fraud, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore it is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Northeast Scottsdale Auto Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Northeast Scottsdale Auto Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Northeast Scottsdale Auto Group Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective June 1, 2019, Northeast Scottsdale Auto Group (the "Company" or "Employer") established and adopted the Plan for its employees. The Plan is a defined contribution savings Plan covering substantially all employees who have completed 60 days of service and have reached the age of 21 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by trustees consisting of one or more people appointed by the Board of Directors of the Company. Management decided to terminate the Plan during 2024 with an effective termination date of March 5, 2025.

Contributions

Under the terms of the Plan, participants may elect to defer a percentage of their regular earnings from the Company to the Plan. Such salary reduction contributions on a pre-tax basis shall not exceed the maximum Internal Revenue Service ("IRS") dollar limit of \$23,500 in 2025 and \$23,000 in 2024, respectively. Additionally, participants who will be at least age 50 by the end of the tax year may make an additional "catch up" contribution of \$7,500 in 2025 and 2024. Participants may also contribute rollover distributions from other qualified plans.

The Company may make discretionary matching contributions equal to a percentage determined each year by the Company of Employee Elective Deferral Contributions. For the period ended March 5, 2025 and the year ended December 31, 2024 the Company made matching contributions of \$0 and \$116,249, respectively, to the Plan. The Company may also make a discretionary contribution each year as well as qualified non-elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer matching contributions and an allocation of (a) the Company's contribution, and (b) the Plan's earnings or losses. Allocations are based on participant earnings or losses on account balances, as defined. Forfeited balances of terminated participants' non-vested accounts are applied at the end of the plan year in which they occur to reduce Employer contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment into the Plan, a participant may direct their employee contributions in various percentage increments among any of the various investment options. Participants may change their investment options at any time via internet access.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Vesting

Participants are immediately vested in their elective deferral and earnings thereon. Participants become vested in any employer discretionary matching and profit-sharing contributions based on years of continuous service. A participant becomes fully vested after six years of continuous service. Any amount net vested upon a participant's separation from service is forfeited and used to reduce the profit-sharing contribution or pay Plan expenses. A participant becomes fully vested in the entire balance of their account upon retirement, disability, death or termination of the Plan.

The discretionary matching and profit-sharing contributions of a participant shall be subjected to the following vesting schedule:

<u>Vesting Years Of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their funds a minimum of \$1,000 and a maximum equal to 50% of their vested account or \$50,000, reduced by any outstanding loan balance. Loan transactions are treated as segregated investments of the individual participant. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest payments are paid ratably through payroll deductions. On March 5, 2025, there were no notes receivable from participants.

Termination or Modification of the Plan

The Company has the right to terminate the Plan at any time by delivering to the Trustee and Administrator written notice. The sponsor may amend any or all provisions of this Plan without obtaining the approval or consent of the Employer providing the amendment does not permit any part of the corpus or income of the Plan to be used for any purpose other than for the benefit of the participants and their beneficiaries. In the event the Plan is terminated, all participants will become 100% vested in their accounts. The Company decided to terminate the Plan with a termination date of March 5, 2025.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Payment of Benefits

Upon termination of service for any reason a participant is entitled to the vested value of their accounts. If the vested value is below \$5,000 the participant may receive either a lump sum or have the funds transferred to an IRA or other plan. If the vested value is more than \$5,000 the participant in addition to the options above may also defer benefits to Normal Retirement Age or age 65.

Forfeitures

Any accumulated benefits forfeited during a Plan year due to participant withdrawal prior to full vesting may be applied to reduce employer contributions or to pay administrative expenses which would otherwise be paid by the Plan. Forfeited non-vested accounts totaled \$0 and \$0 on March 5, 2025 and December 31, 2024, respectively. Forfeitures used to reduce Plan expenses and Employer contributions for the period ended March 5, 2025 and the year ended December 31, 2024 totaled \$0 and \$23,448, respectively.

Administrative Expenses

The employer is authorized to reimburse the Plan for all expenses and fees incurred in the administration of the Plan and paid out of the assets of the fund. During 2025 and 2024, the Plan expenses were \$12,319 and \$35,395, respectively. In addition, investment related expenses are included in net appreciation of fair value of investments.

Date of Management Evaluation

Management has evaluated subsequent events through September 12, 2025, the date on which the financial statements were available to be issued.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the liquidation basis of accounting and present the net assets available for Plan benefits on March 5, 2025 and December 31, 2024 and changes in net assets available for Plan benefits for the period ended March 5, 2025 and the year ended December 31, 2024.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES(Cont.)

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Participant loan receivables are valued at cost which approximate current value. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid. For the period ended March 5, 2025 and the year ended December 31, 2024 the Plan reported distributions of \$4,913,745 and \$325,552.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance will be reduced, and the delinquent participant note receivable is recorded as a benefit payment (deemed distribution) based on the terms in the Plan document. Deemed distributions of \$25,997 and \$27,254 were reported for the Plan years ending March 5, 2025 and December 31, 2024, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and charges therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 3 - INCOME TAX STATUS

The Internal Revenue Service has determined the Plan, and related trust is designed in accordance with applicable sections of the Internal Revenue Code. Although the plan has been amended since receiving the determination letter, the plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of March 5, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 4 - ADMINISTRATION OF PLAN ASSETS

The Plan's assets were held by the trustees of the Plan consisting of one or more people appointed by the Board of Directors of the Company. On March 5, 2025 and December 31, 2024 the assets of the Plan were administered under a Custodian agreement with John Hancock Life Insurance Company. The Custodian agreement requires that the Custodian holds, administers and distributes the funds of the Plan in accordance with the text of the Plan and instructions of the trustees.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 5 – FAIR VALUE MEASUREMENTS(Cont.)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: Valued at the net asset value (NAV) of shares held by the plan at year end.

Registered investment companies (Mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded and therefore classified at Level one.

Notes receivable from participants: Valued at amortized cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

See independent auditors' report.

NORTHEAST SCOTTSDALE AUTO GROUP 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 5, 2025 AND DECEMBER 31, 2024

NOTE 5 – FAIR VALUE MEASUREMENTS(Cont.)

As required by FASB ASC 820-10, on December 31, 2024, the Plan's portfolio investments were classified as follows, based on fair values:

		<u>December 31, 2024</u>		
<u>Input levels by investment category:</u>				
<u>Investment category</u>	<u>Fair Value</u>	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>
Registered investment companies:	\$ 4,739,785	\$ 4,739,785	\$ 0	\$ 0
Total	\$ 4,739,785	\$ 4,739,785	\$ 0	\$ 0

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the custodian.
