Independent Auditors' Report

The 401(k) Plan Retirement Committee
Mayekawa USA, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Mayekawa USA, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAYEKAWA USA, INC. 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

(1) Description of plan

The following description of the Mayekawa USA, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted to provide retirement benefits for employees of Mayekawa USA, Inc. (the "Plan Sponsor"). The Plan covers substantially all employees who are age eighteen or older and have completed three months of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may be made after-tax in the form of a Roth contribution. Employees hired on or after January 1, 2017 are automatically enrolled in the Plan at a deferral rate of 6% of their compensation unless the employee elects not to participate or elects a different deferral rate. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Employees may make a contribution up to 100% of eligible compensation.

During 2024 and 2023, the Plan Sponsor matched an amount equal to 100% of the first 6% of each participant's deferral up to a maximum of \$3,000.

The Plan also provides that the Plan Sponsor may contribute each year an additional discretionary contribution. No additional discretionary contributions were made by the Plan Sponsor during 2024 or 2023.

Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

(c) Participant accounts

Each participant's account is credited (charged) with the participant's and Plan Sponsor contributions and allocations of investment earnings (losses) and administrative expenses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

MAYEKAWA USA, INC. 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

(d) Vesting

Participants are immediately vested in their elective salary deferral contributions, plus related actual earnings (losses) thereon. Vesting in the Plan Sponsor contributions is based on years of continuous service. Participants vest 20% each year and are fully vested after five years of credited service.

(e) Participant notes receivable

Each participant may borrow from his or her fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of his or her account balance. The notes are secured by the balances in the respective participants' accounts and bear interest at fixed rates ranging from 4.25% to 9.50% as of December 31, 2024, which are determined at the time of the borrowing by the plan administrator and are commensurate with local prevailing rates. Principal and interest are collected through payroll deductions.

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive a lump-sum payment equal to his or her entire account. Withdrawals by a participant while employed are limited to those requested due to events of financial hardship as defined by the plan document and to those participants that have attained age 59½. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account as a lump-sum distribution.

(g) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor matching and discretionary contribution portion of their accounts. Such forfeitures may be used to pay Plan expenses or reduce the Plan Sponsor's matching contributions to the Plan. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$24,381 and \$99,113, respectively. During 2024 and 2023, plan expenses of \$9,178 and \$11,784, respectively, were paid from forfeited nonvested accounts. During 2024 and 2023, employer contributions of \$101,729 and \$13,029, respectively, were reduced from forfeited nonvested accounts.

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan document. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance.

MAYEKAWA USA, INC. 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of the Plan, participant notes receivable, and processing of distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

(j) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account balances.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Plan Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Empower Annuity Insurance Company of America and Empower Trust Company, LLC, (collectively, Empower). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Participant notes receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

(d) Payment of benefits

Benefits are recorded when paid.

Notes to the Financial Statements

December 31, 2024 and 2023

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingents assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan's management has evaluated events and transactions that occurred between December 31, 2024 and September 22, 2025, the issuance date of the report, for possible recognition or disclosure in the financial statements.

(3) Certified information

The fair value and contract value of investments and participant notes receivable held at December 31, 2024 and 2023 and the net appreciation in fair value of investments, interest and dividends, and interest on participant notes receivable for the years ended December 31, 2024 and 2023, as reported and disclosed in the accompanying financial statements and supplemental schedule, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower.

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 and Level 3 are not applicable to the Plan.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

MAYEKAWA USA, INC. 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

- (i) *Mutual funds*: Valued based on the funds' reported closing net asset values ("NAV") of shares held by the Plan as of the last business day of the plan year. The mutual funds are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets within the fair value hierarchy as of December 31, 2024 and 2023:

Fair Value Measurements as of
December 31, 2024 Using the Following Measurements

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value - mutual funds	\$ <u>12,467,490</u>	\$ _____ -	\$ _____ -	\$ 12,467,490
Investments measured at NAV as a practical expedient (a)				<u>1,430,912</u>
Investments, at fair value				\$ <u>13,898,402</u>

Fair Value Measurements as of
December 31, 2023 Using the Following Measurements

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments at fair value - mutual funds	\$ <u>10,992,800</u>	\$ _____ -	\$ _____ -	\$ 10,992,800
Investments measured NAV as a practical expedient (a)				<u>1,154,156</u>
Investments at fair value				\$ <u>12,146,956</u>

- (a) Certain investments are measured at NAV as a practical expedient to estimate fair value and, therefore, has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

MAYEKAWA USA, INC. 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

The following table summarizes investments for which the fair value is measured using the NAV per share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to Plan level transactions.

<u>Description</u>	<u>Fair Value</u> <u>12/31/2024</u>	<u>Fair Value</u> <u>12/31/2023</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
Collective trust funds	\$1,430,912	\$1,154,156	n/a	Daily	30 days

(5) Investment contract with insurance company

The Plan entered into a benefit-responsive investment contract with an insurance company, Empower Annuity Insurance Company of America, totaling \$1,118,621 and \$1,240,718 for 2024 and 2023, respectively. The insurance company maintains the Plan's contributions in a general account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

Notes to the Financial Statements

December 31, 2024 and 2023

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

(6) Income tax status

The Plan Sponsor adopted a pre-approved profit sharing plan, which received a favorable opinion letter from the IRS on November 14, 2022, which stated that the pre-approved profit sharing plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received an opinion letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the adopted volume submitter profit sharing plan is designed, as amended, and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related party and party-in-interest transactions

A certain Plan investment is an investment contract managed by Empower, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers and holds participant notes receivable which also qualify as party-in-interest transactions.

(8) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
