## **INDEPENDENT AUDITOR'S REPORT**

Plan Administrator and Management of  
MMM Associate 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of MMM Associate 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MMM Associate 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MMM Associate 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MMM Associate 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MMM Associate 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MMM Associate 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## MMM Associate 401(k) Plan Notes to Financial Statements

### **Note 1: DESCRIPTION OF THE PLAN**

The following description of the MMM Associate 401(k) Plan (the Plan) provides only general information. Refer to Plan documents for a more complete description of Plan provisions. Morris, Manning & Martin, LLP (hereinafter called the Company) is the Plan Sponsor.

#### ***General***

The Plan is a defined contribution plan sponsored by the Company for the benefit of all associate employees. The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The 401(k) Retirement Plan Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Some administrative functions are performed by employees of the Company. No compensation is remitted to the Company for these services.

Plan assets are held and managed by Fidelity Management Trust Company (Fidelity), the trustee and the qualified institution for the Plan. Fidelity invests contributions and Plan earnings, makes investment transactions as directed by the 401(k) Retirement Plan Committee, and provides certain recordkeeping services. Fidelity acts as the third-party administrator for the Plan, which performs certain plan administration and annual ERISA compliance testing.

#### ***Eligibility***

Employees may become a participant of the Plan and enter the Plan immediately upon hire.

#### ***Contributions***

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. The Plan does not provide for employer contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (i.e. rollover contributions). Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon.

## MMM Associate 401(k) Plan Notes to Financial Statements

### Note 1: DESCRIPTION OF THE PLAN (Continued)

#### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the plan administrator. The maximum term of such loans is five years, except if the loan is for the purchase of a primary residence, a longer repayment term may be permitted. Principal and interest is paid ratably through payroll deductions. Interest rates range from 5.25% to 10.50% on loans outstanding at December 31, 2024.

#### ***Benefit Payments***

A participant's benefits upon normal or deferred retirement, early retirement, death, disability, or termination of employment are paid as soon as administratively feasible following termination of employment. The participant's benefits shall be paid by a lump-sum payment or periodic payments as specified by the participant.

#### ***Hardship Withdrawals***

As permitted by the Internal Revenue Code (IRC), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

#### ***Transfers to MMM Partner/Staff 401(k) Profit Sharing Plan***

Transfers to the MMM Partner/Staff 401(k) Profit Sharing Plan, which is a separate defined contribution plan sponsored by the Company, represents the balances moved from the MMM Associate 401(k) Plan once an Associate is promoted to Partner. Transfers from MMM Associate 401(k) Plan assets to the MMM Partner/Staff 401(k) Profit Sharing Plan during 2024 totaled \$321,093.

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

#### ***Use of Estimates***

The preparation of U.S. GAAP financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## MMM Associate 401(k) Plan Notes to Financial Statements

### Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### ***Investment Valuation and Income Recognition***

Investments generally are reported at fair value but may also be reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements and NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes both realized and unrealized gains and losses on investments.

Management fees and operating expenses charged to the Plan for investments in the mutual funds and the common collective trust are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

#### ***Notes Receivable from Participants***

Notes receivable from participants represents participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

#### ***Payment of Benefits***

Distributions to participants are recorded when paid.

#### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

#### ***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, August 25, 2025, and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

## MMM Associate 401(k) Plan Notes to Financial Statements

### Note 3: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, the qualified institution:

- a) Total investments, at fair value, included in the statements of net assets available for benefits at December 31, 2024 and 2023.
- b) Notes receivable from participants, included in the statements of net assets available for benefits at December 31, 2024 and 2023.
- c) Investment income and interest income from notes receivable information included in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- d) All amounts included in Note 4, *Fair Value Measurements*.
- e) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2024.

### Note 4: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Cash and money market accounts (in self-directed brokerage accounts):* Valued at cost, which approximates fair value.

## MMM Associate 401(k) Plan Notes to Financial Statements

### Note 4: FAIR VALUE MEASUREMENTS (Continued)

*Corporate stocks (in self-directed brokerage accounts):* Valued as the closing price reported on the active market on which the individual securities are traded.

*Registered investment companies:* Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

*Stable value fund:* The fair values of participation units held in the stable value fund are based on NAV to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date. Accordingly, these NAV based investments have been excluded from the fair value hierarchy leveling.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
<b>December 31, 2024</b>				
Registered investment companies	\$ 13,765,379	\$ -	\$ -	<b>\$ 13,765,379</b>

Stable value fund <sup>(A)</sup>				<b>166,799</b>
<b>Total investments at fair value</b>				<b>\$ 14,223,304</b>

<sup>(A)</sup> Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

### Note 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Description	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
<i>December 31, 2023</i>

The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

#### ***Fair Value of Investments that Calculate Net Asset Value***

The following table summarizes information related to the stable value fund measured at fair value based on NAV per share as of December 31, 2024 and 2023, respectively. The stable value fund is maintained by investment companies and hold investments in accordance with a stated set of fund objectives.

Year-End	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
<b>December 31, 2024</b>	<b>\$ 166,799</b>	<b>None</b>	<b>Daily</b>	<b>Up to 1 year</b>
<i>December 31, 2023</i>	<i>\$ 147,557</i>	<i>None</i>	<i>Daily</i>	<i>Up to 1 year</i>

### Note 5: TAX STATUS

Effective April 1, 2021, the Plan adopted the Non-Standardized Pre-Approved Profit Sharing Plan with CODA which is a prototype plan that received its most recent favorable opinion letter from the IRS, dated June 30, 2020, stating that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. The Plan administrator has determined that it is eligible to and has chosen to rely on the current opinion letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

## MMM Associate 401(k) Plan Notes to Financial Statements

### **Note 5: TAX STATUS (Continued)**

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **Note 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments contain shares of mutual funds managed by Fidelity, the trustee of the Plan, and therefore these transactions qualify as party-in-interest transactions. In addition, certain officers of the Company serve and are involved as the trustees and plan administrator of the Plan. The Company pays expenses and provides services at no cost to the Plan.

### **Note 7: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.
