INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Western Grocers Employee Benefits Plan and Trust
Portland, Oregon

Opinion

We have audited the accompanying financial statements of Western Grocers Employee Benefits Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Western Grocers Employee Benefits Plan and Trust as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024 and 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Western Grocers Employee Benefits Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Grocers Employee Benefits Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Board of Trustees
Western Grocers Employee Benefits Plan and Trust

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Western Grocers Employee Benefits Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Grocers Employee Benefits Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule is listed in the table of contents and periods covered is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Board of Trustees
Western Grocers Employee Benefits Plan and Trust

Supplemental Schedules Required by ERISA (Continued)

The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024

NOTE A – DESCRIPTION OF THE PLAN

The following description of the Western Grocers Employee Benefits Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan provides health benefits to members employed in the food and retail hardware industries. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became a fully insured plan through an arrangement with PacificSource Health Plans effective January 1, 2020. The Board of Trustees oversees governance of the Plan.

Benefits

The Plan provides health benefits (primarily medical, dental, and vision care) covering participating members' employees who have regular work schedules of at least 30 hours per week and meet the eligibility criteria of their employer. Benefits are provided under a group insurance contract with PacificSource Health Plans as of January 1, 2020.

Contributions

The Plan agreement provides that participating employers make monthly premium payments to PacificSource Health Plans. Premiums are paid directly to PacificSource.

Other

Although it has not expressed any intention to do so, Unified Grocers, Inc. (the Sponsor) has the right under the Plan to modify the benefits provided to active employees and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

WESTERN GROCERS EMPLOYEE BENEFITS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Plan Benefits

The Plan does not provide for post-retirement benefits, or benefits based on accumulated eligibility credits. The post-retirement benefits obligations are those of the Plan participants' employers (See Note A).

Cash and Cash Equivalents

The Plan considers all highly liquid debt instruments purchased with original maturities of three months or less to be cash equivalents.

Income Taxes

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service dated November 4, 1980. The Plan has been amended since that date. The Plan Sponsor believes that the Plan, as amended, continues to qualify and to operate as designed.

NOTE C – CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Plan to concentration of credit risk consist of investments and cash.

The Plan maintains its cash balances in an FDIC-insured bank and an uninsured money market fund. Uninsured cash totaled \$347,565 and \$132,077 at December 31, 2024 and 2023, respectively.

NOTE D – SUBSEQUENT EVENTS

Subsequent events have been evaluated through August 11, 2025, which is the date the financial statements were available to be issued.
