Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)

11a If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) Yes No

If "Yes" is checked, complete lines 11b and 11c.

11b Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) Yes No

11c Enter the Receipt Confirmation Code for the 2024 Form M-1 annual report. If the plan was not required to file the 2024 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

Receipt Confirmation Code _____

SCHEDULE C (Form 5500) <small>Department of the Treasury Internal Revenue Service</small> <small>Department of Labor Employee Benefits Security Administration</small> <small>Pension Benefit Guaranty Corporation</small>	Service Provider Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA). ▶ File as an attachment to Form 5500.	<small>OMB No. 1210-0110</small> 2024 This Form is Open to Public Inspection.
--	--	---

For calendar plan year 2024 or fiscal plan year beginning **01/01/2024** and ending **12/31/2024**

A Name of plan HARBOURVEST PARTNERS XII BUYOUT FEEDER FUND L. P.	B Three-digit plan number (PN) ▶	001
C Plan sponsor's name as shown on line 2a of Form 5500 HARBOURVEST PARTNERS XII BUYOUT FEEDER FUND L.P.	D Employer Identification Number (EIN) 98-1550665	

Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... Yes No

b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

HARBOURVEST PARTNERS L.P.

74-3130888

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

HARBOURVEST XII ASSOCIATES L.P.

85-3162441

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	(c) Relationship to employer, employee organization, or person known to be a party-in-interest	(d) Enter direct compensation paid by the plan. If none, enter -0-.	(e) Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	(f) Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	(g) Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	(h) Did the service provider give you a formula instead of an amount or estimated amount?
			Yes <input type="checkbox"/> No <input type="checkbox"/>	Yes <input type="checkbox"/> No <input type="checkbox"/>		Yes <input type="checkbox"/> No <input type="checkbox"/>

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	(c) Relationship to employer, employee organization, or person known to be a party-in-interest	(d) Enter direct compensation paid by the plan. If none, enter -0-.	(e) Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	(f) Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	(g) Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	(h) Did the service provider give you a formula instead of an amount or estimated amount?
			Yes <input type="checkbox"/> No <input type="checkbox"/>	Yes <input type="checkbox"/> No <input type="checkbox"/>		Yes <input type="checkbox"/> No <input type="checkbox"/>

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	(c) Relationship to employer, employee organization, or person known to be a party-in-interest	(d) Enter direct compensation paid by the plan. If none, enter -0-.	(e) Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	(f) Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	(g) Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	(h) Did the service provider give you a formula instead of an amount or estimated amount?
			Yes <input type="checkbox"/> No <input type="checkbox"/>	Yes <input type="checkbox"/> No <input type="checkbox"/>		Yes <input type="checkbox"/> No <input type="checkbox"/>

Part I Service Provider Information (continued)

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	
(a) Enter service provider name as it appears on line 2	(b) Service Codes (see instructions)	(c) Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	(e) Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	

Part II Service Providers Who Fail or Refuse to Provide Information

4 Provide, to the extent possible, the following information for each service provider who failed or refused to provide the information necessary to complete this Schedule.

(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide
(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide
(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide
(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide
(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide
(a) Enter name and EIN or address of service provider (see instructions)	(b) Nature of Service Code(s)	(c) Describe the information that the service provider failed or refused to provide

Part III Termination Information on Accountants and Enrolled Actuaries (see instructions)
(complete as many entries as needed)

Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

		(a) Beginning of Year	(b) End of Year
Assets			
a Total noninterest-bearing cash	1a		
b Receivables (less allowance for doubtful accounts):			
(1) Employer contributions	1b(1)		
(2) Participant contributions	1b(2)		
(3) Other	1b(3)	5	1356

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PRICEWATERHOUSECOOPERS

(2) EIN: 13-4008324

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)			
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?			
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?			
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
l Has the plan failed to provide any benefit when due under the plan?			
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) Yes No Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

AUDITED FINANCIAL STATEMENTS

HarbourVest Partners XII Buyout Feeder Fund L.P.

Year ended December 31, 2024

With Report of Independent Auditors

Report of independent auditors

To the General Partner of HarbourVest Partners XII Buyout Feeder Fund L.P.

Opinion

We have audited the accompanying financial statements of HarbourVest Partners XII Buyout Feeder Fund L.P. (the "Feeder Partnership"), which comprise the balance sheet as of December 31, 2024, and the related statements of operations, of changes in partners' equity, and of cash flows for the year then ended, including the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Feeder Partnership as of December 31, 2024, and the results of its operations, changes in its partners' equity, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We are required to be independent of the Feeder Partnership and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Feeder Partnership's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Report of independent auditors (continued)

To the General Partner of HarbourVest Partners XII Buyout Feeder Fund L.P.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Feeder Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Feeder Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report of independent auditors (continued)

To the General Partner of HarbourVest Partners XII Buyout Feeder Fund L.P.

Supplemental information

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole, and to report to the Feeder Partnership. The accompanying detailed schedule of partners' equity is presented for purposes of additional analysis and is not a required part of the financial statements. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

A handwritten signature in black ink that reads "PricewaterhouseCoopers".

1. Partnership

HarbourVest Partners XII Buyout Feeder Fund L.P. (the "Feeder Partnership") was legally formed on June 23, 2020 as a Cayman Islands exempted limited partnership under Cayman law and began admitting limited partners on April 30, 2021. Following the publication of the Private Funds Act in the Cayman Islands the Feeder Partnership registered with the Cayman Islands Monetary Authority as a private fund on April 23, 2021. The sole purpose of the Feeder Partnership is to hold the investment in HarbourVest Partners XII Buyout Fund L.P. (the "Partnership") which, in turn, makes investments with a primary emphasis on buyout, recapitalization, turnaround, special situation, credit, growth equity and other private market transactions, principally in the United States. The Feeder Partnership commenced operations and began charging management fees as of May 1, 2021. The first capital call was made on September 7, 2022.

At December 31, 2024, the limited partners had committed \$710,216,000 in capital, of which 40.5% or \$287,637,480 has been called. The unfunded commitment of \$422,578,520 are due upon not less than 10 days prior written notice from HarbourVest XII Associates L.P. (the "General Partner" of the Partnership).

Net gains and losses are allocated to the partners in accordance with their respective sharing percentages, as defined in the partnership agreement. The General Partner has no economic interest in the Feeder Partnership.

No limited partner may assign or otherwise transfer all or any part of their interest in the Feeder Partnership to another entity unless the General Partner has consented to the transfer in writing in accordance with the partnership agreement.

The performance of the Feeder Partnership is dependent upon the performance of HarbourVest Partners XII Buyout Fund L.P. The financial statements of the Feeder Partnership should be read in conjunction with the December 31, 2024 audited financial statements of HarbourVest Partners XII Buyout Fund L.P., which are attached and are an integral part of these financial statements.

The Feeder Partnership is scheduled to terminate on May 1, 2035, subject to extension of the term of the Partnership. The General Partner may extend the Partnership with the consent of limited partners holding at least a majority of the aggregate sharing percentages of the Partnership.

2. Significant Accounting Policies

Method of Accounting

The financial statements are prepared in conformity with U.S. generally accepted accounting principles. The Feeder Partnership is an investment company following the accounting and reporting guidance of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 946 "Financial Services – Investment Companies".

Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires the General Partner to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents may consist of deposits held at a bank or an investment in a money market fund to which the Feeder Partnership is exposed to credit concentration risk. The Feeder Partnership considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. The carrying amount included in the Balance Sheet for cash and cash equivalents approximates their fair value. The amounts on deposit may exceed the federal deposit insurance limits.

The attached financial statements of HarbourVest Partners XII Buyout Fund L.P. form an integral part of the financial statements.

As of December 31, 2024, the Feeder Partnership held the following cash and cash equivalents:

All amounts in U.S. Dollars

Deposits	57,802
Total cash and cash equivalents	57,802

Accounts Receivable

Accounts receivable includes amounts due from the limited partners for taxes withheld and remitted and estimated withholding tax payments made on their behalf.

Foreign Currency Transactions

Foreign currency transactions, if any, are translated into U.S. Dollars at the exchange rate in effect at the transaction dates. Foreign currency balances are translated at the rates in effect at December 31, 2024. The Feeder Partnership does not isolate that portion of net income or loss resulting from changes in foreign exchange rates on investments from the fluctuations arising from changes in fair value of investments. Such fluctuations are included in the Statement of Operations in net realized gains/(losses) and unrealized appreciation/(depreciation) on investments. Foreign currency gains and losses on cash and other receivables and payables, if any, are included in net realized gains/(losses) and unrealized appreciation/(depreciation) on foreign currency transactions on the Statement of Operations.

Revenue Recognition

Dividend and interest income, if any, is recorded on the accrual basis of accounting. Dividend income, if any, is recorded on the ex-dividend date. Interest and dividend income are presented net of withholding tax, if any.

Expenses

The Partnership allocates expenses to the Feeder Partnership in accordance with the Partnership's agreement. Additional expenses paid directly by the Feeder Partnership may include tax expenses, professional fees, and other out-of-pocket expenses which are included in the Statement of Operations.

Income Taxes

The Feeder Partnership has been granted a tax exemption by the Cayman Islands Government under the provisions of the Exempted Limited Partnership Law. The Feeder Partnership has elected to be treated as a corporation for U.S. tax purposes. As such, the Feeder Partnership will be liable for U.S. taxes to the extent the underlying investments generate certain types of U.S. source income.

The Feeder Partnership accounts for income taxes under the provisions of ASC 740, "Income Taxes." This standard establishes consistent thresholds as it relates to accounting for income taxes. It defines the threshold for recognizing the benefits of tax-return positions in the financial statements as "more-likely-than-not" to be sustained by the taxing authority and requires measurement of a tax position meeting the more-likely-than-not criterion, based on the largest benefit that is more than fifty percent likely to be realized. The Feeder Partnership may be subject to potential examination by certain taxing authorities in various jurisdictions. Any potential tax liability is also subject to ongoing interpretation of laws by taxing authorities. The tax years under potential examination vary by jurisdiction. The General Partner has analyzed the Feeder Partnership's inventory of tax positions taken with respect to all applicable income tax issues for all open tax years (in each respective jurisdiction), and has concluded that no provision for income tax is required in the Feeder Partnership's financial statements. Each partner individually may be required to report on its own tax return its pro rata share of the Feeder Partnership's taxable income or loss.

The attached financial statements of HarbourVest Partners XII Buyout Fund L.P. form an integral part of the financial statements.

The Feeder Partnership may be subject to taxes imposed by countries in which it invests. Such taxes are generally based on income and/or capital gains earned or repatriated. Foreign taxes, if any, are recorded based on the tax regulations and rates that exist in the foreign markets in which the Feeder Partnership invests. To the extent taxes are attributable to certain partners, the amounts are withheld from those partners' distributions and the withholdings are accounted for as deemed non-cash distributions to such partners. To the extent taxes are borne by the Feeder Partnership, the amounts are accrued and applied to net investment income, net realized gains and net unrealized appreciation as such income and/or gains are earned, and the Feeder Partnership records an estimated deferred tax liability in an amount that would be payable if the securities were disposed of on the valuation date. As of December 31, 2024, there were no deferred tax liabilities at the Feeder Partnership level.

3. Financial Highlights

Financial highlights for the year ended December 31, 2024 were as follows:

	Percent (%)
<i>Internal rate of return to limited partners since inception:</i>	
Beginning of year	31.3
End of year	18.1
<i>Ratio to limited partners' average partners' equity:</i>	
Net investment income/(loss)	(1.1)
Operating expenses	1.3
Carried interest allocation	0.7
Total expenses and carried interest	2.0
<i>Ratio to limited partners' committed capital:</i>	
Operating expenses	0.5

The internal rate of return to limited partners is calculated net of carried interest and expenses taking into account the actual dates of the cash inflows (contributions), outflows (distributions), and the ending net asset value at the end of the period (residual value) of the limited partners' capital account as of the measurement date.

Net investment income/(loss) is the limited partners' share of investment income, net of operating expenses and the income and expenses allocated from the Partnership, and does not include the proportionate share of net gain or loss from underlying investments (or the effects of carried interest). Operating expenses include the limited partners' share of the Feeder Partnership's expenses and expenses allocated from the Partnership and do not include the proportionate share of expenses from underlying investments.

The carried interest allocation is the General Partner's allocation of net income or loss as described in the Partnership's audited financial statements. The above ratios reflect carried interest at the Partnership level as calculated based on average capital of the Feeder Partnership.

The ratios are calculated based on the limited partners' capital taken as a whole. The computation of such ratios based on the amount of net investment income or loss, total expenses and incentive allocation assessed to an individual limited partner's capital may vary from these ratios based on the tiered management fee schedule.

The attached financial statements of HarbourVest Partners XII Buyout Fund L.P. form an integral part of the financial statements.

As the Feeder Partnership's expenses are largely based on the limited partners' committed capital rather than their average capital, supplemental information has been provided in order to disclose the expense ratio as a percentage of the limited partners' committed capital.

4. Related-Party Transactions

Accounts payable to HarbourVest Partners L.P. (the "Management Company") represents expenses of the Feeder Partnership incurred in the ordinary course of business, which have been paid by and are reimbursable to the Management Company at December 31, 2024.

Administrative expense charged by the Management Company during the year ended December 31, 2024 is disclosed in the Statement of Operations.

Certain partners of the Management Company may serve as members of the advisory committees of certain investee entities and may be the partners of the General Partner.

Certain partners of the Feeder Partnership's General Partner serve as board members to HarbourVest Global Private Equity Limited, a limited partner which has a \$495,000,000 capital commitment to the Feeder Partnership.

The General Partner of the Feeder Partnership is also the General Partner of the Partnership.

The financial statements include the Feeder Partnership's share of the accounts of the Partnership, which is approximately 50.7%.

5. Investment in HarbourVest Partners XII Buyout Fund L.P.

In accordance with the ASC 820, "Fair Value Measurement," the Feeder Partnership values its investment in the Partnership at fair value. At December 31, 2024, the Feeder Partnership's only fair valued investment is its investment in the Partnership. The value of the Feeder Partnership's investment in the Partnership is based primarily upon the net asset value of the Partnership, determined from the December 31, 2024 audited financial statements of the Partnership, which are attached and are an integral part of the financial statements. For further discussion about the Partnership's valuation policies refer to the audited financial statements and footnotes of the Partnership.

Income derived from the Feeder Partnership's investment in the Partnership is recorded using the equity pick-up method. Under the equity pick-up method of accounting, the Feeder Partnership's proportionate share of the net investment income/(loss), net realized gains/(losses), and aggregate increase or decrease in unrealized appreciation/(depreciation), as reported by the underlying Partnership, is reflected in the Statement of Operations.

The investment consists of a partnership interest in HarbourVest Partners XII Buyout Fund L.P., which carries restrictions on redemption as described in the partnership agreement.

6. Investment Commitments

As of December 31, 2024, the Feeder Partnership has unfunded investment commitments to the Partnership of \$422,578,520 which are payable upon 10 days written notice by the General Partner of the Partnership.

The attached financial statements of HarbourVest Partners XII Buyout Fund L.P. form an integral part of the financial statements.

7. General Indemnifications

General Indemnifications

In the normal course of business, the Feeder Partnership may enter into contracts that contain a variety of representations and warranties and which provide for general indemnifications. The Feeder Partnership's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Feeder Partnership that have not yet occurred. Based on the prior experience of the General Partner, the Feeder Partnership expects the risk of loss under these indemnifications to be remote.

General Partner Indemnifications

Consistent with standard business practices in the normal course of business, the Feeder Partnership has provided general indemnifications to the General Partner, any affiliate of the General Partner and any person acting on behalf of the General Partner or such affiliate when they act in good faith, in the best interest of the Feeder Partnership. The Feeder Partnership is unable to develop an estimate of the maximum potential amount of future payments that could potentially result from any hypothetical future claim but expects the risk of having to make any payments under these general business indemnifications to be remote.

8. Subsequent Events

In the preparation of the financial statements, the General Partner has evaluated the effects, if any, of events occurring after December 31, 2024 through the date of the report of the independent auditors, which is the date that the financial statements were available to be issued. There were no events or material transactions subsequent to December 31, 2024 that required recognition or disclosure in the financial statements.

The attached financial statements of HarbourVest Partners XII Buyout Fund L.P. form an integral part of the financial statements.

HarbourVest Partners XII Buyout Feeder Fund L.P.

Supplemental Information - Detailed Schedule of Partners' Equity

from JANUARY 01, 2024 to DECEMBER 31, 2024

US Dollars	Capital account at 12/31/2023	Capital contributions	Fund Level Income (Expenses)	Net operating income (loss)	Net realized gain (loss)	Net unrealized appreciation (depreciation) of investments	Distributions	Capital account at 12/31/2024

NOTE: Totals and Subtotals may not recalculate due to rounding.

Basis of Presentation: This detailed schedule of partners' equity represents annual changes in the individual partners' capital accounts, who are the partners represented in the statement of changes in partners' equity included in the accompanying financial statements. The schedule was prepared on the same basis of accounting as described in the Significant Accounting Policies note to the accompanying financial statements. The allocations to individual partners have been made in accordance with the following sections of the Partnership Agreement: Section 2 with respect to capital contributions, Section 5 with respect to capital distributions, Section 4 with respect to net operating income/(loss), net realized gain/(loss), and net unrealized appreciation/(depreciation) of investments, and Section 9 with respect to management fees charged, where applicable.

AUDITED FINANCIAL STATEMENTS

HarbourVest Partners XII Buyout Fund L.P.

Year ended December 31, 2024

With Report of Independent Auditors

Report of Independent Auditors

To the General Partner of HarbourVest Partners XII Buyout Fund L.P.

Opinion

We have audited the accompanying financial statements of HarbourVest Partners XII Buyout Fund L.P. (the "Partnership"), which comprise the balance sheet, including the condensed schedule of investments, as of December 31, 2024, and the related statements of operations, of changes in partners' equity and of cash flows, including the related notes for the year then ended (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Partnership as of December 31, 2024, and the results of its operations, changes in its partners' equity and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Partnership and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional

omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The detailed schedule of partners' equity is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures, in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

1. Partnership

HarbourVest Partners XII Buyout Fund L.P. (the "Partnership") was legally formed on June 22, 2020 as a limited partnership under Delaware law and began admitting limited partners on April 30, 2021. The purpose of the Partnership is to make investments in limited partnerships or other pooled investment vehicles ("Partnership Investments") which, in turn, make Private Equity Investments and to invest directly including through intermediate holding entities, in private equity investments ("Direct Investments"), collectively referred to as Portfolio Entities. Private Equity Investments are defined in the partnership agreement as investments in buyout, recapitalization, turnaround, special situation, and other private market transactions. The Partnership shall invest in Portfolio Entities that intend to invest or operate principally in North America, provided that up to 10% of the aggregate capital commitments of the partners may be invested in interests in Portfolio Entities that intend to invest or operate principally outside of North America, and provided further, such geographic restrictions shall not apply to Secondary Partnership Investments. The total amount invested or committed to be invested in Secondary Partnership Investments and Direct Investments shall not exceed the greater of 35% of the aggregate capital commitments of the partners and 35% of the cumulative amount invested or committed to be invested in Partnership Investments and Direct Investments. The total amount invested or committed to be invested in Direct Investments shall not exceed the greater of 15% of the aggregate capital commitments of the partners and 15% of the cumulative amount invested or committed to be invested in Partnership Investments and Direct Investments. The Partnership commenced operations and began charging management fees as of May 1, 2021. The first capital call was made on September 7, 2022.

At December 31, 2024, HarbourVest XII Associates L.P. (the "General Partner") and limited partners had committed \$1,401,329,293 in capital, of which 40.5% or \$567,538,365 has been called. The unfunded capital commitments of \$833,790,928 are due upon not less than 10 days prior written notice from the General Partner. The General Partner has agreed to contribute capital to the Partnership in an aggregate amount equal to 1% of the aggregate capital contributions of all partners. Such amount may be paid by the General Partner upon and to the extent of distributions made by the Partnership to the General Partner, but in no event later than the end of the Partnership's taxable year in which the General Partner's interest is liquidated (or, if later, within 90 days after the date of such liquidation). The amount due from the General Partner at December 31, 2024 was \$5,675,385.

Generally, all net profits and losses (defined as "Net Profits" or "Net Losses" in the partnership agreement) are allocated to the partners in proportion to their respective sharing percentages. Management fees are allocated to the limited partners in accordance with the Management Agreement, as referenced in Note 4. Net secondary profits and losses of the Partnership, as defined in the partnership agreement, represent the net profits and losses derived directly or indirectly from interests in partnerships, which are not issued directly by the applicable partnership at the time of purchase, including unrealized profits and losses. Net secondary profits and losses are allocated 10% to the General Partner (carried interest) and 90% to all partners in proportion to their sharing percentages, as defined in the partnership agreement, unless cumulative net secondary losses exceed cumulative net secondary profits. In such a case, excess net secondary losses are allocated to all partners in proportion to their respective sharing percentages. Subsequent net secondary profits are allocated in proportion to each partner's sharing percentage, up to previously allocated excess net secondary losses. Net secondary investment profits, including realized and unrealized gains and losses, subject to carried interest for the year ended December 31, 2024 total \$9,148,074.

Net direct profits and losses, as defined in the partnership agreement, represent the net profits and losses derived directly or indirectly from direct investments. Net direct profits and losses are allocated 10% to the General Partner (carried interest) and 90% to all partners in proportion to their sharing percentages, unless cumulative net direct losses exceed cumulative net direct profits. In such a case, excess net direct losses are allocated to all partners in proportion to their respective sharing percentages. Subsequent net direct profits are allocated in proportion to each partner's sharing percentages, up to previously allocated excess net direct losses. Net direct investment profits, including realized and unrealized gains and losses, subject to carried interest for the year ended December 31, 2024 total \$27,484,589.

The financial statements of HV XII Secondary L.P. have been attached for reference.

HV-ECI II LLC (the "Special Limited Partner") is wholly owned by HarbourVest Partners, L.P. (the "Management Company"). The General Partner may allocate to the Special Limited Partner solely out of net secondary profits and losses, net direct profits and losses, net profits and losses otherwise allocable to the General Partner, any items of income, gain, loss and deductions effectively connected with the conduct of a trade or business within the United States. For the purpose of allocating net secondary profits and losses, net direct profits and losses, net profits and losses amounts allocated to the Special Limited Partner will be treated as having been allocated to the General Partner.

No limited partner may assign or otherwise transfer all or any part of their interest in the Partnership to another entity unless the General Partner has consented to the transfer in writing in accordance with the partnership agreement.

The Partnership is scheduled to terminate on May 1, 2035. The General Partner may extend the Partnership with the written consent of limited partners holding at least a majority of the total sharing percentages.

2. Significant Accounting Policies

Method of Accounting

The financial statements are prepared in conformity with U.S. generally accepted accounting principles. The Partnership is an investment company following the accounting and reporting guidance of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 946 "Financial Services – Investment Companies".

Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires the General Partner to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents may consist of deposits held at a bank or an investment in a money market fund to which the Partnership is exposed to credit concentration risk. The Partnership considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. The carrying amount included in the Balance Sheet for cash and cash equivalents approximates their fair value. The amounts on deposit may exceed the federal deposit insurance limits.

As of December 31, 2024, the Partnership held the following cash and cash equivalents:

<i>All amounts in U.S. Dollars</i>	
Deposits	1,426,351
Other Money Market Funds	1,720,172
Total cash and cash equivalents	3,146,523

Investments in money market funds are recorded at net asset value per share and are classified as Level 1 assets.

Accounts Receivable

Accounts receivable includes amounts due from the limited partners for taxes withheld and remitted and estimated withholding tax payments made on their behalf.

The financial statements of HV XII Secondary L.P. have been attached for reference.

Contributions Receivable

Contributions receivable, if any, includes amounts not yet received from investors for amounts which have been called and have been collected after year end.

Foreign Currency Transactions

Foreign currency transactions, if any, are translated into U.S. Dollars at the exchange rate in effect at the transaction dates. Foreign currency balances are translated at the rates in effect at December 31, 2024. The Partnership does not isolate that portion of net income or loss resulting from changes in foreign exchange rates on investments from the fluctuations arising from changes in fair value of investments. Such fluctuations are included in the Statement of Operations in net realized gains/(losses) and unrealized appreciation/(depreciation) on investments. Foreign currency gains and losses on cash and other receivables and payables, if any, are included in net realized gains/(losses) and unrealized appreciation/(depreciation) on foreign currency transactions on the Statement of Operations.

Revenue Recognition

Dividend and interest income, if any, is recorded on the accrual basis of accounting. Dividend income, if any, is recorded on the ex-dividend date. Interest and dividend income are presented net of withholding tax, if any.

Expenses

Expenses are recorded on an accrual basis as incurred. The Partnership allocates expenses to the limited partners in accordance with their respective sharing percentages. Expenses paid directly by the Partnership may include tax expense, professional fees, and other out-of-pocket expenses and are included in the Statement of Operations.

Income Taxes

The Partnership has elected to be treated as a partnership for U.S. tax purposes.

The Partnership accounts for income taxes under the provisions of ASC 740, "Income Taxes." This standard establishes consistent thresholds as it relates to accounting for income taxes. It defines the threshold for recognizing the benefits of tax-return positions in the financial statements as "more-likely-than-not" to be sustained by the taxing authority and requires measurement of a tax position meeting the more-likely-than-not criterion, based on the largest benefit that is more than fifty percent likely to be realized. The Partnership may be subject to potential examination by certain taxing authorities in various jurisdictions. Any potential tax liability is also subject to ongoing interpretation of laws by taxing authorities. The tax years under potential examination vary by jurisdiction. The General Partner has analyzed the Partnership's inventory of tax positions taken with respect to all applicable income tax issues for all open tax years (in each respective jurisdiction), and has concluded that no provision for income tax is required in the Partnership's financial statements. Each partner individually may be required to report on its own tax return its pro rata share of the Partnership's taxable income or loss.

The Partnership may be subject to taxes imposed by countries in which it invests. Such taxes are generally based on income and/or capital gains earned or repatriated. Foreign taxes, if any, are recorded based on the tax regulations and rates that exist in the foreign markets in which the Partnership invests. To the extent taxes are attributable to certain partners, the amounts are withheld from those partners' distributions and the withholdings are accounted for as deemed non-cash distributions to such partners. To the extent taxes are borne by the Partnership, the amounts are accrued and applied to net investment income, net realized gains and net unrealized appreciation as such income and/or gains are earned, and the Partnership records an estimated deferred tax liability in an amount that would be payable if the securities were disposed of on the valuation date. As of December 31, 2024, there were no deferred tax liabilities at the Partnership level.

The financial statements of HV XII Secondary L.P. have been attached for reference.

Market and Other Risk Factors

The Partnership's investments are subject to various risk factors including market, credit, interest rate and currency risk. Investments may be concentrated in certain regions, or industries, as detailed in the Condensed Schedule of Investments. The Partnership's investments are inherently more sensitive to declines in revenues and to increases in expenses that may occur due to general downward swings in the world economy or other risk factors including increasingly intense competition, rapid changes in technology, changes in federal, state and foreign regulations, and limited capital investments. Since the Partnership's investments generally will involve a high degree of risk, poor performance by a few of the investments could adversely affect the total return to the limited partners.

Deferred Financing Costs

Deferred financing fees, including loan origination fees, underwriter fees, legal fees, and other costs attributable to acquiring the loan are capitalized in the Balance Sheet and amortized using the straight-line method, which approximates the effective yield method over the duration of the loan.

3. Investments

In accordance with the authoritative guidance on fair value measurements and disclosures under generally accepted accounting principles in the United States, the Partnership discloses the fair value of its investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The guidance establishes three levels of the fair value hierarchy as follows:

Level 1	Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Partnership has the ability to access at the measurement date;
Level 2	Inputs other than quoted prices that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active;
Level 3	Inputs that are unobservable.

An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Because of the inherent uncertainty of these valuations, the estimated fair value may differ significantly from the value that would have been used had a ready market for this security existed, and the difference could be material.

Investment Valuations

For investments in partnerships and other pooled investment vehicles, the General Partner encourages all managers to apply fair value principles in their financial reports that are consistent with U.S. generally accepted accounting principles and completes a good faith determination of such. Where possible, the Partnership values its investments at fair value using the net asset value ("NAV") as a practical expedient. Investments for which fair value is measured using NAV per share as a practical expedient have not been categorized within the fair value hierarchy.

In reviewing the underlying financial statements and capital account balances, the General Partner considers compliance with authoritative guidance on fair value measurements, the currency in which the investment is denominated, and other information deemed appropriate. If the General Partner shall in good faith determine that a manager is not reporting fair value consistent with U.S. generally accepted accounting principles, the General Partner shall use best efforts to undertake its own valuation analysis using fair market value principles and adjust such value so it is in accordance with the authoritative guidance.

The financial statements of HV XII Secondary L.P. have been attached for reference.

The General Partner's valuation analysis uses one or more valuation techniques (e.g. the market approach or the income approach) for which sufficient and reliable data is available. The use of the market approach generally consists of using either the guideline company method or similar transaction method, while the income approach generally consists of the net present value of estimated future cash flows, discounted as appropriate for liquidity, credit, market and/or other risk factors. The inputs used by the General Partner in estimating the value primarily include specific company metrics (i.e. multiples of revenue, EBITDA, EBIT) for similar companies based on size, growth, comparability, etc. The inputs also include the original transaction price, recent transactions for similar instruments, completed or pending third-party transactions, subsequent rounds of financing, recapitalizations or other transactions, or changes in financial ratios or cash flows. As it relates to operating companies, the General Partner considers the financial condition and operating results of each issuer, the nature of each investment, the prices at which securities purchased in subsequent financing, if any, were issued and such other factors as the General Partner deems appropriate.

Inputs are used in applying the valuation techniques and broadly refer to the assumptions that the General Partner uses to make valuation decisions, including assumptions about risk. In valuing private investments, the General Partner shall apply the value that is most likely to be an exit price in an orderly arm's length transaction between market participants as of the valuation date, using one of the acceptable valuation methods in accordance with generally accepted accounting principles. The valuation analysis shall consider applicable value drivers, facts and circumstances, and the Partnership's subjective judgment. If appropriate, the General Partner may use discounts or premiums to adjust for lack of marketability, lack of control and/or illiquidity.

Partnership Investments

Unless otherwise noted below, all Partnership Investments held by the Partnership are measured at fair value using the NAV as a practical expedient.

Direct Investments

Direct Investments may include common and preferred equity securities, debt, warrants and other privately issued securities, as well as investments in operating companies.

Certain Direct Investments are measured at fair value using the NAV as a practical expedient. The remaining Direct Investments are measured at fair value, using the valuation analysis as described above, and are generally classified within Level 3.

The following table summarizes the levels used in valuing the Partnership's investments as of December 31, 2024.

<i>All amounts in U.S. Dollars</i>	Level 1	Level 2	Level 3	<i>Measured using NAV as a practical expedient¹</i>	Total
Partnership Investments	-	-	-	551,420,947	551,420,947
Direct Investments	-	-	62,967,068	99,857,210	162,824,278
Total Investments	-	-	62,967,068	651,278,157	714,245,225

Investments include partnership interests in private equity partnerships, all of which carry restrictions on redemption. The Partnership recognizes transfers at fair value at December 31, 2024. During the year ended December 31, 2024, there were transfers out of Level 3 investments of \$10,914,773. For the year ended December 31, 2024, purchases of Level 3 investments were \$19,903,790.

¹ Investments that are measured at fair value using the NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Balance Sheet.

The financial statements of HV XII Secondary L.P. have been attached for reference.

The following table presents additional information about valuation methodologies and inputs used for investments that are measured at fair value and categorized within Level 3 as of December 31, 2024:

Asset Type	Fair Value at December 31, 2024	Valuation Methodologies	Unobservable Input(s)	Range
Direct Investments	42,872,718	Public Market Comparables	Multiple of Revenue Multiple of EBITDA Comparability Premium Comparability Discount Subjective Premium Subjective Discount	5.1x - 11.1x 11.2x - 23.5x 1% - 18% 3% - 54% 10% 5%
Direct Investments	20,094,350	Recent Transaction	N/A	N/A

Investment Transactions

Partnership Investments generally record income derived from such investments using the equity pick-up method. Under the equity pick-up method of accounting, the Partnership's proportionate share of the net investment income/(loss) and net realized gains/(losses), as reported by the underlying investments, is reflected in the Statement of Operations as net realized gains/(losses) on investments. The Partnership's proportionate share of the aggregate increase or decrease in unrealized appreciation/(depreciation), as reported by the underlying investments, is reflected in the Statement of Operations as net change in unrealized appreciation/(depreciation) on investments. An investment's cost basis, as reported in the Schedule of Investments, is increased by the Partnership's share of net earnings from the Partnership Investment and decreased by the Partnership's share of net loss from the Partnership Investment.

Contributions to and distributions from Direct Investments (held through a partnership or other co-investment vehicle) are accounted for on a trade date basis. Distributions received from these investments are recorded as income, realized gain or return of capital on the trade date based on the character determined by the general partners of these investments. Distributions from these investments when identified as realized gain, dividend income, interest income, net of applicable withholding taxes, are recorded as such by the Partnership in the Statement of Operations. Returns of capital reduce these investments' cost.

Realized gains and losses on Direct Investments (not held through a partnership or other co-investment vehicle) are measured by the difference between the proceeds from the sale and the cost basis of the investment using the specific identification method.

4. Management Fee

The General Partner, or its designee, has agreed to provide management services to the Partnership for which it receives a management fee based on capital commitments of the limited partners. In general, the General Partner, or its designee, bears all ordinary costs of administering the Partnership (other than the management fee), except for such expenses as organizational expenses, syndication costs, legal and accounting fees, costs of reporting to the limited partners, and other costs of evaluating, making, holding and selling investments and certain other costs and expenses. The General Partner has retained the Management Company to provide such services.

The management fee commenced on May 1, 2021 and is based on a percentage of limited partner commitments. The partnership agreement stipulates tiered levels of management fees based on the aggregate ("Combined") capital commitments made by a limited partner to both the Last Cycle Funds and to the Fund XII Investment Program ("Program"). The Program is comprised of HarbourVest Partners XII Buyout Fund L.P., HarbourVest Partners XII Venture Fund L.P., HarbourVest Partners XII Micro Buyout Fund L.P., HarbourVest Partners XII L.P., HarbourVest Partners XII Buyout Feeder Fund L.P, HarbourVest Partners XII Venture Feeder Fund L.P., HarbourVest Partners XII Micro Buyout Feeder Fund L.P, HarbourVest Partners XII Buyout AIF SCSp, HarbourVest Partners XII Venture AIF SCSp, HarbourVest Partners XII Micro Buyout AIF SCSp, and HarbourVest Partners XII AIF SCSp.

The financial statements of HV XII Secondary L.P. have been attached for reference.

HarbourVest Partners XII Buyout Fund L.P.
Notes to Financial Statements
December 31, 2024

“Last Cycle Funds” are defined as the HIPEP IX Investment Program, HarbourVest Partners XI Investment Program, Dover Street X L.P., Dover Street X AIF SCSp, HarbourVest Partners Co-Investment Fund V L.P., HarbourVest Partners Co-Investment V AIF L.P., HarbourVest Credit Opportunities Fund II L.P., HarbourVest Credit Opportunities II AIF SCSp, HarbourVest 2020 Global Fund L.P., HarbourVest 2020 Global AIF SCSp, HarbourVest Real Assets Fund IV L.P., HarbourVest Real Assets IV AIF SCSp, HarbourVest Canada Growth Fund II L.P., the HarbourVest Direct Lending Program (HarbourVest Direct Lending Fund (U) L.P., HarbourVest Direct Lending Fund (L) L.P., HarbourVest Direct Lending (U) AIF SCSp and HarbourVest Direct Lending (L) AIF SCSp) and, in each case, any related feeder funds.

The management fee computed with respect to each Partner’s commitment is computed in accordance with the following schedule:

Combined Commitment less than \$20M				
Period	Last Cycle Funds Commitments less than \$10M	Last Cycle Funds Commitments above \$10M up to \$100M	Last Cycle Funds Commitments above \$100M up to \$200M	Last Cycle Funds Commitments greater than \$200M
1/1/2024-4/30/2024	0.50%	0.48%	0.39%	0.33%
5/1/2024-12/31/2024	0.75%	0.73%	0.60%	0.50%

Combined Commitment equal or greater than \$20M up to \$50M				
Period	Last Cycle Funds Commitments less than \$10M	Last Cycle Funds Commitments equal to or greater than \$10M up to \$100M	Last Cycle Funds Commitments equal to or greater than \$100M up to \$200M	Last Cycle Funds Commitments equal to or greater than \$200M
1/1/2024-4/30/2024	0.46%	0.42%	0.36%	0.30%
5/1/2024-12/31/2024	0.70%	0.65%	0.55%	0.45%

Combined Commitment above \$50M up to \$125M					
Period	Last Cycle Funds Commitments above \$10M	Last Cycle Funds Commitments above \$10M up to \$100M	Last Cycle Funds Commitments above \$100M up to \$200M	Last Cycle Funds Commitments greater than \$200M for certain Related Persons	Last Cycle Funds Commitments greater than \$200M
1/1/2024-4/30/2024	0.36%	0.33%	0.30%	0.30%	0.24%

Period	Combined Commitment equal to or greater than \$1000M and up to \$1125M	Combined Commitment equal to or greater than \$1125M and up to \$1250M	Combined Commitment equal to or greater than \$1250M
1/1/2024-4/30/2024	0.180%	0.170%	0.160%
5/1/2024-12/31/2024	0.2475%	0.240%	0.2325%

For any limited partner with a combined Fund XII and HIPEP IX commitment equal to or greater than \$250 million that irrevocably committed to become a limited partner on or before April 30, 2021, the management fee computed with respect to each Partner's commitment is computed in accordance with the following schedule:

Period	Combined Commitment equal to or greater than \$250M and up to \$375M	Combined Commitment equal to or greater than \$375M and up to \$500M	Combined Commitment equal to or greater than \$500M and up to \$625M	Combined Commitment equal to or greater than \$625M and up to \$750M	Combined Commitment equal to or greater than \$750M and up to \$875M	Combined Commitment equal to or greater than \$875M and up to \$1000M
1/1/2024-4/30/2024	0.180%	0.170%	0.160%	0.160%	0.160%	0.160%
5/1/2024-12/31/2024	0.2425%	0.235%	0.2775%	0.220%	0.2125%	0.205%

The financial statements of HV XII Secondary L.P. have been attached for reference.

Period	Combined Commitment equal to or greater than \$1000M and up to \$1125M	Combined Commitment equal to or greater than \$1125M and up to \$1250M	Combined Commitment equal to or greater than \$1250M
1/1/2024-4/30/2024	0.145%	0.140%	0.130%
5/1/2024-12/31/2024	0.1975%	0.190%	0.1825%

The management fee shall be reduced, but not below zero, by the amount of any director's compensation, break-up, management, consulting, monitoring, transaction or other similar fees received by the General Partner or any partner of the General Partner from

During the year ended December 31, 2024, management fees charged by the Management Company totaled \$3,343,903.

5. Financial Highlights

Financial highlights for the year ended December 31, 2024 were as follows:

	Percent (%)
<i>Internal rate of return to limited partners since inception:</i>	
Beginning of year	31.9
End of year	18.5
<i>Ratio to limited partners' average partners' equity:</i>	
Net investment income/(loss)	(1.0)
Operating expenses	1.1
Carried interest allocation	0.7
Total expenses and carried interest	1.8
<i>Ratio to limited partners' committed capital:</i>	
Operating expenses	0.4

The internal rate of return to limited partners is calculated net of carried interest and expenses taking into account the actual dates of the cash inflows (contributions), outflows (distributions), and the ending net asset value at the end of the period (residual value) of the limited partners' capital account as of the measurement date.

Net investment income/(loss) is the limited partners' share of investment income, net of operating expenses and does not include the proportionate share of net gain or loss from underlying investments (or the effects of carried interest). Operating expenses include the limited partners' share of partnership expenses and do not include expenses from underlying investments.

The carried interest allocation is the General Partner's share of net income or loss calculated in accordance with the partnership agreement.

The financial statements of HV XII Secondary L.P. have been attached for reference.

The ratios are calculated based on the limited partners' capital taken as a whole. The computation of such ratios based on the amount of net investment income or loss, total expenses and incentive allocation assessed to an individual limited partners' capital may vary from these ratios based on the tiered management fee schedule.

As the Partnership's expenses are largely based on the limited partners' committed capital rather than their average capital, supplemental information has been provided in order to disclose the expense ratio as a percentage of the limited partners' committed capital.

6. Related-Party Transactions

Accounts payable to the Management Company represents expenses of the Partnership incurred in the ordinary course of business, which have been paid by and are reimbursable to the Management Company at December 31, 2024.

Administrative expense charged by the Management Company during the year ended December 31, 2024 is disclosed in the Statement of Operations.

Certain partners of the Management Company may serve as members of the advisory committees of certain investee entities and may be the partners of the General Partner.

The financial statements include the Partnership's share of the accounts of HV XII Secondary L.P. (the "Aggregating Partnership"), which is approximately 46.16%. The Aggregating Partnership is a Delaware limited partnership formed to hold the secondary partnership investments of the Partnership.

The General Partner of the Partnership is also the General Partner of HarbourVest XII Buyout Feeder Fund L.P., a limited partner which has a \$710,216,000 capital commitment to the Partnership.

7. Investment Commitments

As of December 31, 2024, the Partnership has an unfunded investment commitment to Aggregating Partnership(s) of \$264,648,599, which is payable upon 10 days' notice by the General Partner of the Aggregating Partnership(s).

As of December 31, 2024, the Partnership has unfunded investment commitments to other partnerships of \$715,787,557 which are payable upon notice by the partnerships to which the commitments have been made.

As an investment company, the Partnership is required to disclose financial support provided or contractually required to be provided to its portfolio companies. The Partnership may provide financial support to portfolio companies in accordance with its investment objectives. This financial support may be provided pursuant to contractual agreements or at the discretion of the General Partner. As of December 31, 2024, the Partnership has Direct Investment unfunded commitments of \$15,651,629 which are payable upon notice by the companies to which the commitments have been made. The Partnership is not subject to additional contractual agreements under which they would be required to provide further financial support to Direct Investments in the form of capital commitments or guarantees.

The financial statements of HV XII Secondary L.P. have been attached for reference.

8. Notes Payable

The Partnership has entered into a \$500,000,000 multicurrency revolving credit agreement (the “Facility”) with a bank, with a maturity date of June 5, 2026. The credit agreement is shared amongst , and several affiliated funds (each a “Borrower”) and the Partnership. Under the Facility, the same terms and conditions apply to all Borrowers, and each Borrower is severally liable for its obligations under its established sublimit. There is no cross-collateralization or cross default between borrowers. The Facility is collateralized by the uncalled capital commitments of the Borrowers/the investments of the partnership, and is subject to certain covenants and mandatory prepayment provisions.

At December 31, 2024, the combined borrower sublimit commitment assigned to the Partnership was \$253,000,000, of which \$17,000,000 was outstanding by the Partnership, which approximates fair value. The interest rate on outstanding debt at December 31, 2024 is 7.12%.

During the year ended December 31, 2024, the Partnership incurred interest expense of \$628,987 and commitment fees of \$61,633. At December 31, 2024, \$746,360 of unamortized deferred financing costs incurred in connection with the issuance of the Facility and/or amendment of the Facility terms during the year are capitalized on the balance sheet as an offset to notes payable on the Balance Sheet.

9. General Indemnifications

General Indemnifications

In the normal course of business, the Partnership may enter into contracts that contain a variety of representations and warranties and which provide for general indemnifications. The Partnership’s maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Partnership that have not yet occurred. Based on the prior experience of the General Partner, the Partnership expects the risk of loss under these indemnifications to be remote.

General Partner Indemnifications

Consistent with standard business practices in the normal course of business, the Partnership has provided general indemnifications to the General Partner, any affiliate of the General Partner and any person acting on behalf of the General Partner or such affiliate when they act in good faith, in the best interest of the Partnership. The Partnership is unable to develop an estimate of the maximum potential amount of future payments that could potentially result from any hypothetical future claim but expects the risk of having to make any payments under these general business indemnifications to be remote.

10. Subsequent Events

In the preparation of the financial statements, the General Partner has evaluated the effects, if any, of events occurring after December 31, 2024 through the date of the report of the independent auditors, which is the date that the financial statements were available to be issued. There were no events or material transactions subsequent to December 31, 2024 that required recognition or disclosure in the financial statements.

The financial statements of HV XII Secondary L.P. have been attached for reference.

NOTE: Totals and Subtotals may not recalculate due to rounding.

Basis of Presentation: This detailed schedule of partners' equity represents annual changes in the individual partners' capital accounts, who are the partners represented in the statement of changes in partners' equity included in the accompanying financial statements. The schedule was prepared on the same basis of accounting as described in the Significant Accounting Policies note to the accompanying financial statements. The allocations to individual partners have been made in accordance with the following sections of the Partnership Agreement: Section 2 with respect to capital contributions, Section 5 with respect to capital distributions, Section 4 with respect to net operating income/(loss), net realized gain/(loss), and net unrealized appreciation/(depreciation) of investments, and Section 9 with respect to management fees charged, where applicable.

AUDITED FINANCIAL STATEMENTS

HV XII Secondary L.P.

Year ended December 31, 2024

With Report of Independent Auditors

Report of Independent Auditors

To the General Partner of HV XII Secondary L.P.

Opinion

We have audited the accompanying financial statements of HV XII Secondary L.P. (the “Partnership”), which comprise the balance sheet, including the condensed schedule of investments, as of December 31, 2024, and the related statements of operations, of changes in partners’ equity and of cash flows, including the related notes for the year then ended (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Partnership as of December 31, 2024, and the results of its operations, changes in its partners’ equity and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Partnership and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors’ Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

HV XII Secondary L.P.
Condensed Schedule of Investments
December 31, 2024
In U.S. Dollars

As of December 31, 2024, allocation by industry of investments as a whole is as follows:

Industry	% of Partners' Equity
Information Technology	66.9%
Consumer Discretionary	37.8%
Financials	37.8%
Industrials	32.5%
Health Care	20.2%
Communication Services	16.0%
Energy	8.2%
Utilities	6.3%
Consumer Staples	5.7%
Materials	2.5%
Real Estate	1.4%
Total	235.1%

As of December 31, 2024, allocation by geographical region of investments as a whole is as follows:

Geographical Region	% of Partners' Equity
Americas	174.2%
Europe	48.3%
Asia	12.7%
Total	235.1%

Percentages in the above disclosures may appear as zero due to rounding.

Differences in the calculation of the Partnership Investments that constitute more than 5% of the Partnership's total partners' equity and the Partnership's share of underlying portfolio companies that are greater than 5% of the Partnership's total partners' equity may arise due to the effect of carried interest at the Partnership Investment level.

Where certain investments have calculated negative cost basis, the cost basis reported herein reflects only the investments with a positive cost basis.

The investment objectives of the individual investments over 5% presented above are generally consistent with the investment objectives disclosed in Note 1.

Details may not add to total and subtotals due to rounding.

The accompanying notes form an integral part of the financial statements.

1. Partnership

HV XII Secondary L.P. (the "Partnership") was legally formed on August 4, 2020 as a limited partnership under Cayman law and began admitting limited partners on that date. The purpose of the Partnership is to make and hold Secondary Partnership Investments on behalf of the HarbourVest Partners XII Venture Fund L.P., HarbourVest Partners XII Buyout Fund, L.P., HarbourVest Partners XII Micro Buyout Fund L.P., HarbourVest Partners XII Venture AIF SCSp, HarbourVest Partners XII Buyout AIF SCSp, and HarbourVest Partners XII Micro Buyout AIF SCSp (collectively, "Fund XII Partnerships"). The Partnership commenced operations on May 1, 2021. The first capital call was made on August 30, 2021.

At December 31, 2024, the limited partners had committed \$729,271,924 in capital, of which 21.4% or \$155,907,836 has been called. The remaining unfunded capital commitments of \$573,364,088 are due when requested by HarbourVest GP LLC (the "General Partner") in proportion to their sharing percentages. No limited partner shall be required to make capital contributions in excess of the aggregate Fund XII Commitments to such limited partner.

The sharing percentages of each of the partners is rebalanced at the end of each fiscal quarter prior to the final admission date, promptly after the final admission date, and at the end of each fiscal quarter in which any withdrawal or default by a limited partner causes the partners to own a disproportionate interest in the Partnership based on their respective aggregate commitments.

Net profits and losses are allocated to the partners in accordance with their respective sharing percentages, as defined in the partnership agreement. The General Partner has no economic interest in the Partnership.

No limited partner may assign or otherwise transfer all or any part of their interest in the Partnership to another entity.

The Partnership has no scheduled termination date. The election to dissolve the Partnership may be made by the General Partner, at any time there are no partners of the Partnership, or upon the dissolution of the Fund XII Partnerships, as defined in the partnership agreement.

2. Significant Accounting Policies

Method of Accounting

The financial statements are prepared in conformity with U.S. generally accepted accounting principles. The Partnership is an investment company following the accounting and reporting guidance of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 946 "Financial Services – Investment Companies".

Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires the General Partner to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents may consist of deposits held at a bank or an investment in a money market fund to which the Partnership is exposed to credit concentration risk. The Partnership considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. The carrying amount included in the Balance Sheet for cash and cash equivalents approximates their fair value. The amounts on deposit may exceed the federal deposit insurance limits.

As of December 31, 2024, the Partnership held the following cash and cash equivalents:

All amounts in U.S. Dollars

Deposits	435,822
Money Market Funds	4,768,568
Total cash and cash equivalents	5,204,390

Investments in money market funds are recorded at net asset value per share and are classified as Level 1 assets.

Accounts Receivable

Accounts receivable includes amounts due from the limited partners for taxes withheld and remitted and estimated withholding tax payments made on their behalf.

Foreign Currency Transactions

Foreign currency transactions, if any, are translated into U.S. Dollars at the exchange rate in effect at the transaction dates. Foreign currency balances are translated at the rates in effect at December 31, 2024. The Partnership does not isolate that portion of net income or loss resulting from changes in foreign exchange rates on investments from the fluctuations arising from changes in fair value of investments. Such fluctuations are included in the Statement of Operations in net realized gains/(losses) and unrealized appreciation/(depreciation) on investments. Foreign currency gains and losses on cash and other receivables and payables, if any, are included in net realized gains/(losses) and unrealized appreciation/(depreciation) on foreign currency transactions on the Statement of Operations.

Revenue Recognition

Dividend and interest income, if any, is recorded on the accrual basis of accounting. Dividend income, if any, is recorded on the ex-dividend date. Interest and dividend income are presented net of withholding tax, if any.

Expenses

Expenses are recorded on an accrual basis as incurred. The Partnership allocates expenses to the limited partners in accordance with their respective sharing percentages. Expenses paid directly by the Partnership may include tax expense, professional fees, and other out-of-pocket expenses and are included in the Statement of Operations.

Income Taxes

The Partnership has been granted a tax exemption by the Cayman Islands Government under the provisions of the Exempted Limited Partnership Law. The Partnership has elected to be treated as a partnership for U.S. tax purposes.

The Partnership accounts for income taxes under the provisions of ASC 740, "Income Taxes." This standard establishes consistent thresholds as it relates to accounting for income taxes. It defines the threshold for recognizing the benefits of tax-return positions in the financial statements as "more-likely-than-not" to be sustained by the taxing authority and requires measurement of a tax position meeting the more-likely-than-not criterion, based on the largest benefit that is more than fifty percent likely to be realized. The Partnership may be subject to potential examination by certain taxing authorities in various jurisdictions. Any potential tax liability is also subject to ongoing interpretation of laws by taxing authorities. The tax years under potential examination vary by jurisdiction. The General Partner has analyzed the Partnership's inventory of tax positions taken with respect to all applicable income tax issues for all open tax years (in each respective jurisdiction), and has concluded that no provision for income tax is required in the Partnership's financial statements. Each partner individually may be required to report on its own tax return its pro rata share of the Partnership's taxable income or loss.

The Partnership may be subject to taxes imposed by countries in which it invests. Such taxes are generally based on income and/or capital gains earned or repatriated. Foreign taxes, if any, are recorded based on the tax regulations and rates that exist in the foreign markets in which the Partnership invests. To the extent taxes are attributable to certain partners, the amounts are withheld from those partners' distributions and the withholdings are accounted for as deemed non-cash distributions to such partners. To the extent taxes are borne by the Partnership, the amounts are accrued and applied to net investment income, net realized gains and net unrealized appreciation as such income and/or gains are earned, and the Partnership records an estimated deferred tax liability in an amount that would be payable if the securities were disposed of on the valuation date. As of December 31, 2024, there were no deferred tax liabilities at the Partnership level.

Market and Other Risk Factors

The Partnership's investments are subject to various risk factors including market, credit, interest rate and currency risk. Investments may be concentrated in certain regions, or industries, as detailed in the Condensed Schedule of Investments. The Partnership's investments are inherently more sensitive to declines in revenues and to increases in expenses that may occur due to general downward swings in the world economy or other risk factors including increasingly intense competition, rapid changes in technology, changes in federal, state and foreign regulations, and limited capital investments. Since the Partnership's investments generally will involve a high degree of risk, poor performance by a few of the investments could adversely affect the total return to the limited partners.

3. Investments

In accordance with the authoritative guidance on fair value measurements and disclosures under generally accepted accounting principles in the United States, the Partnership discloses the fair value of its investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The guidance establishes three levels of the fair value hierarchy as follows:

Level 1	Inputs that reflect unadjusted quoted prices in active markets for identical assets or liabilities that the Partnership has the ability to access at the measurement date;
Level 2	Inputs other than quoted prices that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active;
Level 3	Inputs that are unobservable.

An investment's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Because of the inherent uncertainty of these valuations, the estimated fair value may differ significantly from the value that would have been used had a ready market for this security existed, and the difference could be material.

Investment Valuations

For investments in partnerships and other pooled investment vehicles, the General Partner encourages all managers to apply fair value principles in their financial reports that are consistent with U.S. generally accepted accounting principles and completes a good faith determination of such. Where possible, the Partnership values its investments at fair value using the net asset value ("NAV") as a practical expedient. Investments for which fair value is measured using NAV per share as a practical expedient have not been categorized within the fair value hierarchy.

Partnership Investments

Unless otherwise noted below, all Partnership Investments held by the Partnership are measured at fair value using the NAV as a practical expedient.

The following table summarizes the levels used in valuing the Partnership's investments as of December 31, 2024.

<i>All amounts in U.S. Dollars</i>	Level 1	Level 2	Level 3	<i>Measured using NAV as a practical expedient¹</i>	Total
Partnership Investments	-	-	-	709,413,373	709,413,373
Total Investments	-	-	-	709,413,373	709,413,373

Investments include partnership interests in private equity partnerships, all of which carry restrictions on redemption. The Partnership recognizes transfers at fair value at December 31, 2024. There were no transfers during the year ended December 31, 2024.

¹ Investments that are measured at fair value using the NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Balance Sheet.

Investment Transactions

Partnership Investments generally record income derived from such investments using the equity pick-up method. Under the equity pick-up method of accounting, the Partnership's proportionate share of the net investment income/(loss) and net realized gains/(losses), as reported by the underlying investments, is reflected in the Statement of Operations as net realized gains/(losses) on investments. The Partnership's proportionate share of the aggregate increase or decrease in unrealized appreciation/(depreciation), as reported by the underlying investments, is reflected in the Statement of Operations as net change in unrealized appreciation/(depreciation) on investments. An investment's cost basis, as reported in the Schedule of Investments, is increased by the Partnership's share of net earnings from the Partnership Investment and decreased by the Partnership's share of net loss from the Partnership Investment.

Guarantees

The Partnership has entered into performance guaranty agreements (the "Guaranty") with lenders to certain affiliated underlying investment partnerships (the "Investment Partnerships"). The credit agreements of the Investment Partnerships contain certain terms related to performance, event of default and remedy, and require maximum loan to value ratios of between 35% to 45% and the borrowings are secured by the partners' equity interest in Investment Partnerships. In the event of foreclosure, as defined in the credit agreements of the Investment Partnerships, the Partnership would be obligated under the terms of the Guaranty to use commercially reasonable efforts to assist the lenders to transfer ownership or sell the equity interests in the Investment Partnerships. At December 31, 2024, there have been no events of default under the Investment Partnership credit agreements. The Management Company believes the risk of loss under the Guaranty is remote and the maximum guaranty exposure of the Partnership is \$5,759,206.

4. Financial Highlights

Financial highlights for the year ended December 31, 2024 were as follows:

	Percent (%)
<i>Internal rate of return to limited partners since inception:</i>	
Beginning of year	96.9
End of year	53.8
<i>Ratio to limited partners' average partners' equity:</i>	
Net investment income/(loss)	(13.0)
Operating expenses	13.2
Total expenses	13.2
<i>Ratio to limited partners' committed capital:</i>	
Operating expenses	4.7

The internal rate of return to limited partners is calculated net of carried interest and expenses taking into account the actual dates of the cash inflows (contributions), outflows (distributions), and the ending net asset value at the end of the period (residual value) of the limited partners' capital account as of the measurement date.

Net investment income/(loss) is the limited partners' share of investment income, net of operating expenses and does not include the proportionate share of net gain or loss from underlying investments. Operating expenses include the limited partners' share of partnership expenses and do not include expenses from underlying investments.

As the Partnership's expenses are largely based on the limited partners' committed capital rather than their average capital, supplemental information has been provided in order to disclose the expense ratio as a percentage of the limited partners' committed capital.

5. Related-Party Transactions

Accounts payable to HarbourVest Partners L.P. (the "Management Company") represents expenses of the Partnership incurred in the ordinary course of business, which have been paid by and are reimbursable to the Management Company at December 31, 2024.

Administrative expense charged by the Management Company during the year ended December 31, 2024 is disclosed in the Statement of Operations.

Certain partners of the Management Company may serve as members of the advisory committees of certain investee entities and may be the partners of the General Partner.

6. Investment Commitments

As of December 31, 2024, the Partnership has unfunded investment commitments to other partnerships of \$213,473,235 which are payable upon notice by the partnerships to which the commitments have been made.

7. Notes Payable

The Partnership has entered into a \$500,000,000 multicurrency revolving credit agreement (the "Facility") with a bank, with a maturity date of June 5, 2026. The credit agreement is shared amongst the HarbourVest Fund XII Program (each a "Borrower") and the Partnership. Under the Facility, the same terms and conditions apply to all Borrowers, and each Borrower is severally liable for its obligations under its established sublimit. There is no cross-collateralization or crossdefault between borrowers. The Facility is collateralized by the uncalled capital commitments of the Borrowers, and is subject to certain covenants and mandatory prepayment provisions.

At December 31, 2024, the combined borrower sublimit commitment assigned to the Partnership was \$500,000,000, of which \$412,921,968 was outstanding by the Partnership, which approximates fair value. \$381,045,341 of the outstanding balance was denominated in U.S. dollars, and \$31,876,627 was denominated in Euros. The interest rate on outstanding debt at December 31, 2024 ranged from 5.80% to 7.12%.

During the year ended December 31, 2024, the Partnership incurred interest expense of \$33,574,858.

8. General Indemnifications

General Indemnifications

In the normal course of business, the Partnership may enter into contracts that contain a variety of representations and warranties and which provide for general indemnifications. The Partnership's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Partnership that have not yet occurred. Based on the prior experience of the General Partner, the Partnership expects the risk of loss under these indemnifications to be remote.

General Partner Indemnifications

Consistent with standard business practices in the normal course of business, the Partnership has provided general indemnifications to the General Partner, any affiliate of the General Partner and any person acting on behalf of the General Partner or such affiliate when they act in good faith, in the best interest of the Partnership. The Partnership is unable to develop an estimate of the maximum potential amount of future payments that could potentially result from any hypothetical future claim but expects the risk of having to make any payments under these general business indemnifications to be remote.

9. Subsequent Events

In the preparation of the financial statements, the General Partner has evaluated the effects, if any, of events occurring after December 31, 2024 through the date of the report of the independent auditors, which is the date that the financial statements were available to be issued. There were no events or material transactions subsequent to December 31, 2024 that required recognition or disclosure in the financial statements.
