(1) Name: **BIRNBREY MINSK MINSK & PERLING, LLC**

(2) EIN: **58-0644812**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITORS' REPORT

To the Investment Committee of the
Piedmont National Corporation 401(k) Retirement Plan
Atlanta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Piedmont National Corporation 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Piedmont National Corporation 401(k) Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by a bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements related to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Piedmont National Corporation 401(K) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statement are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Piedmont National Corporation 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Piedmont National Corporation 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental information in the accompanying Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A – DESCRIPTION OF THE PLAN

The following description of the **Piedmont National Corporation** (the **Company**) **401(k) Retirement Plan** (the **Plan**) provides only general information. Participants should refer to the **Plan** document for a more complete description of the **Plan's** provisions.

General

The **Plan** is a defined contribution plan covering substantially all employees of the **Company**, with specific exclusions defined in the **Plan** document. Under the **Plan**, employees are eligible to participate in the **Plan** after they have completed two months of service. Employees are eligible for the discretionary employer matching contribution if they are employed on the last day of the **Plan** year. In addition, employees are eligible for the discretionary employer nonelective contribution if they are employed on the last day of the **Plan** year and they have completed 1,000 hours of service during the **Plan** year. Participants who are not employed on the last day of the year will still be eligible for the discretionary employer matching and discretionary nonelective contributions, regardless of completed hours of service during the **Plan** year, if their termination is a result of death, disability, or retirement. The **Plan** is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective July 1, 2024, the **Plan's** trustee was changed from **Reliance Trust Company** to **Transamerica Trust Company**. The change in trustee did not result in disruption to plan participant services or the investment management of the **Plan's** assets. There were no material impacts on the **Plan's** net assets available for benefits as a result of this change.

Contributions

Each year participants may contribute up to 100% of pretax annual compensation, as defined in the **Plan** document. If a newly eligible participant fails to file a salary reduction election with the **Plan** administrator, such participant will be automatically enrolled in the **Plan** to contribute 3% of pretax annual compensation and those contributions are invested in a default fund until changed by the participant. The default fund is currently established as the appropriate Nuveen Lifecycle Index Fund. In addition to automatic enrollment, the **Plan** provides for an automatic escalation of 1% per year up to a maximum of 10%. The increase in the deferral percentage will be effective at the beginning of the **Plan** year following the date deferrals were first automatically withheld from a participant's pay. Participants may change or override the automatic escalation at any time. Participants who have attained age 50 before the

Contributions (Continued)

end of the **Plan** year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, referred to as rollovers. Participants direct the investment of their contributions, discretionary employer matching contributions, and discretionary nonelective contributions into various investment options offered by the **Plan**. The **Plan** currently offers various mutual funds and a stable value fund as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution, the **Company's** discretionary matching contributions, an allocation of the **Company's** discretionary nonelective contributions, and an allocation of **Plan** earnings or losses. Each participant is charged with an allocation of investment expenses, administrative expenses, and fees. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the **Plan** document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the **Company's** discretionary matching and nonelective contributions portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. If continuous service is terminated by death, disability, or retirement, participants or their beneficiaries become 100% vested in their accounts.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts and bear interest at rates that range from 4.25% to 9.50%, which is commensurate with local prevailing rates as determined quarterly by the **Plan** administrator. The maximum term for all loans is five years, except for loans used to acquire a principal residence, which has a fifteen-year maximum term. Principal and interest are paid ratably through bi-weekly or monthly payroll deductions. A participant can have no more than one loan outstanding from the **Plan** at any point in time.

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, the participant or beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in their account if their vested interest does not exceed \$1,000. If the vested interest exceeds \$1,000 but is less than \$7,000, the participant or beneficiary can elect to receive a lump-sum amount, or the vested interest will be automatically rolled over to an IRA account for the benefit of the participant or beneficiary at a provider selected by the **Plan** administrator. If the vested interest exceeds \$7,000, the participant or beneficiary can elect to receive a lump-sum or partial amount, or an amount in installments with the option to defer until retirement age.

Distributions may also be taken by participants prior to termination of service in the event of financial hardship, as defined in the **Plan** document.

Participants who are age fifty-nine and a half or older may also withdraw from their vested account balance prior to termination of service. Certain of these withdrawals may be subject to penalty, in accordance with the Internal Revenue Code (IRC).

If a qualified domestic relations order is received by the **Plan** administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

Forfeited Accounts

During the years ended December 31, 2024 and 2023, additions to forfeited nonvested accounts including earnings totaled \$52,854 and \$42,857, respectively. These accounts may be used to pay **Plan** expenses or will be reallocated among remaining participants as additional discretionary contributions. During the years ended December 31, 2024 and 2023, forfeited nonvested accounts used to pay **Plan** expenses totaled \$52,854 and \$42,857, respectively. At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$0.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the **Plan** have been prepared using the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Accordingly, investment income is recognized when received, disbursements are recognized when made, and employer and participant contributions, if any, are accrued at year end.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the **Plan** administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting for Uncertainty in Income Taxes

The **Plan** recognizes material amounts of uncertain tax positions as income tax expense. The **Plan** recognizes accrued interest and penalties associated with uncertain tax positions as part of deductions from net assets.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in a timely transaction with an independent buyer in the principal market or, in the absence of a principal market, the most advantageous market for the asset or liability. See Note D.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as fees and are expensed when incurred. The **Plan** administrator reviews the collectability of all notes receivable and any delinquent notes receivable are recorded as distributions based on the terms of the **Plan** document.

Payment of Benefits

Benefit payments are recorded when paid by the **Plan**.

DECEMBER 31, 2024 AND 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses and Fees

Pursuant to provisions of the **Plan**, administrative expenses incurred in the administration of the **Plan** may be paid by the **Plan** or the **Company**. The administrative expenses paid from **Plan** assets are allocated to all participants. Currently, substantially all administrative expenses are paid by the **Plan**.

Pursuant to the provisions of the **Plan**, fees paid from the **Plan** are charged directly to the account of the participant on whose sole behalf the fee was incurred.

Subsequent Events

The **Plan** administrator has evaluated subsequent events that have occurred up through August 29, 2025, the date the financial statements were available to be issued. No material subsequent events have occurred since December 31, 2024 that required recognition or disclosure in the current period financial statements.

NOTE C – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The **Plan** administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the **Plan's** independent auditors did not perform any auditing procedures with respect to the following information certified by **Transamerica Trust Company** as complete and accurate as of and for the six months ended December 31, 2024 and **Reliance Trust Company** as complete and accurate as of and for the year ended December 31, 2023 and for the six months ended June 30, 2024, except for comparing such information with information included in the **Plan's** financial statements and supplemental schedule:

- Investments at fair value as shown in the accompanying statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments and dividends as shown in the accompanying statements of changes in net assets available for benefits (modified cash basis) for the years ended December 31, 2024 and 2023.
- All investment-related information in the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurement, provides the framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodologies used for investment assets measured at fair value.

Valuation Methodologies

Mutual Funds: The daily closing price as reported by the fund is used to estimate fair value. Mutual funds held by the **Plan** are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the **Plan** are deemed to be actively traded and redeemable immediately without notice.

Stable Value Collective Trust Fund: The net asset value is used as the practical expedient to estimate fair value. The stable value fund held by the Plan invests primarily in stable value products, including guaranteed investment contracts (GICs)

Valuation Methodologies (Continued)

and synthetic GICs issued by major insurance companies and money market instruments. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the **Plan** initiates a full redemption of the collective trust, the issuer reserves the right to require a 12-month notice in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no participant redemption restrictions for these investments.

The following tables present by level, within the fair value hierarchy, the **Plan** investment assets at fair value as of December 31, 2024 and 2023. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. In accordance with FASB Topic 820, certain investments that were measured at net asset value per share, or its equivalent, have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the statements of net assets available for benefits.

DECEMBER 31, 2024 AND 2023

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

All five members of the **Plan's** investment committee participate in the **Plan**. Two of these members are officers of the **Company**, two hold management positions, and one is the **Plan** administrator.

There are no **Plan** investments that are shares of registered investment companies or common/collective trusts managed by **Transamerica**. **Transamerica** is the trustee, as defined by the **Plan**, and provides certain administrative services to the **Plan**.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the **Company** has the right under the **Plan** to discontinue its contributions at any time and to terminate the **Plan** subject to the provisions of ERISA. In the event of **Plan** termination, participants will become 100% vested in their accounts.

NOTE G – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed **Transamerica**, by a letter dated December 31, 2018, that the **Plan** and related trust are designed in accordance with applicable requirements of the IRC. Although the **Plan** has been amended since receiving the determination letter, the **Plan** administrator and the **Plan's** tax counsel believe that the **Plan** is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the **Plan** is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the **Plan's** financial statements.

For the years ended December 31, 2024 and 2023, the **Plan** administrator believes there were no material amounts of uncertain tax positions. Additionally, there were no amounts of interest or penalties recognized in the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023 or the statements of changes in net assets available for benefits (modified cash basis) for the years then ended. Further, the year ended December 31, 2021 and all years subsequent remain subject to examination.

401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE H – RISKS AND UNCERTAINTIES

The **Plan** invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).
