### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements***

We have performed audits of the financial statements of JNJ Express Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

***Other Matter —Supplementary Schedules Required by ERISA***

The supplementary schedules of delinquent participant contributions and assets held at end of year as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

*In our opinion:*

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary schedules agree to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Contributions**

Each year, participants may contribute up to a dollar amount set by law of pretax annual eligible compensation, as defined by the Plan. Participants may also make Roth contributions under the terms of the Plan. Participants who have attained age fifty before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The employer is required to make a Safe Harbor matching contribution equal to 100% of a participant's contribution on the first 3% of eligible compensation, as well as 50% of the participant's contribution between 3-5% of eligible compensation. The employer may also make discretionary matching contributions to the Plan. Contributions are subject to certain limitations.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, rollover contributions, and allocations of the Company's safe harbor matching contribution, any discretionary matching contribution, and plan earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are absorbed by the plan sponsor.

#### **Investment Options**

Investments are currently held by Mid Atlantic Trust Company. Upon enrollment in the Plan, a participant may direct employee contributions in any of the available mutual funds managed by Mid Atlantic Trust Company. Participants may change their investment options at any time.

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and in the Company's safe harbor matching contributions and earnings thereon. Vesting in the Company's discretionary matching contributions portion of accounts plus actual earnings thereon is based on years of continuous service as follows:

Years of service	Percent vested
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

#### Notes Receivable from Participants

A participant may borrow from his/her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. A participant may only have one loan outstanding and loan refinancing is not permitted. Terms of loans shall not exceed five years except for the purchase of a primary residence. The loan is secured by the balance in the participant's account and bears interest at a rate comparable to a financial institution that deals in lending money. Principal and interest are paid ratably through payroll deductions or through a signed ACH authorization.

#### Payment of Benefits

On termination of service due to death, disability or retirement, a participant, or his/her beneficiary, may elect to receive either a lump-sum, partial payment, or recurring installment payments up to the amount equal to the value of the participant's vested interest in his/her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution. The Plan also allows in-service distributions at age 59½ if fully vested without being required to terminate employment. Hardship withdrawals are not allowed as defined in the Plan agreement.

#### Forfeited Accounts

Forfeited non-vested amounts totaled \$0 at December 31, 2024 and 2023. Non-vested forfeiture accounts may first be used to pay any plan administrative expense and then may restore participants' individual accounts. During the year ended December 31, 2024, there were no forfeitures used to reduce plan expenses.

### NOTE 1 – DESCRIPTION OF PLAN (Continued)

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, plan assets must be used for the exclusive benefit of participants. In the event of Plan termination, participants become 100% vested in their accounts.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting and Use of Estimates**

The financial statements of the Plan are prepared using the accrual method of accounting, based on accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standard Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

#### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. The Plan's investments are valued daily.

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments held. Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual method. Dividends are recorded on the ex-dividend date.

#### **Notes Receivable from Participants**

Notes receivable from participants are recorded at amortized cost plus accrued, but unpaid, interest. No allowances for losses has been recorded as of December 31, 2024 and 2023, as management considers all receivables to be fully collectible.

#### **Payment of Benefits**

Benefits are recorded when paid.

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Administrative Expenses

The Plan permits the payment of plan expenses to be made from plan assets. If the Company does not pay these expenses, then the expenses paid using plan assets will be allocated among the participant accounts. Expenses relative to loan fees and certain other fees were allocated to participants accordingly and totaled \$49,777 for the year ended December 31, 2024.

### NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

All of the Plan's assets are held by Mid Atlantic Trust Company, the custodian of the Plan. The following information included in the accompanying financial statements and supplementary schedule of assets held at end of year was obtained from data that has been prepared and certified as being complete and accurate by the custodian.

	2024	2023
Investments	\$ 4,868,115	\$ 4,195,741
Notes receivable from participants	318,721	285,322
Cash, non-interest bearing	24,853	-
Investment income:		
Net appreciation in fair value of investments	402,681	
Dividends and interest	33,319	
Interest income on notes receivable from participants	29,245	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan has adopted FASB ASC 820, *Fair Value Measurement*. FASB ASC 820 creates a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

### NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Mutual funds*: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values (NAV) and to transact at those prices. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

<b>December 31, 2024</b>	<b>Fair Value</b>	<b>Level 1</b>
Cash - interest bearing	\$ 169,985	\$ 169,985
Mutual funds	<u>4,698,130</u>	<u>4,698,130</u>
Total	<u>\$ 4,868,115</u>	<u>\$ 4,868,115</u>

  

<b>December 31, 2023</b>	<b>Fair Value</b>	<b>Level 1</b>
Cash - interest bearing	\$ 120,611	\$ 120,611
Mutual funds	<u>4,075,130</u>	<u>4,075,130</u>
Total	<u>\$ 4,195,741</u>	<u>\$ 4,195,741</u>

### NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

As defined by the Plan, Mid Atlantic Trust Company is the custodian, and The Retirement Plan Company is the third-party administrator (TPA). Therefore, transactions with these parties totaling \$49,777 for the year ended December 31, 2024, qualify as party-in-interest transactions. Additional fees paid to the custodian are netted against investment returns.

### NOTE 6 – TAX STATUS

The Plan has adopted a volume submitter form of a prototype plan sponsored by The Retirement Plan Company, LLC. The non-standardized volume submitter plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification.

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for years ended December 31, 2021 through December 31, 2024, the years that remain subject to examination by tax jurisdictions as of December 31, 2024.

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2024 AND 2023**

### **NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS**

Net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$348,704 as of December 31, 2024. Distributions totaling \$120,140 were requested during December 2024 but were not paid until 2025. These amounts will be reflected in the 2025 financial statements as benefits paid.

### **NOTE 8 – PROHIBITED TRANSACTIONS**

During 2024, the plan sponsor failed to remit employee contributions totaling \$3,500 to the Plan on a timely basis, which is a prohibited transaction under ERISA. The Plan Sponsor is in the process of calculating the lost earnings to the participants and will contribute that amount to the Plan to correct the prohibited transaction.

### **NOTE 9 – SUBSEQUENT EVENTS**

The plan administrator evaluated events and transactions subsequent to December 31, 2024 through September 5, 2025, (the date the financial statements were available to be issued), for potential recognition or disclosure in the financial statements. Management has not identified any items requiring disclosure.
