INDEPENDENT AUDITORS' REPORT

To the Audit Committee of The McClatchy Company LLC and
The Participants of The McClatchy Company 401(k) Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The McClatchy Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The McClatchy Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and December 31, 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Audit Committee of The McClatchy Company LLC and
The Participants of The McClatchy Company 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The McClatchy Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The McClatchy Company 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Audit Committee of The McClatchy Company LLC and
The Participants of The McClatchy Company 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The McClatchy Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The McClatchy Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Participants of The McClatchy Company 401(k) Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The McClatchy Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The McClatchy Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and December 31, 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Audit Committee of The McClatchy Company LLC and
The Participants of The McClatchy Company 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The McClatchy Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The McClatchy Company 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Audit Committee of The McClatchy Company LLC and
The Participants of The McClatchy Company 401(k) Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The McClatchy Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The McClatchy Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

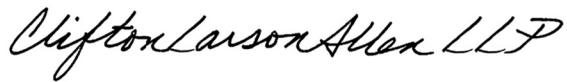

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Audit Committee of The McClatchy Company LLC and
The Participants of The McClatchy Company 401(k) Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE MCCLATCHY COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

General

The McClatchy Company, LLC (the “Company”) sponsors The McClatchy Company 401(k) Plan (the “Plan”), which is a defined contribution plan. Substantially all employees of the Company are eligible to participate in the Plan subject to the eligibility criteria discussed below.

The Company’s Audit Committee rely on a Retirement Committee, made up of members of management, to control and manage the operation and administration of the Plan. The Plan enables qualified employees of the Company to voluntarily defer pre-tax and/or after-tax compensation to provide additional income for retirement in accordance with Internal Revenue Code (“IRC”) Section 401(k). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan provisions.

Eligibility and Contributions

Employees are eligible to participate in the Plan after completion of a six-month period during which the employee is credited with at least 375 eligible hours of service. Employees covered under collective bargaining agreements are eligible to participate in the Plan only if participation has been provided for in the collective bargaining agreement. Participants may contribute a total of 1% to 50% of their base salary subject to certain IRC limitations. Participants can allocate their contributions between their pre-tax, Roth and/or after-tax accounts.

The Company contributes matching contributions for participant pre-tax and/or Roth contributions at a rate of one-third of the first 6% of participant salary deferrals up to a maximum of \$2,000 per eligible participant per plan year. There is no match on special “catch-up” contributions or after-tax contributions. In 2024 and 2023, the eligible participant accounts in the Plan received \$1.0 million and \$1.1 million, respectively, of Company matching contributions.

Participant Accounts

Individual accounts are maintained for each participant of the Plan. Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions, any Plan earnings or losses, and any applicable expenses.

Investments

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers registered mutual funds, common/collective trust funds (“CCTs”), including target retirement funds, and a money market fund, as investment options for participants.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. The Company’s matching contributions are subject to a three-year cliff vesting requirement. For participants who joined the Plan prior to June 29, 2009, special vesting rules may apply.

THE MCCLATCHY COMPANY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Notes Receivable from Participants and In-Service Withdrawals

Active participants may borrow from their before-tax contribution, Roth contribution and rollover accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Active participants are permitted to take only one new loan per year and may have up to two outstanding loans at the same time. The minimum amount a participant may borrow is \$500. A participant is not allowed to borrow against the Company matching, after-tax rollover or after-tax contributions. Loans are secured by the balance in the participant's account and generally bear interest at the Prime rate. New loan terms may not exceed five years. The outstanding loans bore interest rates of 3.25% to 8.50% as of December 31, 2024 and 2023. Principal and interest are paid in roughly equal installments through payroll deductions.

In-service withdrawals to employees are limited to after-tax withdrawals, post-age 59.5 withdrawals, or hardship withdrawals. The minimum withdrawal for an after-tax or post-age 59.5 withdrawal is \$500 and partial withdrawals for active participants are limited to two after-tax and two post-age 59.5 withdrawals per year.

Active participants also may take a withdrawal for a severe financial hardship, if certain hardship criteria are met and all other resources have been exhausted. Participants are limited to two hardship withdrawals for the same reason per year.

Payment of Benefits

Following termination of employment, retirement, disability, or death, a participant may elect to receive a full or partial distribution of their account balance as provided in the Plan document.

Forfeitures

Forfeitures from participants' nonvested accounts may be used by the Company to reduce future Company matching contributions or pay administrative fees. The Plan had \$14,492 in forfeitures during the year ended December 31, 2024. Unallocated forfeited balances as of December 31, 2024 and 2023 were not material.

Administrative Expenses

Fees and expenses of the Plan for legal, accounting, and other administrative services may be paid directly by the Company, or, at the Company's discretion, may be paid in whole or in part from Plan assets. Recordkeeping fees are paid by participants via a fixed dollar per-participant fee and investment management fees are paid via fund expense ratios.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right at any time to amend the Plan document to discontinue future matching contributions or to terminate the Plan, subject to the provisions of the ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

**THE MCCLATCHY COMPANY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles (“GAAP”) in the United States of America.

Investment Valuation and Income Recognition

The Company’s investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Money market and mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. CCTs are reported at fair value, using the daily net asset value for each investment option. See Note 6 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Payment of benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. No allowance for loan losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Income Tax Status

The Plan received a favorable determination letter dated October 15, 2014, that finds the Plan was designed in accordance with the applicable IRC requirements and, therefore, the related trust is not subject to tax under current tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its tax qualification. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, as a result, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**THE MCCLATCHY COMPANY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Subsequent Events

Management has evaluated all events and transactions that occurred after December 31, 2024 through August 12, 2025, the date these financial statements were available to be issued.

3. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, as included in the Plan's financial statements and supplemental schedule prepared by or derived from information reported by the trustee of the Plan for 2024 and 2023. The Plan administrator has obtained certifications from Vanguard Fiduciary Trust Company, the trustee, that such information is complete and accurate as of December 31, 2024 and 2023, and for the year ended December 31, 2024, as follows (in thousands):

	<u>2024</u>	<u>2023</u>

**THE MCCLATCHY COMPANY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS**

Supplemental Schedule: All investment balances and information included in the supplemental schedule of assets (held at the end of the year).

4. INVESTMENTS

The Plan's investments are held in trust by the trustee. The Plan's trust agreement requires the trustee to invest the Plan's assets into various fund options as directed by each participant. In 2023, the Company changed the investment options available to participants related to retirement target funds. Target retirement funds invested in mutual funds were transferred to common/collective trust funds.

During the year ended December 31, 2024, the Plan's net appreciation in investments (including gains and losses on investments bought and sold, as well as held during the year) resulted from the mutual funds and common/collective trust funds.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held in investments managed by the Plan trustee, and therefore, these transactions qualify as exempt party-in-interest transactions. Participant loans are also considered party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

6. FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of our fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 – Unadjusted quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Observable inputs to the valuation methodology are other than Level 1 inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstance that caused the transfer. For the year ended December 31, 2024, there were no transfers in or out of levels 1, 2 or 3. Effective March 22, 2023, the Company transferred all the Plan's Target Retirement investment options from mutual funds to CCTs in order to reduce investment expenses. As a result of this change, \$146,281,245 was moved from Level 1 to Level 2 investments.

THE MCCLATCHY COMPANY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

The Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels discussed as of December 31, 2024 and 2023, are as follows (in thousands):

2024				
Plan Assets				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 408,279	\$ —	\$ —	\$ 408,279

Money market fund	38,639	—	—	38,639
Total	\$ 436,809	\$ 154,719	\$ —	\$ 591,528

Shares of mutual funds and money market funds are categorized as Level 1. They are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. Shares of common collective trusts are categorized as Level 2. They are valued at fair value, using the daily net asset value for each investment option held by the Plan at year-end.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
