Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **ERNST & YOUNG LLP**

(2) EIN: **34-6565596**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	107193
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	☐	☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	☐	☒

Report of Independent Auditors

CDW Benefits Committee
CDW Coworkers' Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CDW Coworkers' Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

**Shape the future
with confidence**

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

Shape the future with confidence

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended December 31, 2024 and assets (held at end of year) as of December 31, 2024 (referred to as the “supplemental schedules”), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CDW Coworkers' Profit Sharing Plan

Notes to Financial Statements

December 31, 2024

1. Description of Plan

The following description of the CDW Coworkers' Profit Sharing Plan (the Plan) provides general information about the Plan's provisions. CDW LLC (the Company) is the Plan's sponsor. Participants should refer to the plan document for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan's sponsor.

General

Effective January 1, 2024, the Plan was amended to conform the waiting period at 30 days of service for all covered employees. As a result, the Plan is a retirement plan covering all employees of the Company who have attained the age of 18 and provided 30 days of service. Employees may enter the Plan immediately following eligibility. The Plan consists of a noncontributory profit sharing plan funded by the Company and a defined contribution plan pursuant to Section 401(k) of the Internal Revenue Code (the Code).

The CDW Benefits Committee is responsible for the general administration of the Plan. Fidelity Management Trust Company is the trustee and recordkeeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make elective contributions under the 401(k) provisions of the Plan, subject to the limits provided by the Plan and applicable law. The Plan has a Roth feature whereby participants may elect to make Roth after-tax contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified plans or certain individual retirement accounts (IRAs). Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Each year, the Company may contribute discretionary amounts, as determined by the Compensation Committee of the CDW Corporation Board of Directors, as profit sharing contributions. The Company may also contribute a qualified nonelective contribution or a qualified matching contribution to certain non-highly compensated employees in relation to nondiscrimination testing. The Company may also contribute a discretionary amount, as determined by the Compensation Committee of the CDW Corporation Board of Directors, as a matching contribution to participants who make 401(k) contributions. The Company's discretionary profit sharing and discretionary matching contributions are allocated to all participants who are employed as of the last business day of the plan year. For the 2024 plan year, the approved employer match formula was 50% of participant deferrals up to \$4,000 with a maximum match of \$2,000.

For the 2024 plan year, the Company made discretionary profit sharing contributions of \$7,064,675, discretionary matching contributions of \$17,211,320, and no qualified nonelective or qualified matching contributions.

Investment Options

All investments under the Plan are participant-directed. Upon enrollment in the Plan, a participant may direct both employee and employer contributions into various investment options offered by the Plan, including self-directed brokerage accounts. Participants may change their investment allocations at any time.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, the Company's discretionary profit sharing contributions, qualified nonelective contributions, qualified matching contributions and allocations of plan earnings and revenue sharing. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options, less an allocation of administrative expenses.

Fees and expenses charged under a participant's account include both investment fees and Plan administration fees. Investment fees can be in the form of sales charges, loads, commissions, 12b-1 fees, and management fees and are deducted directly from a participant's investment returns. In addition, fees may be assessed for short-term trading with respect to certain mutual funds, and these fees are deducted directly from a participant's account. More information about such fees is available from the prospectuses that describe the investments available under the Plan. Plan administration fees cover the expenses of the Plan for recordkeeping (which has been negotiated as a fixed fee per participant), accounting, investment advisor and trustee services. Recordkeeping fees are charged directly to participants with account balances over \$1,500. Other plan administration fees may be covered by forfeitures associated with participants' termination prior to 100% vesting, revenue sharing payments as discussed below, or may be paid directly by the Company.

When available, revenue sharing payments received by the Plan from an investment option will first be allocated proportionally among the plan accounts of participants and beneficiaries whose accounts were invested in the investment funds that made the payments during the quarterly period to which the revenue sharing payment applies. In addition, when available, funds received by the Plan as float earnings on undisbursed funds or as a result of the failure of the Plan trustee to meet certain performance standards, or any remaining revenue sharing payments after the allocated as described, are used to pay administrative expenses or allocated to participant accounts in proportion to their respective account balances. Transaction-based fees are associated with optional services offered under the Plan (e.g., a plan loan) and are charged directly to a participant's account. The benefit to which a participant is entitled is the vested portion of the participant's account.

Vesting

Participants immediately vest in their elective contributions, any rollover contributions, qualified nonelective contributions, qualified matching contributions, and actual earnings thereon. Vesting in the remainder of their account is based on years of service. A participant vests 20% per year of credited service as defined in the plan document and is 100% vested after five years of credited service, attainment of age 62 while employed, or termination due to disability (as defined) or death.

Forfeitures

Terminated participants forfeit their non-vested balances upon the earlier of distribution of their vested Plan account and a five-year break in service. Forfeitures of unvested account balances of terminated participants are used to offset future employer contributions and expenses of the Plan. Unallocated forfeiture balances at December 31, 2024 and 2023, were \$1,730,386 and \$1,294,040, respectively. The unallocated forfeiture balances at January 31, 2025 of \$1,778,612 were used to offset 2024 employer contributions.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$500 up to the maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum term that a participant may elect for the repayment of a general-purpose loan is five years. For loans processed on or before November 14, 2004, the maximum term that a participant may elect for the repayment of a residential loan is 30 years. For loans processed on or after November 15, 2004, the maximum term that a participant may elect for the repayment of a residential loan is 10 years. For loans processed on or after June 20, 2005, there will be a \$35 loan origination fee and a \$15 annual loan maintenance fee deducted pro rata across the funds in a participant's account. The balance of any given loan may be paid in full early if the employee chooses to do so. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the Federal Reserve's prime lending rate, plus 1.00%. Principal and interest are paid ratably through biweekly payroll deductions. A participant may have only two loans outstanding at any time. The interest rates on participant loans outstanding at December 31, 2024 and 2023, ranged from 4.25% to 9.50%.

Payment of Benefits

Upon termination of service, a participant is generally entitled to a distribution of the vested portion of the participant's account. If the vested portion of the terminated participant's account balance is \$1,000 or less (excluding rollover contributions), the participant's vested account balance automatically is distributed to the participant in a lump sum, unless the participant elects a rollover within a specified time. If the terminated participant's vested account balance is greater than \$1,000 (including rollover contributions) but is less than or equal to \$7,000 (excluding rollover contributions), the participant's account balance will automatically be rolled into a Fidelity individual retirement account and invested so as to preserve principal and provide a reasonable rate of return and liquidity, unless the participant elects a different form of distribution. Effective January 1, 2024, the threshold for automatic rollover was increased from \$5,000 to \$7,000. If the terminated participant's account balance is greater than \$7,000 (excluding rollover contributions), the participant may elect to take a distribution in a lump sum or in annual, semiannual, quarterly, or monthly installment payments or to leave the participant's account balance in the Plan until a later date. A participant may also receive a distribution while employed for financial hardship (as defined in the Plan document), after attainment of age 59 1/2, in connection with active military duty, or as related to the participant's rollover contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their account balances. Plan assets, after allowances for expenses of administration or liquidation, are to be allocated proportionately to each participant based on the net aggregate value of the participants' investments determined as of the date of the Plan's discontinuance.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded upon the participant's eligibility for a Plan distribution.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements, accompanying notes, and supplemental schedules. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments held and notes receivable from participants at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

4. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the assets or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level of input that is significant to the fair value measure in its entirety.

Following is a description of the valuation techniques and inputs used for each general type of investment measured at fair value by the Plan:

- *Registered Investment Companies*: Valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.
- *Common/Collective Trust Funds*: Valued at the NAV provided by the administrator of the funds.
- *Self-Directed Brokerage Accounts*: Accounts primarily consist of registered investment companies, common stock and exchange-traded funds. Registered investment companies are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end. Common stock and exchange-traded funds are valued at the closing price reported in the active market in which the individual securities are traded.

The following tables set forth by fair value hierarchy level the Plan's assets carried at fair value:

Investment Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

6. Related-Party and Party-in-Interest Transactions

The Plan holds units of common/collective trust funds and shares of registered investment companies managed by the trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

7. Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated September 16, 2016, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan, as amended and restated, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Subsequent Events

Management evaluated subsequent events for the Plan through September 26, 2025, the date the financial statements were available to be issued. There were no additional subsequent events that require recognition or additional disclosure in these financial statements.
