INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
401(k) Profit Sharing Plan and Trust for Employees of Central Florida Pulmonary Group, P.A.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 401(k) Profit Sharing Plan and Trust for Employees of Central Florida Pulmonary Group, P.A. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 401(k) Profit Sharing Plan and Trust for Employees of Central Florida Pulmonary Group, P.A.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the 401(k) Profit Sharing Plan and Trust for Employees of Central Florida Pulmonary Group, P.A. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Profit Sharing Plan and Trust for Employees of Central Florida Pulmonary Group, P.A.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 401(k) Profit Sharing Plan and Trust for Employees of Central Florida Pulmonary Group, P.A.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 401(k) Profit Sharing Plan and Trust for Employees of Central Florida Pulmonary Group, P.A.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter -Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is a defined contribution plan covering all employees of Central Florida Pulmonary Group, P.A. (the “Company” or “Employer”). Employees who have completed one year of service, including 1,000 hours and have reached age 18 are eligible to participate. Employees of an affiliated employer that has not adopted into the Plan, leased employees, employees employed due to Code section 410(b)(6)(C) transactions, those governed by a collectively bargaining agreement, and nonresident aliens are excluded from eligibility. Eligible employees may enter the Plan on either January 1 or July 1 following completion of the eligibility requirements.

The Plan’s custodian and record keeper, John Hancock Life Insurance Company (“John Hancock”), remained unchanged. John Hancock is defined as a party-in-interest to the Plan.

Participant Accounts

Plan participants are offered a choice of various investment options and allowed to change their investment options daily. Each participant’s account is credited and/or reduced by the participant’s elective deferral contributions and distributions, the Company’s contributions, and an allocation of the Plan’s investment earnings/losses and investment fees and any administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan.

Contributions

Subject to certain limitations, under the Internal Revenue Code (“IRC”) Section 401(k), participants may contribute up to 100% of their annual compensation, subject to 2024 annual limits of \$23,000 and an additional \$7,500 for catch-up contributions for participants who are age 50 or older. Participants may also rollover amounts representing distributions from other qualified retirement plans. Contributions received from participants are net of excess deferral contributions refunded, as required to satisfy the relevant nondiscrimination provisions of the Plan.

The Company shall make a safe harbor nonelective contribution to the Plan for each eligible participant at a rate of 3% of the participant's eligible compensation. For the years ended December 31, 2024 and 2023, the Company made safe harbor nonelective contributions of \$160,418 and \$299,633, respectively.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

The Company may also, at its discretion, elect to make profit sharing contributions on behalf of eligible participants. For the year ended December 31, 2023, the Company made profit sharing contributions of \$418,826. The Company did not make a profit sharing contribution for the year ended December 31, 2024. The Company may also, at its discretion, make safe harbor qualified matching contributions, non-safe harbor nonqualified matching contributions, and qualified non-safe harbor nonelective contributions. For the years ended December 31, 2024 and 2023, no such contributions were made.

Forfeited Accounts

Forfeitures occur when a participant terminates employment and has not fully vested in a portion of the Company's contribution amounts. Forfeitures are used to reduce future Employer safe harbor non-elective and/or profit sharing contributions. Such contributions may be reduced by the amount of forfeitures at the distribution of terminated participants' vested account balances or for terminated participants who have incurred five consecutive one-year breaks in service prior to such Plan year. As of December 31, 2024 and 2023, there were forfeited non-vested accounts totaling \$11,181 and \$7,042, respectively. There was \$11,181 and \$7,042 of forfeitures which were applied to the Company contributions receivable for the reduction of the safe harbor contributions for the years ended December 31, 2024 and 2023, respectively.

Vesting

Participants are immediately 100% vested in their respective salary deferrals, the Company's safe harbor nonelective contributions, the Company's qualified non-safe harbor nonelective contributions, the Company's safe harbor qualified matching contributions, and actual earnings thereon. Vesting in the Company's profit-sharing contributions and the Company's non-safe harbor nonqualified matching contributions, plus actual earnings thereon, is based on years of credited service. The vesting for these contributions follows a graded schedule as follows:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. A participant may not have more than two outstanding notes at any time. The notes are secured by the balance in the account and bear interest at a rate that is consistent with current market rates upon issuance. The maximum note repayment period is five years, unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon termination of employment, death, disability, or attainment of normal retirement age, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or in installments as elected by the participant if the participant's vested account balance exceeds \$5,000. If a participant's vested account balance does not exceed \$5,000, then the participant's benefit may only be distributed in the form of a single lump sum distribution.

The Plan allows for in-service distributions if a participant reaches age 59 1/2 subject to Plan provisions. In addition, a participant may withdraw his or her rollover contributions at any time. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000 and the participant has not consented to the distribution, the benefit to which the participant is entitled will be rolled into an individual retirement account in the participant's name.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in cash and cash equivalents, pooled separate accounts, and self-directed brokerage accounts are stated at fair value. See Note 4 for a discussion of fair value measurements.

The underlying securities in each pooled separate account are listed on national securities exchanges and valued on the basis of year-end closing prices. Securities traded in the over-the-counter market are valued at the closing price.

Participant Notes Receivable

Principal and interest payments with respect to participant notes are credited solely to the account of the borrowing participant from which the note was made. Participant notes receivable are measured at their unpaid principal balances plus any accrued interest, which approximates fair value. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Plan Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in the net appreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefit.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Plan management has evaluated subsequent events and transactions that occurred after December 31, 2024 and up to the date that the financial statements were available to be issued.

Recently Adopted Accounting Standards

Effective January 1, 2023, the Plan adopted accounting standards update (ASU) 2016-13, Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (FASB ASC 326), which significantly changed how entities measure credit losses for most financial assets. The most significant change in the standard is a shift from the incurred loss methodology to an expected loss methodology. Financial assets held by the Plan that are subject to the guidance in FASB ASC 326 were employer contributions receivable. There was no material impact to the financial statements as a result of the adoption of ASU 2016-13.

NOTE 3 - INFORMATION PREPARED & CERTIFIED BY THE PLAN CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation/(depreciation) in fair value of the investments, interest, dividends, and interest income from notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock Life Insurance Company, the insurance company of the Plan, as of and for the years ended December 31, 2024 and 2023.

Interest income from notes receivable from participants	\$ 22,575

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, Fair Value Measurements and Disclosures, are described as follows:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled Separate Accounts: Valued at the net asset value (“NAV”) of units as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

Self-Directed Brokerage Accounts: Investments in self-directed brokerage accounts are comprised of common stock, mutual funds, and cash equivalents.

OF CENTRAL FLORIDA PULMONARY GROUP, P.A.**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Cash and Cash Equivalents (*Held within the Self-Directed Brokerage Accounts*): Investments in cash and cash equivalents are valued based on cost, which approximates fair value in a noninflationary economy.

Common Stock (*Held within the Self-Directed Brokerage Accounts*): Common stocks are traded in active markets on national and international securities exchanges and valued at closing prices on the last business day of each period presented.

Mutual Funds (*Held within the Self-Directed Brokerage Accounts*): Investments in money market mutual funds (or mutual funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2024			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 18,300,362	\$ -	\$ 18,300,362
Self-directed brokerage accounts	1,104,133	-	-	1,104,133
Total investments at fair value	\$ 1,104,133	\$ 18,300,362	\$ -	\$ 19,404,495
	2023			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 17,862,912	\$ -	\$ 17,862,912
Self-directed brokerage accounts	923,457	-	-	923,457
Total investments at fair value	\$ 923,457	\$ 17,862,912	\$ -	\$ 18,786,369

During the years ended December 31, 2024 and 2023, there were no transfers between levels within the fair value hierarchy.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024

NOTE 6 - TAX STATUS

The Plan adopted a volume submitter plan which has received an opinion letter from the Internal Revenue Service dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the IRC. The Plan has not requested a determination letter from the Internal Revenue Service (“IRS”) stating that the Plan is qualified under Section 401(a) of the IRC. The plan administrator believes that the adopted and amended Plan continues to qualify and will remain exempt from federal income taxes under Section 401(a).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - PLAN TERMINATION

The plan sponsor intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100 percent vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the insurance company as defined by the Plan, and, therefore, the investment transactions qualify as party-in-interest transactions. The self-directed brokerage accounts are managed by Charles Schwab and U.S. Bank National Association. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.
