## INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of  
Arnold Motor Supply 401(k) Plan  
Spencer, IA 51301

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Arnold Motor Supply 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from The Security National Bank of Sioux City, Iowa as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section ---

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arnold Motor Supply 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arnold Motor Supply 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arnold Motor Supply 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion ---

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARNOLD MOTOR SUPPLY 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS

**1. DESCRIPTION OF THE PLAN**

The following description of the Arnold Motor Supply 401(k) Plan (the Plan) provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan, as amended, is a defined contribution plan covering the partners and employees of Arnold Motor Supply, LLP (the Partnership) who are at least 18 years of age. Eligible employees may make salary deferrals and receive matching contributions as of the first entry date following the date of employment. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA).

**Contributions**

Under the provisions of the Plan, participants shall be permitted to make elective deferrals in any amount up to the maximum permitted by law. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan's investment options currently include over 30 mutual funds. The Plan document allows the Partnership to make discretionary matching contributions and discretionary profit sharing contributions. Participants are required to be contributing to the Plan to be eligible for the discretionary matching contribution. All participants are eligible for the discretionary profit sharing contribution. The Partnership's current discretionary matching contribution is .50% for each 1% the participant's annual compensation up to 3% for a maximum match of 1.5%. The Partnership did not make a discretionary profit-sharing contribution during the years ended December 31, 2024 and 2023. Contributions are remitted to the trustee on a current basis. Contributions are subject to certain limitations.

**Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Partnership's qualified nonelective contributions, the Partnership's matching contribution, and an allocation of the Plan's earnings, and charged with an allocation of administrative expenses. Allocations to the participants' accounts are based on the ratio of the account balance of the individual participant to the aggregate of all account balances of all participants in the fund within the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

All participants are immediately 100% vested in their contributions plus actual earnings thereon. The Plan has two vesting schedules depending upon the participant's hire date. Participants hired prior to January 1, 2005 are immediately 100% vested in the Partnership's contributions plus actual earnings thereon. Participants hired on or after January 1, 2005 are vested in the Partnership's discretionary contribution portion of their account plus actual earnings thereon based on years of credited service. A participant becomes 20% vested after two years of service and increases 20% per year thereafter and then becomes 100% vested upon completing six years of credited service.

**Payment of Benefits**

On termination of service, a participant receives the value of the vested interest in his or her account as a lump-sum distribution.

ARNOLD MOTOR SUPPLY 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS - Continued

**1. DESCRIPTION OF THE PLAN - Continued**

**Forfeited Accounts**

Forfeited nonvested amounts are first used to reduce the Plan's expenses and then are used to reduce the Partnership's contributions. Forfeited nonvested accounts available for use totaled \$1,250 and \$6,683 at December 31, 2024 and 2023, respectively.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following is a summary of significant accounting policies followed in the preparation of the financial statements.

**Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires plan management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value based on quoted market prices which represent the net asset value of shares held by the Plan at year-end. Plan management determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments includes gains and losses in investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Administration of Plan Assets**

The Plan's assets are held in a trust by The Security National Bank of Sioux City, Iowa (the Bank), the trustee of the Plan. The contributions are held and managed by the trustee who invests the Plan's assets and pays benefits to the participants. Trustee and investment management fees are paid from the assets of the Plan. Certain administrative expenses have been paid by the Partnership.

**Benefits Payable**

Distributions to participants are recorded in the year paid.

**Date of Management's Review**

Subsequent events were evaluated through September 23, 2025, which is the date financial statements were available to be issued.

ARNOLD MOTOR SUPPLY 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS - Continued

**3. FAIR VALUE OF INVESTMENTS**

The Plan's investments are reported at fair value. GAAP has established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for identical assets.
- Level 3 inputs consist of unobservable inputs where there is little or no market data, which requires the reporting entity to develop its own assumptions.

The Bank has reported that all of the Plan's investments are valued using Level 1 measurements.

**4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

The Charles Schwab Bank (Schwab) is the Plan's custodian. The Plan has cash and cash equivalent accounts with Schwab or its affiliates. The balances in the accounts were \$1,194,121 and \$931,489 at December 31, 2024 and 2023, respectively. In addition, the Plan has a mutual fund managed by Schwab. Transactions with these accounts qualify as a party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

**5. PLAN TERMINATION**

Although the Partnership has expressed no intention to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and the net assets of the Plan must be allocated among the participants and beneficiaries of the Plan in the order provided for by ERISA.

**6. INCOME TAX STATUS**

The Plan has adopted a non-standardized prototype plan document and is relying on the prototype sponsor's opinion letter from the Internal Revenue Service dated June 30, 2020. The letter states that the prototype and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements. Although the prototype plan has been amended since receiving the opinion letter, the prototype sponsor and the plan administrator believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Future qualification of the Plan will depend on operation of the Plan in compliance with the IRC.

ARNOLD MOTOR SUPPLY 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS - Continued

**6. INCOME TAX STATUS - Continued**

GAAP requires plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and has concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**7. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the Bank, as trustee of the Plan, has certified the completeness and accuracy of all of the investments in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the supplemental schedule of assets held at year end as of December 31, 2024, and the investment income in the statement of changes in net assets available for benefits for the year ended December 31, 2024. Accordingly, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures on these accounts.

**8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
