Report of Independent Auditors

To the Administrator of
Vinson & Elkins L.L.P. Retirement Plan A

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Vinson & Elkins L.L.P. Retirement Plan A (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the

PricewaterhouseCoopers LLP, 1000 Louisiana St., Suite 5800,
Houston, TX 77002
T: (713) 356 4000

audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report of Independent Auditors

To the Administrator of
Vinson & Elkins L.L.P. Retirement Plan A

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Vinson & Elkins L.L.P. Retirement Plan A (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Vinson & Elkins L.L.P. Retirement Plan A

Statement of Changes in Net Assets Available for Benefits

December 31, 2024 and 2023

1. Summary of Significant Plan Provisions

General

The Vinson & Elkins L.L.P. Retirement Plan A (the “Plan” or “Participating Plans” when referred to together with the Vinson & Elkins L.L.P. Retirement Plan B) was adopted effective January 1, 1976, restated and amended January 1, 2015 and January 1, 2018, and is a trustee defined contribution plan, which includes certain partners and employees of Vinson & Elkins L.L.P. (the “Firm”) who are U.S. citizens or resident aliens, as defined in the plan document. The Plan was amended effective April 27, 2017 to exclude employees who are deemed domiciled in the United Kingdom (for United Kingdom income tax purposes). The eligibility requirement for the Plan was amended effective January 1, 2018 requiring a participant to be 21 to enter the Plan.

The Administrative Committee of the Firm, appointed by the Firm’s Management Committee, is responsible for the general administration of the Plan. The Administrative Committee is given all powers necessary to enable it to carry out its duties including, but not limited to, the power to interpret the Plan, decide on all questions of eligibility and the status and rights of members and direct disbursements of benefits in accordance with the provisions of the Plan.

The Northern Trust Company (“NT”), the trustee, holds, manages and controls the Master Trust Fund in accordance with the terms of the Plan and the Master Trust. The term “Master Trust Fund” refers to the funds held pursuant to the Master Trust for the use and benefit of the members of the Participating Plans, together with all income, profits and increments thereto. Among other duties, the trustee receives contributions, makes payments and maintains all accounts under the Master Trust Fund.

NT is the trustee of Master Trust 005 and Vanguard Fiduciary Trust Company (“Vanguard”) serves as the custodian of Master Trust 006. Additionally, The Vanguard Group, Inc. serves as the recordkeeper for the plan.

The Investment Committee for the Firm’s Retirement, Pension and Variable Annuity Plans (the “Investment Committee”), appointed by the Firm’s Management Committee, transitioned appointment in December 2024 from Mercer Investments LLC to New England Pension Company (“NEPC”) as the investment manager for the Master Trust Fund (other than the investment in Greater Texas Equities LP, in which Ronald R. Hyde serves as investment manager). NEPC determines the appropriateness of the Plan’s investments, monitors investment performance and reviews reports from NT, the Trustee, as to the financial condition of investments.

Plan Termination

The Firm has established the Plan with the intention and expectation that, from year to year, it will be able to maintain the Plan. However, the Firm shall have the power to terminate the Plan or partially terminate the Plan at any time. In the event the Plan is terminated, any forfeitures and net income or losses shall be allocated among the accounts of the members, and the vested interest of each affected member shall be 100%. Payment of members’ accounts shall be made in accordance with normal benefit payment procedures.

Eligible Employees

The Plan is open to all Firm attorneys engaged in the practice of law (other than those classified as counsel, Summer Associates, and those who are both classified as a staff attorney and designated as a senior attorney) and certain other employees who are U.S. citizens or resident aliens where individual participation of nonlawyer employees is based on employment location and job classification as determined by the Plan document.

Vinson & Elkins L.L.P. Retirement Plan A

Notes to Financial Statements

December 31, 2024 and 2023

Plan Amendments

Certain provisions of the Plan have been amended since adoption. Members should refer to the Plan document for a complete description of the Plan provisions.

The Plan was amended on December 19, 2024 to change the Firm Retirement Contribution for 2024 to \$23,000 for a partner participant who was at least age 36 as of December 31, 2024.

Contributions

Contributions are before-tax and may consist of employee contributions and Firm contributions. The Plan was amended effective as of January 1, 2007 to allow participants to make after-tax, designated Roth contributions to the Plan. Employees make contributions to the Plan at their own discretion. Contributions can be made in any whole percent from 1% to 80% (75% for partners) of eligible compensation received from the Firm, not to exceed \$23,000 for 2024 (as designated by the employee). In addition, an employee who attains age 50 before the close of the plan year may elect to make an additional before-tax "catch-up contribution" (which was limited to an additional \$7,500 for 2024). "Catch-up contributions" may also be made in the form of after-tax, designated Roth contributions.

Firm contributions consist primarily of (1) Firm matching contributions for nonlawyer employees and (2) Firm retirement contributions for partners and nonlawyer employees; associate lawyers are not eligible for Firm contributions. Firm matching contributions for 2024 are made each pay period and equal 50% of a member's contributions that were not in excess of 4% of the member's eligible compensation for the pay period and 25% of the remaining member contributions that were in excess of 4%, but not in excess of 6% of the member's eligible compensation for the pay period.

Firm retirement contributions for nonlawyer employees for 2024 were equal to (a) 3.75% of the employee's eligible compensation for the respective pay period plus (b) in the case of a participating nonlawyer employee who is not a Grandfathered Participant (as defined below), an additional 2.25% of the employee's eligible compensation for the respective pay period ("Firm Supplemental Retirement Contributions"). For 2024, Firm retirement contributions \$46,000, (\$23,000 to the Plan and \$23,000 to the Vinson & Elkins L.L.P. Retirement Plan B ("Plan B")) for partners who have attained age 36 and \$10,000 (\$5,000 to the Plan and \$5,000 to Plan B) for all other partners, were made on the days predetermined by the Plan document for the plan year.

All Firm contributions made during 2024 were made to those funds as designated by the participants. A "Grandfathered Participant" is generally any nonlawyer participant who had, as of December 31, 2004, either (a) attained age 45 and completed at least five years of "Accrual Service" under the Vinson & Elkins L.L.P. Pension Plan, with the sum of attained age and completed years of such "Accrual Service" equaling at least 60, or (b) attained age 40 and completed at least 15 years of "Accrual Service" under the Vinson & Elkins L.L.P. Pension Plan.

The Secure 2.0 Act Section 603 provides all catch up contributions to qualified retirement plans are subject to Roth tax treatment, effective for tax years beginning after December 31, 2025 for all employees with compensation in excess of \$145,000. The Plan is evaluating the provisions of this update, but based on its preliminary analysis, does not expect adoption to have a material impact on its financial statements.

Vinson & Elkins L.L.P. Retirement Plan A

Statement of Changes in Net Assets Available for Benefits

December 31, 2024 and 2023

Transfers To and From Affiliate Plan

On the first day of each year, various members are transferred between the Plan and Plan B, which is generally open to all partners and certain other lawyers and nonlawyer employees based on their employment location and job classification as defined in the applicable Plan documents. In 2024, a net amount of \$2,231,333 was transferred from the Plan to Plan B.

Vesting

Members are immediately vested in their contributions plus actual earnings thereon. Vesting in the Firm contribution portion of their accounts plus actual earnings thereon is based on years of vesting service. Partners are 100% vested after five years of vesting service (three years of vesting service with respect to Firm retirement contributions made for 2007 and subsequent years).

Nonlawyer members become vested in the Firm contributions as follows:

Credited Years of Vesting Service	Percentage of Vested Interest
Less than 2 years	0 %
2 years	20
3 years	40
4 years	60
5 years	80
6 years or more	100

Payment of Benefits

Members are allowed to make in-service withdrawals from both the employee and Firm contribution balances subject to certain limitations specified in the Plan document. Hardship, which is a withdrawal made because of an immediate and heavy financial need, are also allowed but are subject to provisions specified in the Plan document and must be approved by the Administrative Committee. A Hardship may be deemed approved if the withdrawal meets the IRS safe harbor definition of an "immediate and heavy financial need".

Upon normal retirement at age 62, disability or death, the member is entitled to the vested interest in his or her account. In the case of any other termination of service, the member is entitled to the vested interest in his or her account. At the option of the member, benefits may be paid (a) in one lump sum payment, (b) directly to another plan which qualifies under section 401(a) of the Internal Revenue Code of 1986, as amended (the "Code"), a qualified annuity plan, an individual retirement account, an individual retirement annuity (other than an endowment contract), and an annuity contract described in section 403(b) of the Code or certain eligible plans maintained under section 457(b) of the Code, (c) beginning on February 1, 2008, in partial or complete distributions of any or all of the vested interest in the amounts held in the member's accounts (subject to certain limitations specified in the Plan document) or (d) beginning on January 1, 2016, in monthly, quarterly or annual installment payments for any term certain to the member or, in the event of the member's death before the end of such term certain, to his beneficiary. In the event of a member's death, except as described in clause (d) of the preceding sentence, benefits will be paid in one lump sum payment to the member's beneficiary or, under some circumstances, the beneficiary may elect a direct rollover to an eligible retirement plan.

Notes to Financial Statements

December 31, 2024 and 2023

Special Distribution Alternative Applicable to Pre-October 1, 1994 Accounts

The following special distribution alternatives apply to the balances of the partner members' accounts under the Plan on September 30, 1994, together with the earnings and losses allocated thereto:

- If the member is married on his or her date of death, such balances will be paid to the member's spouse as a survivor annuity unless the member (with spousal consent) or the spouse (after the member's death) elects to have such balances paid in a lump sum or in periodic installments.
- Upon retirement or other termination of employment, such balances will be paid in the form of a joint and 50% survivor annuity, if the member is married, or in the form of a life annuity, if the member is not married, unless the member elects (with spousal consent, if married) to have such balances paid (a) in a lump sum, (b) in monthly, quarterly or annual installments, (c) beginning on January 1, 2008, if the member is married, in the form of a joint and 75% survivor annuity, or (d) beginning on February 1, 2008, in partial or complete distributions of any or all of the vested interest in the amounts held in the member's accounts.

Forfeitures

Members who take distributions of their vested interest in the Plan forfeit the balances in their employer accounts to the extent such members are not vested in such amounts. Any amounts that are forfeited by members during the plan year shall be applied to reduce future Firm contributions to the Plan and/or to pay expenses incident to the administration of the Plan.

For the year ended December 31, 2024, approximately \$163,409 of Firm contributions were forfeited by members who received distributions of their balances at a time when such members were not fully vested in their Firm contributions.

As of December 31, 2024, total forfeitures available to reduce future Firm contributions to the Plan and/or to pay expenses incident to the administration of the Plan were approximately \$152,470. In 2024, Firm contributions to the Plan were reduced by approximately \$34,000 from forfeited nonvested accounts.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Firm's contribution, and the proportionate allocation of the earnings of the Plan, as defined.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Statement of Changes in Net Assets Available for Benefits

December 31, 2024 and 2023

Investment Valuation and Income Recognition

All investments are governed by the Vinson & Elkins L.L.P. Retirement Plans Master Trust Agreement. The Participating Plans maintain equitable shares in the trust established under such agreement (the "Master Trust"). Unless otherwise specified by the Administrative Committee, the assets of the Master Trust shall be allocated on a pro rata basis among the equitable shares. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment custodian and trustee, and investment manager. Refer to Note 4 for discussion of fair value measurements. All dividend and interest income earned on securities in the Master Trust are reinvested. The value of the investments in the Master Trust are adjusted to reflect the earnings on investments plus the market value appreciation or depreciation. The statement of changes in net assets presents the net investment gain (loss) from the Master Trust which consists of the realized gains and losses and the unrealized appreciation (depreciation) on the Plan's proportionate share of the investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and Statement of Changes in Net Assets Available for Benefits.

Administrative Expenses

Administrative fees and commissions of the Plan are paid by the Firm or, if not, by the Plan.

Benefit Payments

Benefit payments to members are recorded when paid.

3. Information Certified by the Plan's Trustee and Custodian

Certain information related to investments disclosed in the accompanying financial statements, including investments at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by The Northern Trust Company (the trustee of Master Trust 005) and Vanguard Fiduciary Trust Company (the custodian of Master Trust 006).

The Administrative Committee has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"). Accordingly, the plan administrator has obtained certifications from The Northern Trust Company, the trustee for Master Trust 005, and Vanguard Fiduciary Trust Company, the custodian for Master Trust 006, as of December 31, 2024 and as of December 31, 2023 that the following Plan financial information and data included in the Plan's financial statements is complete and accurate:

- Plan interest in Master Trust 005 as shown in the Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023.

- Plan interest in Master Trust 005 and Master Trust 006 net investment gain as shown in the Statement of Changes in Net assets Available for Benefits for the year ended December 31, 2024.
- Investments information as shown in Note 5 for Master Trust 005 as of December 31, 2024 and 2023 and for the year ended December 31, 2024.
- Investments information as shown in Note 5 for Master Trust 006 as of December 31, 2024 and 2023 and for the year ended December 31, 2024.

4. Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. The Plan Level 1 assets include investments in money market funds, common and preferred stocks and mutual funds.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement Level within the fair value hierarchy is based on the lowest Level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Statement of Changes in Net Assets Available for Benefits

December 31, 2024 and 2023

Common Stock

Valued at the closing price reported in the active market in which the individual securities are traded.

Mutual Funds

Open-ended mutual funds and bond trusts are valued at the net asset value (“NAV”) of each fund or trust determined as of the close of the applicable publicly traded exchange on the valuation date. Money market mutual funds and interest-bearing cash are recorded using the amortized cost method.

Common/Collective Trusts (“CCTs”)

Valued at the NAV of units of a collective trust (“Trust”). The NAV, as provided by the Trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments for these investments.

Limited Partnerships

Valued based on the K-1, which is prepared by the entity to distribute to owners/shareholders to outline their portion of the income, loss and deductions.

Limited Liability Companies

Valued based on the NAV, calculated daily and is the basis for transactions which is available to the plan trustees and clients in a monthly shareholder statement.

- (a) In accordance with Subtopic 820-10, certain investments, including common collective trusts and limited partnerships, that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Transfers Between Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value Level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2024 and 2023, there was no significant transfers between Levels 1 and 2. In a prior year, one common stock investment that was delisted was transferred from Level 1 into Level 3.

Changes in Fair Value of Level 3 Assets and Related Gains and Losses

The following table sets forth a summary of changes in the fair value of the Master Trust's Level 3 assets for the year ended December 31, 2024:

	Common Stocks
Balance, beginning of year	\$ 5,329
Unrealized losses relating to assets still held at the reporting date	(622)
Balance, end of year	<u>\$ 4,707</u>
The amount of total losses for the period included in changes in net assets attributable to the change in unrealized losses relating to assets still held at the reporting date	\$ (622)

Losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

Quantitative Information About Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following table represents the Master Trust's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments as of December 31, 2024 and 2023, and the significant unobservable inputs and the ranges of values for those inputs:

Instrument	Fair Value 12/31/2024	Fair Value 12/31/2023	Principal Valuation Technique	Significant Unobservable Inputs	Range of Significant Input Values	Weighted Average
Common stock	\$ 4,707	\$ 5,329	Comparative method	Liquidity risk (basis points)	N/A	N/A

In estimating fair value of the investments in Level 3, the Investment Committee may use third party pricing sources or appraisers. In substantiating the reasonableness of the pricing data provided by third parties, the Investment Committee evaluates a variety of factors including review of methods and assumptions used by external sources, recently executed transactions, existing contracts, economic conditions, industry and market developments, and overall credit ratings.

6. Related Party Transactions and Party-In-Interest Transactions

Fees expensed by the Plan for trustee, investment management, and administration services were approximately \$795,651 for the year ended December 31, 2024.

The Master Trust invested in Vanguard investments. The Participating Plans held investments totaling \$225,216 and \$35,053 at December 31, 2024 and 2023, respectively. These investments were considered party-in-interest because Vanguard served as the custodian for Master Trust 006 and recordkeeper of the Master Trust 005 and 006. The Investment Committee has approved these investments. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

7. Tax Status

The Plan obtained its latest determination letter on December 1, 2016 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The Plan has been amended since receiving the determination letter. The plan administrator and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. The related trust is exempt from taxation under IRC section 501 (a). Generally, contributions to a qualified plan are deductible by the Firm when made, earnings of the trust are tax-exempt and participants are not taxed on their benefits until withdrawn from the Plan. The Administrative Committee and Firm management are not aware of any course of action or series of events that have occurred that might adversely affect the Plan’s qualified status.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2021.

8. Subsequent Events

The Plan has evaluated subsequent events through September 5, 2025, the date the financial statements were available to be issued.
