Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

**SKECHERS USA, INC. 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following description of the SKECHERS USA, Inc. (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**A. General**

The Plan is a defined contribution plan covering employees of the Company who are at least 21 and have completed six months of service. Effective January 2, 2024, the Plan was amended to eliminate the six months of service requirement for eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**B. Contributions**

Participants may elect to defer 1% to 90% of annual compensation, as defined in the Plan, subject to Internal Revenue Code (the "Code") limitations. Effective December 11, 2023, participants may elect to defer Roth contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make a discretionary matching contribution to the Plan, and may, at its discretion, provide additional profit sharing contributions. The Company makes safe harbor matching contributions equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation. Safe harbor match contributions totaled \$8,378,002 for 2024.

**C. Participant Accounts**

Separate accounts are maintained for each participant. Participants direct their investments into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, rollover contributions and an allocation of the Company's contribution and plan earnings. Allocations of plan earnings are based on participant account balances.

**D. Vesting**

Participants are vested immediately in their contributions, safe harbor matching contributions, qualified nonelective contributions, rollovers, and actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions and earnings thereon is based on years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

**E. Forfeitures**

Forfeitures of nonvested account balances are used to reduce Company contributions or pay Plan expenses. Forfeitures totaled \$89,110 in 2024. At December 31, 2024 and 2023, respectively, \$95,721 and \$200,849 in unallocated forfeitures were included in Plan assets. During 2024, \$200,000 was used to reduce Company contributions.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
**(Continued)**

**F. Notes Receivable from Participants**

Active participants may obtain loans from their accounts for a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. The repayment period for such loans cannot exceed five years unless the proceeds are used to purchase the participant's principal residence, in which case longer terms, up to 10 years, are allowed. Effective June 1, 2024, terminated participants with outstanding loan balances can continue repayment in accordance with original loan terms. Loans are secured by the participants' account balances and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

**G. Payment of Benefits**

A participant's benefits will be distributed at retirement (age 65), death, disability or termination of employment. The participant or beneficiary may elect to receive such benefits or as a lump-sum payment equal to the value of the vested interest in his or her account. Effective September 2, 2024, a participant or beneficiary may elect to receive distributions in installment payments or as partial withdrawals. In-service distributions are allowed after age 59½ or in cases of financial hardship.

**H. Termination**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their accounts.

**I. Basis of Accounting**

The financial statements are recorded on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

**J. Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and contingent assets and liabilities. Actual results could differ from those estimates.

**K. Investments**

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in an active market.

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**K. Investments (Continued)**

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan’s fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31:

Description	December 31, 2024			Total

<b>Total Assets in the Fair Value Hierarchy</b>	<b>\$ 179,782,841</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 179,782,841</b>

Level 1 investments are mutual funds and common stock reported at fair value based on quoted market prices. Purchases and sales of investments are reported on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is reported on the accrual basis.

**L. Risks and Uncertainties**

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

**M. Plan Expenses**

Most expenses of the Plan are paid by the Company.

**NOTE 2 - FINANCIAL INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY**

**NOTE 4 - INCOME TAX STATUS**

The Plan is a volume-submitter plan which has received an opinion letter from the Internal Revenue Service stating that the form of the plan is acceptable under the applicable sections of the Code. The Plan's administrator and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS**

The Plan held Company stock valued at \$7,783,687 and \$7,468,351 as of December 31, 2024 and 2023, respectively.

Fidelity manages certain investments offered under the Plan. Transactions in these funds, while considered party in interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA.

**NOTE 6 - FIDELITY MANAGED INCOME PORTFOLIO**

The Fidelity Managed Income Portfolio is a common/collective trust that invests primarily in guaranteed insurance contracts issued by insurance companies and banks. The Plan is credited earnings on underlying investments and charged for participant withdrawals and administrative expenses. Because the fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value.

The average yield on the Fidelity Managed Income Portfolio was 2.41% and 1.97% for the years ended December 31, 2024 and 2023, respectively. Certain restrictions may limit the Plan's ability to redeem its investment in the fund at contract value, and market value adjustments and/or redemption charges may apply. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

**NOTE 7 - PLAN AMENDMENTS**

Throughout 2024, the Plan adopted the following amendments:

- To eliminate the six months of service requirement for eligibility.
- To allow participants with outstanding loan balances at termination to continue repayment in accordance with original loan terms.
- To allow participants to elect to receive their distributions in installment payments and to permit partial withdrawals of vested account balances.

**NOTE 8 - SUBSEQUENT EVENTS**

Effective January 1, 2025, the Plan amended safe harbor matching contributions to equal 100% of the first 3% of compensation and 50% of the next 3% of compensation.

Management has evaluated subsequent events through September 24, 2025, the date the financial statements were available to be issued. Except as noted above, there were no material subsequent events that required recognition or additional disclosures in these financial statements.

FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

## INDEPENDENT AUDITOR'S REPORT

The Trustees of  
Skechers USA, Inc. 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Skechers USA, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

The Trustees of  
Skechers USA, Inc. 401(k) Profit Sharing Plan

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SKECHERS USA, INC. 401(k) PROFIT SHARING PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following description of the SKECHERS USA, Inc. (the "Company") 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

**A. General**

The Plan is a defined contribution plan covering employees of the Company who are at least 21 and have completed six months of service. Effective January 2, 2024, the Plan was amended to eliminate the six months of service requirement for eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**B. Contributions**

Participants may elect to defer 1% to 90% of annual compensation, as defined in the Plan, subject to Internal Revenue Code (the "Code") limitations. Effective December 11, 2023, participants may elect to defer Roth contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may make a discretionary matching contribution to the Plan, and may, at its discretion, provide additional profit sharing contributions. The Company makes safe harbor matching contributions equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation. Safe harbor match contributions totaled \$8,378,002 for 2024.

**C. Participant Accounts**

Separate accounts are maintained for each participant. Participants direct their investments into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution, rollover contributions and an allocation of the Company's contribution and plan earnings. Allocations of plan earnings are based on participant account balances.

**D. Vesting**

Participants are vested immediately in their contributions, safe harbor matching contributions, qualified nonelective contributions, rollovers, and actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions and earnings thereon is based on years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

**E. Forfeitures**

Forfeitures of nonvested account balances are used to reduce Company contributions or pay Plan expenses. Forfeitures totaled \$89,110 in 2024. At December 31, 2024 and 2023, respectively, \$95,721 and \$200,849 in unallocated forfeitures were included in Plan assets. During 2024, \$200,000 was used to reduce Company contributions.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**  
**(Continued)**

**F. Notes Receivable from Participants**

Active participants may obtain loans from their accounts for a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. The repayment period for such loans cannot exceed five years unless the proceeds are used to purchase the participant's principal residence, in which case longer terms, up to 10 years, are allowed. Effective June 1, 2024, terminated participants with outstanding loan balances can continue repayment in accordance with original loan terms. Loans are secured by the participants' account balances and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

**G. Payment of Benefits**

A participant's benefits will be distributed at retirement (age 65), death, disability or termination of employment. The participant or beneficiary may elect to receive such benefits or as a lump-sum payment equal to the value of the vested interest in his or her account. Effective September 2, 2024, a participant or beneficiary may elect to receive distributions in installment payments or as partial withdrawals. In-service distributions are allowed after age 59½ or in cases of financial hardship.

**H. Termination**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their accounts.

**I. Basis of Accounting**

The financial statements are recorded on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

**J. Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and contingent assets and liabilities. Actual results could differ from those estimates.

**K. Investments**

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in an active market.

**NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**K. Investments (Continued)**

Level 2 – Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management’s estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan’s fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31:

Description	December 31, 2024			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 222,724,575	\$ -	\$ -	\$ 222,724,575

<b>Total Assets in the Fair Value Hierarchy</b>	<b>\$ 179,782,841</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 179,782,841</b>

Level 1 investments are mutual funds and common stock reported at fair value based on quoted market prices. Purchases and sales of investments are reported on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is reported on the accrual basis.

**L. Risks and Uncertainties**

The Plan provides for various investment options in any combination of investments offered by the Plan. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

**M. Plan Expenses**

Most expenses of the Plan are paid by the Company.

**NOTE 2 - FINANCIAL INFORMATION CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2024 and 2023 and investment income for

**NOTE 4 - INCOME TAX STATUS**

The Plan is a volume-submitter plan which has received an opinion letter from the Internal Revenue Service stating that the form of the plan is acceptable under the applicable sections of the Code. The Plan's administrator and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS**

The Plan held Company stock valued at \$7,783,687 and \$7,468,351 as of December 31, 2024 and 2023, respectively.

Fidelity manages certain investments offered under the Plan. Transactions in these funds, while considered party in interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA.

**NOTE 6 - FIDELITY MANAGED INCOME PORTFOLIO**

The Fidelity Managed Income Portfolio is a common/collective trust that invests primarily in guaranteed insurance contracts issued by insurance companies and banks. The Plan is credited earnings on underlying investments and charged for participant withdrawals and administrative expenses. Because the fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the fund. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value.

The average yield on the Fidelity Managed Income Portfolio was 2.41% and 1.97% for the years ended December 31, 2024 and 2023, respectively. Certain restrictions may limit the Plan's ability to redeem its investment in the fund at contract value, and market value adjustments and/or redemption charges may apply. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

**NOTE 7 - PLAN AMENDMENTS**

Throughout 2024, the Plan adopted the following amendments:

- To eliminate the six months of service requirement for eligibility.
- To allow participants with outstanding loan balances at termination to continue repayment in accordance with original loan terms.
- To allow participants to elect to receive their distributions in installment payments and to permit partial withdrawals of vested account balances.

**NOTE 8 - SUBSEQUENT EVENTS**

Effective January 1, 2025, the Plan amended safe harbor matching contributions to equal 100% of the first 3% of compensation and 50% of the next 3% of compensation.

Management has evaluated subsequent events through September 24, 2025, the date the financial statements were available to be issued. Except as noted above, there were no material subsequent events that required recognition or additional disclosures in these financial statements.
