## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
Allegheny Health Network Home Medical Equipment  
401(k) Profit Sharing Plan  
Ford City, PA

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of Allegheny Health Network Home Medical Equipment 401(k) Profit Sharing Plan (“Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from Reliance Trust Company, a qualified institution, as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets held at end of year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management, and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compare such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of Allegheny Health Network Home Medical Equipment 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan was established January 1, 2016.

General

The Plan is a defined contribution plan established to provide supplemental retirement benefits for employees of Allegheny Health Network Home Medical Equipment ("Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

The Plan covers all eligible employees of the Company. Employees are eligible to participate through deferred salary contributions upon the date of hire and are eligible to receive Company contributions upon the age of twenty-one and after the completion of one year of service, which is defined as 1,000 hours.

Contributions

Participants may direct the Company to contribute a deferral of their annual compensation as defined by the Plan, subject to overall limitations imposed by the Internal Revenue Code ("IRC"). Participants who have attained age 50 by the end of the Plan year are eligible under the IRC to make additional catch-up contributions (limited to \$7,500 in 2024 and 2023). Participants may elect to designate some or all of their deferred salary contributions as Roth deferral contributions subject to the same rules applicable to pre-tax deferral contributions. These deferred salary contributions are reported as participant deferrals in the accompanying financial statements. In addition, participants who receive qualified distributions from another qualified plan may be able to rollover such distributions into the Plan. Participant rollover contributions during 2024 and 2023 totaled \$0 and \$123,929, respectively.

The Company contributes safe harbor matching contributions equal to 100% of the first 4% of the participants' deferred compensation. These contributions are classified as Company contributions in the accompanying financial statements. In addition, the Company may make discretionary matching contributions to the Plan equal to a discretionary percentage of the participants' elective deferrals. No discretionary contributions were made during the years ended December 31, 2024 and 2023.

Participants direct all contributions into various investment options offered by the Plan.

ALLEGHENY HEALTH NETWORK HOME MEDICAL EQUIPMENT  
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Each participant's account is credited with the participant's deferred salary contributions, Company matching and discretionary contributions, and an allocation of Plan earnings based on the investment options elected by the participant. Each participant's account is reduced by participant withdrawals, forfeitures, and an allocation of Plan losses based on investment options selected by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their contributions and safe harbor matching contributions. After two years of service, participants begin to vest in the Company's discretionary matching contributions at the rate of 20% per year until full vesting is reached. Terminated employees are entitled to their vested amounts.

Forfeited accounts

Forfeited amounts may be used to reduce future employer contributions. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$10 and \$11, respectively. The Company used \$317 and \$0 of forfeited, non-vested amounts to offset Company contributions during years ended December 31, 2024 and 2023, respectively.

Notes receivable from participants

Participants may borrow from their vested account balance in amounts ranging from a minimum of \$1,000 to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the participant's account balance. Fixed interest rates on notes is determined based on the prime rate on the fourteenth day of the month preceding the note origination date, plus 1%. Interest rates in effect on outstanding notes as of December 31, 2024 range between 4.25% and 9.50%. Principal and interest is paid ratably through monthly payroll deductions according to terms of the promissory note and prepayments may be made at any time.

Under the Plan's policy, the balance of notes in default (as defined) is reported to the participant as taxable income and is subject to personal income taxes and penalties. Such notes remain outstanding and continue to accrue interest even though they have been reported to a participant on Form 1099 (a "deemed distribution"). Notes will not be charged against the participant's vested account balance until approval is received to offset the note due to the participant's termination of service, retirement, death, disability, attainment age of 59-1/2, or reaching the earliest date that distribution is permitted under the Plan.

ALLEGHENY HEALTH NETWORK HOME MEDICAL EQUIPMENT  
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Payments of benefits

Upon death, retirement or other termination of employment, the participant or beneficiary will receive a lump-sum distribution. A participant may also, in the event of hardship, be permitted to withdraw all or a portion of deferred salary contributions in accordance with Plan provisions.

Plan termination

Although it has not expressed any intention to do so, the Company may terminate the Plan at any time. In the event of termination, both the vested and unvested interest of participants affected by the termination and their beneficiaries under the Plan shall be nonforfeitable.

Administrative expenses

The Company may pay some Plan administration expenses with its own assets rather than using Plan assets. To the extent the Company does not pay Plan expenses with its own assets, the Plan generally will pay the expenses of Plan administration and will assess the expenses paid against the accounts of all participants in the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets available for benefits during the reporting period. Actual results could differ from those estimates.

ALLEGHENY HEALTH NETWORK HOME MEDICAL EQUIPMENT  
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

The Plan's mutual fund investments are stated at fair value, as determined by quoted market prices. The Plan's common/collective trust investment is stated at the net asset value ("NAV") of units held by the Plan at year-end. NAV is used as a practical expedient to estimate fair value.

Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Dividend income is recorded when earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought or sold as well as held during the year are included in net realized and unrealized appreciation in fair value of investments reported on the statements of changes in assets available for benefits.

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the fair values of investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits.

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan's management evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through September 23, 2025, the date on which the financial statements were available to be issued.

ALLEGHENY HEALTH NETWORK HOME MEDICAL EQUIPMENT  
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 3 - FEDERAL INCOME TAX EXEMPTION

The Plan is operating under a prototype non-standardized profit sharing plan with CODA of ADP, LLC. The most recent opinion letter for the ADP, LLC Prototype Non-Standardized Profit Sharing Plan is dated October 6, 2020. In this letter, the Internal Revenue Service (“IRS”) stated that the Plan, as then designed, is in compliance with the applicable requirements of the IRC. Plan management believes that the Plan is qualified as of the financial statement dates.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator is not aware of any uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan’s tax returns for the year ended December 31, 2021 and beyond remain subject to income tax examination.

NOTE 4 - INVESTMENTS

Market price observability is affected by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily determinable available quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment in measuring fair value. Investments measured and reported at fair value, except for those that use NAV as a practical expedient, are classified and disclosed in one of the following categories based on the extent of market price observability.

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. All of the Plan’s mutual fund investments are classified as Level I.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

NOTE 4 - INVESTMENTS (continued)

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	Level	2024	2023
Mutual funds	I	\$ 7,490,869	\$ 6,593,494
Common/collective trust	NAV	140,648	126,834
		\$ 7,631,517	\$ 6,720,328

The following additional information is provided regarding the Plan's common/collective trust included in the above table:

Investment	Fair value		Redemption frequency	Redemption notice period
	2024	2023		
MetLife Great Gray Stable Value Fund – Class K (a)	\$ 140,648	\$ 126,834	Daily	n/a

- (a) The MetLife Great Gray Stable Value Fund – Class K is a collective investment trust that primarily invests in high-quality bond and fixed income securities, with the objective of providing safety of principal, adequate liquidity, and a competitive yield with low return volatility. Participants may ordinarily direct the withdrawal or transfer of all of a portion of their investments at contract value. The Plan has no unfunded commitments with respect to this investment.

NOTE 5 - CERTIFICATION

All information related to investments and notes receivable from participants, investment and notes receivable from participant transactions, and related income is disclosed in the accompanying financial statements and supplemental schedule and is certified as complete and accurate by Reliance Trust Company, the trustee of the Plan, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 6 - RELATED PARTY TRANSACTIONS

The Plan holds notes receivable from participants that qualify as party-in-interest transactions. The Plan also paid administrative expenses and fees to ADP, LLC that qualify as party-in-interest transactions. Administrative expenses and fees paid to ADP, LLC totaled \$23,834 and \$22,122 for the years ended December 31, 2024 and 2023, respectively.
